Some Highlights from last year

Sustainable Kit for Hitachi

Hitachi approached BrandSTIK to create 700 Women's Day Special Kits for its Women employees - A sustainable, useful, and meaningful kit that would connect with all the women in their organization. We developed a custom gift set with company branding and the message of celebrating women of their Hitachi Vantara family.

The kit included a green tea scented candle, Smoor choco coated Almonds and an Eco-friendly Wudbox Set which consisted of Neem Wood Comb, Natural Loofah Scrub, Bamboo earbuds, and organic neem oil soap. Such a thoughtful gesture by Hitachi. So happy and proud to be able to be a part of this wonderful gesture and experience to celebrate Woman's Day.

These 700 Women's Special Kits were nicely packed and delivered directly to each of its female employees' residences, pan India.

Here is the Unboxing of the Kit – [click here](#)
