Mark & Steffani

The Cabinets Store offers quality materials and impeccable service. We also have a design consultations in English and Spanish.

The founder of The Cabinets Store became interested in cabinetry over 20 years ago while visiting Costa Rica, when he hired a furniture maker to build him a custom fish aquarium. That relationship with the furniture maker not only flourished into a passion for cabinetry, but it lead to his marriage to the furniture makers daughter Steffani.

Today, Mark & Steffani continue to provide clients with beautiful cabinetry to create perfect spaces.

Over years of designing kitchens and working with hundreds of customers, the true enjoyment not only comes with making a customer's dreams or request come true. Our belief is to listen to the customers fine details and needs as each kitchen and bath have its own character. We had the Cabinet Store remodel our kitchen and replace our doors and trim. That were great to work with! Very friendly and attentive to our needs!

Very accommodating and very knowledgeable. Mark sells more than cabinets. He finds very high quality, affordable products and really steered us in the right direction for choosing products for our new home. We bought our vanity sinks, toilets and Vinyl Plank Flooring through Mark. HIGHLY RECOMMENDED!

My experience with The Cabinets Store has been wonderful! Everyone at the store is very welcoming and friendly. Mark was extremely helpful in so many aspects of my full house remodeling. He advised me on so many issues and his knowledge and experience has been invaluable. The cabinets are beautiful! The quality is excellent and very well made. I'm very happy I chose Mark and The Cabinets Store.

We went to Mark at the Cabinets Store in Dunedin to get a quote on cabinets for a kitchen remodel. Working with him was a dream. Great ideas, a more than competitive price (the best we got out of 3), honest, efficient, helpful and so very knowledgeable. He answered every question, never left us waiting for information, had the best installation subcontractors (Doyme Bros) we have ever used, and worked with our schedule every step of the way, even though it changed 3 times. Oh, and he and his contractors showed up on time, every day. He kept us updated on progress and any glitches, never tried to gouge us or surprise us with hidden costs, and left us asking him to do our two bathrooms next month. You want the best? Go to Mark at the Cabinets Store.
