

VALANTHROPY

SUMTER VETERANS APARTMENT COMMUNITY – 2025-2026 PROJECT

Permanent Supportive Housing for At-Risk Veterans
in Partnership with Hidden Wounds Resource Center

VALanthropy is a 501(c)(3) nonprofit organization dedicated to building homes and hope for veterans. All donations are tax deductible as allowed by law.

OUR MISSION

BUILDING **HOPE**. RESTORING **HONOR**.

VALANTHROPY provides permanent, affordable housing for U.S. military veterans who are at-risk of homelessness — creating communities that restore dignity, purpose, and belonging.

We believe no man or woman who served our country should have to fight another battle just to find a place to sleep.

Through partnerships with individuals, businesses, foundations, churches, and government agencies, **VALANTHROPY** transforms compassion into construction — turning empty land into homes, and isolation into hope.

I WAS PREPARED TO SERVE, I WAS PREPARED TO BE WOUNDED, I WAS PREPARED TO DIE. HOWEVER, WHEN I CAME HOME, I WAS NOT PREPARED TO BE FORGOTTEN!

WHY IT MATTERS

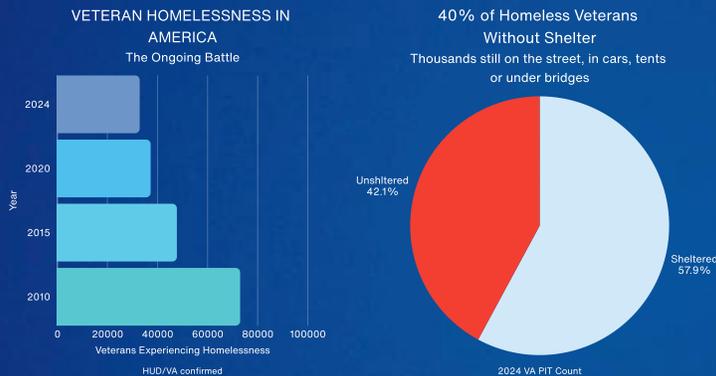

Because Service Should Never End in Struggle.

Across America, **32,882** veterans are homeless on any given night. Nearly 40% sleep unsheltered — in cars, tents, or under bridges.

Here in South Carolina, **1,901** veterans were served by homeless programs last year, and 431 were counted as homeless — almost 1 in 5 adults receiving housing assistance.

BEHIND EVERY NUMBER IS A LIFE INTERRUPTED — a veteran, a neighbor, a hero. Many face PTSD, depression, and barriers to care, leading to devastating isolation and loss of stability.

“THEY SERVED OUR COUNTRY. NOW IT’S OUR TURN TO SERVE THEM.”

PERMANENT HOUSING COSTS LESS

Every dollar spent on housing saves communities thousands in crisis cost

National Alliance to End Homelessness

Housing a **veteran** isn't charity
it's a promise kept.

Permanent housing cuts crisis costs nearly in half — from \$37,000 a year in emergency care to \$18,000 for stable supportive housing.

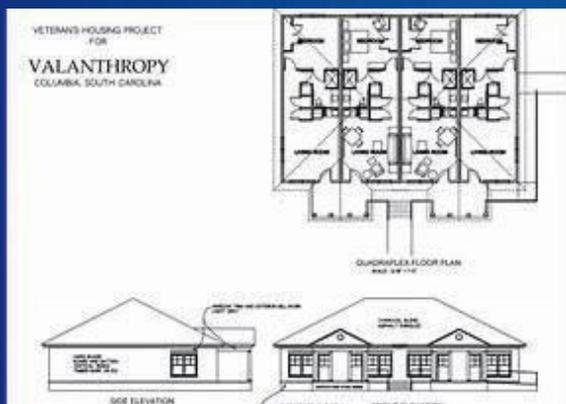

It also reduces suicide risk by up to 11× compared to veterans living on the street

THESE AREN'T STATISTICS — they're neighbors, parents, and heroes who deserve more than survival

OUR IMPACT & VISION

We are building the first Veterans Apartment Community in Sumter, South Carolina — 12 permanent one-bedroom apartments near the regional VA hospital, with a community center and outdoor space for healing.

TOTAL COST: \$3.85 MILLION

COMMITTED: \$3.60 MILLION

REMAINING NEED: \$250,000

YOUR SUPPORT BUILDS MORE THAN HOMES — IT REBUILDS LIVES

By 2027, VALanthropy plans to expand to five communities, creating nearly 90 permanent homes for veterans across the state.

PATHWAY TO HEALING

Permanent Homes. Lifelong Support.

Housing is just the beginning. True recovery happens when veterans find the stability, care, and community they need to heal.

The **VALANTHROPY** model pairs permanent housing with a network of wraparound supportive services that address every facet of a veteran's well-being — physical, emotional, spiritual, and social.

Through trusted partnerships, each resident receives access to the resources that build a permanent pathway to healing and independence.

WHY SUPPORTIVE SERVICES MATTER

Without long-term support, homelessness too often becomes a recurring cycle.

Our community model ensures every veteran has access to:

- Mental health and wellness programs for trauma recovery.
- Case management and benefits assistance to secure stability.
- Career pathways to rebuild financial independence.
- Peer and community connections to restore belonging and purpose.

This approach has proven to reduce repeat homelessness, lower healthcare costs, and dramatically improve quality of life.

“A house provides shelter. A community provides hope.”
