

RES LIFE

“RECTORY IS RELATIONSHIPS” AND SOME OF THE MOST IMPORTANT RELATIONSHIPS ARE CREATED WITHIN THE FRAMEWORK OF THE RESIDENTIAL COMMUNITY.

The boarding environment at Rectory is more than just a place to stay—it’s a vibrant, caring community where students live, learn, and grow together. We create a true home-away-from-home where each child feels safe, supported, and known. With dedicated dorm parents and a strong emphasis on well-being, we prioritize the physical and emotional health of every student. Our personalized academic approach ensures that each child is both challenged and supported, with the flexibility to meet individual learning needs. Beyond the classroom, students develop important life skills—from time management and personal responsibility to building meaningful friendships—that prepare them for life. And throughout their journey, parents stay connected through open communication, family weekends, and a partnership built on trust.

RECTORY IS RELATIONSHIPS

One of the best components of going to a boarding school is the lifelong friendships that are formed from living under the same roof. Mutual respect and compromise while learning about different cultures and backgrounds goes hand-in-hand with having fun and making memories with friends you will keep for life.

CHARACTER DEVELOPMENT & LIFE SKILLS

We believe that who a student becomes is just as important as what they achieve. Our program is intentionally designed to nurture character, build resilience, and help students grow into confident, capable young people. Through daily routines, shared responsibilities, and countless moments of learning beyond the classroom, students gain independence, practice time management, and develop leadership skills in a supportive, family-like setting.

WEEKEND ACTIVITIES

There's always something exciting happening! Whether you're into exploring local museums, cheering at live sporting events, catching the latest movie, or getting creative in the Art Barn, there's never a dull moment. From outdoor adventures to chill hangouts with friends, our weekend activities are designed to offer fun, variety, and something for everyone.

THE WOLF DEN

Styled to replicate a retro 50s diner, this cozy, tech-free zone is one of the most popular spots on campus—a place where students can unwind, laugh, and connect with friends. The Wolf Den has comfy chairs and couches, game space with two foosball tables and a ping-pong table, and snack bar, PLUS TVs to watch shows or play video games. The energy is always buzzing!

FIRST FRIDAYS:

Once a month on Friday evenings, middle school day students are invited to stay on campus and join their boarding friends for a night of fun activities and special events, including:

- FACULTY VS. 9TH-GRADE SOCCER TOURNAMENT
- CARNIVALS
- OUTDOOR MOVIES
- HUMANS VS. ZOMBIES
- RECTORY'S GOT TALENT

“Dorm is a place not just about school, but growing as a person and learning to navigate life away from home.”

JAMES S., CLASS OF 2025 ALUMNI
