FEBRUARY 29TH

A VOID HOPE

From: [STEAM](#)

A Void Hope takes you on an atmospheric narrative adventure to find a cure for a collapsed city. Follow the story of a tormented couple as they try to decipher reality from nightmares and evade the shadowy threats lurking in the dark.

SIXTY FOUR

From: [STEAM](#)

Dive into the world of Sixty Four, where you transform simple machines into a thriving factory. Each advancement brings new challenges and a deeper understanding of an extraordinary universe.

MARCH 4TH

MARCH 4TH

BIOMORPH

From: [STEAM](#)

A dark metroidvania game where you become the creatures that you kill! Solve ingenious puzzles and navigate a stunning hand-drawn world. Meet quirky characters, rebuild a city, and uncover the secrets of a sprawling, fallen civilization... and of your own mysterious origins.

LITTLE LEARNING MACHINES 1.0

From: [STEAM](#)

Welcome to Little Learning Machines—a live simulation where you train your real AI companions to solve challenges together, across whimsical islands. Shape their abilities and personalities while leveling up your skills with the games' no-code AI system.

MARCH 6TH

MARCH 7TH

POTIONS: A CURIOUS TALE 1.0

From: [STEAM](#)

An adventure & crafting game where wit is your greatest weapon and combat is not always the answer. Play as Luna, a young witch who overcomes obstacles with the potions she brews, as she gathers items from enchanted lands and conquers devious puzzles on her quest.

HIGHWATER

From: [STEAM](#), [HUMBLE](#), [EPICSTORE](#)

Earth has flooded and the planet is doomed, but there's still time to enjoy the view. Guide Nikos and friends through the flooded world of Highwater and beyond in this story driven, adventure game where they'll have to fight for their chance to escape.

MARCH 14TH

NECROSMITH 2

From: [STEAM](#), [EPICSTORE](#)

Like a dead man reanimated by dark sorcery, the necromancer simulator is back! Give the undead the ability to fly over mountains and swim across rivers, explore a fully generated world at night and fend off enemy hordes during the day. Start a new, uhm, life.

MARCH 27TH

MARCH 19TH

LIGHTYEAR FRONTIER

From: [STEAM](#), [EPICSTORE](#)

Lightyear Frontier is a peaceful open-world farming adventure on a planet at the far edge of the galaxy. Climb into your versatile mech and start your new home on a distant planet with up to 3 friends as you farm alien crops, build your own homestead, and explore the untamed wilderness of the world.

BEAT SLAYER

From: **STEAM**

A roguelite hack n' slay game like no other. Instead of just being in the background the music takes centre stage.

Join Mia, a badass music lover and crafty tinkerer, as she battles hordes of robots in a dystopian 90s-

inspired Berlin. There's only one rule: Stay. On. Beat!

Don't think and just play. Let the music guide you and create your own symphony of destruction round, after round, after round!

APRIL 4TH

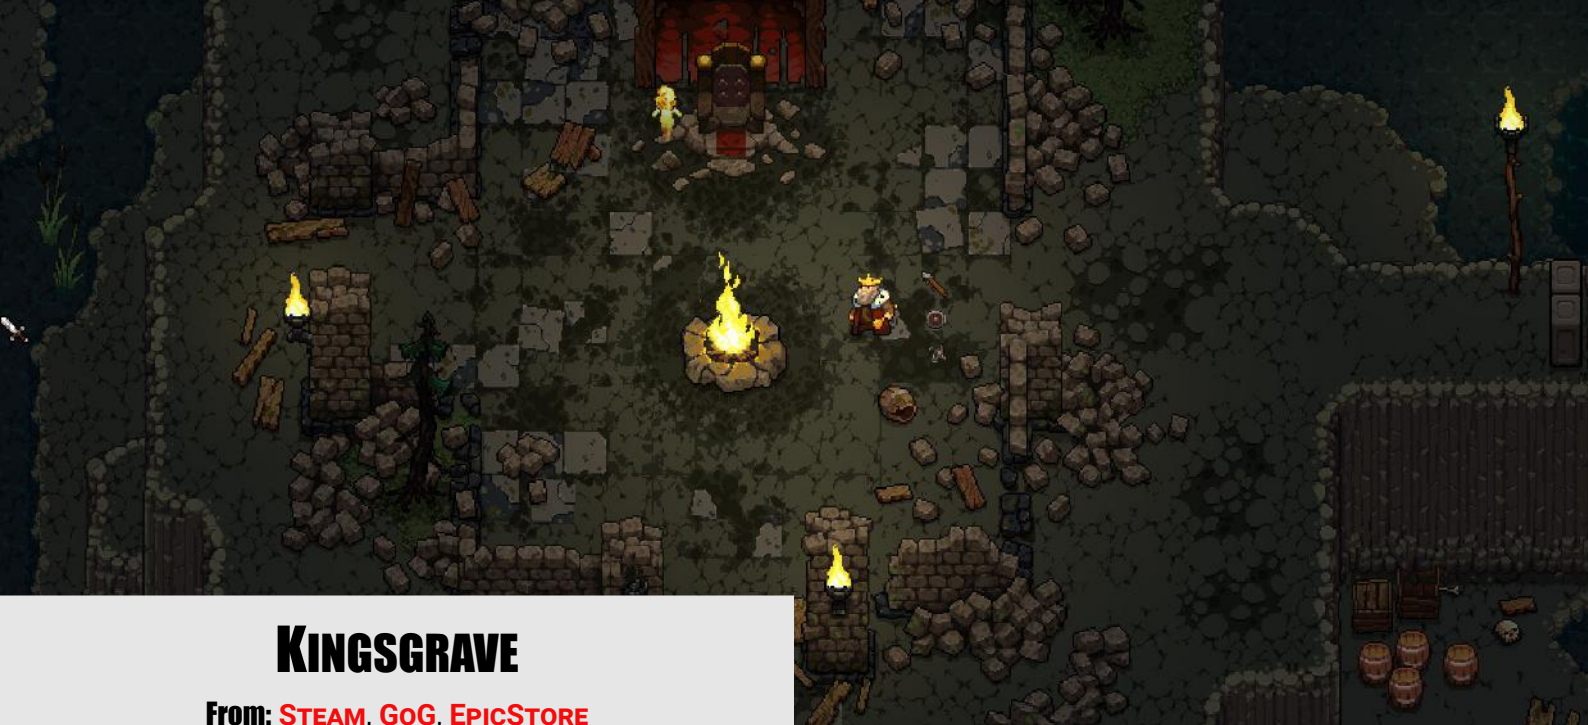

APRIL 10TH

UNDERSPACE

From: **STEAM**

The spiritual successor to Freelancer with a Lovecraftian, sandbox RPG twist. Explore a vast handmade universe that includes online multiplayer and mod support. You're going to need a bigger ship.

KINGSGRAVE

From: [STEAM](#), [GOG](#), [EPICSTORE](#)

Arise, mighty monarch, from your prolonged slumber. A dreadful disease has struck the kingdom and taken away people's lives. Your lands have wilted, the rest of the subjects have abandoned their houses, and monsters created by fragments of

diseased souls have come in their places, swallowing up all living beings. It is time, king, to awake and unite the fractured lands, vanquish the darkness, and lead your people to prosperity like old times. The fate of your realm depends on you!

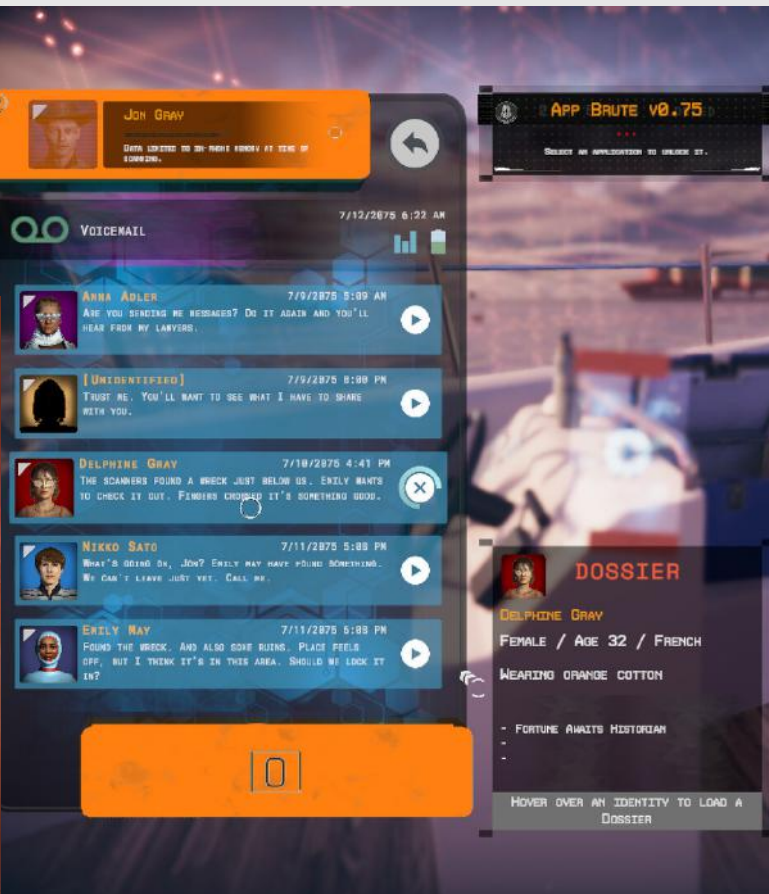

APRIL 17TH

APRIL 30TH

THE CURSE OF GRIMSEY ISLAND

From: [STEAM](#)

The race is on to recover an ancient Viking artifact off the coast of Grimsey Island. Mistakes are made. People disappear. Investigate each crime scene in a completely new way and uncover secrets hidden under the ocean.
