OUR CAMPUS

The "One School, Two Campus" approach unifies our educational institutions under the Oberoi Foundation's guidance, offering an IB education with shared principles, guidelines, and fee structure, for all OIS students across the OGC and JVLR locations. Both campuses feature aesthetically designed educational facilities with state-of-the-art wi-fi infrastructure. This includes well-ventilated classrooms, specialized laboratories for Science, Mathematics, and Language studies, four libraries, expansive indoor recreation areas, soundproof auditorium, olympic-sized pool, futsal court, flexible classrooms, collaborative spaces, design and theatre studios, creative art rooms, and resource centres for both teachers and students.

ABOUT OIS

Founded in August 2008, OIS is a private, co-educational day school offering education of an excellent quality to students across two campuses in Mumbai. OIS is an authorized three-programme IB school offering the IB Primary Years Programme (N-5), IB Middle Years Programme (6-10) and the IB Diploma Programme (11-12). Students who do not pursue the IB Diploma may opt to take IB Courses and be awarded a High School Diploma. Students in grades 9 and 10 are tracked in Mathematics and Foreign Languages. Given the inherent rigour of the IB Diploma Programme OIS does not provide ranking of its students or calculate a GPA. OIS is fully accredited by the Council of International Schools (CIS) and the New England Association of Schools and Colleges (NEASC), is a member of the East Asia Region Council of Schools (EARCOS), and Near East South Asia Council of Overseas Schools (NESA).
