Welcome, Teachers!

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future. Amidst the pandemic, classes 4 to 8 celebrated this day with great enthusiasm. The whole event was meticulously planned under the guidance of Supervisory Incharge Ms Kavita Dewan.

The online event showcased Shloka recitation, Dance performance, Thank You Teacher (Video), Freeze Dance Game, Dance with your teacher online (DJ zone), e-cards and Saluting Sign Board

TEACHER

Treasure of Knowledge,
It's to found in school and College.
Practising loving teachers,
whom we call a Teacher.

They motivate and inspire,
To ignite the knowledge fire,
They are the driving

Sometimes love, And sometimes strict,
Try to make every child hold,
Make the chapters even more easy,
Never let any child feel uneasy.

Their motivation lead us to the pinnacle,
Any problem they can tackle,
Give them love and discipline,
And they will bring in you a positive difference.

(Saying thank you is not enough,
Grading goodbye is really tough,
In every student, a unique motto they train,
Want to bring a little smile on every teacher's face.
