

# The Horeca Companion

With extensive experience in the foodservice business, from restaurant operations to foodservice distribution, The Foodworks team is passionately committed to the people we serve, and therefore, every product, every order and every decision we make, is inspired by our customers.

We believe that the power of good food is not just a food, it brings people together and make every moment special. and Food is about making an interaction with ingredients. If you talk to them, they will always tell you a story.

**Bon Appetit!** 

# RTED UCTS

## **JAPANESE WAGYU**

Like fine wines, the flavors of Japanese Wagyu vary from region-to-region and from farm-to-farm based on genetics, and feeding protocols, The Foodworks's purveys a comprehensive assortment of Wagyu from the cold northern climes of Hokkaido to the subtropical beauty of Kyushu.

Family Tradition Since 1892

Our mission is to produce Balsamic Vinegar of Modena PGI and Balsamic Specialties of the highest quality. The strong propensity for innovation, with great respect for our traditions, has always characterized our family.

Our Balsamic Vinegars of Modena PGI and Condiments are completely natural products, without preservatives, thickeners or colourants, obtained from 100% Italian raw materials. Must and Vinegar have always been the only two ingredients of our Balsamic Vinegars of Modena PGI and our Condiments.

Today, as then, we are committed to maintaining the quality of our products at the highest level. We do it for you.

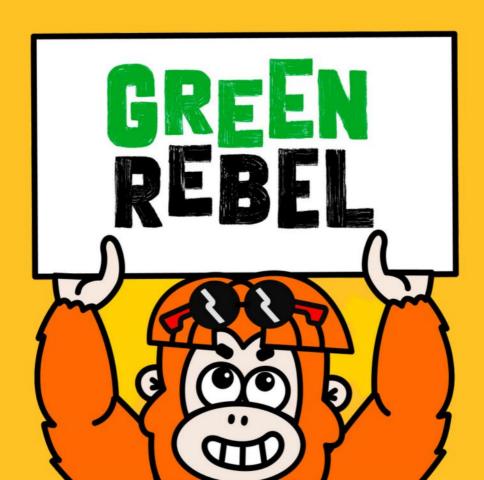

This is our commitment.

### FROZEN DOUGH SHEETS

This product gives convenience and saves time in making dough sheets, and can be kept easily in the freezing compartment. Dough Sheets can be used to create many menus, such as Spring Rolls with Shrimp, Toong Thong (Thai Traditional Spring Rolls), Fried Pork Wontons, replacing the crispy noodles, or Mieng (FoodWrapped in Leaves). With soft, smooth, sticky, and not oily texture, this thus allows the dough to remain crispy for a long time.
