# CELEBRATING INTERNATIONAL YEAR OF COOPERATIVES

# **Building a Better World**

Warm cooperative greetings to all members. As we celebrate the International Year of Cooperatives 2025, I am proud to extend best wishes on behalf of the Education Committee and the Board of Directors. This is a significant moment for the global cooperative movement and for us at **VENTURE** Credit Union as we embrace the theme "Cooperatives Build a Better World."

Declared by the United Nations General Assembly on June 19, 2024, this global observance acknowledges the invaluable role that cooperatives play in shaping inclusive, resilient, and sustainable communities. At the heart of this movement lie the Seven Cooperative Principles, which continue to guide our actions and values:

- Voluntary and Open Membership
- Democratic Member Control
- Member Economic Participation
- Autonomy and Independence
- Education, Training, and Information
- Cooperation among Cooperatives
- Concern for Community

These principles are more than ideals they are practical tools for change. Cooperatives have been shown to uplift economies, empower people, and promote sustainable development in meaningful, people-centered ways.

The International Cooperative Alliance (ICA) founded in 1895 has led the global cooperative movement for over a century. Key milestones include the launch of the ICA's identity statement in 1995 and its strategic role in aligning cooperatives with the UN's Sustainable Development Goals. Today, through the leadership of COPAC, a partnership of UN agencies and the ICA, the world is once again placing the cooperative model at the forefront of development dialogue.

As Vice President of **VENTURE** Credit Union's Board and Chair of the Education Committee, I reaffirm our commitment to embedding these values in everything we do from financial empowerment to youth education and community development. Let us use this year to deepen our impact, educate our members, and champion the cooperative model not just as an alternative, but as a solution.

Together, we will continue to build a better world cooperatively.

#### **Buzz To Business Webinar**

"Kickstarting Your Business, Leveraging Social Media For Success."

The Buzz to Business Webinar, "Kickstarting Your Business, Leveraging Social Media for Success," was an inspiring and impactful session designed to empower both budding and experienced entrepreneurs within our membership. Led by Ms. Renée Andrews, founder of Sorvete Artisan Frozen Desserts, the session offered a deep dive into the effective use of social media platforms to build brand identity, foster engagement, and drive business growth. Attendees learned how to craft authentic content, identify their target audience, and leverage digital tools to enhance visibility and credibility in a competitive market. Ms. Andrews shared her own entrepreneurial journey, offering valuable lessons, challenges, and successes that resonated deeply with participants. Her energetic and relatable presentation style kept the audience engaged, while the practical takeaways left them motivated to take action. The session successfully ignited the entrepreneurial spirit, equipping our members with the confidence and strategies needed to kickstart and scale their ventures online.

#### The VENTURE View Webinar

"Understanding VENTURE's Financial Statements."

The **VENTURE** View Webinar, "Understanding **VENTURE's** Financial Statements," was a highly informative and empowering session held in anticipation of our 2025 Annual General Meeting. Designed to enhance members' financial literacy, the webinar provided valuable insights into how to read and interpret key financial documents, including the Balance Sheet, Income Statement, and Statement of Cash Flows. Presented by Ms. Melba Mollineau, Accounting Manager at **VENTURE** Credit Union, the session broke down complex financial data into clear, understandable concepts, enabling members to gain a deeper appreciation of the Credit Union's financial health and performance. Ms. Mollineau's thorough and engaging presentation highlighted how these reports reflect our operational priorities, fiscal discipline, and strategic goals. The session reaffirmed **VENTURE's** ongoing commitment to transparency, accountability, and member empowerment, equipping attendees with the knowledge they need to make informed decisions and actively participate in the governance of their Credit Union. Feedback from participants was overwhelmingly positive.

#### **Future Focus**

"Strategies for a Worry-Free Future." (Retirement Planning)

Future Focus – "Strategies for a Worry-Free Future" was a powerful and insightful webinar aimed at helping members take control of their financial futures through effective retirement planning. Expertly led by Mr. Deon Grandison, the session emphasized the importance of early preparation and introduced practical strategies for achieving long-term financial security. Participants explored key topics such as goal setting, budgeting, savings plans, and investment options tailored for retirement. Mr. Grandison skillfully broke down complex financial concepts into clear, actionable steps, making the session accessible and engaging for members at all life stages. The webinar encouraged thoughtful reflection on personal financial goals and offered guidance on how to align current habits with future needs. With an emphasis on proactive planning, the session reinforced the idea that peace of mind in retirement is achievable through informed decision-making today. Members left feeling empowered and better equipped to build a secure and fulfilling future.

#### This could be your story: Why This Coverage Matters

Amanda is a 42-year-old mother of two.

Amanada experienced a heart attack last year. Fortunately, she had signed up for the Family Critical Illness Plan through **VENTURE** Credit Union. She received a \$150,00.00 lump sum payout, which allowed her to focus on recovery instead of medical bills and day-to-day living expenses. From covering therapy to ensuring her children were supported, the plan provided the financial security she needed during a difficult time.

The plan gave her time to breathe and recover, without thinking about bills.

#### **HOW TO ENROLL**

You can sign up through any one of our conveniently located branches. To make a claim, request a claim form and submit it along with a medical report signed by your attending physician.

# VENTURE Credit Union Unveils Cutting-Edge Digital Platform to Enhance Member Experience.

Camilli Roberts-Da Breau

Marketing and Communications Manager

**VENTURE** Credit Union is proud to announce the launch of its new Digital Loan Platform, marking a significant milestone in our commitment to providing faster, more convenient service to our valued members. This platform enhances our loan application and processing services, offering a more seamless experience. As we continue to expand our digital footprint, additional services will be introduced to further improve your experience with us.

In a financial landscape defined by choice, convenience and digital speed access at the click of a button is essential. As the industry continues to evolve, so must we. Our new platform is designed to meet and manage our member expectations by simplifying operations, offering mobile convenience from anywhere, and providing a seamless service with efficient feedback, follow-up and follow-through that enhances member engagement while maintaining the personalized service that sets **VENTURE** Credit Union apart.

The launch of this digital platform revolutionizes our loan application process. Key features include electronic forms, real-time loan status tracking and faster approvals via an intuitive and secure online interface. Members can now submit and track their loan applications, significantly reducing processing times, while upholding our high standards of confidentiality, trust and professionalism.

Our dedicated lending team is fully trained and ready to meet you where you are, whether you choose to visit us in person, online via our website or by calling in.

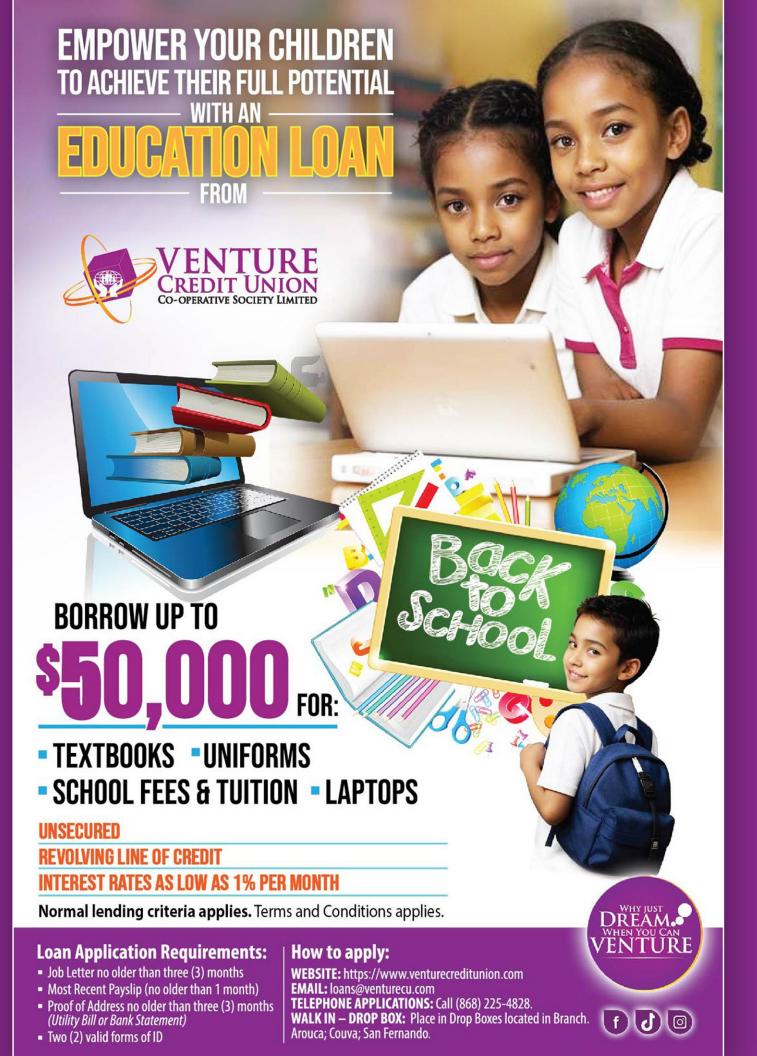

We are especially mindful of those who may be hesitant about adopting new technology and we are committed to providing the necessary support so that no one is left behind.

"The launch of this online loan application process, which is the first offering of its kind in the credit union space, signals yet another milestone along our transformation journey, of which we are duly proud. We look forward to delivering an enhanced digital experience for our members," said Ms. Donna Romilly, Chief Executive Officer, **VENTURE** Credit Union.

**VENTURE** Credit Union is one of the premier financial institutions in T&T and a leader in the Credit Union sector. We are a trusted financial services provider, dedicated to enhancing the social and economic wellbeing of our members.

The team with the best combination of tie and bonnet won a complimentary brunch for their branch, well deserved!

Hakeem Jordan **Education Committee Officer** 

In the spirit of honoring those whose tireless efforts have shaped our organization and inspired generations, we pay tribute to the late Mr. Lionel Sookoo, whose selfless contributions to the **VENTURE** Credit Union family spanned more than 27 years of unwavering service.

Mr. Sookoo first made his mark as President of Hydro Agri from 1990 to 1994, during which he played a vital role in laying the groundwork for what would eventually evolve into **VENTURE** Credit Union. His early efforts helped shape the values and direction of an organization built on cooperative spirit, financial empowerment, and community care.

His leadership journey continued as he served as the first alternate director at **VENTURE** Credit Union in 1997, 1998, 2000, and again in 2015, always demonstrating a deep and abiding commitment to the Credit Union movement. His directorship from 2003 to 2012 and again from 2016 to 2017 further illustrated his steadfast dedication to organizational growth and governance. He also served on the Board of the Central Regional Chapter, strengthening his impact across the wider co-operative landscape.

Beyond the boardroom, Mr. Sookoo was a true champion of holistic work-life balance within the **VENTURE** family. He played an instrumental role in planning some of our most cherished events, including the **VENTURE** 5K Run and Fun Walk, as well as the much-loved **VENTURE** Cruise in its golden days. These initiatives weren't just about fun, they were about fostering unity, wellness, and shared joy among members and staff.

Mr. Sookoo brought light, laughter, and kindness to every space he entered. Whether guiding key decisions or sharing a smile at a social event, he was a figure of warmth and wisdom. His presence uplifted those around him, and his memory will live on in the hearts of all who had the privilege of knowing him.

His legacy is deeply woven into the fabric of **VENTURE** Credit Union, a legacy of service, compassion, and enduring human connection.

## THRIVING IN THE STORM

# Navigating Today's EVUCA World

In a world where change is the only constant, we've entered what experts now call the EVUCA era, a landscape that is Extreme, Volatile, Uncertain, Complex, and Ambiguous. It's a step beyond the original VUCA concept, reflecting the intensified pace of global disruption. From climate crises and Al revolutions to economic instability and social upheaval, the EVUCA world is not just a buzzword, it's our new reality.

# **Understanding EVUCA in Daily Life** *Exponential Change*

The pace of innovation is relentless, reshaping careers, industries, and financial stability. Those who embrace learning, adapt to new technologies, and stay ahead of trends won't just survive, they'll thrive. Growth isn't about waiting for change; it's about leading it.

#### **Volatility & Uncertainty**

Unexpected shifts are inevitable; markets fluctuate, industries evolve, and life throws curveballs. Financial preparedness and career flexibility aren't just safety nets; they're launchpads for opportunity. The key isn't avoiding uncertainty but learning how to navigate it with confidence and strategy.

#### **Complexity & Ambiguity**

Regulations change, global dynamics shift, and new challenges emerge. The world rewards those who can think critically, adapt swiftly, and approach problems with curiosity. Perspective is power; those who ask questions, seek understanding, and embrace complexity will shape the future.

Here at **VENTURE** Credit Union, our Education Committee is committed to helping members stay informed and develop the skills needed to navigate through the intense shifts that are challenging traditional systems. The EVUCA environment is now our new normal.

#### Starting Strong in an EVUCA World

The world is evolving at an unprecedented pace, filled with constant change, uncertainty, and complexity. For those just beginning their journey, learning how to adapt and make informed choices is crucial to staying secure and confident in this evolving environment. Here are five essential steps to help you build stability and thrive:

- 1. **Stay Open to Learning** Change is inevitable, but growth is a choice. Stay informed about industry trends, emerging technologies, and shifting economic landscapes to remain ahead. The more you learn, the more prepared you are for what's next.
- 2. Make Thoughtful Decisions Avoid impulsive choices by gathering information before acting. Whether it's managing finances, choosing a career path, or making life plans, think about long-term impact instead of short-term fixes.
- 3. **Strengthen Financial Security** Uncertainty can shake financial stability, but planning creates resilience. Start by saving consistently, building an emergency fund, and exploring safe investment options to protect your future.
- 4. **Prioritize Well-Being** Success isn't just about financial security; it's also about mental and emotional resilience. Build strong support networks, embrace continuous learning, and practice self-care to stay motivated and balanced.
- 5. Use Technology to Your Advantage Digital tools can simplify finances, career development, and personal productivity. Explore smart budgeting apps, online courses, and Al-driven insights to make better, more efficient decisions.

In an EVUCA-driven world, individuals who embrace adaptability, strategic planning, and continuous self-improvement position themselves for long-term success. Navigating an EVUCA world is not about avoiding challenges, it's about learning how to face them strategically. With the right mindset, smart planning, and a willingness to adapt, you can transform uncertainty into growth and opportunity.
