## OVERVIEW

# City Smart, Adventure-Ready

The CR-V delivers a dynamic driving experience as a compact SUV crossover, with a responsive 1.5L turbocharged engine. Available Real Time AWD™ ensures confident handling, while the TrailSport trim adds off-road capability with all-terrain tires.

## OVERVIEW

# Ready to Take On Bigger Challenges

The Honda CR-V boasts a rugged design, with a long wheelbase and wide stance. Available features like roof rails and a hands-free access power tailgate give you the versatility to tackle all kinds of adventures, from crosstown to cross-country.

## OVERVIEW

# The Perfect Cabin for Adventure

Step in and feel instantly connected to your surroundings, thanks to a minimalist layout and expansive sight lines. The interior includes a spacious cargo area, body-stabilizing front seats, and amenities like the available Bose® premium sound system.\*
