There's no place like this place!
When you give to the Y, you're investing in a place where connections are made and the community grows. Your support of the YMCA Annual Campaign makes it possible for our Y to make sure no one is ever turned away due to the inability to pay. This allows us to open our doors to all and helps to sustain spaces and programs where unlikely friendships become the norm, people become healthier, and young people reach their potential. Thanks to you – there is no place like this place, for all.

The Y strengthens the foundations of the community by developing successful youth, engaging people in healthy living, and instilling a commitment to social responsibility.

The Treasure Valley Family YMCA welcomes all who live out our shared values of **caring, honesty, respect, and responsibility**. When people walk through our doors ready to learn, grow, and give back, we ensure that financial barriers never stand in their way.

- Every child deserves a place where encouragement, imagination, and possibility come alive.
- Every person deserves support in building a healthy mind, body, and spirit.
- Every family deserves a community rooted in kindness, belonging, and shared purpose.

This year's theme — **No Place Like This Place** — reflects the experience so many have at the Y: a place of connection, courage, and community built by people who care for one another.

Your support of the Annual Giving Campaign brings that experience to life. Every dollar stays here, strengthening programs and services that make the Y accessible to all who uphold our values and seek to be part of this community. Together, we make this place extraordinary.

THE Belonging PLACE

No Place Like *This Place*™

The Y served 65,262 members who relied on us for wellness, connection, and community. 4,260 households received financial assistance, helping ensure that the Y remains a place where everyone is welcomed and supported.

I have been a part of the YMCA since I was 6 years old. I'm now 49 and just went through a homeless crisis. The YMCA staff was by my side the entire time. Warm coffee and hot showers were always welcome. Now I'm getting back on my feet and wanted to start showing my continued support for my local branch. Thank you for always being open to all walks of life. From awesome kids activities, for me and then my girls. To just being here for the community!

In 2025, the Y provided \$471,401 in financial assistance to help families access the care and enrichment their children needed. This support made it possible for thousands of kids to participate in programs that keep them safe, learning, and thriving. Among them were 5,441 children in after-school and summer day camp and 1,051 children in early childcare and preschool—many of whom were able to participate thanks to generous community giving

““

After recently moving to Idaho, I wanted to find meaningful ways to give back to my new community and support families in need. The YMCA Child Development Program has given me that opportunity. Being involved has not only allowed me to contribute to the well-being of others, but it has also helped me feel connected, welcomed, and rooted in this community. I'm truly grateful for the positive impact the YMCA makes every day.

My sister Molly had limited physical ability during her time here on Earth, but the YMCA was the most accessible place where she could be “free” and move her body. Between the accessible bathrooms and showers, the pool lift, water floaties, etc. it made it a much easier experience for her caregivers and family to allow her to have some fun and get some exercise. Molly LOVED to swim and the YMCA provided that opportunity. We are forever grateful!

I’ll never forget the day I cried to my instructor because I just couldn’t do it. And you know what she told me? ‘Maggie, you just can’t do it yet.’ She changed my life that day. I’m 87 years old now—and 65 pounds lighter and healthier than I was 30 years ago.
