Eco Triblend Cotton

Our USA triblend fabric is made with 50% CiCLO® Bio-degradable Polyester (OEKO-TEX® ECO PASSPORT certified chemistry polyester to breakdown in the environment at the same rate as cotton), 37% Cotton, and 13% TENCEL™ (which is made from renewable material wood created by photosynthesis and can revert to nature). At 4.4 oz it's slightly heavier weight than many triblend fabrics, but it's looking great wash after wash.

Fleece Collection

Fleece fabric is super soft, super warm. Made from 80% Cotton and 20% Polyester and weighing 8.75oz, this fabric is a must have to stay extra cozy. Our USA 50/50 Fleece fabric is made in the USA with CiCLO®. Their patented technology transforms synthetic fibers into biodegradable fibers that can be re-absorbed into the eco-system. It is lighter (7.2oz) and even softer than our 80/20 fleece. Made from 50/50% CiCLO® Polyester, this fabric has the perfect balance of warmth and breathability.

Decoration Options

1. Screen Print -

Our most popular decoration option offering a variety of ink options including plastisol, soy based ink, and water based ink.

2. Heat Transfer - A great option for small orders, names & numbers or very detailed graphics.

3. Embroidery- Recommended for hats or fleece when you want an elevated look and don't mind a longer turn time.

4. Specialty Inks and Foils

Embellish your garments with glitter or metallic inks or finish a design with foil.

A FEW MORE DETAILS:

- Reorders of a design will not include additional art fees.
- The minimum order for custom garments is 24 pieces of the design - that can include a mix of garments as long as the art remains the same size and colors.
- We print orders 5-7 days after art approval and payment. Transit times vary by location. Embroidery orders are produced 7-14 days after payment. Please place your orders with plenty of time before deadlines as rush orders may incur additional fees!
- Custom products are not returnable. In the rare case that a mistake happens in production, please notify your sales rep immediately for a refund or replacement. Return of the defective product may be required.
