

## Extra Virgin Olive Oil

These are oils extracted by "cold pressing", preserving the taste of the fruit and seed.

### Application

Salad Dressing, Bread Dips, and Sautéing

## Classic and Extra Light Olive Oil

These oils undergo a refining process that allows the obtention of a more neutral, visually cleaner oil flavour, and which allows for better conservation.

### Application

All Purpose Cooking

Borges International is a globally recognized producer and distributor of premium Mediterranean food products, with a core focus on olive oil. Established in 1896 in Spain, Borges has over a century of expertise in industrial processing, packaging and commercialization of olive oils, seeds oils, vinegars, nuts, olives, and pasta that embody tradition, health, and flavor.
