Somos expertos en confort.

Nuestro recorrido como fabricantes de tapicería suma más de medio siglo de experiencia artesana y recoge lo mejor del legado artesanal de Valencia.

Sofás y butacas hechos con atención al detalle, diseñados pensando siempre en el cliente, priorizando lo que verdaderamente importa: la calma y el descanso en el hogar.

Nuestra empresa

*Isabel Aguilar e Ismael Gallego
reformulan el pequeño negocio familiar
de tapicería artesanal en 2010
y crean la firma TEMASDOS.*

*Su éxito radica en la combinación de
la manufactura artesanal de toda la vida
con las herramientas tecnológicas actuales,
acercando al público las tendencias,
sin dejar de lado el confort.*

*La excelente relación calidad-precio,
la durabilidad de nuestros productos,
y una impecable atención al cliente
son los pilares de TEMASDOS.*

La localización

*Para la realización de las fotografías
de gran parte de este catálogo
elegimos una localización muy especial:
El Telar de Miguel Martí.
Un telar valenciano del siglo XII
reconvertido en un espacio contemporáneo.*

*Resume lo mejor de nuestra filosofía:
rescatar y conservar lo más bello
de nuestra artesanía y tradición local,
pensando en la sostenibilidad y el mañana.*
