CHEF'S DINING UPDATE

RONNIE BENSIMON, EXECUTIVE SOUS CHEF

We are excited to announce updates about the reopening of ZEST, our Japanese Izakaya restaurant at Broken Sound.

While the first two weeks presented some challenges—such as transitioning to a new sushi chef and addressing a temporary issue with our hood system—we have made the necessary adjustments and are steadily returning to smooth operations. Despite these initial hurdles, we are excited about the progress and the enhancements to your dining experience.

Our new hot line menu items have brought tremendous variety and depth to complement our vibrant sushi selection. For those new to the concept, a Japanese Izakaya is a relaxed, welcoming spot where friends and family come together to enjoy small plates, refreshing drinks, and great company.

Thanks to a recent kitchen expansion, we have introduced more hot dishes, including favorites like Ramen, Stir-Fried Noodles, and Stir-Fried Rice. We are also rolling out weekly specials featuring bold, dynamic flavors from Asian cuisine. On top of that, our sushi menu is evolving, with plans to introduce even more creative and diverse offerings soon. Our vision is to create an authentic Izakaya experience, and we're thrilled with the direction we are heading.

As we fine-tune our operations, availability may be limited at times, but our commitment to delivering exceptional service and high-quality dishes remains steadfast. We can't wait for you to explore these new flavors and enjoy the exciting additions to ZEST!

CENTURIES OF STORIES

Ms. Zerivitz gave the world the compelling story of one ethnic group in the extremely diverse state of Florida. She broke the glass ceiling as the first female in many organizations nationally, state-wide, and locally. Her success curating the stories and artifacts of Florida's Jews grew into a respected exhibit, and later into the Jewish Museum of Florida on Miami Beach.
