Relax with Cove

This contemporary design with luxurious pillow top seat cushions and wide track arms, Cove is built for relaxation. Opening to a queen size bed in moments makes it a home away from home.

Cozy up with Kai

Luxurious pillow top cushions and plush lumbar cushions are just the cherry on top of this beautiful design. At the press of a button, its function rolls out to custom seat depths or a full size bed.

Smoked Birch Table

This is Otto

Don't let its small stature deceive you, Otto is full of function. Open it a little to access its table top surface, open it all the way to retrieve the stowed cushion to easily make a comfortable bed.
