EDITION #1

OREINE DENICE

***“May This Broken World Die
&
A New One Be Born”***

*Life is so wonderfully dreamy
I hate that some humans make reality nightmarish*

*I'm sick of so much
Yet I am grateful for even more*

*I have so much to say
I pray someone will listen~*

CHAPTER 1

*I pray to always have good intentions
I pray I will always remain a good person*

*As I travel through this complicated world
I pray for my sense of self to remain*

*Even in the afterlife
I pray to be a good thing*

2020

strong

my mother is

her mother is

so is hers

what if I wasn't?

should I strive to be?

did I just cut the line???

(oops)

what is weak

the tears?

my anger?

(it's probably that sensitivity)

sometimes my smile feels foreign

(does this belong to me?)

on some days

i forget what to do

a series of inquiries

someone answer me

(who is this?!)

would my father think if I said

what I wanted to say

let me speak louder

Satisfaction choose me

Nevermind!

Lolol

I'm okay now!

= D

:D

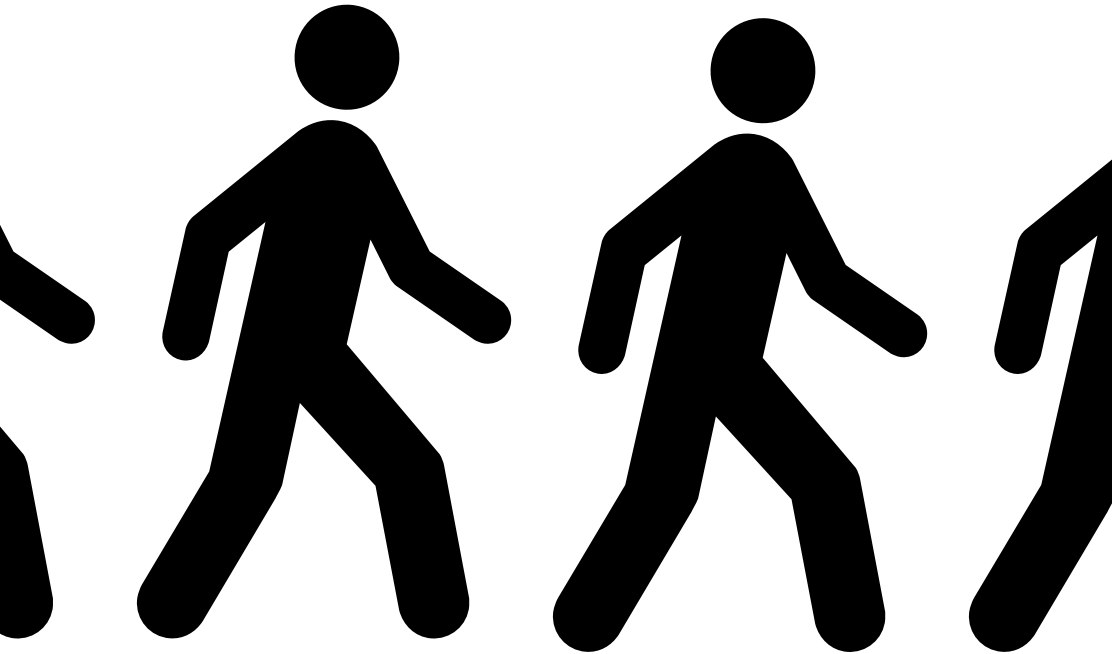

:)

Hahahahahahaaaaaah...

(She's back at it again)

*I'm glad I'm the age I am now
I am relieved I can make my own decisions
I would hate to be a child right now*

*I'm anti anti-aging
Aging is a blessing
Let's all grow tf up
We talk so much about embracing our inner child
Let's learn to embrace our adult self as well*

**The saying life isn't fair makes no sense
It really makes no fucking sense
Cause why?**

Why the fuck not?

?

**I'm cursing more
But I haven't felt good lately
So I guess that's what makes it makes sense**

**But this depression is illogical
I was fine**

now I'm not?

uhhhh?

What just happened

??????

the fuck

**I can't seem to watch my mouth these days
But no censor puts me at ease
Im gonna say**

~~~!got@tfuckiNGdaammit#~~~

**When I miss that train to work even though I ran to catch it
Because I think it's silly to run to places I don't wanna be**

Feb 14, 2020-

My memories are getting weak

When people talk to me I have a hard time knowing who they're talking to

I'll come find you

(I should say that to myself more in my moments of feeling frighteningly lost)

*i keep seeing heart clouds in the sky
how lovely right? <3*

i'm coming out!

i'm gay & i love shrooms!

2021

I honestly can't remember much of this year

oops

i'm so grateful for my home

MY FRIENDS MAKE ME FEEL SPECIAL

I HOPE THAT I DO THE SAME FOR THEM

2022.

***I FEEL A MESS
I FEEL UNLUCKY***

***WHAT AN AWFUL FEELING
WHEN I JUST TOLD MYSELF
I AM BLESSED***

***I PRAY I WILL COME BACK SOON
TO SAY
IT'S ALL GOOD GIRL***

MATURING IS REALIZING
MY SILENCE SPEAKS WORDS I DON'T MEAN TO SAY

WHEN MY PHONE RINGS
I SIMPLY CAN'T ANSWER

(WHY)

I HONESTLY DON'T KNOW

...

I WOULD LIKE TO TALK

(I TRULY MEAN THAT BUT I GUESS THAT'S HARD TO
BELIEVE WHEN YOU HARDLY HEAR FROM ME)

"HOW ARE YOU"
SUCH AN EASY THING TO SAY
BUT NOT TO ANSWER RIGHT NOW

BUT GROWING UP IS REALIZING
THAT WHEN I CARE I HAVE TO SAY I CARE
AS OFTEN AS I CAN

UPDATE:
IT'S ALL GOOD GIRL:)

this mind
can be so

anxious

it's gotten much better tho :)

All the time now
It makes all the sense
And it's all I want to do*

*It can be frustrating trying to survive life as an artist
But I will not give up!*

**ACTING IS NOT MIMICKING

CHAPTER 3

LEARN HOW TO READ THE ROOM WITH YOURSELF

LEARN HOW TO BE GOOD COMPANY WITH YOURSELF

Everyone is entitled to delicious food
It's a treat of being alive
It's mighty sad that groceries are so expensive right now

It's crazy you have to debate with some Christians
About whether food and shelter is a human right
Very evil they don't believe even children deserve free food and housing

Do I wanna scream or do I just wanna be
heard?

Why aren't my meds working
Or should I say that more poetically

I cant

This brain is working against me

A woman with long dark hair, wearing a black ruffled dress and white high-heeled shoes, is walking from left to right in the foreground. She is positioned next to a large, vibrant red wall that curves around her. In the background, there is a classical building with large columns and arched windows. A small figure of another person is visible in the distance near the building's entrance. The overall scene is brightly lit, suggesting a sunny day.

*After years of battling self-hatred
I managed to make a loving home inside myself for myself*

*I feel I can do the same for this world
I want to open myself up and let the world live inside of me*

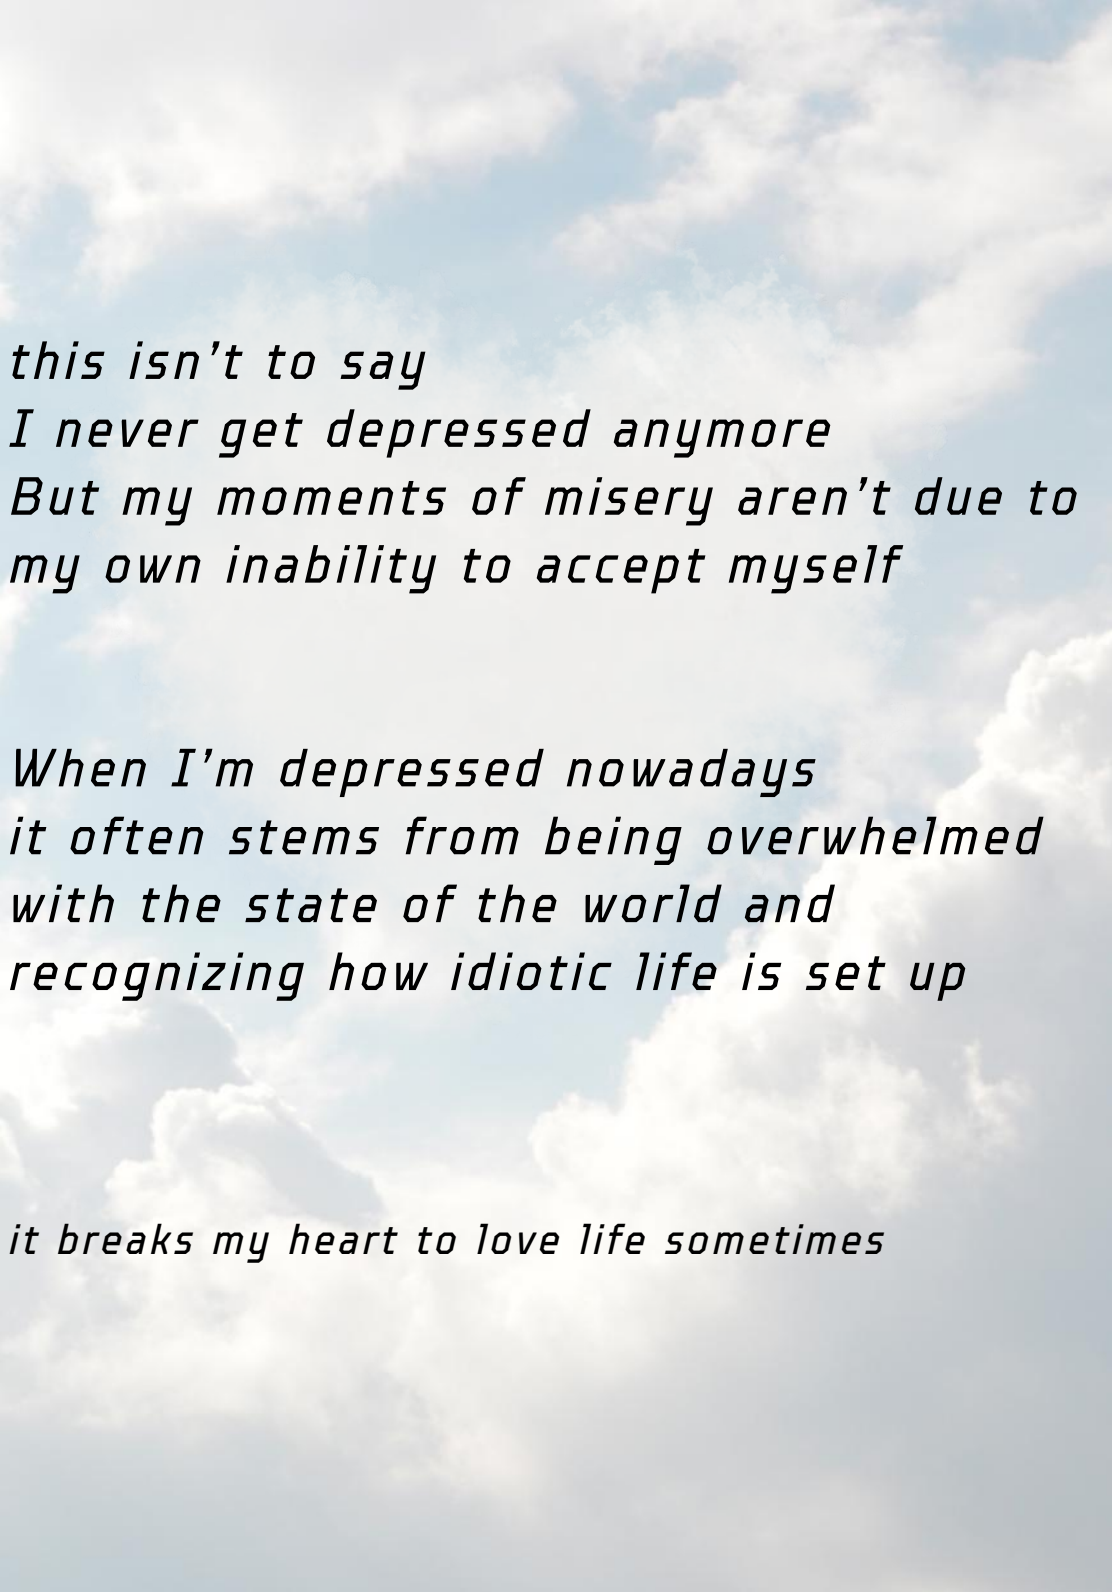

I USED TO HAVE AN UNCONTROLLABLE URGE TO ERASE MYSELF

n o w

I'M IN LOVE WITH LIFE

I PRAY YOU FEEL THE SAME

**IF YOU ARE STRUGGLING
PLEASE TRUST
IT WILL GET BETTER**

*this isn't to say
I never get depressed anymore
But my moments of misery aren't due to
my own inability to accept myself*

*When I'm depressed nowadays
it often stems from being overwhelmed
with the state of the world and
recognizing how idiotic life is set up*

it breaks my heart to love life sometimes

*I'm off my medication
But that's besides the point*

I guess that's hard to believe after you caught me dancing with the moon and the stars

PROCLAMATION: *They love me! They love!*

And then I cry

and cry and cry and cry and cry and cry and cry and cry and cry and cry and cry and cry and

You asked if I was okay

...

nope.

Nothing Is Okay.

When it should be.

I refuse to have my clarity misnamed

I know what I know

Because when the moon shines on me

i am loved

I am from Love

& because i am from Love I am sick in this sickly World of War

It's not strange I cry with the moon

When across the water

A child's legs are blown off from a bomb dropped in a school

& they are considered blessed because they are one of the few kids who survived

(200 died just that day)

Yet

The media doesn't report it or when it does will say terrorist were there

or so they think... the investigation is still pending (along with several others now)

& btw- the fucked up kids are collateral damage (they say this) (do you say this too?)

.

..

.....

What The Fuck.

Thousands of kids are dead.

Someone just starved to death

What the fucking fuck

A cat's face blown off

A headless child

A body burnt to a crisp

What the fuck fuck fuck fuck fuck fuck fuck am I seeing

This is the price of what?

??

Peace?!

The government is saying what?!

The growing number of deaths is just a big "oopsie"?!

I KNOW YOUR NAME SATAN & I FORBID YOUR LIES & I WILL TELL THE TRUTH

EVIL IS WAR

*[I TYPE IN ALL CAPS ON A PHONE MADE
WITH CHILD SLAVE LABOR IN THE CONGO]*

It must stop now

I'm not crazy

This shit is crazy

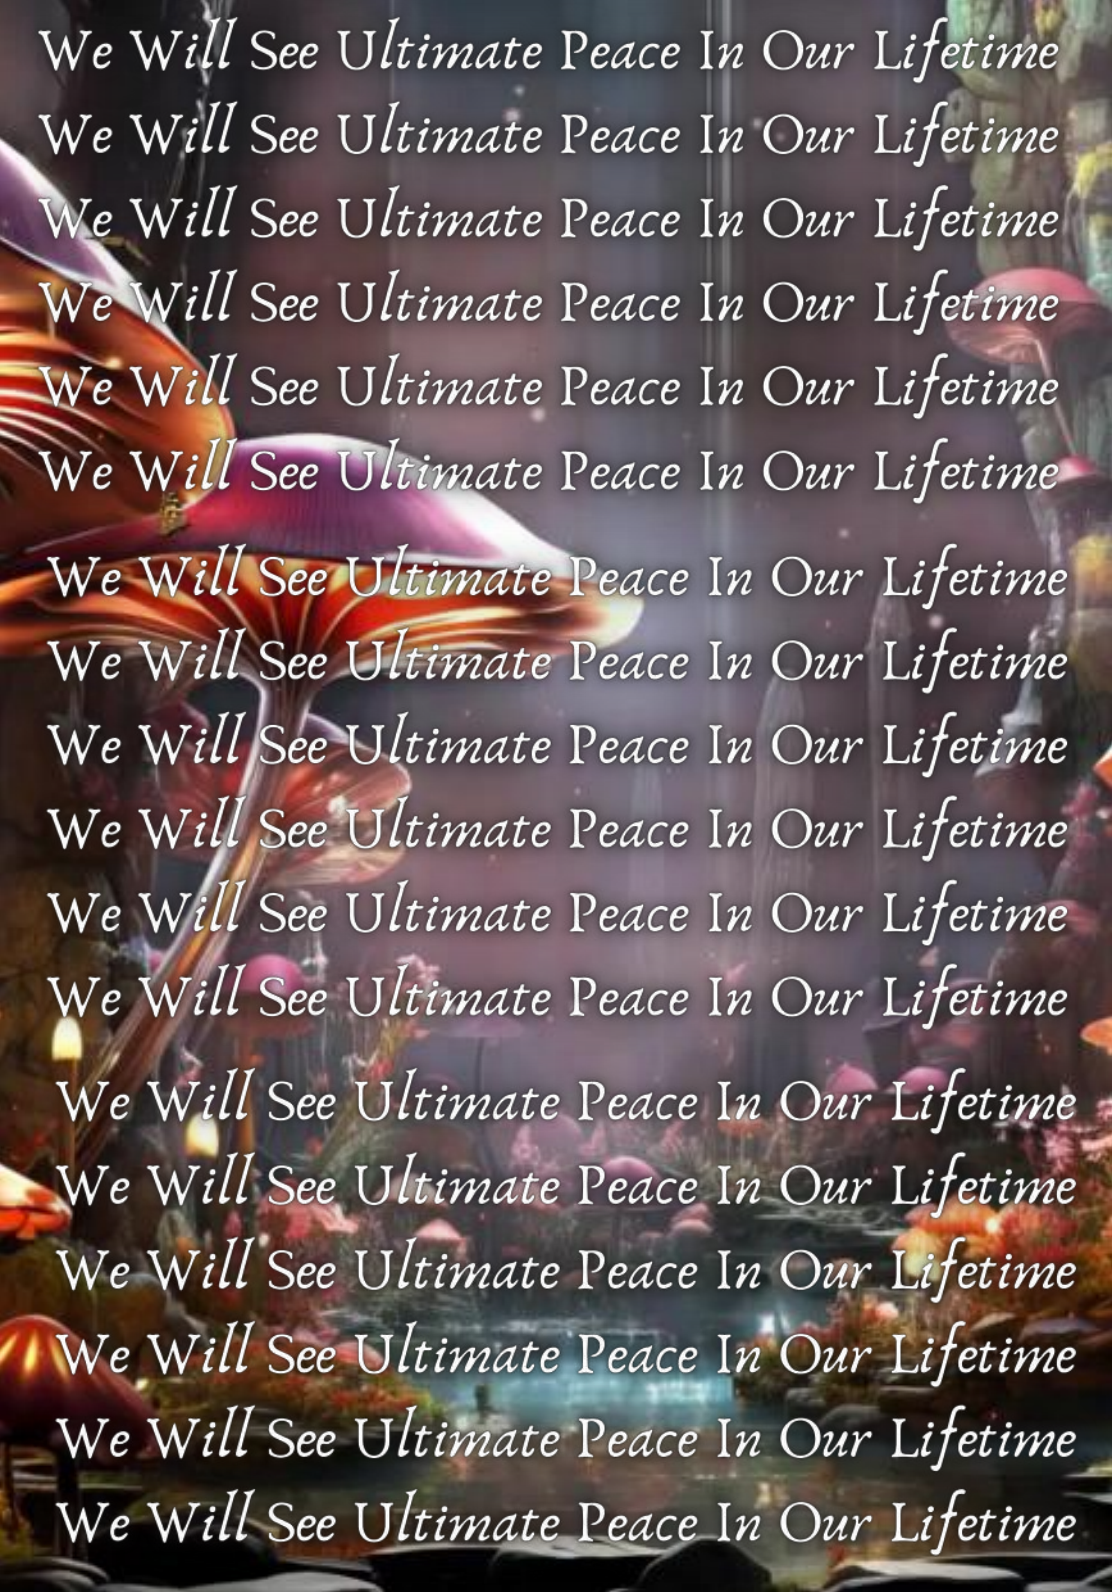

A refugee camp is on fire

so

yea

I cry with the moon

And you're worried I'm off my meds

There's a beginning and an end to death just as it is with life. The impossible exist here. Beyond, There is no end just how there is not beginning. I can't remember the process how i entered and I won't remember the process of how I leave. I just hope this mind, Oreine beyond the physical, stays in tack. That how much I want to keep these memories. They'll come back. They are mine. And all is yours. Abundance and beyond.
