FRESHEN UP YOUR NEW YEAR!

Xtreme Clean HF 5 gal SPKW5

LOCALLY MADE PREMIUM PRODUCT - Keep your bay walls clean and attract more business!

Xtreme Clean HF is a concentrated, quick acting formula designed to clean carwash bay walls and equipment with ease. This active concentrate is formulated to loosen and remove scale, soap scum and oxidation deposits. Simply spray Xtreme Clean HF on the surface and rinse off with a high-pressure water stream. Ensure you thoroughly rinse all bay signage at the end of the cleaning process.

Xtreme Clean HF cleans:

- ✓ Tiles
- ✓ Fibreglass
- ✓ Brick
- ✓ Block
- ✓ Painted walls

A unique product that is ideal for use in reclaim systems and carwash bay pits as an odour and oil remover. The enzyme formulation actually "eats" the oil and odour causing bacteria. Super concentrated liquid contains thousands of purified enzyme strains that accelerates the remediation process digesting organic matter, reducing odours and breaks down solids.

- Special 'enzyme' technology works in extreme pH ranges
- Instantly starts decomposing hydrocarbons, fatty acids, sugar and proteins
- Clarifies and deodorizes reclaimed water or waste streams
- Contains biodegradable surfactants
- Leaves a fresh, clean scent destroying odour causing bacteria
- Continuously keeps fighting, digesting, and neutralizing odour and corrosion causing chemicals
