— INTRODUCTION

Why Women's Day Gifting Needs a Rethink

Women's Day recognition often leans on symbols — gestures that are well-intended but disconnected from how women actually contribute at work.

At BrandSTIK, we believe meaningful recognition should reflect **work, impact, and presence** — the way women show up every day across roles, teams, and leadership levels.

Work-focused

Impact-driven

Presence-honoring

"This catalogue is designed for organisations that want to acknowledge contribution without stereotypes, appreciation without tokenism, and gifting without discomfort."

Built for HR, People Ops & Enterprise Teams

A simple three-step process designed for scale

— PHILOSOPHY

What We Chose — and What We Didn't

Every product in this catalogue passes at least two of these criteria:

Useful beyond Women's Day

Non-stereotypical and role-agnostic

Easy to justify internally

Scalable across locations

You will not find symbolic or gendered gifts here.

You will find items that respect **contribution**, **autonomy**, and **professionalism**.
