Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

1. All dogs in the photo must be UKC registered.
2. Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
3. If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
4. Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: huntingretrievermag@ukcdogs.com; or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

INHERENT RIGHTS AND POWERS OF UKC

*(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

Happy New Year everyone!

Recently, a friend and I were discussing the holiday season and how, when we were kids, time seemed to slowly approach Thanksgiving and then Christmas. As we get older, time seems to move much

faster, and seasons blend. As an organization, we are aging at that same fast rate, which makes reaching new members a necessity for the future of our game.

One thing we are doing to reach some of those new members is the Youth Handler Program for kids ages 8 to 18. We have a committee working hard on all the details, and we hope to launch the program after our presentation at the national meeting June 13, & 14, 2025. More exciting details on this program to come.

I have started the dog training adventure again with a new black female lab puppy. Her name is SleepyG's Ice Storm 2000, callname "Coma". Her sire's name is Ice, and the dam's name is Storm. I woke from a three-week coma to a huge ice storm on Christmas Day 2000. (I had been placed in a medically induced coma to help my body heal from my duck hunting accident). Her name will remind me of the miracles God placed in my life during that period! She is now almost four months old and is in the piranha stage (all teeth), and my hands are proof with all the little cuts. My goal for her is the highly coveted Hall of Fame title. Coma and I have many hours of training to do and lots of tests to run, but I am looking forward to each step in the journey. Hope to see you at the line.

I Love HRC, the People, & the Dogs...
God bless you all.

Pat Johnson, Vice-President

Hope this finds everyone doing well. By now, hunting season is over for most of us. Our duck season here in Oklahoma was very slow until the last couple of weeks when, finally, some cold weather up north pushed them down to us. Had a great time hunting with friends and got to watch some great retrieves from our dogs. Of course, there was plenty of

ribbing when we missed easy shots.

I am like most of you, and it is time to go back to training and start the hunt test season. I am looking forward to this year. I am hoping that I can run all three of them a few times together this year. The young ones are starting to catch on to the game and love to train, and the old lady is still doing great. As we are running hunt tests, let's remember we are able to enjoy this freedom because of all our first responders and our military serving and defending our country both at home and overseas. Please remember to be good sportsmen and women also at our HRC events. I am looking forward to another great year in HRC as we continue to grow.

Safe travels to everyone, and God bless. Looking forward to seeing you all at the line!

Sara Krause, Secretary

Howdy from Texas. We are starting to gear up for our annual Board of Directors meeting that will be on June 13-14, 2025. Be sure to update our club officers now so we have the correct President on file for your club! Not sure when you updated it last? Check the list on the HRC CLUB ADMIN page of our website.

Just a reminder that 2025 is a mandatory judge test year for all judges (new and existing). The new test is available on our website, and the deadline to take/pass is 03/31/25.

As of this article, the Club Charter Fee Invoices have gone out to all the clubs and are due upon receipt. Payment can be made by check or credit card. Clubs not paid by June 1, 2025, will be considered delinquent. Clubs with paid charters are eligible to hold hunt tests and to vote at the June Board of Directors meeting. If your club has not received the invoice, please check to make sure the information is correct that was updated on the HRC website, or contact me or Tammy Cobb, our Administrative Coordinator, at tcobb@hrc.dog.

Kristine Odden, Treasurer

Happy New Year from your National Treasurer. It's hard to believe the new year is upon us, along with a new season of hunt tests! I trust everyone had a great holiday season with friends and family.

It has been a quiet couple of months as far as traveling, other than attending an Upland Hunt Test in Texas at none other than our favorite National Secretary's home club – Lone Star HRC. We couldn't have asked for nicer weather for the Upland, along with a great turnout of handlers and success with our retrievers.

Unfortunately, we've not had much luck with duck hunting season, as birds have been few and far between in our area up until the last couple of weeks when we finally got some cold weather. As luck would have it, we personally have not had time to get out to duck hunt yet, so I did the next best thing and went to our local park where some resident ducks and geese hang out and captured some pictures of them. I would say our retrievers were none too excited since they didn't get to play at the park...

So, this is a random question, but as a club, what do you do to help promote public awareness in your area? To help promote our club in hopes of gaining interest from local retriever owners, our club has participated in the annual Christmas parade. For the past three years, our club has assembled a "floating duck blind" float. We decorated a flatbed trailer – grassed it in to look like a duck blind, adorned with duck and goose decoys, mojos, Christmas lights, and, of course, our retrievers. Club members dressed in their best camo, and we paraded down the street – some riding in the float and some walking with their retrievers. The greatest enjoyment was hearing the kids and adults shout out to us, some wanting to pet our dogs and others hollering that we had the "BEST FLOAT OF ALL!"

In closing, I want to wish you a Happy New Year and look forward to seeing HRC members throughout the year at hunt tests or the Grand!

God Bless!

WE MAKE YOUR DOG THE BEST IT CAN BE

Entries for the 2025 Spring Grand must be **ENTERED** on or before
12 noon CST April 9, 2025 at www.HRCEntry.com
Opening date to enter will be **March 24, 2025.**

REQUIREMENTS AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

THE PREMIUM REQUIRES THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING INFORMATION:

ENTRY FORMS: must be made online at www.HRCEntry.com. The participant will have until **12 noon CST April 9, 2025** to enter to be eligible for entry in this Grand Hunt.

IN ORDER TO ENTER ONLINE:

- HRC Membership number for **BOTH** the Owner(s) and Handler must be valid as of the entry deadline date.
- A valid UKC Registration at time of deadline.
- List only one (1) Handler - the individual actually handling the dog.
- Electronic acceptance of the Release of Liability and certifying the immunizations of the dog are current and appropriate.
- Acknowledgment and acceptance of the terms and conditions of refund policies.

CONDITIONAL ENTRY: A Conditional entry may be received on or before **12 noon CST April 9, 2025** without a dog acquiring the necessary 100 HRCH points to enter the Grand event. It is the **OWNER'S** responsibility to ensure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand. Please contact the Secretary to remove the conditional entry from the Grand Hunt. Entry fee less \$75 scratch fee will be refunded to the Owner. **Plaque fees are not refundable.**

ELIGIBILITY - It is the owner's responsibility to ensure that:

1) His/her dog is eligible to be entered (has earned HRCH); 2) the Owner listed is the Registered Owner on record with UKC; and 3) both the Owner and Handler have provided HRC Membership numbers and both must be **valid as of the entry deadline date of April 9, 2025.**

ANY OF THE ABOVE ITEMS LISTED IN ERROR SHALL PREVENT THE AWARDING OF POINTS AT THE CONCLUSION OF THE EVENT.

REMEMBER GUN SAFETY & SPORTSMANSHIP!

HRC, Inc. Grand Hunt Committee:

Tracy Stubbs - Grand Hunt Chairman
Dean Roy, Jimbo Earles, Leroy Mason,
Kim Olson, Pat Johnson, Mark Leahy,
Ken Reinert, Kevin Hannah, Rusty Noahr,
Derrick Watson, Mike Botts, Mark Evans
& Jessica Dowler

Judges: TBA

Local Grand Hunt Committee:

Hunt Chairperson: Ken Reinert
Co-Chair/Marshall: Maureen & A.G. Shaw/
Dorine Reinert

The Grand Committee oversees the ordering of birds for the Grand; at a later date the person to contact will be posted on our social media sites.

LOGISTICS: Handlers choosing to travel in the same vehicle must make their own logistical arrangements in order for each handler to be at the appropriate series when it is their turn to run.

FLIGHTS/RUNNING ORDER: Handlers MAY request being in a Flight with someone else and all reasonable attempts will be made to honor the request. Handlers sequence preference of running their dogs will NOT be accepted. **No changes will be made after the deadline date.**

SCRATCHES: Scratches no longer require a Veterinarian's Certificate (Illness, Injury or Bitch in Season). Plaque fees **are not** refundable. Scratches are subject to a \$75 fee after the close of the entries. This fee is not imposed on scratches with replacement dogs. Scratches prior to the close of the entries are fully refundable less any processing fees. A dog that has been scratched can only be replaced in that handler's list of dogs.

Handlers - Check-In and Meeting: Thursday, May 22, 2025

Handler Check-in and Meeting - times will be announced at a later time.

NOTE: State Park Permits will be needed for a vehicle entering the park. Purchase tickets ahead of time here
[HTTPS://yourpassnow.com/ParkPass/wi](https://yourpassnow.com/ParkPass/wi)

COURSES: Ducks, Chukars/Pheasants will be used in all hunts.

PRIZES: 40 United Kennel Club Championship Points

ENTRY FEE: \$400.00

PLAQUES: \$42.00 Plaques of participation in the Grand Hunt are available by pre-order only and will be mailed directly to owner/handler by the company. The Grand is not responsible for the plaques. They are ordered through Entry Express. **Fees are nonrefundable for plaques ordered.**

Bird ordering information will be posted on social media at a later date.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

NEW YEAR'S RESOLUTIONS

BY LYNNE FRADY

Happy New Year! A year of new beginnings, new hopes, and new dreams. We all think about what the new year has in store for us, and people make a list of resolutions for the new year. I thought I would make some resolutions for myself and share them with you.

Like most resolutions, they begin with full determination but are soon pitched to the wayside, never to be seen again. We aspire to get in shape, to stop a bad habit, or to spend more time with family and friends. Where does your loyal retriever fit into the mix? This is my list, and maybe you will glean a few things from the list that might help you in 2025.

TRAIN MY DOG EVERY DAY

When it is 13 degrees outside with a ten-mile-an-hour wind from the north, it is ridiculously hard for me to put on my gear and take Sky out for a training session. She, on the other hand, tells me I am a wimp and that we have hunted in worse conditions. I have tried to explain to her that it is an entirely different circumstance, to no avail.

All the labradors that have owned me have been

Sky loves to train. Even a short training sessions can be very productive.

extremely high drive and must do some form of training every day, or they are restless. Sky will bring toys, poke you with her nose relentlessly, and grumble and groan. If none of this works, she will sit and stare at me into submission.

What I have learned over the years is that training sessions do not have to be an hour long, nor do I have to drive 30 minutes to a property I use for training. It can be 30 minutes in the basement doing brain games, small drills, or just retrieving a ball from a place mat.

WARM UP

Think of your dog as an elite athlete, which they are. No athlete competes until properly warming up their muscles; your dog is no different. Sky runs one hundred miles per hour and gives every retrieve and blind every ounce of energy she has. There is no way I could imagine taking her out in the cold and running her on a 70-yard blind straight out of her kennel.

I must consider the conditions outside. Is the ground frozen? Is there snow, ice, or mud that will make it slick? Are there stubble/cornstalks in corn fields that are frozen and can cut Sky's paws or belly? Froze ground is ridiculously hard, as we all know, and to a dog, it is like running them on uneven, lumpy concrete. A dog that is a hard runner can damage knees, ligaments, and muscles. Slick conditions can rupture CCLs and strain Achilles tendons from the dog sliding and their legs splaying.

If you train your dog in agriculture fields, frozen stubble can do real damage to your dog's feet and underbelly. A little foresight on our behalf can save us vet bills and our dog's pain and rehab.

Hunting injuries in freezing conditions are quite common. If your dog is in a pit blind or a layout blind, they have the luxury of a heater in a pit blind or the

Warming your dogs muscles up in cold conditions is a must. This is the best way to prevent injury.

warmth of body heat in a layout blind. This helps keep their muscles and connective tissue warm. If you are on a boat and the dog is jumping into fridged water, this adds varied factors. A neoprene vest will help hold body heat. It is a fact that keeping the body warm will help generate blood flow to the extremities. If your boat or bloat blind has room for a dog blind this too will generate heat. If your dog is repeatedly jumping into frozen ponds or rivers, pay special attention. The force in which your dog is impacting the ice to break it can cause injury as well.

So, how do we warm our dogs up in these conditions? My friend Chuck Prowler, owner of Crabtree Retrievers and Kennel's, says it best. "Let em' Party"! If you are in a safe place when you arrive at your hunting or training location or when you simply go outside for a short session, turn the dog out and let them run around for five minutes. They will run around at their leisure, air, and warm up their muscles and connective tissue, just being a dog. When training in these conditions I start with short retrieves in a straight line, so Sky is not twisting her legs. Sky thinks there is nothing more fun that slick, wet ground. She will go after a retrieve at Mach 9 and drift as she turns, she grabs the bird as she slides by. If there is a bird near a tree, she will run full bore and parkour off the tree without slowing down, grab the bird, and then think she is at the NRA Thunder Valley Drag Race Nationals at Bristol on the way back with her bird. With her, I must try to think one step ahead of her, which is not easy.

When hunting, I will let her run around while we set out decoys and get ready for our morning hunt. This helps get her warm before the action starts.

PROPER NUTRITION AND HYDRATION

This might be one of our most important resolutions for every year. We are all very aware of proper nutrition for our furry best friends. I have fed Purina Pro Plan Sport 30/20 since its start. It is an "all life stage" feed which

means from puppy to senior dog. On this note, you must know your dog. My dogs, as I said, are extremely hard-driving dogs and burn a lot of energy. If well exercised, Sky has the perfect “on and off switch,” which means when she is out playing or training, she is all in. When she is in the house, she is quiet and lays near me or in her kennel. This combination is perfect for her, but for a dog that is considered a “couch potato,” food with less protein and carbs might be a better fit. Like people, their diet needs to fit their lifestyle.

Another thing to consider is the amount of food they eat, which needs to match their exercise and training. During HRC hunt test and hunting season, our dogs are working hard during training, events, and hunts. They need proper amounts of nutrition to fuel their hard-working bodies and brains. After the season, most retrievers get a much-needed break from their rigorous lifestyle and may not need the same amount of food as they did during the season. Cutting their food back to a recommended amount will prevent weight gain, which is hard on their joints and organs. Like all athletes, during training and competition, they need more calories than during the off-season. We need to feed our dogs the correct amount of protein, carbohydrates, and complex carbohydrates to keep them in proper form.

Hydration is a must! I am a personal trainer, and clients tell me that they do not like to drink in the wintertime because it is cold, and they don't want to drink water. We need to realize that people and dogs are the same when it comes to hydration in the winter; you need more. The cold outside and the heat inside our homes dehydrate our bodies, so we need to make sure our dogs have plenty of fresh, clean water at all times. If your dog lives outdoors, you need to check its water several times a day to make sure it is not frozen.

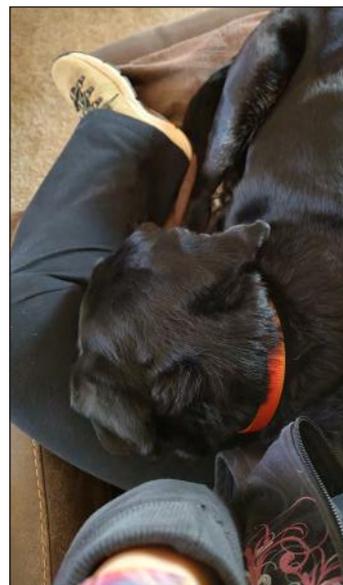

When I was growing up, my dogs lived outside because mamma did not allow them in the house. I was always amazed that when I fed them and filled their water buckets, they would drink like a camel trying to fill its hump for a year in the desert. I later learned that dogs and other animals do that because they are dehydrated from the cold. I also believe they knew that the water would freeze quickly, so they were trying to make sure they drank enough to thwart off dehydration. So, make sure your dog is well-hydrated in all conditions.

LOVE AND PATIENCE

This may seem like a very silly resolution but something we may not think about. We ask a lot of our retrievers. We push them to the limits in training and want them to perform at the highest level and the best of their ability. Are we patient trainers? Do we spend our training sessions yelling at our dog because they did not do a drill correctly or blew us off on a blind? Maybe the reason is that we missed a step in their training or we are asking

too much too soon. Access the situation before you react in a harsh manner. I have seen trainers blow up on their dogs and set the dogs back weeks in their training. No one likes to retrain. The other thing to remember is most of the time our dogs make mistakes due to poor handling on our part, especially on blinds. We are blowing the whistle and waving our arms like an inflatable “tube man” outside the phone store. We give hand signals when our dog is turned away from us. Just FYI, the end of the dog with the tail cannot see you, lol. Please be patient; our dogs give us 100%; let's make a resolution to do the same for them.

Lastly, love. Our dogs deserve plenty of love and affection for all that we ask for them. Do you ever get on the floor and just play with them? Do you have movie night and share your popcorn? Our dogs have a fun side just like we do; letting them have time to just be a dog and be silly is huge. Sky is the sweetest Lab I have ever had and the funniest. She loves “puppy snuggles,” where she lays in the recliner with me in the morning while I drink my coffee. I love petting her warm fur and her silky ears, and she loves me using her as a pillow. I feel very privileged because I am the only one she will allow this honor, and I am the only one who can hug her for more than a few seconds. She loves to do the goofiest things and make me laugh, and she does it when I least expect it. Love and respect will flow over into your training on both your and your dog's part.

Morning Puppy Snuggles. Who says a 65 lb. Labrador is too big to sit in your lap.

Just like all resolution lists, they should not be overwhelming, and we should never set goals that we know are doomed from the get-go. My list is short, and I know these resolutions will be successful with a little effort on my part. Stay the course, and they will pay off.

Sky and I hope your New Year is filled with health, success, and family and friends. I also hope you already know that you are part of one of the greatest families on the planet, the HRC Family!

Until next time, keep your nose in the wind!

HALL OF FAME SHOWCASE

5XGRHRCH UH 'PR' CONTINENTAL CRUISIN THE HILLSIDE MH MNH HOF

Requirements for earning a Hall of Fame certificate were set forth by HRC. A dog is required to have passed four Grand Hunts and have accumulated 1,000 Championship Points. Fewer than 100 dogs in the history of HRC have accomplished this. UKC has reached out to HOF dog owners to showcase these incredible athletes. Read about them in this series.

“He’s an extremely smart dog that can think through any situation. He rarely gets himself into trouble and can usually think his way out of trouble.”

Professional Handler, Jon Schuetz from Franklin, Indiana

5XGRHRCH UH ‘PR’ CONTINENTAL CRUISIN THE HILLSIDE MH MNH HOF, Labrador Retriever, Mal

Q: Are you a professional or amateur handler?

A: Professional

Q: Who are Continental Cruisin The Hillside’s sire and dam? Are there any other HOF/notable dogs of relation?

A: Sire – GRHRCH Boomer’s Cruisin Candy Man MH MNH

Dam – HRCH Holly Grove’s Hillside TKO

Q: How long have you been involved with HRC? What drew you to HRC, and/or how did you get involved?

A: I’ve been an HRC member for more than 10 years. It started when I got my first lab. I knew I needed help training him for hunting. I found a local club and attended a training day. Everyone was extremely helpful and friendly. After that first training day I got very active in club events – training days, fundraising events, tests, and holding different offices in the club.

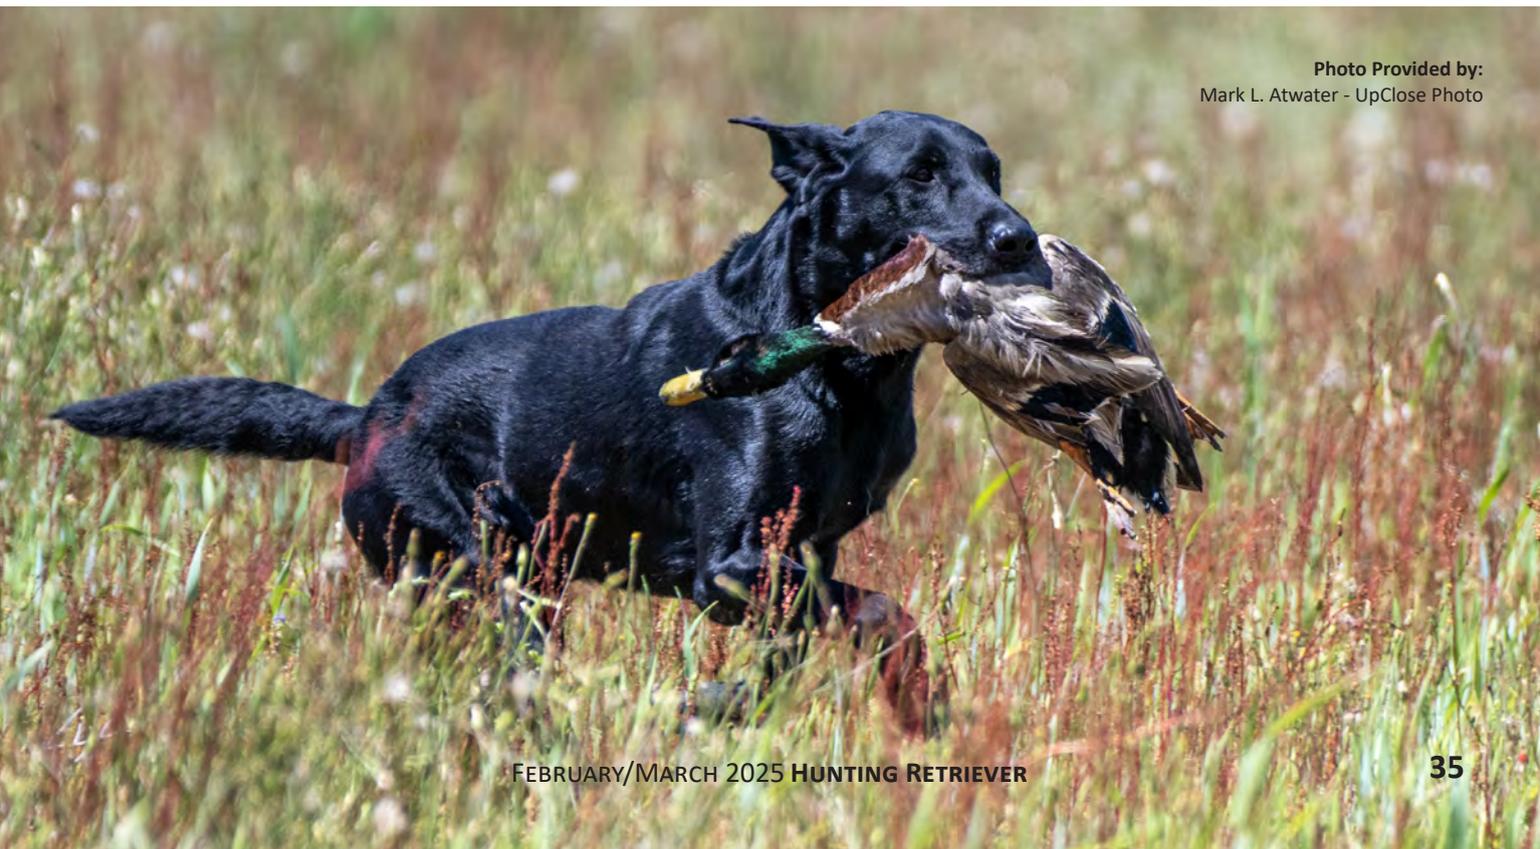

Q: What is Continental Cruisin The Hillside’s personality like? Tell us a bit about him!

A: Nash has a great on/off switch. He’s focused and intense when we’re hunting, training, or running a test. In the house, he’s laid back and relaxed. He’s always been a serious dog, an old soul. I always say he was an old man when I brought him home at 7 weeks old.

Q: What are his strengths? Does he have any weaknesses that you’ve had to work through?

A: He’s a great marking dog and runs outstanding blinds. But his greatest strength is his intelligence. He’s an extremely smart dog that can think through any situation. He rarely gets himself into trouble and can usually think his way out of trouble.

Q: At what age did he acquire his first title, and at what age was he when he entered the HOF?

A: He was 9 months old when he earned his SHR title. He was 7 years old when he earned his HOF.

Q: Did you train Continental Cruisin The Hillside? If not, who with?

A: I trained him myself.

Q: How would you explain your relationship with Continental Cruisin The Hillside?

A: Nash is my best buddy. He goes almost everywhere with me. When we're working, I know what he's thinking and what he's likely to do. And he's an extension of me in the field. At home, he's usually curled up on the couch next to me.

Q: Tell us your favorite Continental Cruisin The Hillside hunting story or a special non-hunt test moment.

A: I have two favorite hunting stories with Nash. First was when I was hunting a flooded cornfield with Nash, my buddy Doug Abel, and his dog Barney. I dropped a wood duck about 10 feet in front of Nash. He sat there, staring at the duck, then he'd look at me. For the next minute, it was the two of us looking at each other, then looking at the duck, then looking back at each other, then the duck, back and forth. The whole time, I knew he was thinking, "Just say it, say my name, say anything close to my name, say a word that starts with N." He eventually got to go get the duck, but the looks I got from him while I made him wait were priceless.

The second story came a few years ago when I was invited to go on a guided hunt with some friends as part of a customer appreciation trip. The guide service was a little hesitant but said I could bring him. The first morning, we shot several ducks at first light, and Nash picked them up. After a couple of hours, the ducks had stopped flying and the conversation in the blind died down as we were all a little tired from traveling the day before and getting up early. After a few minutes of quietness, we all heard some strange noises coming from outside of the blind. Everyone looked around at each other, trying to figure out what the sound was. I started laughing because I knew exactly what it was. Nash had fallen asleep with his head out of the dog door and was snoring. Soon after a few ducks appeared, we started calling, and Nash sat up. We managed to knock a couple down, and Nash picked them up for us. That might not be the greatest hunting/retrieving story, but, to me, it perfectly sums up who Nash is – "I'm going to be over here, taking a little nap, just wake me up when you need me, and I'll go get your ducks."

Q: Points aside, what, to you, makes Continental Cruisin The Hillside a Hall of Fame dog?

A: Consistency and intelligence are two of his greatest qualities. I describe Nash as a blue-collar dog. He's not really flashy, not extremely fast, and he's not a showy dog. He's not going to blow you away watching him work. But he shows up every day and does his job (extremely well). He doesn't get really high or low. He's consistent with everything he does.

Q: What does having this HOF accomplishment mean to you?

A: I could not be prouder of Nash and everything he's accomplished. He has surpassed every expectation that I had for him. When I got him, Grand Title and HOF were the goals, but you never know with a puppy if that's going to happen or not. To me, having him earn his HOF shows that with hard work and dedication, goals can be reached and surpassed.

Q: Reaching the Hall of Fame is no easy feat. What words of encouragement do you have for those striving to reach HOF?

A: In the words of the late Jim Valvano, "Don't give up, don't ever give up." There are going to be challenges and setbacks; learn from them. I had a mentor many years ago who would always say that the only time you truly fail is when you don't learn from the losses. Every time you go out to train or test, you're going to make mistakes. Recognize the mistake, learn the lesson, and apply it the next time you're in that situation.

Q: Do you have any final advice for those just getting into the world of HRC? What advice do you have for someone starting out?

A: Get involved. It can be an overused saying, but you really do get out of it what you put into it. The more you do with your local HRC club, the more you'll get from it. Go to a meeting or training day. You might show up not knowing anyone, but you'll leave with a bunch of new friends.

2025 Scholarship Applications

The Hunting Retriever Club Foundation is accepting scholarship applications for the 2025-26 school year. Scholarships are available for colleges, universities or accredited technical or vocational schools.

Who can apply?

- HRC Members in good standing
 - The legal dependants of HRC members in good standing on a **FAMILY** membership (Note: Other than a Spouse, dependants of HRC Members must be 23 years of age or less)
-

What are the eligibility requirements?

- Must be a citizen of the United States or Canada
 - Must be a high school senior, high school graduate or current college student
 - Must enroll as a full time student (minimum 12 hours)
 - Must have a minimum of a 3.0 Grade Point Average on a 4 point system (or the equivalent on a 5 or a 6 point system) from the most recent semester completed.
 - HRC Membership must have been in place at least 12 months prior to submission
 - A complete application, including supporting documents must be received by 04/30/2025
-

What is the application timeline?

- Applications are accepted 01/01/2025 through 04/30/2025
 - Awards announced 06/14/2025 at the Annual Board of Directors Meeting
 - Students submit final details required for disbursement 6/15/25 -7/15/25
 - Checks mailed directly to the school for benefit of the recipient 7/1/25 - 8/1/25
-

How do you apply?

We will be using an electronic application submission this year. Eligible students can access the application on the ["Library" page of the HRC.dog website](#) or by scanning the QR code below.

When Dogtown (Club #GA0152) decided to promote Started and Junior handlers at our December test, there was little doubt about what dog Levi Durrence would be running. With Elaine Mitchell's blessing, we signed Mason up for Started, and with a little practice, he and Levi were ready to roll.

Levi stepped to the line Saturday morning with a smile on his face and his buddy by his side. They had great runs on Saturday and Sunday and walked away with Levi's first two HRC ribbons.

One of my favorite moments was Sunday afternoon as Cam Ellyson and Kevin Stewart were calling out ribbons. Wade looked at me and said, "Mom, I have to listen for my name." But not Levi; he was listening for Mason's name. As soon as they said sixteen-time Grand, Levi slowly got up and made his way to the judges; he had a smirk on his face as he sashayed up there to get his ribbon. He took his time to make sure they called out Mason's whole name: SRSCC SRSCC SRSAC GRHRCH(16) OAK POINT'S TRAVELING MAN HOF MH MNH QAA.

Levi and Mason became close a few years back when Mason wasn't training (Levi's Dad, Stephen Durrence, was Mason's trainer) full time. On his off days, Mason and Levi would cuddle up on the couch to watch cartoons. Since Mason's retirement, they haven't spent as much time together, but they both enjoyed the occasional sleepover and couch time.

Mason passed away just a couple days after Dogtown's test. As we told Levi of Mason's passing, he said, "But I only got to run him once." I said I know, buddy; we can find you another dog to run. He said, "But it won't be as good as Mason."

IF IT WASN'T FOR HRC

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653 | rich@theriverbottom.com

Seems that one of the things that makes hunting so special is all the memories that stay with us and that we share with those we hunt with. And there is just something special about a brilliant sunrise on a duck hunt.

For you members new to HRC or those who've been members for a while but not active in the HRC family, this is especially for you. I'm sure everyone who's been active in HRC for any length of time would have a different list. But I suspect there would be similarities. Having been enjoying the heck out of being part of HRC for 38 years, my list might have had a head start. HRC is a great organization for hunters who want really good hunting dogs (and the training and testing opportunities to develop their hunting skills), be they retrievers or other breeds doing the same work. Again, every list will be different, but here are a few things that pop into my mind when I think of the organization that has been key in having my last five Labs be much better-trained hunting dogs than the first two. Without further ado, here are some things that probably wouldn't be part of my experience if not for Hunting Retriever Club, Inc. And since UKC has been such an important partner since the get-go, it needs to be included.

I never would have met Omar Driskill, one of the founders of HRC. And probably, had it not been for him, I'd not have joined HRC, as I wasn't much for organized dog stuff. What an ambassador to us, Muddy Hunters! He knew and could express, in our words, what was important to us as this enterprise got off the ground. I'd bet dollars to donuts that if the organization could have taken care of his kennel and had him on the road continuously for a year or so at the beginning, HRC would have had a presence in all the states in the first year or two.

Certainly, I wouldn't have gotten all the help from more experienced local HRC club members to learn to train a hunting retriever when I came in green as grass and barely knew which end of the dog to put the leash on.

There's little chance I would have had an opportunity to see a new member of our local HRC club come into

Most retrievers just love the excitement of a rooster pheasant and this 13-year-old graybeard HRCH UH says she can still bring a wounded bird to bag. Her owner knows she'll be sore in the morning, but she'll insist it is more than worth it.

Ah, so many graybeards belonging to so many people that we've celebrated over the years. Tough for them to say, "A dog got to know its limitations." This one was retired, but he was happy to find a thawed-out duck from the previous season as his 15th birthday present. Suited him just fine.

the club's Started night weekly class with a mostly grown Lab pup that was very boisterous and basically self-employed, and with a little help from the group, regular attendance and hard work by the handler, watch the pup develop into a solid Started dog that quickly got to where the pup passed the first two Started test he ran. Happy dog, happy handler, and happy members group members watching them grow and succeed. And, when the club's next licensed HRC test arrived, this new member was an active member and right on deck helping with set-up day. Watched a lot of similar experiences over the years. Yep, that's HRC boiled down to the essence!

From many HRC members I've talked with, I'm certainly not the only one who finds that all the people I've hunted with for a number of years are people I met at hunt tests and local HRC club training. And certainly, I would never have met the person who is my best friend, my hunting partner, and somebody who spent an incredible amount of time and effort to make my last pup possible.

Wouldn't have known that HRC enjoys a reputation among hunt test sanctioning organizations that it is a very friendly, family-welcoming, pro-gun, pro-hunting organization. And I'd have not had the enjoyment of many years of HRC hunt test socials. Then again, I might not be the owner of half a garage full of raffle and auction items from those socials.

Without regularly traveling to a hunt test in a neighboring state, I'd have never met the breeder who's made my last two HRCH UH Labs possible, from frozen semen breedings to what has been my dog of a lifetime.

Wouldn't have had to figure out how to deal with a boatload of ribbons over 5 HRCH Labs and a bunch of years.

5,000 HRC points at the Finished line. Andy French and Boo in foreground. Author and Roux in background. Later Boo would retire with 5,275 points, still most of all time. Records are made to be broken, but that could be tough!

No reason to go to a number of nice places in Colorado, Nebraska, Wyoming, South Dakota, New Mexico, and Utah. Nor would I have had occasion to help our local club host a spring Grand and see it from the inside and attend another where I got to meet the breeder of that special dog of a lifetime who'd come to Colorado from Arkansas to judge that Grand.

Nor, 27 years ago, would I have had a chance to find the special hunting dog I was willing to look all over the country for and determined the place to get it was from the developing HRC gene pool represented by one of the earliest Grand to Grand breedings. I had every intention of training for and running HRC hunt tests to hone his hunting skills. But surprisingly enough, he not only turned out to be a tremendous hunting Lab but turned out to be quite adept at running HRC hunt tests, racking up over 2500 points, the third most points in HRC history at his retirement. And in the process of his scoring a bunch of ribbons when we were not hunting or my judging, I wouldn't have had the special opportunity to have him on the Finished line with Andy French and Boo, who ended up with over 5,000 HRC points (still most ever!). And we got to run an HRC Upland Test with Ellis Howard and Jimbo, the 2nd highest pointed HRC retriever. Both men and their dogs served as wonderful ambassadors of our organization, traveling much of HRC land. Roux and I never ran the Grand or attended a test out of our region, but still met a lot of great HRC members from around the country.

There would have been no chance three years ago to meet a great 80+-year-old rancher in our club and enjoy watching her and training with her while she completed her Bucket List item of training her own retriever to its HRCH title. And, in the "It's a small world" category, turned out to be at our club's spring test over 20 years

earlier held at her ranch (when I'd last seen her), where I met the best friend mentioned earlier. How's that for some positive spin-off from HRC involvement?

If HRC hadn't flown me up to Salt Chuck HRC in British Columbia to help grandfather in judges at their first test, there's little chance I'd ever have been able to visit Canada and enjoy the beautiful country and the wonderful hospitality of the HRC people of Vancouver Island. I've got to say this landlocked farm boy's eyes were opened mighty wide at the big swings in water level of the tidal estuary where the tests were held.

Would have had no reason to stay in some wonderful and forgettable motels in several states. Very special was an ancient motel in a small prairie town run by a kind ex-hippie who'd been a prison clinical psychologist before taking over the motel when that prison closed. She'd give us HRC folks full run of the place during the Licensed HRC tests near there. One time, when judging, I showed up a day early to avoid big city rush hour traffic on the trip for setup morning and was the only dog person there. I found a number of tattooed, sort of rough-looking guys, mostly bikers. I was a bit nervous. But turned out to be the last day of a reunion of her prison clients and all very nice folks.

Similarly, I got to meet some of the most accommodating restaurant owners who would open early to feed early risers and judges breakfast before a licensed test. One nice lady even opened to serve us when she'd have been closed. One of the pigging-out judges took his camo cap and made the rounds of the tables with a bit of a scowl, saying, "This nice lady today will get the biggest tip of her life. Dig deep, or else!" It was a very nice tip.

Clearly, I never would have had an opportunity to give back a very tiny bit to great HRC and UKC organizations that have meant so much to me and my hunting retrievers

Somedays, the birds are plentiful. Other times, not so much. But the old dogs say that if you go often enough, you are bound to have some great days, like this South Dakota snow goose hunt.

when asked to write for this magazine. It's been an honor and privilege to be able to write and donate an article for each issue of HUNTING RETRIEVER Magazine for over 30 years. And I'm still way in debt for all my retrievers and I have gotten from the HRC and UKC.

Would have had no opportunity to see the typical retriever running HRC tests improve immensely with both the development of a better hunting gene pool and access to good HRC/UKC registered breedings.

I wouldn't have had a chance to be part of a local HRC club that has been both very successful and active since 1986, with training activities, training grounds, and good shared leadership and camaraderie.

I'd have never had access to many of the training and hunting areas I'd never even have known existed, let alone had access to.

Who knew I'd get to eat the best wood-fired oven pizza of my life at a little brewpub in a small New Mexico town? And who'd have thought that while there, I'd get to run a Finished water test on the same pond where an ultralight aircraft guided some young whooping cranes to their wintering area from Idaho?

I wouldn't have had a chance to enjoy taking several HRCH title swims and enjoyed spectating at a bunch of other HRC members' special moments in the years I've enjoyed being part of the HRC family.

I'd have surely missed just generally enjoying being part of the HRC family with a lot of like-minded folks who are encouraging and helpful to each other and so many who are willing to share knowledge, training equipment, and training grounds. And so many are just as willing to help a new member succeed as to enjoy their own success. One of the great things about running against a standard

Not really a 5-star motel and the air conditioning unit was in a closet in the room and not functional. But quaint enough to be delightful with a wonderful welcoming host for HRC licensed tests. And it had an ice cream shop!

This young lady (mentioned in the article) very early became quite the trainer and handler. Here she's running her first dog in Seasoned. HRC always welcoming youth and women has been special. Don't think there's an office or board position in our club that, from early on, wasn't held by a woman. Most several times.

is that everybody can enjoy, root for, and help achieve the success of all the other handlers.

Wouldn't have had an opportunity to see and enjoy the HRC, which meets a variety of different interests. You can feel welcome here whether you just want your dog to pick up a duck while hunting and willing to not have it steady or run a blind or be someone who is always pushing the envelope of training and committed to Grand and Hall of Fame achievements. Room for all at the HRC Inn!

Wouldn't have had a chance to read about all my dogs and fellow club members' dogs' accomplishments in this fine magazine

Certainly, I would have missed a number of HRC kids growing up from bird throwers or first pup in Started to grown-ups. Even a whole cycle of one 9-year-old girl spectating in the gallery of a preliminary test with her grandfather. I asked if he had a retriever. He said, "No, but she does." When I asked if she thought her dog could do the Seasoned test, she answered emphatically, "I think he could!" Before long, he did, and she proved to have a huge amount of training talent. She ended up with a GRHRCH dog and became quite a trainer and handler. Twenty-some years later, she finished the HRCH on her latest dog on Saturday, and on Sunday, that dog was running Started, handled by her son, who was about four years old. HRC has a lot of good people. Special people. Gosh, I'm glad I got involved and had a chance to know so many.

Would have missed witnessing a many-year, wonderful, and workable partnership between the UKC and HRC. Not sure if we think often enough about this productive arrangement and how key it's been to the success of the HRC program and many, many more good hunting

retrievers whelped, trained, and titled.

I sure wouldn't have had a chance to interact in person, by phone and email with so many retriever people from around the country. One day, I got an email from someone in Maryland who liked one of my articles. As we swapped emails, I found out he was 92 years old and was just starting another Lab pup. Now, ain't that a real retriever person for you? To top it off, he was the author who long ago had written one of the two retriever books that heavily influenced my training by helping me appreciate the importance of momentum for retrievers' best learning, particularly blind retrieves.

I'd not have had a chance to enjoy such a huge number of sunrises in the duck blind, goose pit, and dove stool and hikes in the pheasant, sharp-tail, and quail fields with like-minded HRC members. My current HRCH UHCH Lab's sire, over a ten-year stretch, got to make three 10-day trips each year to South Dakota with me to hunt with a great friend I'd never have met if not for HRC. Not sure, but the definition of a "lucky dog" might have been him. He got to spend almost a year of his life, thanks to the hosting generosity of an HRC member.

It ain't all positive. Over these many years of enjoying way too much fine food at our local HRC club's annual picnic and fund-raiser auction, I've also spent a wad and loaded up on unneeded fundraiser auction items because I bid one too many times trying to push the selling price up. ;) And running Finished HRC tests with the camaraderie and razzing each other that comes from the Finished gallery folks. I had plenty of opportunity to pay for any dumb mistakes like losing a dog on a blind as I fumbled to unzip 3 layers of clothing to get at my whistle. None of the blunders went unnoticed, I assure you. It's been probably 20 years ago, but on one of my "better" days at experiencing handler mental flatulence, out of the Finished gallery comes the booming voice of my South Dakota friend, "How many mistakes can one handler make in a day?" To which I replied, "Who knows? The day's still

young. This is just the first series." Ain't it great? It really isn't about dogs and ribbons; it's about gooning your friends!" I wouldn't have it any other way. Though I sorta think it's more blessed to give than to receive. Another time it wasn't me the target of the gooning, but all the new members of our club. The president welcomed them all to the first training day of the season and innocently allowed us how, as soon as initiation was completed with each new member biting the head off a pigeon, they'd get their membership cards, and training would start. We didn't lose any new members, but neither were there any heads bitten off!

I would have missed some bittersweet "Hunting Memories" with other HRC members. I would have missed admiring a boatload of new pups and mourning the loss of many gray-beard retrievers. I still remember the last hunt with a great friend and generous HRC member. His health was failing, and he was having to give up his hunting cabin and regular hunting trips. So, we made the rounds of places and farmers who'd let us hunt. We stopped at the farm of an old farmer who'd come over from France and still had an accent. He was in his late 80's. First thing he asks is, "Where are you going to hunt today?" When my host said we were not hunting, he was almost miffed but seemed to understand the response: "Today we are hunting memories." And out came the coffee pot and grandchildren's pictures. So typical of my host's relationship with landowners. They became friends. One day, heading to hunt geese in a farmer's field, he stopped and stood out in subzero weather, in his shirtsleeves, for 15 minutes talking corn prices while our host loaded a semi-truck of corn. Typical. He was interested in more than just getting to hunt.

Thank you, HRC, for the past, continuing, and future enjoyment of everything associated with a great organization. You new folks, "Get you some!"

Long live "CONCEIVED BY HUNTERS FOR HUNTERS!" 🍀

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.
- The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.
- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.

- Very Important! If you are emailing photos, please send each one as a separate attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.
- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Essex HRC - Submitted by Curtis McFadden

With Christmas and New Year's over, we have started to plan for the spring and summer events. We are looking forward to our much-anticipated upland test in March. We can not wait to see the Hustle and bustle of the event. Our regular hunt test is shaping up as well, and we look forward to telling you all about our plans as soon as we have them set. See you all at the upland test!!!

Georgian Bay HRC - Submitted by Ben Leger

With waterfowl hunting seasons coming to a close in Ontario, it's time to start thinking about training and tests!

As I write this, we are a few days away from our AGM, and GBHRC is excited to see what 2025 has in store. GBHRC has officially changed their regular hunt test to the second weekend in July, in lieu of Labor Day weekend. Mark your calendars for July 12 and 13 this year!

We are excited to keep growing our membership and expand some of our training locations throughout Simcoe County this summer.

Lake Ontario HRC - Submitted by Mikayla Wilson

Lake Ontario just had our AGM, and we are excited for upcoming events. We are really looking forward to our new regular hunt test date and plans for our upland test in November. Everything is coming together, and we can not wait to see you all soon.

Luther Marsh HRC - Submitted by Erica Wilson

We just had our AGM this past week, and boy, did Luther Marsh HRC members and their dogs do a phenomenal job in 2024. We like to highlight the accomplishments of each person and their 4 legged friends. Here is what we celebrated this past weekend:

- Dwayne with Crickett HRCH

- Sue S with Ruby UHCH
- Sue S with Echo UH
- Pauline with Siren SHR
- Alana with Siren HR
- Alana with Kate UH
- Alana with Reba UHCH
- Alana with Reba for 500 point club

We are pleased to say that we are well on our way to Luther Upland Test booked for March 29 and our Regular hunt test on Aug 9-10.

Our upland test will consist of 2 tests. We have had more tests in the past, but we find 2 tests to be a perfect number for our club members. The premium should be up and ready for entries.

Our regular hunt test is booked for Aug 9 and 10. We will host 1 started, 1 seasoned, and 2 finished flights. We look forward to some amazing judges and tests. Alana has been so kind as to help us again with the raffle table, so we are sure that we will have one amazing raffle. Tracie, Jasmine, and I will be manning the lunches and the Saturday night dinner; we are in plans for all the fixings, and nothing will be missed. We look forward to seeing you all there!

Club training days will continue to be posted on our Facebook page- Luther Marsh HRC. Please feel free to email me if you have any questions at luthermarshhrc@gmail.com

I look forward to another eventful year for the members of Luther Marsh HRC.

Ottawa Valley HRC- Submitted by Rod Stoddart

Happy New Year to you all.

Hope everyone had a great waterfowl season. Got out with family and friends and, of course, our retriever.

It is a little white and frozen up here in Canada, waiting for nicer weather to come. So we can get back into training and hunt test.

We are starting to make plans for our annual hunt test here at Mount Pakenham and hope to see you all again this year. Until then enjoy whatever way you can train and wherever.

Conowingo HRC - Submitted by Cleo Curry

HAPPY NEW YEAR! CONOWINGO HRC wishes all our members, their families and dogs, and all our friends a very happy and healthy New Year. It's cold and snowing today, but before we know it, days will be getting longer, and we'll be planning our May Spring Hunt Test. Please watch for dates!

Our Fall 2024 test was a success. As always, our tailgate was spectacular! CHRC wants to give a special thank you to Andy & Colleen for cooking our pit beef, pit ham, and pit turkey for the past 5 years! We had a number of handlers travel from Canada to participate in our test. We thank all the handlers who choose to support our tests.

CHRC has some exciting news. We are exploring the possibility of holding an upland test in 2025! Please watch for more updates. If you are interested in joining us as a guest on our training days (4th Sunday of every month), please contact us through our website or Facebook page.

Guns Up HRC - Submitted by Roxanna Gould

Guns Up Members are excited to announce that 2025 is our 20th anniversary. We hope you

will join in celebrating with us at our hunt test in August. We would like to congratulate our club member, Tim Soucy, on his new appointment as Region 2 Running Rules Rep.

Hudson Highlands HRC - No report submitted. Bob Tunney, President.

Lake Audrey HRC - Submitted by LuAnn Riebel

Lake Audrey HRC hopes that everyone had a wonderful ` Season. It's hard to believe that 2025 is here and another year of Hunt Test will soon begin.

Here at Lake Audrey HRC will be having our general meeting with a light dinner on January 12th. On January 26th, we will hold our club's Holiday/Awards Dinner. Many of our members have been busy with running their dogs in different venues throughout the year.

We here at Lake Audrey continue to train all year, every Sunday, weather permitting.

We have already had our April Hunt Test and August Hunt Test listed on the UKC & HRC calendars. Please check out and mark your calendars. We will look forward to seeing everyone. Spring will be here before you know it! Keep safe and warm!

Long Island HRC - Submitted by Paul Scheno

Happy New Year from all of us here at the Long Island Club! As we look forward to and prepare for all that 2025 has to offer, we also remember the accomplishments of 2024. We held our annual Holiday party and awards dinner in December, and the turnout was fantastic. Too many titles were earned this year to list, but of note was our Junior Handler Award, this year shared by Richard Schwenker and Cara Cunningham. Fantastic job done by both and we hope to see so much more of them in the future. We also had two club members handle their dogs right into the 500-point club. Samantha Johnson and Loot, along with Paul Scheno and Eli, all achieved that coveted goal in 2024.

Our club also suffered a tragic loss in 2024. Long-time club member, all-around great guy, and a man we were all proud to call friend, Jim Tuffin, lost his battle with cancer. We're going to miss you, buddy...

Happy New Year from Yankee Waterfowlers HRC.

We are in the midst of planning and organizing our spring hunt test and tailgate. The hunt will take place at the end of May in Woodstock, CT, at Peake Brook Farm, owned by Dr. James Dean. We are very appreciative of Dr. Dean for use of his property.

Things are pretty quiet on the club front this time of year, as many members are out hunting.

We trust members are having a great hunting season. Keep your eyes open for a training day soon.

Eastern Carolina HRC - Submitted by Will Webb, President, Four Oaks, NC, jackwebb3rd@hotmail.com

The new year is off to a great start for the members of ECHRC, both in the marsh and in the training field. Several of our members have enjoyed a late season migration of ducks and geese thanks to the cold weather that has swept across the southeast. Knock on wood that the last few weeks of the season will be fruitful.

We have also turned our attention to our spring test which will be our 25th Anniversary event. Plans are well underway for a great weekend, please visit the HRC web site for details!

Dogtown HRC: Club President, John Lamar. Report submitted by Kendra Durrence.

Dogtown held our winter hunt test and geared it toward getting more junior handlers involved in our beloved sport. We had a good turnout with lots of kids running dogs in started. All of the kids that ran dogs did a fantastic job. They had a great support group of dog handlers, and the dog work was pretty good, too.

We appreciate the support of Elliott Golomb, making sure the kids had all of the tools they needed to run the dogs, especially for donating duck calls to each of the junior handlers.

Etowah HRC - Club President, Melissa Dobson. Report submitted by Eric Ingram.

Etowah HRC has kept busy this fall and winter with multiple training days. In December, we held a regular test training day and had a great turnout. We even had some trainers from outside of Georgia pay us a visit, and we were glad to have them. No matter where you are, if you see we are having a training day, come on out! We'd love to have you! We followed up the December training day with an Upland training day the last weekend in January. This was to get everyone ready to run our February Upland Quad test.

By the time you all are reading this, the Upland Quad will be behind us, and we will be preparing for our Spring regular Hunt Test, once again at Kingston Downs in Rome, Georgia, at the end of March. We are super excited to be back with a full test and are looking forward to meeting new handlers and seeing old friends alike.

We did have one oddity this year in North Georgia.... Snow! So, we ended up with lots of fun photos of our four-legged partners enjoying something many had never seen before. Looking forward to another year of friendship and great dog work.

Hello, from Middle GA. I think some of our friends in the north let some of their weather get away. You can come get it back anytime. We have had plenty of days below freezing, ice, and snow. It has not put a damper on our hunting or training.

Now that the holidays are over, we are gearing up for the 2025 competition season. We look forward to seeing friends and catching up, seeing who has new up-and-coming dogs and the older ones we have known and love. 2024 was not without some losses of human and

canine friends. For everyone who experienced a loss, you have our sympathy. 2025 has started with some wonderful gifts. Lane and Jaimee Blanchett are excited about the birth of their granddaughter. Several of our members have traveled around the country chasing waterfowl and working their dogs. We hope 2025 is a great year for everyone.

The 2025 spring hunt test season is here. We are getting out of the duck blinds across the country and into the holding blinds for the season that never ends. The spring testing season is well underway, and we have lots of ribbons and new titles to show off. Many of us are getting ready for the Spring Grand in Bong Recreation Area, WI, and many other hunt tests in the southeastern US. This time of year is the introduction of our new pups to the hunt test game and bringing back the experienced dogs from the duck blind to the holding blind.

Several of our club members ran the Midlands/Cherokee Foothills Upland test this spring, and several new Upland Hunters were titled. We also have the new Upland Hunter Champion title offered by UKC. I recommend that all of you check your upland passes, and if you are close to ten, consider running more upland tests to earn this new title. Those of you who have ten passes can request your title certificate be awarded. If you earn ten passes in the future, UKC will issue your title like usual.

We are about to enter the heat of summer, so be sure to keep your 4-legged friends well-hydrated and cool during your training day. We never make it through summer without losing several dogs to the heat. This is a problem that can be prevented with a little care. Water and fans are the keys to prevention. Take care of your duck hunting buddies, and good luck at the Grand and training this summer. Belly up marks and straight blinds, good luck!

Happy New Year everyone. Hope you all had a great holiday season. For those of you who hunt, I hope you and your 4-legged buddy were successful and that you got your fix and your limits for the season and are now ready to move on to hunt test events.

There are a few times of the year when those of us who write these articles are at a loss for content. This article is one of them since it was written at the very beginning of January for a magazine designated as February/March and probably won't reach your mailbox until late March or early April. The dilemma being that we have just come off end-of-the-year hunt tests and gone through 3 holidays and a couple of hunting seasons. I think you can see where I am going with this!! But never being one who wants to see "Midlands HRC - No Report Submitted" in the magazine, I wrack my brain for something, anything to write about. So here goes!

"Until one has loved an animal, a part of one's soul remains unawakened" Anatole France. This statement was part of a sympathy card sent to us from MK and Clint Beaty from Central Florida HRC after the loss of our beloved dog, Rocket. This statement probably applies to anyone who has a pet because why have one if you don't want/love it? But for those who own and train our dog(s) for what they and their owners/trainers love to do, there is more than just love. There is a special bond created between the two. This bond is about trust as well. These special dogs need to trust that their owner/handler is not going to send them into harm's way when they leave to retrieve their reward, whether it be at a hunt test or in a true hunting scenario. Granted, there is no guarantee that there will not be a huge pothole, a piece of wire fencing in a field, or a hidden stickup under the water on the dog's way to a retrieve. But you have taught your dog to leave your side and retrieve what he/she is being sent to retrieve, and that is all about the bond of trusting you, loving you, and wanting to please you the best they know how. Of the eight dogs that Don has owned, trained, and loved, there have been only two that I can honestly say he has had a deep and lasting bond with, and his bond with Rocket was the ultimate. There was a similar bond with our dog, Radar, who Don loved hunting with and who passed with 1600 HRC points under his belt, but the second Grand pass was elusive. Rocket was special, however, and it seemed like he came out of the womb ready to retrieve! An easy and willing dog to train, he passed his first Grand at barely two and passed his second at three for his Grand title. After two more Grand passes he reached his Hall of Fame status with HRC. Just before he turned four, he came in first and second in one weekend for his QA2 title by beating out his own littermate, who was run by one the best Field Trial pros in the country. There is a big void in our hearts and in our house, but the time spent and the love shared will be with us forever. RIP our sweet boy, GRHRCH(4) UH BDRS LIGHT MY FIRE HOF MH QA2 aka Rocket.

A couple of Club members were at Dogtown's event on a cold December weekend. Larry Mitchell and his young dog, Missy, got their first two Started passes. Scottie and Julie Hendrix were there with their dog Hub, and Scottie II and Lindsay with their dog Hondo. According to his mama, Hub didn't fare very well in his attempt at a Finished test. Maybe he just wanted to stay warm in the truck on a very cold day in the South! Hondo got his first Started pass to make his parents happy and hopefully wanting to come back again. Congratulations to everyone.

Midlands spring hunt is scheduled for the middle of March, so any news on that front and future plans/happenings will be published in the

next magazine article. Good luck to everyone as you progress through the upcoming hunt test scenes.

Happy New Year from Central Florida! We have already had our share of cold weather down here, and the dogs are loving it.

We had great weather for our fall hunt test in November. Thank you to all of our members who pitched in to help throughout the weekend-we couldn't do it without you. And thank you to Annie and the Gey family for continuing to let us use your property to run our dogs and enjoy the sport we love so much.

Our training coordinators, Kelli and Sue, continue to hold monthly training days. In December, they had a handling drill on land and a cheaty marking drill on water. And they work with each dog to cater to the level they are at. Thank you, Kelli and Sue, for your continued hard work and dedication to our club.

In December, our club hosted our second 'kids training day' at the Caito's property. And it was the coldest day of the year by far. Club members brought their dogs for the kids to run. We had 11 kids attend; some of which are bird techs for our tests, some of which are our club members' family, and some of which just love dogs. The kids each got to run 2 setups, and their confidence grew between their first time to the line and their second time to the line. This just proves how important line time is to our success! After the kids finished running, we had pizza and cookies to celebrate. If you have never been to one of these events, I strongly encourage you to attend one.

The hunt test season is upon us, and we look forward to seeing you in the near future.

Northeast Florida HRC - Club President, John Spivey. Report submitted by Susan Poole.

Our past two monthly training days consisted of a short seminar on obedience for field dogs and marking in varying terrain. Our member Matt McKenzie shared his knowledge and experience and worked one-on-one with each person and their dog on heeling to the line from a holding blind, sitting for marks, and steadiness. A good foundation is so important! The other training day had marks and a blind in grass of varying heights, ditches with water in them, running up over a berm, and entering a pond through cover. All of the dogs did well with overcoming the environmental factors because their desire to find that bumper prevailed.

The South Florida Hunting Retriever Club winds down our training days for the winter. We've trained hard and long and now get to enjoy watching our 4 legged pals do what they were bred to do... hunt! As an HRC club, we take great pride that our training is hunting focused. Although it's a break from "training," by no means are they sitting on the couch! Great job to all of our handlers for a great season!

Many WMHRC members were training hard these last few months. They had an IMPRESSIVE showing at the Grand this fall. Chris Ashley and Banner Kennels passed 6 out of 8 of his dogs. Banner's Locked and RDY to Rock (Reload), Banner's Honky Tonk Lights (Neon), Banner's Just Do It (Nike), Banner's Berry's Southern Legend (Berry), Storm's Pilot of the MS Delta (Delta), and Windstorm Lightning (Light). Tristan Lowery passed his Dog 3xGHRCH Lowery's here come the Boom (Ammo). And, last but not least, Jason Williams passed J J's Devil Went Down to Georgia (Luci).

Josh Williams (son to member Jason Williams and Grandson to Tom Weeks, our region's field rep) is getting involved in the family hobby of running dogs and HRC. He ran Emmy in Started this summer and got a welcome cool wet-down

on his first started pass. We are still not sure who was most happy. Josh, Dad or Granddad. We have been staying busy, getting in some hunting. We had a Christmas party and had a dirty Santa gift exchange. We are busy now planning for our February hunt test.

Southern Flight HRC. Report by Alexie Hartman.

Southern Flight HRC lost a very dear and cherished member, Johnny {Mac} McNeley, on December 5, 2024. Mac passed away very unexpectedly from heart issues while in the presence of his wife, Jan. Mac, and Jan have been very active members of Southern Flight since 2013. Both were avid outdoorsmen who loved to hunt with their retrievers. Both trained their dogs to waterfowl hunt and used their dogs in that pursuit. Both also participated with their retrievers in HRC hunt tests. After becoming a member of the Southern Flight family, Mac dove into becoming an integral part of Southern Flight. This was not only on hunt test weekends, where he was typically our gun captain but also generously giving of his time and property to put on training days for the club. Mac gave of his time to become an AA Started judge and judged for several HRC clubs around our area. In his spare time, Mac loved to duck hunt, deer hunt and bear hunt. Also, his retriever Hunter, received his HRCH and his MH titles. Let's just say Mac led a very active life. Mac was a very quiet and unassuming individual. He was our "MacGyver;" always had an idea on how to fix or improve our equipment and kept our club trailer in A1 condition! When a task needed to be accomplished, Mac was the first to volunteer with a "Yeah, I can do it." Mac was always there. Mac had retired less than 45 days prior to his passing. Maybe someone needed him more than we did. Hunt tests just won't be the same without that big smile of his. Go easy, our friend. Get heaven-ready for the rest of us. Till we meet again. - Glenn Dye

While test season has come and gone, the real fun has started for many of our members - hunting season! Many members have been getting out into nature with their trusty dogs and logging in some time in the blind and field.

A few of our members even took a trip out to Missouri - Jon & Brook, Jeff & Sable, Rob & Roxy, Lee & Marv, and Andrew & Cayde all headed out west to hunt snow geese and ducks. From what I have been told, the trip was a great experience for all. The trip also gave members some new decoy spread ideas to challenge their dog partners in some future training sessions.

The club itself is getting ready to come back together to plan out a great 2025 year of training days and to begin thinking about our HRC test in Springboro, PA, that will be held in September. Keep your eyes out on Hunt Secretary, and we hope to see you all there!

The SCF Upland Hunt Test was a success this past December due to our quality judges, membership backing, and the sportsmanship of those participating. A special thank you to Phil

Svedberg, Randy McComas, Chris Postma, John Nowakowski, Bill Ferrans, and Sean Houtekier for presiding over the three hunt tests each day. Thanks also to our chapter President and to Steve Hettrick for keeping our event rolling. Many of those attending obtained titles and other significant milestones. Eric Lingler had an impressive visit, earning his 1,500th point for Wake, 1,000th point for Vader, and 500th point for Willow plus her UHCH, all in the same weekend. Zac Patrick and Jett also did quite well all weekend successfully obtaining their 1,000th point needed to qualify for HOF honors. Christ Postma and Hogan did well, scoring their 500th point during this event. Congratulations to SCF club members Wade Tillman with Fitz earning UH title, Drew Cronk and Favor earning UHCH title, Russ Dusett and T earning UHCH title, and Andrew Skindell and Rooster earning a UHCH title. On the day before Christmas, a dozen of our members gathered for an informal training session and afterward had a brief toast to a very fine year. Let me start by wishing everyone a Happy New Year! Also, let's all pray for a peaceful and prosperous year.

It's been a few months since I did a report, so I guess I will start with our fall test.

Once again, with the hard work of our handful of members and a lot of good friends, we were able to put on a great test! Even though we had to move a couple of tests at the last minute due to safety concerns for the dogs, our judges were able to set up some nice, challenging tests across the board.

Thank you to all of our judges for giving up

another weekend to spend it helping us with our test.

Thank you to everyone who marshaled a flight, helped with set up, helped with birds, or anything else that needed done. We couldn't do this without your help!

Special thanks to my wife Kim for all of your hard work as hunt secretary and all of your work with dinners on Friday and Saturday.

Thanks to all of our friends who made dishes for Saturday's potluck, we had some great food!

Thanks to the new scout troops who were able to fill in at the last minute. They did a great job, and Scott and his kids have already shown an interest in coming back next year!

We saw a lot of great dog work, and milestones met! Even though Stan was getting ready for his daughter's wedding, he was able to get enough title plaques ready to get us through. Good thing we handed out quite a few!

As for 2025, I am pretty excited!

Several of our members have young dogs that are showing a lot of potential!

It's always so much fun when you see all the lights start to come on, and they start to put it all together!

I would like to wish you all good luck in 2025! Safe travels to all, and hope to see you soon!

The New Year brings a time of reflection and new beginnings. Many of our members have new pups or are waiting to welp litters. Busy and fun times are ahead. The smell of puppy breath awaits.

Whether you are new to the sport, a well-seasoned veteran looking for your next title or point achievement, or you see yourself as just a "dog mom or dog dad," the new year is an opportunity for a new start and new goals. Our Arrowhead HRC members have embraced memories of past hunt tests and passed hunting companions (dog and human alike) but are resilient and have hopes and goals of making new memories and training new hunting companions (dog and human alike).

We have a Winter Get Together planned on February 22 in which we are having a potluck meal and tractor rides. A few things that we Northern Minnesotans do to make the winter days enjoyable. We will offer a started and seasoned stake during Minnesota Iron Range Retriever Club's informal on May 3rd and 4th. Our Annual Regular Hunt Test is scheduled for August 2025.

Our goals this year are to involve more youth into our training nights and events. We plan to work with the Boy Scouts by supporting activities for them to earn Merit Badges and to fund their troop for camp outs.

Be sure to say I love you, and never go to bed mad. Life is too short. Live each day to its fullest, and don't sweat the small stuff. Best Wishes for a happy, healthy 2025!

Land O Lakes HRC - Submitted by Rich Lemmer. Mary Lemmer, President, lem1@aol.com.

Hunting season ended on December 31st here in MN. A few club members went south and have been running in some hunt tests or duck hunting. The week the magazine comes out, the LLHRC will be holding an upland test in February at Pheasant Ridge in Ogilvie, MN.

Rich and Bandit headed out on an 11.5-hour drive to Imlay, Michigan, for their first-ever upland tests (6 in total) at the St. Clair Flats HRC. Bandit went 5 for 6 and earned his UH title.

PLHRC members have been enjoying some club events and annual traditions the past couple of months. With the cold weather we've been having in MN, it gives us something to look forward to!

In November, we held our 3rd Annual Prairie Lakes Club Pheasant Hunt. It consisted of club members in pursuit of the longest tail feather! After the hunt, we all gathered for a great meal, followed by a short club meeting. Results of the hunt were as follows:

- 1st place with a 24 1/2" tail went to Janelle and Cory Negen.
- 2nd place, with both having 21 1/2" tail feathers, was a tie between Deb Eckhardt and Evan Wintz.
- Shortest tail feather was awarded to Kim Olson.

We also met for our annual club Christmas party in January. Delicious food, a gift exchange, and some great conversation filled the evening.

Spring will be here before we know it, and we'll all be setting our new goals for the upcoming training and testing season!

1st Place Longest Tail Feather goes to Janelle and Corey.

2nd Place Winners with a tie goes to Evan and Deb.

Hello from Felsenthal HRC! We're in the final

split of duck season, and I hope yours has gone well. It ends here the end of January, and hunt test season kicks in February here in the south. We're preparing for our spring test March 1st and 2nd. Always look forward to seeing old friends and making new friends. Hope you're able to come to our test so we can relive old times and make more memories. Happy New Year to you all, and blessings for a prosperous 2025. God bless you all!

Happy New Year from Four States Retriever Club! We hope you all had a very Merry Christmas and a Happy New Year. Four States ended our year with our annual Christmas party at Rocky Creek Outdoors that included shooting clays, axe throwing, eating Jambalaya and Deer Chili, White Elephant gift giving, and most importantly some great fellowship with friends. At our first meeting of the year, we elected some new officers. Melissa Fyffe will be our President, Tom Vandenbrand our Vice President, Damian Stroder our Treasurer, and Darla Attaway as Secretary. Congratulations and thank you for volunteering your time and support that make our club so fantastic. Tom will also be scheduling monthly training days for our club. We are having our Preliminary Quad Upland Hunt Test on February 8-9, 2025, using Wade and Cathy Scroggins property in Simms, TX (thank you), then on to our Spring Hunt Test March 15-16, 2025, in Rosston, AR. We are looking forward to the start of the 2025 Hunt Test Events and meeting up with old and new friends. We would love to invite all of those interested in getting plugged into a local club to come join us. I am sure you would be an asset to our club. *Jeremiah 29:11.*

Also, I forgot to include Jon Schuetz and Juneau in the list of dogs that passed the fall Grand. If you know Jon, you know he's not going to let me forget it! I did ask him if that was a firing offense or just a first strike! Stay toasty until the snow melts!

Winter was in full swing when I submitted this. Arkansas got an Arctic blast and a slow-moving snowstorm, a winter mix in South Arkansas. Several of our members got some good hunting in along with this front. We're looking forward to our upcoming hunt test March 22/23. All our judges are set, thanks to Roger Morton. We were able to secure new hunt grounds in the fall and look forward to testing on these grounds again this Spring. We hope to see you all in South Arkansas this Spring.

Welcome to Region 9A!

As we wrap up the '24-'25 waterfowl season, we hope you were able to get on some birds in your neck of the woods. Spring is a perfect time for starting a new pup. Region 9A would love to assist you in developing your newest floppy-eared friend! We hope you get the opportunity to get your club out into the public's eye in hopes of gaining some new members soon.

If you need any help contacting a Region 9A club, please shoot me an email at cadeto@att.net. I'd be happy to introduce you and your retriever to any one of the eight clubs in our area.

Greetings and Happy New Year from all of us at Three Rivers HRC!

Winter has been mild in our neck of the woods until recently, when we got our first blast of arctic air followed by some snow. The late arrival of cold temps has made for a not-so-great waterfowl season so far, but we are hoping the recent colder temps locally and up north will bring down some birds.

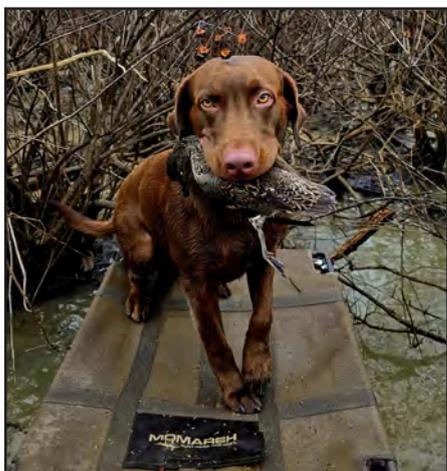

We enjoyed having a float in the Bartlesville Christmas parade. We had a great turnout of members and their retrievers. Our float and all the dogs were a favorite of parade-goers.

Winter has finally arrived in NE Oklahoma. Taking this cold, snowy day to report on Green Country RC. The past year, 2024, was a great year where our club members were on the road to events across the country practically every weekend. From East Coast to West Coast, northern states to the southern, we had one, if not multiple, club members and their retrievers running, working, or judging events at all levels, be it a national event, regular HT, or upland HT. We wish to thank all the amazing clubs that hosted these events and for attending events hosted by GCRC and The Retriever Academy.

We look forward to seeing everyone in 2025. We cannot list out all our retrievers' achievements in a short format. We have kept track of them on our FB Page and are so proud of each and everyone. SHR, through GRHRC and the new UHCH have all done their work at training and earned the recognition of their achievements. As our certificates state, "Honor to whom honor is due!" CONGRATULATIONS!

We would like to recognize one of our members for his efforts in philanthropy. Congratulations to Michael Woodward on his annual toy drive for "Toys for Tots." Michael partners with his employer (UPS), a radio station (KMOD), the United States Marine Corp Reserve (USMCR), his dog club (HRC), and many friends to collect a UPS trailer full of toys each Christmas. He strives to be "Bigger and Better" each consecutive year. Hope you can join us and support Michael in 2025.

We are nearing the end of our 24/25 hunting season. Though it has been a dismal year for birds, our club members have had some success. Photos showing what we all train our dogs to do.

Pontchartrain Retriever Club - Submitted by Molly Burns. Brent Smith, President.

As 2025 begins, the Pontchartrain Hunting Retriever Club celebrates a year of remarkable achievements and looks forward to an exciting calendar of events and opportunities. From a memorable duck hunting season to continued skill-building and camaraderie, our club remains dedicated to fostering a passion for retrievers and the fieldwork they excel at. This past season showcased the spirit of partnership between handlers and their hardworking retrievers. Members shared photos capturing moments of determination and success, reflecting the heart of our club: the incredible bond between people and their dogs.

The new year brings a packed schedule of events designed to engage members and strengthen the retriever community. In addition to the

Hunt Tests, monthly training days will resume in January, offering consistent opportunities to refine skills and strengthen bonds. Training days are the backbone of our mission, cultivating both camaraderie and expertise within the club.

Looking further into 2025, we're excited to announce plans for youth-oriented initiatives, aiming to introduce more children to the joys of working with retrievers. With a strong foundation built on the dedication of our members, we look forward to advancing the club's mission and creating new memories in 2025.

Happy New Year to all of our members and friends! Hope everyone had a blessed holiday season and was able to spend time with family and friends. Maybe some of you got lucky enough to have some good waterfowl hunts this season.

We had a great Christmas party this year, and it was well attended. Great to see everyone! Many thanks to all who helped put on the party - especially Pam Flotte and Jeff Holley - and thank you to everyone who brought an appetizer or dessert.

Now that waterfowl seasons are wrapping up, time to get back to dog training. We will begin monthly training days to help you and your retriever improve marking, handling, and hunt test skills. Dates and locations to be announced on Facebook. Come out and join the group - all skill levels, from beginners to experts, are welcome.

Our Spring 2025 hunt test is scheduled for the weekend of March 15-16, and we will host a SRS event on May 8-10. Please try to come out and help make these events a success for our club.

For up-to-date information, follow Amite River HRC on Facebook for details on training days and meeting announcements (meetings typically 3rd Wednesday of each month at 6 pm - location TBD). We encourage all club members to join in the fun and fellowship at training days, meetings, and hunt tests. Hope to see everyone soon!

Once again, the Holidays are a memory, duck season is winding down, and spring is around the corner. CLRC wishes all our friends an optimistic and Blessed 2025! While Louisiana's duck numbers were pretty low this season, the good news is that club members had lots of blind time in our beautiful Louisiana wetlands. This kept experienced CLRC retrievers focused and gave young CLRC retrievers some steadiness work. That's good news, as the CLRC spring regular hunt test is scheduled for February 22-23 at Moreauville, LA. We are hosting one flight each of Started and Seasoned and three flights of Finished each day with a Puppy Run on Saturday. Our tailgate supper will close with a raffle for a Henry Golden Boy long rifle, and we will play cards for an 11½-ft handcrafted cypress pirogue. Raffle tickets are being sold by club members now and will be available at the hunt test HQ, 1 for \$10 and 3 for \$20. Our club meetings are the third Thursday of most months, 7 pm, at 1889 Monroe Highway in Pineville, with a training day on the following Saturday. All retriever enthusiasts are welcome!

Best regards and great success to all!

Cowtown HRC - Keith Hill, President, www.Cowtownhrc.com.

Happy New Year from Cowtown. Well, Waterfowl season is winding down, and most indications I have is that we are still waiting for

the migration. Kudos to those that have found hunt able numbers and have had a good hunting season. However, good news is coming for the rest of us. Duck numbers will be rising starting in February, and singles, doubles, and even triples will be everywhere, provided you make your way to the Hunt Tests in your area. Clubs make great sacrifices for handlers to enjoy a great sport. Support them every time you get a chance.

As we transition from hunting to Hunt Tests, it's a great time to revisit obedience that we may have neglected while hunting as we were more focused on the ducks than the dogs. Sit means Sit, Right! It's also time to develop that routine of taking your dog from the vehicle to the holding blind and getting your dog comfortable around the holding blind. As you set up for marks and blinds, set them out with purpose and challenge your dog with different concepts. Train harder than you think you will need to perform so that you will be prepared for the tests you get to run. Most of all, have fun, relax, and create that special bond with your dog(s). They will thank you later. May your dog be steady and run great lines.

Lonesome Dove HRC - Sharon Freis, President, www.Lonesomedovehrc.org.

Happy 2025 to all. With the New Year, I want to rewind a bit to the end of 2024. Lonesome Dove club members were busy in November. Our club hosted a two-day training seminar given by Steve Riggins. Steve did an exceptional job for us by presenting a very fast and furious condensed but thorough version of key points in training our dogs from a puppy to the finished level on both water and land. Through his demonstrations with his dogs, he was able to show examples of goal points we should try to reach and some of the pitfalls that people experience. Lastly, he helped members with handling their dogs and ideas to move through some of the issues with their dogs in training and during hunt tests. I believe all members, regardless of experience, left with ideas to utilize going forward.

Several members enjoyed some of the regional Upland tests, and I know several came away with passes. Both Bonnie Parkhill and Keith Hill walked away, this time with a UHCH title on their dogs.

We finished out the year with our normal Christmas party potluck and gift exchange, graciously held at Steve and Becky's property in Brownwood, Texas. The food was generous, and the fun and camaraderie were great. Our normal clay shoot was not able to happen this year, but that just gives members more time up their shooting game for next year.

As we start 2025, we plan on different training days to help prepare our members and dogs for the upcoming hunt test season. Based on

the local duck season, or lack thereof, our dogs need some work to get them looking in the skies again.

Lone Star HRC - Submitted by Bruce Potter. Kyle Krause, President, www.Lonestarhrc.org.

Lone Star would like to wish our members and fellow Retriever Enthusiasts a Happy New Year; let's make 2025 the best one yet! It was a busy fall with the opening of hunting season, our Fall Upland Test, the annual Christmas cooking competition dinner, and white elephant gift exchange. The winners were Pam Norris (Best Desert), Mrs. Vitorio (Best Appetizer), Jean Potter (Best Main Dish), Jeff Cooper (Best Wild Game), and Liz Vigras (Best Dish); it was a sumptuous feast featuring Meatballs, pheasant, chucker, and decadent desserts.

The Upland hunt was successful, with club members titling their Pups and having an enjoyable time. Steve Vitorio remarked that "... the Judges did an awesome job making it challenging and enjoyable for all dogs and Handlers. AN enjoyable day." Mike Norris and Jessie earned a UHCH title, and Pam Norris and Jo Jo earned their UHCH and 500 Points! Congratulations on these achievements. As we brace for a winter weather blast, we look forward to the upcoming Test Season and hope the storm will finally bring some ducks into our ponds, preferably in front of our blinds. Take care, stay warm, be safe, and see ya at the line.

North East Texas HRC - Submitted by Amie Kelly. Sharon Beall, President, sharonlabs@aol.com.

The split is now over, cold weather is just now moving into the East Texas pines. The weather is calling for a big cold front and there is one thing on everyone's mind; will this front push those birds down our way? Rather you have had a great hunting season so far or you and your hunting partner are still hitting it hard trying to find those birds; you have already had memories made. From pheasant to dove to ducks and geese Northeast HRC Club members have been hitting the birds all over Texas and many other states with their season dogs and new pups that are getting the first taste of hunting life.

This season has not been the best for some, but with high hopes and fingers crossed we are hoping this changes with weather that is coming in. For the ones that haven't had a great season and not one bird to show it hasn't stopped their training nor hunt. One tip if you are like many of those around Texas, to keep your dog's spirits high and where your dog will at least retrieve, it may not be a bird; it's always a good idea to take a couple of bumpers with you. Now it is okay for your dog not to retrieve anything from time to time, but to not ever retrieve anything when you go hunting is not the way to go. That is when those bumpers come in handy.

The New Year has come and with that, everyone has goals, achievements, and dreams that they want to reach. Lists are being made and mapped out, rather it be your personal or you and your dog's career. These are good things for everyone to have so there is something to work on and strive for, for the year. It helps build character, strengthens the relationship in you and your dog, and much more. There is one main point I would like for everyone to remain on the front while working on these with your dog; dogs are not on a timeline. Dogs work at different paces, each dog is different and learns different. So, if you do not achieve that goal you set for this year, look at it this way; you are further at the end of 2025 than you are right now. The main thing, you grew closer to your dog and a team, if it's a personal goal you grew as a person.

Northeast Texas HRC wants to wish everyone a Happy New Year and 2025 is going to be a great year! We want to wish everyone Good Luck in all Competitions this year!

Happy New Year from KCHRC!
Closing out 2024 with some very fond memories and beginning 2025 making more! Members are enjoying their retrievers and time spent with great friends in the blind! As I write this, just warming up from this morning's goose hunt, we are bracing for Kansas City's first big winter storm, and with it comes some frigid temperatures! Here's hoping it moves more birds our way!

Wishing you all a great wrap up to the hunting season and blessings to start the new year! Excited to see everyone at the spring tests!

Mount Rushmore HRC - Alan Case, President, Rapid City, SD, alan.case60@gmail.com,

Members of Mount Rushmore Hunting Retriever Club are getting in their final upland hunt, as the season ends the last of January. We finally got some snow and cool weather. The club held its Annual Meeting and election of officers January 7th. The officers are Alan Case, President; Jenny Malavasi, Vice President; Dale Christensen, Secretary; and Mary Burns, Treasurer. We also voted two Directors to the Board, Mark Lindvall and Pete Shattuck. We are now getting our hunt test committees together and starting the process. It takes a lot of work to prepare grounds and equipment for these events, as everyone involved with a club knows. We would like to welcome our new members, Josh and Heidi Goeman and Jake Gjerset. We hope our club benefits you and your retrievers. Well, as soon as hunting season finishes, we will just wait for nice weather to train. It is always a challenge here to have your retriever ready by our hunt test date. We hope everyone has had a very successful hunting season and spent some memorable time with their retrievers and friends.

Salt Valley HRC - Joe Gioia, President, Union, NE, gioia@windstream.net.

Salt Valley is finishing up regular hunting season with many bangs in the area and beyond. Everyone is getting excited about getting back to training and figuring out their hunt test calendar for the year. The club is looking forward to hosting a one-day upland test; four separate tests will be offered Saturday, February 22, with a limit of 12 entries per test. Of course, we will be having a potluck tailgate party in the lodge at Beede Outdoors, our event headquarters, at the conclusion of test 4. Hopefully, one of your New Year's resolutions is to introduce and recruit a new member to HRC. Here's to a successful spring training campaign.

Southern Colorado HRC - Brett Predmore, President, Pueblo West, CO, president@southerncoloradohrc.com.

With hunting seasons starting to wind down, club members are out there trying to make the most of the remaining seasons. In general, club members have been seeing more success in the upland fields this year. The unseasonably warm conditions in North Dakota, Montana, and Canada have had an impact on the waterfowl season, with little reason for the birds to push south to Southern Colorado.

SCHRC-organized training days will start on February 1, 2025, and continue every Saturday through May 17th, 2025, at the Lake Pueblo State Park in Pueblo West, CO. These training days are a great way for new members to meet other retriever trainers/owners and obtain training, advice and direction when training their own dog.

We are making excellent progress on the planning of our SCHRC 2025 Spring Hunt Test & Social. The hunt test will be held at the Lake Pueblo State Park in Pueblo West, CO, on April 5th & 6th, 2025. We hope that you will put our test on your calendar and join us for a great weekend.

2025 SCHRC Memberships can now be renewed online at southerncoloradohrc.com.

Good luck to everyone as you finish out the hunting season. Please be safe out there!

Cascade HRC - Submitted by Pam Ulsh, President.

Upland and waterfowl seasons are over, but the memories will remain for a long time. The weather was warmer and somewhat dryer, except when it was pouring. From the stories being told, many people and dogs had many great hunts. Several of us had the opportunity to help friends get a new pup going, as well as help an old dog get his last field retrieve. What a great reminder of what the HRC family means to us.

The Cascade HRC Board and membership are ready for a great hunt test season in 2025. By the time this is published, we will all be shifting our focus from hunting (and training) to training and hunt tests.

Cascade always starts its training day season

the first Saturday in February. This year is no different. Luckily, everyone still has their duck gear out because it is likely to be cold and wet. The dogs never seem to care. Like their owners, they are ready to meet up with old friends and make new ones as they run new scenarios.

Save the date. Cascade's hunt test is the second weekend in April. We will have a Regular hunt each day (with 2 flights of Finished planned on both days) and an Upland hunt on Saturday. This puts our test in between the Western States Boykin Spaniel Club in Corning, CA, and Salt Chuck HRC on Vancouver Island, BC. Add the trio to your calendar, and come have some fun. All three clubs are sorting out their judges, and they will be posted soon, if not already.

Wishing you happy training and great adventures with your two and four-legged friends.

Boyd Ulsh stands ready to shoot for Bob Meyers' new pup, Remi. Got to get them started right!

It was a 3-girl hunting party. (R-L): Kate Szillard, Pam Ulsh, and Ruger brought home the birds.

Lower Columbia HRC - Submitted by Dave Carey, President.

Training days and hunt tests are being planned, and locations are being acquired. It's a process shared with other clubs and venues, and some areas have to be allocated by the state of Oregon. Access to private area locations is built on working friendships, which are crucial to our success as an HRC club.

We have a judge/handlers' seminar in January, and following that evening, our club banquet. Some officer positions are open and will be filled after dinner. Last year's HRC dog titles will be recognized for club members, as well as other competitive titles earned. We will review the past year's events and discuss the upcoming year's event challenges.

Set your goals for the year, adjust your training to meet those goals, remember to relax and breathe, and then, as a team, execute for success.

Good training to all.

Newaukum River Retriever Club - Submitted by Davie Berg, President.

It will soon be time to retire the shotgun and begin preparation for hunt test season. This is a great time to review foundational skills and work on your partnership and communication with your dog. It's also an opportunity to review the rules and standards you will be judged to. Setting and maintaining a high standard for you and your dog will translate to success. One great way to understand what judges are looking for is to attend a Judges/Handlers seminar. Check out the HRC website for a list of upcoming seminars and get the latest on rules and clarifications on the questions you have.

For the past three years, Newaukum River Retriever Club has hosted a Spring introduction to HRC event. The goal of this event is to

introduce those who are interested in learning more about HRC to the rules and differences between HRC and other venues. An integral part of this event is hands-on gun-handling training. This has proved valuable to those intimidated in running HRC because of the gun. Be watching for information on this year's event on our Facebook page (Newaukum River Retriever Club).

In July, we will be hosting our annual hunt test near Centralia, WA, with Saturday and Sunday regular hunts and a double Upland test on Monday. The dates are posted on the HRC website and at huntsecretary.com. We look forward to seeing you there!

Salt Chuck HRC - Submitted by Wendy Tisdale. David Aberdeen, President, schrcwebmaster9.wixsite.com.

The Salt Chuck Hunting Retriever Club finished off another great year with our CHRISTMAS CANINE CHAOS EVENT on December 15th at the Swallowfield Estuary on Vancouver Island. The day was well attended, with lots of people, dogs laughing, smiles, and holiday cheer. A fun way to finish off the year!

We spend the day playing silly retriever games, timed speed retrieves, team retrieves, blindfolded handler team competition, and a dead duck toss! An amazing potluck lunch with members sharing their seasonal favorites turned into a feast with delicacies of every description and an afternoon of catching up with friends. Even Mother Nature contributed to our event by giving us the most gorgeous sunny day! We had great prizes supplied by Willow Wind Feed and Pet Food, Inukshuk, Debra and Ty Pile, and Rick and Louise Roberts. No one left empty-handed! We had a special surprise guest at our event No, not Santa Claus, it was a low flyover by the Iconic Philippine Mars Water Bomber as it traveled on its final journey from its home on Vancouver Island to its final resting place at the Pima Air and Space Museum in Arizona.

What a wonderful way to end the year with camaraderie and friendship!

We wish everyone a Happy New Year and a successful 2025. We warmly invite everyone to join us this spring for our upcoming hunt tests as members look forward to upcoming monthly training days!

Spokane Bird Dog Association - Submitted by Carol Black. John Gilbert, President.

As I write this, SBDA members are enjoying upland and waterfowl hunting for three more weeks. The warm fall and early winter have provided challenges for both; the pheasants are running wild, and the ducks have stayed in the north. As you read this, SBDA is in full swing, offering winter and spring dog activities and sponsoring five scheduled events. We hope to see you at one or more of our events.

- Retriever Training Days - March 8 and April 19
- Retriever Workshop - March 22 - considerations for setting up and evaluating marks and blinds; geared to novice and intermediate dog handlers
- Super Singles competition and BBQ - April 5
- HRC Hunt Test – Second weekend in May

Whistling Wings HRC - Submitted by Stephanie Wightman. Ben Thompson, President, whistlingwingshrc.com.

Whistling Wings HRC is excited to kick off the start of the training and hunt test season for 2025! Mock hunt test training days will be the third Saturday of each month, beginning February 15th. This season, our club is looking forward to welcoming new handlers and helping everyone reach their HRC goals for the season. A new addition to our mock hunt test training days will be a drill session, so come out and join us!

As 2024 came to a close, our club members spent time hunting fields and out on the water with their dogs, practicing the skills we worked on during the training and test season. Many of WWHRC's junior handlers had the opportunity to work their dogs in successful hunts and see their hard work pay off, getting them excited for the upcoming hunt test season.

Treasure State Retriever Club - Submitted by Margo Elliis-Lingohr. Mike Heard, President.

Happy New Year! 2025 will be a busy year for the club with the SRS and weekend events we have planned but we hope to be offering another Clark Kennington seminar as well. Those details are being worked out as I type. Our hunting season will be close by the time this arrives to the members but I know many have had a good year with their dogs. As spring approaches the club will need helping hands to get the grounds in shape so, please help if you can. In closing remember as you start your training back up go slow and keep it simple. I know mine will need a lot of time to knock that rust off. Be safe and see you at the line.

Five Valley Retriever Club - Submitted by Kay Donahue. Ted Hay, President.

South Hills Hunting Retriever Club - Submitted by Terri Sanders. Randy Both, President.

South Hills Members have been busy getting ducks and geese and are gearing up for training season. Things will kick off with our annual membership banquet held in conjunction with another local club. We will be hosting a seminar in April with Bob Owens focusing on Transition Training for our younger dogs and newer handlers. Then, regional hunt tests kick off with both Mountain West and our club holding tests in April. We are also excited about our planned upland quad in September 2025.

A slow few months for training for Mountain West HRC members as waterfowl season has been in full swing. With that, the club members wanted to share some photos of their dogs during this waterfowl season. A year of consistent training for the club has proved to build success for all dogs and owners taking advantage of this year's season. Once the season has concluded, we plan to start our monthly training picnics for all of our members.

Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!

This issue contains all 2024 Event Reports processed from November 16, 2024 through January 15, 2025.

HUNTING RETRIEVER CLUB, INC. Point Club RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRC title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket

embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/ tcobb@hrc.dog

Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of January 15, 2025.

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.
