

MANAWA 

We're international award-winning

Yep, we're that good!

Our honeys have won multiple accolades in the London Honey Awards, which are a prestigious international event held annually for honey entries from countries around the world.

Manawa

Honey From The Heart

We specialise in producing the best native tree honeys from our vast untouched forests in Te Urewera – homeland of our tribe Tūhoe - in New Zealand. Manawa means 'heart' and that's what drives us.

Mānuka Honey

The medicinal powers of Mānuka

Mānuka Honey can only be described as a phenomenon. It has been shown through scientific studies across the world to have many beneficial properties, that make it highly valued and sought after.

Rewarewa Honey

The best tasting honey in the world

Our Rewarewa Honey won Grand First Prize out of over 600 entries from across the world to become the Best Tasting Honey in the World. Our Tāwari and Pua-ā-Tane Wild Forest Honey also got to the final of this contest.

Tāwari Honey

A delicious and rare honey

Tāwari is not only unique to New Zealand, it was also a finalist in the 10th Black Jar International Honey Contest held in Asheville, USA in 2021, beating hundreds of entries from across the globe.
