Harmony Park

Oakview Road at East Lake Drive

At the center of Oakhurst lies Harmony Park, the heart of this community. The historic commercial district frames the park on three sides, and it is where concerts and pop-up events happen, where families enjoy treats, and where neighbors meet to share their news. In the middle of the park stands “Dreamsicle,” by sculptor Nathan Pierce.

FASCINATING FACT: Oakhurst was incorporated as a city in 1910, and annexed by Decatur in 1916. Its commercial center was at W. College Avenue and East Lake Drive, where the East Lake MARTA station now stands.
