PAINT PARTIES

WHAT IS INCLUDED

- Provide All The Supplies
- Pre-trace Canvases based on Design Chosen
- Setup the ability for patrons to pay me directly. I only ask if venue is public, that the venue advertises in house, and on any social media platforms they may have
- Setup and Packup at Venue typically 45 - 1 hr before start time
- Provide tablecloths, paper towels, cups for water, plates for paint
- I have wipes for any spills that may occur
- Venue is cleaned afterwards to the way it was prior to the paint party
- All patrons pay prior to the event, though if public venue I typically have a couple extra for day of.
- No refunds offered 3 days prior to the event unless I have to cancel for an emergency. If someone cancels after 3 days they will be able to pick up a paint kit and access to a video to follow, must cancel prior to day of event, not available for no shows.
- Ask patrons permission for pictures and video
