SHIP-WRECKED RAFT BUILDING CHALLENGE

Embark on an exhilarating team-building adventure with the Ship-wrecked Raft Building Challenge. This unique activity offers an opportunity for teams to channel their creativity, collaboration and problem-solving skills while crafting their own seafaring vessels.

Guided by experienced facilitators, teams are presented with a scenario: stranded on a deserted island with limited resources, they must construct a seaworthy raft using only the materials provided. Working together, participants must design, engineer, and assemble their rafts, utilizing their collective knowledge and ingenuity.

As the rafts take shape, excitement builds. Once construction is complete, teams launch their creations into the shimmering waters of the Indian Ocean for the ultimate test. The challenge is not only to stay afloat but also to navigate a designated course, requiring effective teamwork and strategic planning.

Ship-wrecked Raft Building Challenge goes beyond building rafts; it fosters trust, communication, and adaptability among team members. The activity encourages participants to step outside their comfort zones, think critically under pressure and appreciate each other's strengths.

Amidst the stunning backdrop of the Maldives, this team-building experience takes on a whole new dimension. As teams navigate their self-made vessels through the gentle waves, a sense of accomplishment and camaraderie prevails. This unforgettable challenge not only strengthens bonds but also equips teams with skills that translate seamlessly to the workplace. The Ship-wrecked Raft Building Challenge at Holiday Inn Resort Kandooma Maldives promises a dynamic, memorable, and impactful team-building experience that leaves participants with a renewed sense of unity and purpose.

PINOT & PICASSO

Immerse yourself in a captivating fusion of artistry and relaxation with the Pinot & Picasso group activity at Holiday Inn Resort Kandooma Maldives. This innovative experience marries the joy of painting with the beauty of the Maldivian paradise, creating a truly unique and unforgettable group event.

Guided by skilled artists, participants gather in a scenic outdoor setting – be it by the beach or under swaying palms – to unleash their creativity onto canvases. With a glass of fine wine in hand, the soothing ambiance encourages artistic expression to flow freely.

The Pinot & Picasso experience is a sensory journey that engages sight, sound, and taste. The vibrant colors of the Maldivian sunset, the soft music, and the rich flavor of the wine all combine to create a masterpiece.

As brushes dance across canvases, participants lose themselves in the therapeutic process. The relaxed atmosphere encourages conversation and a genuine connection among group members.

At the end of the session, participants proudly display their creations, reflecting not only their artistic skills but also the tranquility of the Maldivian surroundings.

CORAL REEFSCAPING

Embark on a transformative team-building journey at Holiday Inn Resort Kandooma Maldives through the innovative practice of coral reefscaping. This immersive experience not only strengthens bonds but also contributes to the preservation of the Maldives' precious marine ecosystems and habitats.

Guided by marine experts, teams engage in coral reefscaping – a conservation technique that involves transplanting and nurturing coral fragments onto frames to submerge on damaged reefs. This hands-on activity empowers participants to actively contribute to the restoration of the underwater world they admire.

As teams delve into the process, they learn about the importance of coral reefs, the challenges they face, and the

pivotal role they play in sustaining the ecosystem. Through teamwork and collaboration, participants build coral structures, carefully attaching fragments to ensure their growth.

The impact of coral reefscaping extends beyond the activity itself. Participants witness firsthand the importance of coral reefs, initiated, fostering a sense of accountability and responsibility. The experience sparks a passion for environmental conservation and encourages participants to adopt sustainable practices beyond the resort.
