PRAYER

PRAYER - 16TH JUNE 2011

Lindiwe Mpata

You know everything before it is planned.

You see everything before it happens

And you hear everything before it is spoken

You know that the students of June 16 would stand up

For what made their education unbearable.

You saw that their lives would be taken away.

They dreamt of fair education, we live their dream.

Their youthful bodies were placed in the soil of Soweto

And from that the uprising of freedom grew.

Thank you to those who have paved the path of opportunity and hope,

For all their courage, determination and perseverance.

Our struggle today is to achieve our goals to the best of our abilities.

The only people standing in our way, is ourselves.

Father, help us if we are held back because of our past

Guide us if we cannot see due to negative influences and

Support us if we have no one to depend on

Think back, live now and build tomorrow.

In Your name

Amen

Mr Louis Ferreira became Chairman of the School Governing Body in 2011. I would like to thank him for his leadership and commitment to the school. To be Chairman involves considerable responsibility and is very time consuming. I would like to express my sincere thanks to Louis for all his support and involvement in the school. He has been a pillar of strength in very difficult times as the school faces the challenges of sound financial management, curriculum change and maintaining the facilities at the school. Louis ends his term of office at the end of the year as his son is in Matric.

The dominant and most important activity of the SGB is financial management. Mrs Peacock, the bursar, is very experienced and does an outstanding job managing all financial affairs under the guidance of Mrs Biggs, the SGB parent, with the finance portfolio. The financial equation has not changed much over the years, only the balancing act has become more precarious. The equation is between school fee income, rising exemptions, increasing salary costs, deteriorating facilities, rising municipal costs and low government support. The majority of parents have been fantastic in supporting the school and meeting their financial obligations. I thank them. However a growing concern is that more and more parents are requesting exemptions, as is their legal right, however, they are receiving a quality education which other parents are paying for. I would like to thank those exemption parents who do pay a bit extra because they understand the importance of a good education for their children and the price of such an education. I would imagine that as the years unfold the staffing is going to be reduced, class sizes grow, facilities deteriorate and extra-murals downsized unless the government can support schools who are trying to produce quality results in the midst of seriously declining standards and difficult economic times. Matric failure rates are high and ANA results are poor so the government needs to make some drastic changes in the future. Let's hope the new CAPS curriculum will be the start of a process of raising academic performance and standards.

Throughout the years as principal, I have worked hard to try to build a stable and strong staff. Staff turnover in the past years has been low, however, 2012 will see a number of retirements and a restructuring of the school. The School is blessed with young and dynamic teachers who will be more than capable of assuming leadership and management roles. It is also encouraging to see more young teachers qualifying and looking for posts at schools, like Bryanston. It is the challenge of the SGB and myself to make the school an attractive prospect to come to teach in. Students need to understand that if they want good teachers they need to co-operate, do their work and not be a disciplinary problem. Teachers are special people and they need to be nurtured, protected and be given the tools to do their job to the best of their ability. I would like to thank all teachers at the school for a very good year and let's hope the Matric results will be as good as last year and reflect all their hard work.

The School is over 45 years old and the buildings are starting to show their age. While we have worked hard to keep the

gardens looking good and the fields are in the best condition in years, we find the plumbing is leaking, the roof needs constant attention, lighting fixtures are breaking and driveways need to be upgraded. The School is a state facility and yet parents are expected to maintain the building at their own cost. The GDE did get contractors to repair the ceilings and roof leaks but the job was not well done and the storms undid a lot of the repairs. It took the SGB a number of years to get the GDE in to do the job. It would be wonderful if all classrooms could be upgraded; a new office block built; storerooms and classrooms built where the shed is at the back of the school; all the toilets tiled and the prefabs replaced with brick. All physical development in the school over the past 45 years has been at parents' expense and future parents need to maintain the momentum of continually upgrading the school. The School has been promised computer labs from the GDE over the years but nothing has materialised, other than all the satellite dishes at the pavilion that have never been used. Each year we try to make improvements, such as tiling the lower toilets, the steps at the pavilion, the shade netting over the grand stands and a water feature in the main driveway. We are also proud of our new tractor to mow the grass. It has saved many man hours instead of having to use the smaller mowers. The burglar alarms have been upgraded. The ground staff, under Mr Toerien, has done a very good job using limited and restricted budgets and man power.

The number of students at the school has dropped from 1025 to 980. It has been very pleasing to have a very good group of Grade 8's which is very promising for the next 5 years. The Grade 9's have shown themselves to be good academically. The Grades 10's are probably the most talented group in the school. The Grade 11's have been very involved in many school activities and have enjoyed a very good LIA year. The Matric group has shown improvement over the years and we are expecting the matric results to be very good. I trust the university exemption rate is comparable to previous years and we expect our top candidates to get multiple distinctions. The enrolment for 2012 is promising, however, as a result of the new GDE regulations, the final decision over final acceptances can only happen at the end of October which is far too late for planning for 2012 and, I believe, too late for parents planning to send their children to high school. The GDE needs to start the process in the first term and complete the process by the end of the second term. Parents will then have the security in the knowledge that their children have been placed in a good high school and the SGB can complete more realistic planning for the New Year. We trust the Governing Body Foundation has addressed these issues with the GDE.

While most of the students at school come from strong and united families, it is still worrying how many social issues the Grade Controllers and the Psychologist have to deal with. Issues of self-esteem, insecurities, family trauma, drugs, bullying and petty assault are perennial issues and have to be dealt with firmly and compassionately. It is concerning that so many families are prepared to leave their children unsupervised and that they are given so much freedom and money that they eventually get up to some kind of mischief. We strongly appeal to parents to make sure their children are always monitored and supervised so that they grow up in structured and rules based environment. Then as they grow up the boundaries can be readjusted and greater freedom granted as they grow more responsible. Society is under threat as unsupervised children run rampant in our streets and shopping malls. The School has too many students who are left by parents after school and are only collected late in the afternoon. We now have teachers on duty in the afternoons to try to shepherd them home and to keep them out of trouble. I understand that both parents work and it makes collection difficult after school, but they need to ensure their children can get home and need to supervise their homework and study habits. It always amazes me that the students who do extra-murals are also the productive students in the classroom, while the loiterers after school make little

PRINCIPAL

or no effort to do homework or participate in an extramural. Every afternoon it is the same 40 odd students who hang around for a couple of hours until their parents can collect them. Parents are contacted but it makes no difference. May I appeal to parents to collect their children promptly after school, after extra-murals and after night functions. One grade 11 boy came back to school on the bus at the end of the grade 11 camp at 12 am on a Sunday and was only collected later that evening after one of the teachers phoned the parents. Having made the above observations, we are very happy with the quality of students at the school and the effort they are making to get an education and build a CV and to make a future for themselves. We do worry about work ethic and standards, but generally the students' performance is very good. I would love to get in a reputable company that specialises in external tests to compare the academic standards of Bryanston students and teachers to international benchmarks. I would think we compare quite favourably.

Extra-murals have always played a huge role in the functioning of the school. I have always believed that there must be a clear balance between academic endeavour and physical activity. Participation in a cultural, sporting or hobby after schools hours is vital to the developmental growth of a child. Bryanston has an active and vibrant programme, offering a wide range of activities at the school. We have achieved considerable success and have a reputation as a very good sporting school. Every year our musicals are superb and excellent entertainment. I am sure parents have noticed how our fixture lists have changed in recent years. We no longer play many traditional rivals and this is for the simple reason that these schools no longer have comprehensive extra mural programmes. I believe that sports, such as cricket, rugby and hockey are dying a slow death in many schools. Schools no longer offer these sports or they do not give us B and C teams, or teams from certain age groups. A good example of the deterioration of school sport is the annual rugby festival between Natal and Gauteng co-ed schools. The festival has been run for the past 35 years, alternating between Durban and Johannesburg and usually involves between 20 and 26 schools. We now face the situation where there are not enough Natal schools taking part and many Johannesburg schools have pulled out. The tournament is based on billeting players to stay with the families of the host school. Now schools place the players and coaches in the school hall or classrooms and they have to fend for themselves. At present we are debating the future of the festival and to change its format, possibly inviting some Cape co-ed schools, but we are committed to not letting the festival die. I believe this situation applies to most other sports, particularly in State schools and in schools where the management shows no energy or vision to have sport in their school and where teachers are not going to take the initiative as unions dominate their conditions of work. I want to state clearly that as long as I am at Bryanston we will have full teams and cultural events as we have done for the last 20 years and I urge parents to please support me. We have teachers who are more than willing to spend their afternoons,

Saturdays and holidays coaching. Our children need to be out on the playing fields extending their education by practising a sport or cultural skill which will facilitate their learning and education in the classroom. Extra-murals give our school a spirit, a soul and a focus that keeps the blue flame burning brightly and it enhances academic results, not hinders them.

So 2011 began with incredible Matric results where Jenna Fulcher was the shining light amongst many other outstanding results. The swimming season was great and we still have two teams. Our cricket is always strong. The new Grade 8s show talent and enthusiasm. The tours to Natal over the Easter holidays were very successful. The winter sports season is always the best although the rugby results were not great, but we had the best girl's hockey team ever. We steadily maintained the academic programme pushing all students to good Mid year results. One of our own teachers wrote the musical and it was a packed success. The athletic season was one of the best ever. Girls and boys tennis teams are rising in the school leagues and participation is very high. 30 rugby players and their parents are steadily putting together an exciting rugby trip to Italy next year. We successfully had a first cultural tour to Europe even though all bags were lost by the airline. Our teachers are ready for the new curriculum and are even training facilitators for other teachers. We have had one of the best councillor groups in years. Our cheerleaders successfully defended their national title for the 6th time. I could go on and on with the list. There were, of course, also many challenges and problems but we have an experienced staff to deal with them all.

The school has a good future but it is imperative that parents support the school, pay their school fees and contribute in whatever way they can and they will be amazed how their children and the teachers will be motivated to achieve and drive the school forward and therefore their own lives will also then show progress. The alternative is not worth contemplating.

I would like to thank the SGB for their support and the crucial role played by Mr Ferreira. A special thank you and farewell to Louis Ferreira and Jo Sfarnas for their contribution over the years. They will both be leaving at the end of the year and we wish them well. Thank-you to teachers, deputies, grade controllers, executive members and academic heads, for a good year. The admin staff are superb under the leadership of Mrs de Villiers and the finance staff under Mrs Peacock. The ground staff are always willing to do what is needed under Mr Toerien. Thank-you for a good year and may 2012 be even better!

And last but not least, I would like to thank all the Tuckshop mothers, SFC committee, the Italian Rugby committee and all other parents who have contributed to functions and activities at the school. Thank you all for your support!

Dave Robinson
Principal

CHAIRPERSON

Good Evening Ladies and Gentlemen. Thank you for attending our 44th Annual General Meeting.

I would like to thank my colleagues in the Governing Body for a year of hard work and honest commitment to the school. The governing body is blessed with members who have a wide variety of important skills that have made it function very effectively this year. Thank you for your commitment and support during my year of chairmanship.

Running a governing body is particularly challenging in an environment where the GDE tries to dictate policy and in which the Management of the School has to comply with the requirements of legislation as set out in the South African Schools' Act. We have relied heavily on the guidance of the governing body foundation to give us advice so that the school can be run within the legal parameters of legislation. One particular issue that is concerning is that of admissions. As of making this presentation, no government school in Gauteng has been given final permission to admit learners for 2012. We find

CHAIRPERSON

this frustrating as I am sure parents want to know where they stand and, in addition, the School requires this information for future planning for 2012.

The unity of good academic staff and our continuous intake of talented new staff, has enabled the school to keep up its academic standards and to achieve good Maric results. The Matric results at the end of 2011 were excellent and we expect this, even with having to adapt to all difficulties that come up, to continue to show successful results in the years to come.

The School has been run well financially over the year, however, like all schools across the country, we face the rising costs of electricity and water and the frustrating problem of trying to get the Municipality to accurately bill us for our consumption. In addition, we suspect that we do have a water leak but it has been difficult to pinpoint when the meters are not working properly. There is a distinct possibility that in the near future the old galvanized pipes are going to have to be replaced at the schools cost. Our collection of school fees has been very good this year and I would like to thank members of the governing body and members of the school financial department for keeping a close watch on collections. As is in

the case with all governing bodies we are concerned about the growing number of exemption applicants which does threaten our income and ability to attract quality teachers and maintain our infrastructure. Because of the age of the school, there is a lot of ongoing maintenance required in order to keep the school looking respectable.

Obviously we do face an increase in school fees for 2012, driven mainly by the rise in municipal costs. Our other large expenditure is salary but we have slightly reduced the number of staff to try to offset rising costs, however, with limited government support, to run a school of the magnitude of Bryanston, is a costly expense. Parents, I encourage you to continue paying school fees in order to keep up our standards in a country where school standards are rapidly deteriorating.

In March 2012, the new governing body elections for all schools across the country, will take place. I encourage parents to become involved in the administration and management of the school. If you are able to offer any skills to this very important committee, please put your name forward.

I have been a member of the governing body for many terms of office and in this time I had the exemptions portfolio. I have enjoyed my term as chairman of the governing body in 2011 and I would like to wish the School everything of the best in the future. I would especially like to thank Jo Sfarnas for her contribution and wish her well as she will also be leaving at the end of the year due to her daughter finishing Matric. She was also responsible for providing wonderful eats at each meeting which I am sure will be greatly missed.

In conclusion, I would like to thank Mr Robinson, the teaching staff, the administration staff and the grounds staff for their commitment and contribution towards running an efficient and effective school.

*Louis Ferreira
Chairman
Governing Body*

STAFF

THE STAFF ROOM IS THE ENGINE OF A SCHOOL

It always reflects the activity of the week. During the summer clipboards, stopwatches and place tokens herald in the swimming season. Tennis balls and cooler boxes always indicate a tennis day. As the seasons change the paraphernalia that decorates the staffroom changes to netball and rugby balls and props for the major production. As the exams approach massive piles of paper create a life of their own as they migrate around the staffroom always attached to a red pen. Suddenly the staffroom is empty and tidy - the holidays have arrived. The entire cycle returns in the third term with athletics then the excitement and secrecy of the matric dance theme then back to swimming, tennis and exams.

Within all this activity the diverse Bryanston Family live their own lives which impact on the school. When our Grade heads returned to school from maternity leave the Toerien and Labuschagne families shared their beautiful babies with us. Mrs de Olim returned at the end of the first term after the birth of son. Later in the year Mrs Martins produced a beautiful daughter.

The marriage of Ms Njoza was so exciting and she has returned as Mrs. Phillips. Congratulations to all these families.

At the beginning of the second term we were saddened to see the retirement of Mr Naicker. Mr Naicker was involved in education for 49 years. His long career started in Natal where he progressed from teaching to becoming a principal and finally an inspector. He joined Bryanston after relocating to Gauteng. We would like to thank Mr Naicker for enriching the staffroom with his quiet wisdom and dignity. The Maths department will miss his attention to detail and measured leadership.

The Cultural Tour lead by Mr Oosthuysen and accompanied by Mrs Cook toured Greece, Italy and France. The 13 learners and the teachers were so excited as the whirlwind tour delved into the magnificence of Europe.

New teachers invigorate a school as they bring new ideas and change the energy of the school. Certainly Mrs Lategan has fitted into Bryanston adding her expertise and sunshine to the Afrikaans and History department. Again a big thank you

STAFF

DAVE BERLIN

to Janet Stander for stepping in to help the English Department.

Our Headmaster is passionate about sport. He loves to watch it and participates in it at every possible opportunity. A keen cyclist and a dedicated road runner he flew to Berlin for a weekend to complete the Berlin Marathon. Congratulations Sir. Traveling overseas in the June holidays, Mrs Webb and Mrs Weir followed their own passions. Mrs Webb visited her family but Mrs Weir went fishing. Mrs Weir spent the June holidays in Alaska, returning to South Africa laden with salmon. The staff sampled delicious slivers at the September birthday teas - so delicious.

Supporter Fridays saw most people wearing the green and gold. On match days a TV was brought in and everybody watched glued to the game each pass, conversion and tackle created comment and interest. The couch umpires nodding in agreement or arguing fiercely with the moving image as the games progressed. Our spirit and patriotism - loud and proud.

As the end of the year draws near, exam setting and marking has begun. We need to thank the support staff, who, allow the academic staff to create the Bryanston Energy.

To the ladies in the office who keep us on track, the tuck shop that feeds us, Beer who prints for Africa, Tryphina and Yvonne who keep us supplied with coffee and tea and finally, the ground staff who keep the fields and classrooms in a neat and tidy state - thank you.

Mrs P. Maxwell

702 Walk The Talk

It has been said "Life is a journey, not a destination". How these words ring true. Our journey started in 2009 with a group of 50 young, enthusiastic and, not to mention tiny Grade 8s, doing the 702 8km Walk the Talk for the first time as proud Bryanstonians. That day a tradition began.

On that cold winter's morning in July, little did I know I would participate in a personal journey with this group of young people. As a new Grade Controller and a newly-wed, with my own group of Grade 8s, we took the challenge and brought home the medals.

The following year changed, even though we were on the same walk, with the same group, - I was 7 months pregnant.

This year's maturing Grade 10s, undertook the same walk with a new little 9 month old addition to the grade, and set out with different challenges. With enthusiasm and excitement we all completed the 8km walk for the third year in a row.

As a new parent, I look at the group of young learners with pride and love. I am honoured to have walked a little part of their journey with them, and know that with these young people as our future leaders, our journey will be prosperous and productive.

"THIS IS MY SCHOOL, THE BLUE FLAME BURNS HERE!"

*Mrs S. Labuschagne
Teacher and Grade Controller*

GRADE 10 2011 AWARDS 2010

Top 25 Participants

These certificates are awarded to the Top 25 learners who have collected points throughout the year for participating in sport, cultural activities and for supporting school functions. Well done to:

25 th	50 pts	Christine Devinish
24 th	51 pts	Ross Schwartz
23 rd	52 pts	Meegan Reddy
20 th	53 pts	Pierre Marais, Merrick Wooley, Keolyn Naicker
19 th	55 pts	Luronne Cachia
18 th	56 pts	Bianca Humphreys
15 th	57 pts	Dominic Brennan, Michael Wood, Henrique Torrao
14 th	58 pts	Rosina Kaseke
13 th	64 pts	Kimberley Katende
12 th	65 pts	JJ Mtuse
10 th	66 pts	Favian Gasser, Laura White
5 th	71 pts	Jessica Davies, Xihlovo Mabunda, Kelly Lipner, Robyn Phillips, Bianca Savio
4 th	79 pts	Reine Greeff
3 rd	86 pts	Keagan Potgieter, Sarah Ford
2 nd	94 pts	Lara Banks
1 st	121 pts	Cayley Jorgensen

100% Attendance

This award is given to learners who have not missed one day in Grade which is a remarkable achievement. Well done to:

Ross Schwartz, Emmanuel Mothibedi, Nancy Liang, William Letwaba, Ntsiki Khuzwayo, Shi Qi Deng, Nkele Mashishi, Samuel Tiley, Tito Sikhosana, Thabo Morema, Danielle Gast, Henrique Torrao, Refilwe Ramela, Kgotso Maphaka, Rosina Kaseke, Sbusiso Ndlovu, Shane Joseph, Keneilwe Dolo, Rogan De Wit, Jessica Ndzwana, Shalini Naidoo, Phina Mmamashela, Jennifer Okoye

Service Awards

Service beyond Self whereby learners have made themselves available to help others and involve themselves in different spheres within the school:

Rosina Kaseke	Arts and Culture
Keolyn Naicker	Arts and Culture, Afrikaans
Praksha Tewary	Arts and Culture
Cayley Jorgensen	Mathematical Literacy, Life Sciences
Tyler Cartwright	mathematical Literacy
Christine Devinish	Mathematical Literacy, Life Orientation, Cricket Scoring
Michael Wrathall	Flags
Shivaar Juggath	English
Eunho Hong	English
Caitlin Van Duyn	English
Luronne Cachia	Afrikaans

GRADE 11 2011 AWARDS 2010

Trophy Awards Cultural Award

Boys: This is a shared award. This young gentleman is a born actor who has a voice to die for and more charm than Prince Charming himself! Combined with this he is a totally committed and very hardworking member of the company. He is a more than worthy winner of the cultural prize.
Well done **Dominic Alves**

The costume worn by this young man will go down in the annals of Drama history at Bryanston High. He has the chutzpah coupled with the acting talent to carry it off with aplomb! He is also committed and hardworking and well deserves to win the cultural award. Well done **Steven Donzella**

Girls: One runs out of superlatives when it comes to describing the talent of this young lady. She is not called "The Voice" for nothing. She acts up a storm at any opportunity. Her commitment and hard work are as inexhaustible as her energy and sparkle.

Besides her acting ability this young lady is an outstanding public speaker and debater. She was part of the SACEE league Shadow Team in 2010 and will represent the school in the Senior Debating Team in 2011. Well done **Jocelyn Lawrence**

Best Class Captain: Voted by the staff members as the best class captain of 2010, congratulations **Kendall Alexander**

Sportsman Of The Year:
This young man participated in the A swimming team and received full colours. He was part of the second hockey team and participated in the summer hockey league. He also played tennis and captained the second tennis team. For his sporting achievement, well done to **Steven Donzella** for receiving the Sportsman of the Year award.

Sportswomen Of The Year:
This is a shared award. The first young lady is a worthy recipient - she was part of the A swimming team where she received full colours. She played netball for the U16A team and captained the team; she then advanced to the regional U16 Netball Gauteng trials and represented the first Netball Team against Northcliff High. She ran for the Bryanston A Athletics team where she won two gold medals and a bronze at Prestige. She attended the Central Gauteng Athletics Talent ID meeting where she came second in the 100m. She also received full colours for athletics. Well done **Bianca Chabant** for receiving the Sportswoman of the Year award.

The second young lady to receive this award participated in the B swimming team, 2nd team tennis, 1st team 8-a-side hockey, 1st team hockey, indoor hockey U16 side where she received half colours. She also participated in cross country where she received half colours and was in the Athletics A team. She was selected for the U18B Gauteng Gryphon's Indoor Team for their provincial tour to Durban and was selected for the U16A Gauteng Gryphons Indoor team for the provincial tour to Cape Town. She is a worthy recipient of the sportswoman of the year award - Congratulations **Gena-Lee Uren**

Esprit De Corps:
Girl: **Genna-Lee Uren**
Boy: **Dominic Alves**

Medals Grade Controllers Award

Boys: This award goes to a boy with tremendous courage and determination. He has a competitive nature and is a real gentleman with strong values. He is well loved by both his teachers and his peers. He overcame a huge setback last year, resulting in his absence from school for a lengthy period. This did not stop him. His determination and courage carried him through those hard times. It is indeed a pleasure and honour to have him in my grade. Well done to **Tony Sibiya**

Girls: This award goes to an enthusiastic and determined young lady. She has a competitive nature and has the will and drives to succeed socially, academically and on the sports field. She has a strong sense of values, stands up for what she believes in and is just a pleasure to be around. Well done **Da-Eun Kim**.

Trophy Awards Cultural Award:

Boys: This award goes to a young man who received full colours for drama. He had a lead role as 'Heathcliffe' in the production. He also acted in the Plays Festival and had a lead role as the character 'Richy Rich'. It is my pleasure to award this trophy to **Michael Gaynor**

Girls: This award goes to a young lady who received full colours for drama. She had a lead role in the major production. She took part in the plays festival as an actress. She wrote and directed one of the Grade 8 plays. She also participated in the Grade 11 Public Speaking team. In addition to this she worked with "Dance SA" as a scribe during the dance competition. It is my pleasure to award this trophy to **Stella Sfarnas**

Best Class Captain: Shado Masilela

GRADE 12 2011 AWARDS 2010

Sportsman of the Year: This award is given to a young man who is extensively involved in the sport at school. He has achieved full colours and is Captain of the 1st Cricket Team; has half colours in swimming, full colours in Cross Country, has half colours and is vice captain of hockey, has half colours in Athletics and plays 1st Team squash. Well done to **Chad Haefele**

Sportswoman of the Year: This award goes to a young lady who is Vice Captain and has received full colours in Tennis; has full colours and is in the 1st Hockey Team and the Indoor Hockey Team and has half colours and is in the Athletics team. This award goes to **Casey Cowell**

Esprit De Corps
Girl: Lindiwe Mpata
Boy: Daniel da Silva Ferreira

Medals
Grade Controllers Award:

Girl: This award is given to an unassuming young lady who quietly goes beyond what is expected of her. She is a pleasure to teach and she can be proud of her achievement of full academic colours. She is organised, reliable and level headed. During 2010 she participated in the Major Production, LIA and was a Debutante. She spends many afternoons and evenings lending-a-hand, due to her responsibilities to the catering team. She is kind to others and has impeccable moral values. I have admired her positive attitude and commitment to this school. Well done **Amy Degenhardt**

Boy: This award goes to a young man who has shown tremendous perseverance in the face of adversity during the year. He conducts himself impeccably, he has good manners and has achieved extremely well academically. Well done **Quen de Kock**

8. SPORTSWOMAN OF THE YEAR

The recipient of this award is a young lady who remains a lady despite the competitive nature of her spirit. She is passionate about her sport and her excellence on the hockey field is noteworthy.

In hockey, she is the 1st team captain. She represented the U18B Gauteng (outdoor) side and the U18A Gauteng (indoor) side. She was selected to captain the team at the South African Indoor Games. As a result, she was awarded the indoor and outdoor player of the season awards. She has full hockey colours.

This recipient also participated in the A-Athletics team as one of our sprinters. She received half colours for this sport.

In tennis, she is the 1st team captain and has won the Bryanston High School tennis championships 4 times! She received full colours for tennis.

In her spare time, she has participated in tennis coaching and hockey umpiring. This award has been made to this young lady five times. Congratulations to *Casey Cowell*

VALEDICTORY AWARDS

9. SPORTSMAN OF THE YEAR

The recipient of this award is a young man who excels in almost every sport in which he participates. He is wonderfully competitive, dedicated to improving his performance and he has unfailing commitment to each sport in which he participates. For these reasons he is an asset to any of the teams. This is a summary of his sporting involvement:

- Squash - 1st team
- Swimming - half colours
- Athletics - Captain and Full Colours
- Cross Country - Vice Captain and Full Colours and Inter-District representation
- Cricket - Captain, Full Colours, Best Senior Cricket Player of 2011, U19 Sandton Area Cricket representation (making him one of the top 72 players in Gauteng) and he represents the Wanderers Clubs 1st and 2nd men's teams.
- Hockey - Vice Captain, Full Colours, Best Senior Hockey Player of 2011.

What makes this award so special is that this young man has received this trophy for 5 consecutive years. Congratulations to *Chad Haeefe!*

10. NATIONAL REPRESENTATION

James Fourie - for cycling
Kerry Macfie - for public speaking
Casey Cowell - for indoor hockey
Daniel Da Silva Ferreira - for swimming in Grade 10

11. CULTURAL AWARD - Boy

We have here a phenomenon not often found in schools - a highly skilled actor and singer who adapts, like a chameleon to colour, to whichever role he is playing at the time. His musicality is almost professional - as he proved by winning the highest award at the 2011 Eisteddfod.

This young man has been firstly a good learner and recently an excellent leader in Bryanston drama and it is with great pleasure that we award the Drama award to *Michael Gaynor*

12. CULTURAL AWARD - Girl

This young actress has proved her worth over the years. She has played the good, the bad and even been willing to play the ugly - and has done so extremely successfully. She is a born actress and a highly talented singer. She has been a pleasure to direct, always willing to listen and adjust. It is with great pleasure and absolute sincerity that this award goes to *Stella Sfarnas*

13. HUGHES RHETORIC TROPHY

The recipient of this award is a young lady who has not only excelled in Public Speaking at school, where she, as the Individual Guild Trophy Speaker, achieved an A+ symbol, but also externally. During her years at Bryanston, this young lady attended courses through Trinity House in London for whom she she received great accolades and, besides qualifying as an adjudicator, she achieved National recognition. Congratulations to *Kerry Macfie*

15. ROUND TABLE - SERVICE - GIRLS

Iva Gobac

Iva Gobac, Daniel Da Silva Ferreira, Claudio Wyss

23. ESPRIT DE CORPS TROPHY - GIRLS

Lindiwe Mpata

24. ESPRIT DE CORPS TROPHY - BOYS

Daniel Da Silva Ferreira

25. SPECIAL AWARDS -

Councillors' Trophy

This trophy is decided upon by the councillor body and awarded to councillors who have fulfilled their duties with excellence.

Girl: *Genevieve Iworth*

Boy: *Keegan Bell*

Executive Councillors' Award:

The "Time-after-time" trophy is decided upon by the executive councillors. It is for the matric student, who is not a councillor, but who in their eyes, upholds the Bryanston High Values of: Virtue, Fidelity and Justice. It is sentimental to note that this trophy was donated by the executive prefects in our grade controller's year.

VALEDICTORY AWARDS

This young man is a highly respectful and loyal member of the Bryanston family. He is passionate about the school and its various activities. He involves himself in different extra mural activities with 100% dedication and heart. He is well-loved by his fellow matrics and is a deserving recipient of this award. Congratulations, *Phillip Selwana!*

This young lady is well mannered, well dressed and follows the code of conduct at all time. She participates in extra murals and obtains pleasing academic results. She upholds the Bryanston name with pride and commitment. Congratulations, *Questia Mbombo-Zebo!*

Grade Controllers' Award - Girl

The recipient of the 2011 Grade Controller's award for a girl can be described as an extremely driven person with a maturity beyond her years. She is balanced and well rounded in her interests and pursuits. These include sport, culture, academic and leadership components. She is a leader who is well liked by her peers and educators. In her leadership position, she has demonstrated exceptional organisational skills and the ability to 'get the job done'. She is analytical with her approach to her studies and yet displays a strong artistic and creative side to her personality. Due to her genuine interest in people, coupled with a positive outlook and the tenacity to accept any challenge, I foresee multiple successes in her future. I respect her achievements at the school. She has obtained full hockey and academic colours and is a councillor. Congratulations, *Samantha Macfie.*

Grade Controllers' Award- Boy

This award goes to a young man who displays impeccable manners and shows respect to his fellow students and his teachers. He has a passion for sport and nothing will keep him away from participating to the best of his ability. The way in which he has balanced his sporting and academic activities has earned him respect from all the staff and he is very worthy of receiving the grade controllers' award. It is a pleasure to give this award to *James Fourie.*

26. PRINCIPAL'S AWARD

This young man receives this award for his commitment to sport, his involvement and his competitive attitude. Often under difficult playing situations he has shown courage and determination to do his best and to inspire his team mates. I will always admire his Open 400m in the Inter-High this year. He gained crucial points for the team because of his commitment.

Well done *Tony Mack*

The second recipient of the Principal's award goes to a young lady who quietly and graciously leads by example. She is a role model for all young ladies at the school of how to conduct oneself in all situations. A lot of the cheerleaders' success over the last few years has been because of her commitment, positive attitude and genuine hard work. I have enjoyed the positive relationship with her and Mrs Davidson. Congratulations to *Camilla Allen*

Everywhere I have looked this year, and in almost every event that I have attended this year, this young lady has quietly worked hard managing crowds, motivating people and ensuring good behaviour of all our students. In many ways she exemplifies the true concept of a servant leader, where giving and helping is more important than one's own ego. I would like to thank her and congratulate *Genevieve Iworth.*

27. HONOURS AWARDS

White Blazers

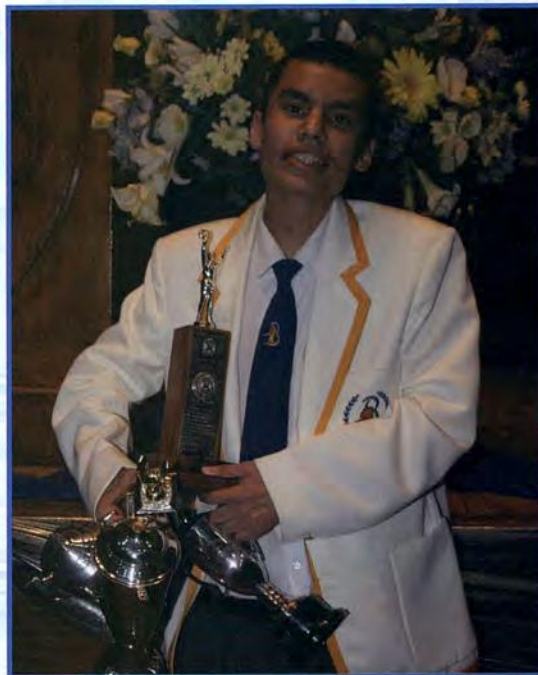

New Awards:

To achieve 6 distinctions is a huge achievement in the new curriculum. It requires hard work, discipline, responsibility and focus. This young lady has achieved all of this and in addition, has led our school this year with a positive attitude and is an outstanding role model to the whole school. Congratulations on being awarded a white honour blazer - *Iva Gobac*

Our second recipient of an honours blazer is a young lady who is involved and committed to many aspects of the school and has always volunteered her excellent services in a quiet, competent and efficient manner. The skills she acquired through her leadership, service to the school and her acting ability give her a powerful grounding for her future success. For achieving full colours in Drama, Academics, Catering and Councillorship, congratulations to *Amy Degenhardt*

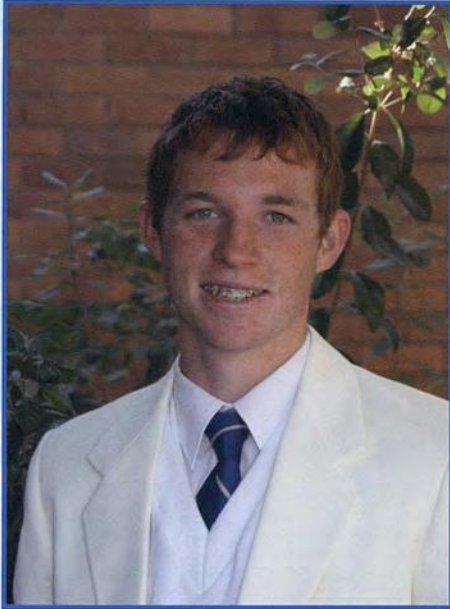

The third recipient of an honours blazer is a young lady who has a nice balance between academic, leadership, sport and cultural talents. She has taken her public speaking talent outside of the school and has achieved National representation as a just reward for her hard work and initiative. She is a role model to other students to become involved in activities beyond the programme of the school. For full colours in academics, cheerleading, councillorship and national public speaking - Congratulations to *Kerry Macfie.*

Our final recipient is a re-award of the honours blazer for achieving six distinctions at the end of the Matric year. This young man has worked consistently hard throughout his school career, showing diligence, focus and discipline. In addition to his gifted insight, understanding and the knowledge he has acquired over the years, he has earned this special and noteworthy Re-Award for six distinctions. Congratulations *Julian Moodliar* on your phenomenal achievement.

Councillors Assembly

It has been a tradition that every one of these speeches has begun with a quote. That is until now, because this, is not quote.

Good morning Mr Robinson, Mrs Webb, Mr Skelton, the admired staff of Bryanston High School, the fantastic pupils of Bryanston High School, and my wonderful fellow Matrics.

When I was sitting in the front of the hall, four years ago, my presidents, at the time, spoke of many things; sports fixtures against rival schools, the excitement of the Grade 8 Plays, and the participation in the Rhetoric Society. At the time, I did not know what the Rhetoric Society was. A bit embarrassing for me. But I soon learned that it was the Public Speaking and Debating Team. I also learned, maybe not as quickly, how important those anticipated sports fixtures were, how much fun the Grade 8 plays were, also how every rugby game, athletics meeting and swimming gala were a proud event to be involved in. I learned that the teachers could do a lot more for you than teach. I learned that commitment was not easy, but necessary. And I grew into the school spirit, which I am sure, could not be felt in any other school. Things are exceptional, phenomenal and extraordinary in this school. If I hope for a few things during my time as the President here, it is that everyone starts believing that with all their heart.

I also hope that everyone understands how powerful their influence is, and will use that influence as a beautiful one. To not have fights, dishonour, or have a false sense of truth. I hope that everyone helps someone. I hope that everyone becomes people who are looked up to. I hope that everyone says good things about the people around them, and not bad. I hope that everyone can be seen at sports, cultural and academic events, not because they were forced to be there, but because it actually means something to them. I hope that I do everyone proud, and that I do this school justice, when I represent you all, by becoming the quality of my actions, and the integrity of my intent.

I would like to see every Bryanston High student achieve something. If your best is an Honours blazer; well done. If your best is a C average; well done. If your best is the E Team, it may have to be invented, but congratulations. If your best is the lead role, that is terrific. If your best is being an extra; that's also terrific. As long as you genuinely did your best. Never compare yourself to anyone. And never compare any other two people either. Every single person is different. What you achieve for yourself, has a different story behind it, and is the equivalent to that of the highest honour. Because the fact that you want to do better, or are content having a happy place in your soul, means more than some kind of material reward, and is braver than doing nothing at all.

I believe wholeheartedly, that by just wanting the best for yourself and others, you will make this school even greater, and that's a legacy that cannot be missed.

I may not have started with a quote, so perhaps it would be fair to end with one, in the wise words of Confucius *"The superior man is distressed by the limitations of his ability, he is not distressed by the fact that men do not recognise the ability that he has"*.

Iva Gobac
President

Good morning to our principal Mr Robinson, staff and all learners.

Before I begin I would like to extend a very warm welcome to our Grade 8s. New beginnings, new journeys and definitely new challenges to explore! You are sure to be dealing with many conflicting emotions and in the midst of all this ... you need to take a deep breath and believe, know, endure and then ultimately achieve.

Today we turn towards a new year – a year that lies before us much as a blank page would: full of possibility, potential, challenges, adversity and of course adventure!

I once heard someone say that life is like riding a bike – it is impossible to maintain your balance while standing still.

At Bryanston High School we will definitely **not** be standing still. We will be moving forward; we will be making progress and we will be reaching towards our goals. The challenges are there: an excellent academic curriculum, a varied and competitive extra-curricular sporting programme and a compelling cultural programme. It will, without a doubt, be an exceptionally busy year and one that we will all need to tackle with determination.

We as learners, continually face challenges – how we view them defines us! Do we choose to see the challenges as stepping stones or as obstacles?

If we choose to see them as obstacles, then the challenges we face will be viewed as problems – problems that need to be overcome along with all the negative connotations associated with them. A great deal of wasted energy can be spent focusing on a negative mindset – mindsets such as "I can't", "I won't", "I don't want to" and "I shouldn't have to".

However, if we choose to see challenges as stepping-stones – opportunities that we have encountered along the way, to "step on", we can achieve more, develop further and ultimately actualise more of our goals! The stepping-stones are here. Our results attest to this, our work ethic confirms this and our vision states this.

Bryanston High is an extraordinary school – of that there is no doubt. But we, as learners, still do face obstacles. I suppose it's a lot like a day at the beach – fun yet tiring. But then there is also the sunburn, the scratchy sand in your costume, cold water, hot sand and perhaps even a stomach that may be looking decidedly less "six-packish". We can look for the obstacles and they will spoil our day at the beach, or we can look for the stepping-stones – and they will all be worthwhile!

I would like to appeal to all learners this year to focus on the basics. If we take care of the small problems – then the bigger concerns will very often take care of themselves.

I regard the basics as the following: be punctual; smile; say thank you; wear your uniform with pride and be the best you can be, work hard; play hard; be kind to others; choose to see the best in the world; be honest; be honourable; make mistakes; learn from your mistakes; but most of all – *make a difference!*

I would like to close with a quote from Michael Jordan the world famous NBA player. I want you to think carefully about his words and try to apply them to your everyday lives; he said –

*"I can accept failure
Everybody fails at something
But I can't accept not trying."*

Daniel Da Silva Ferreira
President

SWIMMING A TEAM

The A-Team had a very successful season and the hard training certainly paid off, resulting in some excellent results.

The A-Team consisted of the following learners:

Captains: Iva Gobac
Daniel da Silva Ferreira

Vice Captains: Jessie-Jo Sutcliffe
Victor Pike

Senior Girls: Amy Ovenstone, Elaine O'Connell, Iva Gobac, Jessie-Jo Sutcliffe, Sydnee Alexander, Amber Kayser, Leandra Methven, Bianca Chabant, Jessica Callebaut, Tamryn Sutcliffe, Megan O'Connell, Cayley Jorgenson, Laura White, Amy Baxter, Kelly Lipner, Bianca Savio and Tyla McGuinness.

Junior Girls: Madison Kriek, Chelsea Alexander, Jessica Oswald, Shannon Bell, Tarryn Masterson, Toni Strydom, Jessica Wesselo, Keri-Lee Carstens, Jenna Parsons and Marina Savio.

Senior Boys: Cameron Speechly, Daniel da Silva Ferreira, Victor Pike, Chad Haefele, Richard Napier, Jason Lance, Stefan De Beer, Steven Donzella, Alan Tout, Travis Fenton, Merrick Wooley, Grant Denyer, Dominic Brennan, Brendon Fulcher, Ross Schwartz and Favian Gasser.

Junior Boys: Brandon Schlebusch, Jordan Spence, Dylan Wingrove, Mzama Mnguni, Connor Cartwright, Takudzwa Mwerenga, Cameron Matthews, Kyle Gordon-Davis and Alexander Goudemond.

The A Team swam at Helpmekeer on Tuesday 8th February against St. Peters, Dainfern, Trinity, Helpmekeer School and Helpmekeer invitation team. The swimmers did extremely well and even though the private schools beat them, their times and placings were excellent.

Bryanston received 14 medals which is outstanding considering they were swimming against some of the top swimmers in Gauteng.

MEDALS

Jessica Oswald	Bronze	100m Girls Individual Medley
	Silver	50m Girls U15 Breaststroke
Daniel da Silva Ferreira		
	Silver	50m Boys U 19 Backstroke
	Silver	50m Boys U19 Butterfly
Cameron Matthews		
	Silver	50m Boys U14 Backstroke
Bianca Chabant	Silver	50m Girls U17 Breaststroke
	Bronze	50m Girls U17 Butterfly
Megan O'Connell	Bronze	50m Girls U16 Backstroke
Amy Ovenstone	Bronze	50m girls U19 Backstroke
Victor Pike	Bronze	50m Boys U19 Breaststroke
Iva Gobac	Bronze	50m Girls U19 Breaststroke
Connor Cartwright		
	Silver	50m Boys U14 Butterfly
Tarryn Masterson	Silver	50m Girls U16 Butterfly
Cameron Speechly		
	Silver	50m Boys U19 Freestyle

The A-Team swam at Ellis Park in the B-League Inter High on the 1st of March. The results were as follows:

The German School	5th Place
Randpark High	4th Place
Bryanston High	3rd Place
Hyde Park High	2nd Place
Fourways High	1st Place

It was extremely close as to which school would come second, and Bryanston narrowly lost by 9 points to Hyde Park. Well done to all the swimmers, many of them swam their personal best time.

Well done to the following swimmers who came 1st or 2nd and were selected to swim at the Prestige Gala:

Cameron Matthews, Brandon Schlebusch, Madison Kriek, Sydnee Alexander, Amy Ovenstone, Jessica Oswald, Marina Savio, Laura White, Tarryn Masterson, Jessica Oswald, Grant Denyer, Connor Cartwright and Cameron Speechly.

U17 Mixed Medley
Open Mixed Medley
U15 Mixed Medley
U15 Freestyle Relay

A special mention must be made to Daniel da Silva Ferreira who came first in the Open Boys Butterfly and in the Open Boys Backstroke and broke the record. An outstanding achievement! Well done to Jessica Oswald for achieving a bronze medal at the Prestige Gala.

JUNIOR FULL COLOURS

Marino Savio, Cameron Matthews, Connor Cartwright, Chelsea Alexander, Madison Kriek, Tarryn Masterson, Jessica Oswald, Toni Strijdom, Brandon Schlebusch and Jordyn Spence.

HALF COLOURS

Merrick Wooley, Dominic Brennan, Grant Denyer, Alan Tout, Travis Fenton, Steven Donzella, Stephen De Beer, Victor Pike, Richard Napier, Megan O'Connell, Bianca Savio, Leandra Methven, Elaine O'Connell and Jessica Callebaut.

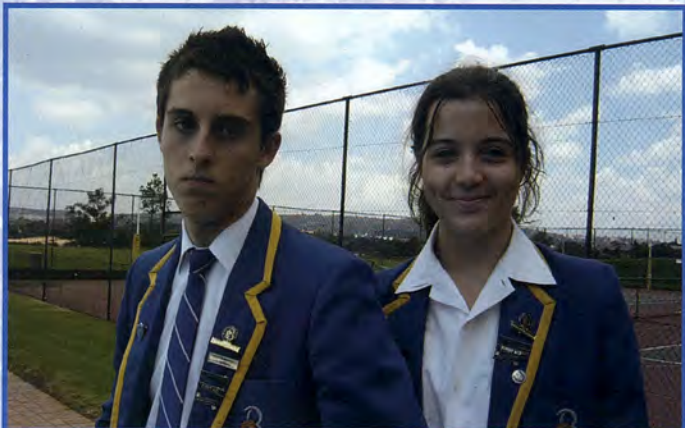

FULL COLOURS

Daniel da Silva Ferreira, Jason Lance, Cameron Speechly, Laura White, Sydnee Alexander, Bianca Chabant, Amber Kayser, Amy Ovenstone, Iva Gobac and Jessica-Jo Sutcliffe.

A big thank you to all the coaches and officials for their involvement, time and effort during the 2011 swimming season.

Ms Winson and Mrs Fulcher would like to congratulate the swimmers on a successful swimming season. We look forward to a wonderful 2012 swimming season.

Mrs G. Fulcher
Teacher in Charge

SWIMMING A TEAM

SPORTS

SWIMMING B TEAM

The "B" Team spirit which was so fantastic during the season prevailed at the Interhigh when we swam against Maragon A, Boksburg A, Sahiti A and Hydepark B.

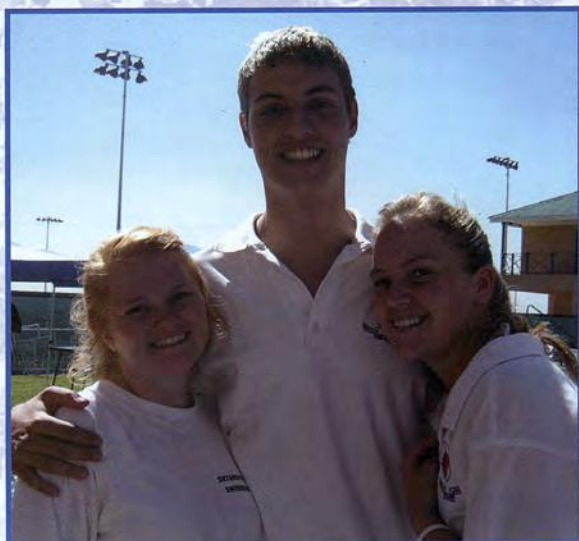

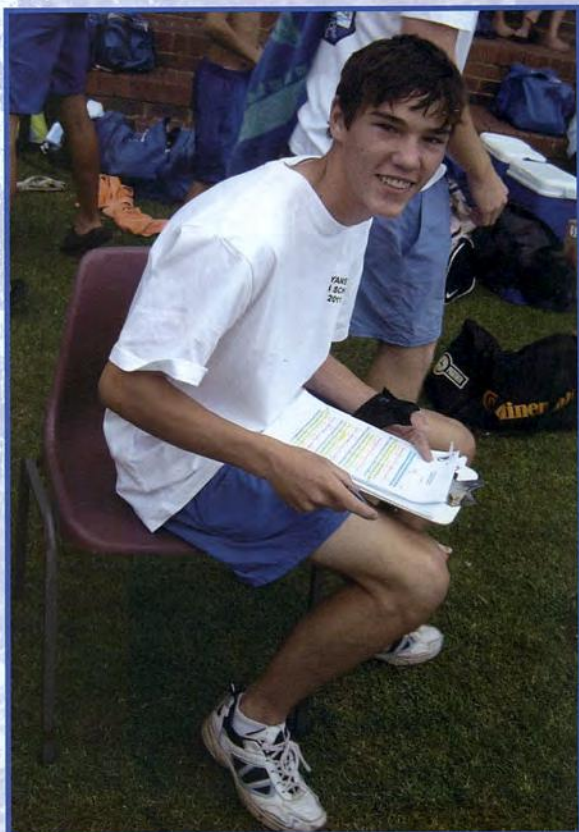

Although we didn't win any galas, we had a really happy season and this is thanks to everyone who was a part of the team. The Grade 8s were very quick to embrace the ethos of the B Team and they, along with the other members, were always keen to do more than their share, swim any stroke and swim out of age groups in order to ensure that we had no lanes empty. Our spirit was always commented on by the other teams.

Thank you the Matric Girls: Robyn Dunlop, Tyla Duncan, Frances Wressell, Alex Carr, Lara-Lee Stanton and Caitlin Power. You made the coaches' lives so much easier.

The "B" Team was led by the superb captaining of Michael Louw, Lara-Lee Stanton, Matthew Marsden and Caitlin Power.

Thank you to Ms Hein, Mrs McCleod, Mrs Van Tonder, Mrs Muller and Mr Farnell for being such accommodating and fun officials for the team.

MRS A. HUGHES
(Teacher in Charge)

DIS-CHEM SUN CITY SWIM

On Saturday, the 22nd October, 31 Bryanston High competitors travelled to Sun City where they participated in the 1500 meter event of the Dis-chem Sun City Swim. Most of them felt anxious as they had not done any sort of training for this event, but they were excited to take part in the challenge.

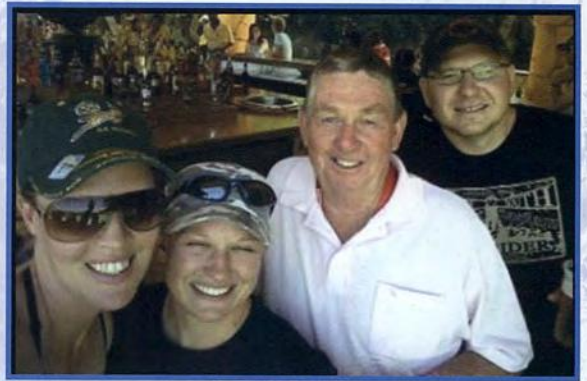

The competitors all managed to complete the swim and were rewarded with spending the rest of the day at the valley of waves. They caught some sun, some more than others, which left the staff with a quiet trip home.

Overall, it was a fun filled day to be remembered.

Thank you to Mr. And Mrs. Toerien for organising the event, Miss Martin and Mr. Farnell for accompanying the swimmers and Mr. Robinson for making the event possible.

Well done to the following swimmers for completing the race:

Mr. Farnell	Henrique Torrao
Ms. Martin	Jade Bartley
Mrs. Toerien	Jessica Callebaut
Alan Tout	Jessica Oswald
Alex Dafel	Jordan Bellion
Amber Kayser	Joshua Douglas
Bianca Humphries	Keagan Potgieter
Kelly Lipner	Kyle Langford
Bianca Savio	Lara Banks
Brenden Fulcher	Laura White
Brandon Schlebusch	Madison Kriek
Travis Fenton	Michael Wood
Cayley Jorgenson	Shannon Bell
Daniel Schlebusch	Stefan de Beer
Domminic Brennan	Tamryn Sutcliffe
Dylan Wingrove	Tarryn Masterson
Emma Peacock	Toni Strydom
Grant Denyer	

TENNIS GIRLS

2011 has been one of Bryanston's bumper years for girls tennis with six teams being fielded in the first term's open league and four teams played in the third/fourth terms junior league. Our season was captained by Casey Cowell with Martinique Koster as the vice captain and Cayley Jorgensen was the match secretary. Da-Eun Kim assisted with term registers and management and Cambre Acker was instrumental in assisting with junior tennis organisation.

Our tennis teams played good consistent tennis with great sportsmanship, the first and second teams did us proud throughout the season and although the lower teams did not always win they were always commended for their enthusiasm, turn out and commitment. The team of reserves needs to be praised for their ongoing enthusiasm and always being available to substitute whenever called upon. This makes organising so many teams easy and we salute those players who have been the support base for all our squads.

The open season ended with an excellent championship being played on a Wednesday afternoon. Forty-two competitors entered the tournament and the finals were played at the end of the afternoon followed by a prize giving and end of season tea. Our congratulations went to Casey Cowell who won the tournament in a mammoth match, and the runner up was Cayley Jorgensen.

Our top four players Casey Cowell, Cayley Jorgensen, Kearsney Cross-Zipp and Da-Eun Kim played in the Inter High A tournament at Bryanston on the 5th of March. They came 4th out of 7 top schools in their section. The Inter High B tournament took place on 19th February and the next four top players competed in the section also hosted at our courts. Cambre Acker, Martinique Koster, Chane Kriek and Kamogelo Khatle played in this tournament and the team was placed 5th in their section out of 7 schools.

Tennis full colours for 2011 were awarded to Casey Cowell and Cayley Jorgensen, half colours went to Kearsney Cross-Zipp, Cambre Acker and Martinique Koster. The most improved player of the season was awarded to Cambre Acker and the best coach award went to DaEun Kim.

The grade 8, 9 and 10 players participated in a most enjoyable and more social league in the third and fourth term. Our results were very mixed but the experience gained was invaluable.

The pivot of our tennis revolves around our Wednesday afternoon social and team squad practice. Mrs Anderson has done a fine job in ensuring that this afternoon runs like clockwork, together with our School Coach Sam White, tennis staff Mrs Weir, Mrs Maxwell and Ms Njoza we can truly be proud of this season's outcome.

*Mrs B. Weir
Teacher in Charge*

TENNIS GIRLS

TENNIS BOYS

“You only live once, but you get to serve twice.”

I have always considered tennis as a combat in an arena between two gladiators who have their racquets and their courage as their weapons. - Yannick Noah

2011 can be considered a great year for boys tennis. Both the First and Second Teams were extremely successful in their respective leagues.

After winning all our matches in the first season, the First Team was promoted to the First Division (out of 10 Divisions) and most of our team players also play for clubs. The extra coaching as well as the effort that the players put into their practices and matches is evident. We continued to win all our matches in the second season and finish the year on a positive note.

The Second Team players have also had a successful season. They “won most, lost some” but each team member played with commitment and showed themselves to be true sportsmen.

“Champions keep playing until they get it right.”
Billie Jean King

Congratulations must go to all the team members who were awarded their colours or received Certificates of Merit and a special mention of Christopher van der Vyver for all of his individual achievements this year in the following tournaments.

- Gauteng North Junior Open
- Gauteng Central Super 7
- Gauteng East Super 7
- Dunlop Keyhealth South African Nationals
- Wilson Marks Park Junior Open where he came first in the singles and doubles!

BOYS TENNIS

"I'll let the racket do the talking."

John McEnroe

The players and I would like to convey a special thanks to Mr Gillespie and Miss Martin for the time, patience and encouragement they gave us. I would like to thank all the players for their hard work and dedication and hope that we continue this year's success into 2012.

AWARDS

SECOND TEAM - Jason Van Wyk, Jeremy Watson, Eunho Hong, Lolelanji Simposya, Silva Menezes, Peter Qju, Allen Misiani, Jeremy Thrupp, Michael Ryan, Luke Hynes, Tatenda Mawoneke, Steven Donzella and Aidan Harris.

*Michael Wrathall
Captain*

GIRLS SQUASH

The Girls Squash season of 2011 was bursting with enthusiasm, dedication, passion and endless laughter. The team consisted of Courtney Parker (captain), Jessie-Jo Sutcliffe (vice captain), Leandra Methven and Carrie Steenkamp.

We had a few tough games, especially when playing against the number 1 in Gauteng, when the match lasted less than 2 minutes! Bryanston won 4 out of the 7 matches played. Despite a few tough games, our girls always gave their best!

The girls will always be remembered for their unique personalities and styles on court:

Leandra who had so much dedication that she would slide on her knees across the court to win a point.

Carrie had her very own little 'sneaky' and amazing shots that no-one could ever get.

Jessie tried her hardest at every practice session and did her best, even though she was exhausted from other sports.

Courtney had the hardest and best serves ever, which inevitably landed in the back corner.

It was an amazing and most memorable season and the hard work certainly paid off!

Courtney Parker (captain)

Jessie - Jo Sutcliffe (vice captain)

Miss Van Rooyen (coach)

BOYS SQUASH

The 2011 squash season has been one of the most successful seasons I have been involved in during my five years at the school. The performance of the first team was exceptional and all players were very enthusiastic throughout the season. The spirit shown by all the boys was incredible. The season was full of achievements and moments that we all will never forget.

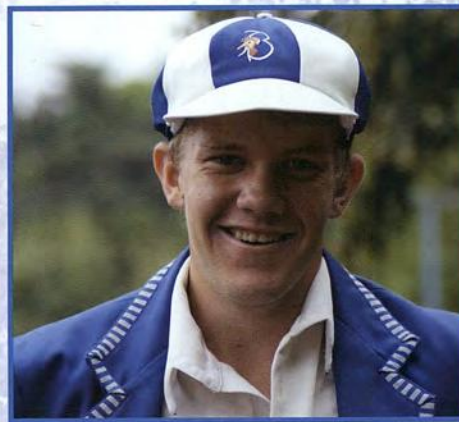

As captain of the First Team I would like to thank my fellow First Team players Jason Lance, Keegan Bell and Daniel Da Silva Ferreira, as well as the reserves Tony Mack and Justin Baxter.

A huge thank you must go to Mr Farnell for everything that he has done for the sport at the school and the hard work he has put into this season to make it memorable and as successful as it was.

*Michael Louw
Captain*

CRICKET

CRICKET

The 2010/11 season was a mixed one for the First team. We won just over 50% of our matches. The highlights of the season were as follows:

- Captain Chad Haefele got played his 50th match for the team this season and went on to get 53 caps.
- The win over Fourways at the start of the season where Marco Visser and Justin Baxter put on a partnership of 74 runs in 10 overs for the 10th wicket.
- A great victory over Trinity at home by a narrow margin of 7 runs.
- Marco Visser's bowling was fantastic during the season. He bowled with good pace and penetration, taking a number of 5 wicket hauls. He was the top wicket taker of the season.
- Peter Butcher's bowling was brilliant this season. His ability to change the pace and vary the spin of his deliveries baffled many teams.
- Chad Haefele was selected to represent the Sandton Area team at the provincial trials. He produced fantastic results during the week scoring 95 and taking 6 for 15 in two of the matches. He was unlucky to miss out on selection to the U19 Gauteng team.
- Chad Haefele taking 7 for 14 against St.Peters, including a hat-trick.

The junior teams, especially the new U14s, are showing good promise for the future. There is an abundance of cricket talent and with the guidance of our cricket coaches we hope to mature these players into great first teams of the future.

The cricket nets have been upgraded on the top field and plans to complete the bottom nets are under way for early 2012. We have also laid a cable to bring power to the top nets this season so that the bowling machine could be used to do specialized coaching with the boys.

We have seen a number of boys techniques improve due to this coaching this season.

The future of Bryanston Cricket is looking bright as the junior teams consistently produce good results.

I would like to thank Mrs De Lange for organising the cricket scorer's this season. She has done a fantastic job. We thank all the scorer's for their time and effort they put in every season.

The Awards for the year at the annual cricket dinner were as follows:

NAME	AGE GROUP	AWARD
Chad Haefele	OPEN	PLAYER OF THE YEAR
Calvin Mills	OPEN	MOST IMPROVED PLAYER

Mr A Crighton
Master in Charge of Cricket

NETBALL

The 2011 netball season, for me, was a very exciting season and one where I needed to prove myself and I needed to work very hard to maintain my position in the first team. It took hard work, determination and perseverance. I never walked onto the court not knowing what I wanted to achieve. I walked onto that court knowing I wanted to lead my team and my school to victory.

Although we play in a very intense league with strong opposing teams (Florida, Glenvista, President, Roodepoort, Randburg, Linden, Trinity, Maragon and Northcliff), Bryanston High would always try their best in their games. I think that all of the players, from Grade 8 through to the Matrics, all had the will and drive to do their best. As a First Team player, watching all the junior teams, it was very inspirational to see some of the players who love playing netball as much as I do. I believe that there are many young and talented netball players at Bryanston High. And, they will shine and succeed in the seasons to come.

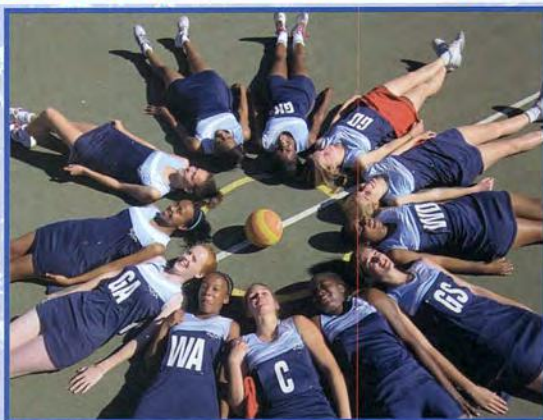

Not only do we have great players but we also have great coaches at Bryanston High who encourage their teams and teach them the best skills that they need in order to play their hearts out and beat the opposition. I would like to thank: Mrs Martins & Mrs Latergan (U14), Mrs Cook & Miss Garrard (U15), Mrs Karcmarczyk (U16&U17) and Mrs Toerien (assistant 1st team coach who was, supposedly, "on maternity leave").

I think that the 2011 season was a great season and I encourage all the netball players to persevere and do their best, because, one day, they could be in my position as a first team netball player. Carry your head high and play your heart out to honour your team and school.

It was an honour to lead my team and school. I would like to thank my amazing First Team members: Michelle Sibanda (Captain), Natasha Reynolds, Xihlovo Mabunda, Elsa Raseroka, Kamogelo Khatle, Bianca Chabant, Robyn Phillips, Zipporah Nyokangi, Boni Rapabi, Amber Kayser, Sara Mutamba and Jessica Callebaut.

Thank you to the 2nd team: Shanelle Gordon, Lydia Ramatsoele, Genevieve Iworth, Lara-Lee Stanton, Nichol Sibanda, Yolanda Malembe, Nontoko Zondo, Kearabetsoe Matsheng, Questia Mbombo-Zebo, Ponatshego Moleko and Zanele Madondo.

Thank you to Mrs Phillips, and her team, for sorting out the catering. Thank you to Miss Cheketri and Mrs Stroud for organizing our bus transport.

NETBALL

Thank you to our First Team/tour sponsors:

Mr Kayser
 Mrs Oswald (at Shop@school)
 Ben Kruger (at Standard Bank)
 Lisa Thomas (at Deneys Reitz Attorneys)
 Nadine Havenga, Professor Jackie Walters and Professor Gerrie Prinsloo (at University of Johannesburg).

And lastly, thank you to my inspirational coach, Mrs Tolstrup, for the tremendous 2011 Netball Season.

"A team that plays together, works together and then wins together"

"A winner is someone who recognizes their God-given talents, works their butt off to develop them into skills, and uses these skills to accomplish their goals"

Caitlin Power
 Vice Captain

 Netball Co-ordinator and U18 Coach

Port Shepstone Tour

Hockey tour to Kearsney College

“Coming together is beginning. Keeping together is progress.

Working together is success.” - Michael Jordan

In April 2011 we were honoured to be invited to Kearsney College in Hillcrest, Kwazulu - Natal for an esteemed coaching clinic and tournament. Teams invited were the Bryanston High School's boys First team and the girl's First and Second teams. Kearsney College is a beautiful school with incredible facilities such as their new Astro turf, indoor hockey field, many sports fields, first class technology systems and a gymnasium. The more than comfortable resident houses were enthusiastically taken over by all the players. The girls also managed to fill the tumble dryer with soap, thinking it was a washing machine.

The programme for each day consisted of four training sessions in the morning on the astro turf, the indoor field, visual analysis, gym, visual awareness, fitness, speed and endurance. We were privileged to have a highly impressive team of coaches at the clinic including national players such as Kelly Madsen and Wade Paton as well as many provincial players. This made the demonstration games exciting enough that the girls and boys even gathered in the rain to support. The afternoons were filled with indoor and outdoor matches, where each player had the opportunity to display the new skills they had learnt in the clinic thus far.

The food was great and everyone looked forward to meal times. The instant coffee and hot chocolate machine was put to good use. For Bryanston High School the tour to Kearsney was a great experience, we all learned so much and became an even stronger unit. There were many laughs and despite the miserable weather we all had an unforgettable time. The games were tough and the competition steep however both the Bryanston High teams did not disappoint. --- Sam Macfie

Hockey season proved a remarkable season for the Bryanston Girls First team. The team went through the season undefeated with the highlight being a convincing 5 - 1 victory over rivals Fourways High School. The girls played outstanding hockey, which underlines that this is probably the best team the school has produced in many years. A few girls achieved their provincial colours for Indoor and Outdoor hockey. Two players in particular Casey Cowell and Michaela Du Toit represented Gauteng at U/18 and U/21 levels. As well as Jessica Wesselo who represented Gauteng at U/14 Level. Congratulations to all the girls on their achievements. The future certainly does look bright for Bryanston girls hockey.

Congratulations to the First team for making the semi finals for indoor hockey.

I've had occasion to officiate the girls' games over the past seasons and have found them to not only be talented, dedicated and hard-working, but also excellent sportswomen who treat their opponents and the game with great respect. They're the "real deal" and deserve accolades for their tremendous accomplishments.

I would like to thank all the coaches and players for their hard work and their dedication this season, and I wish them all the best for 2012.

MIC: Mr C Louw
Coaches: Mr D Harris 1st Team
 Ms J Cheketri 2nd Team
 Ms C Hudson U 16 Team
 Ms T Jardine U 15 Team
 Mrs K Steenkamp U 14 Team

J. Cheketri
Coach

INDOOR HOCKEY

The Junior Indoor Hockey Season is an all year event. There are three leagues which individually result in league play-offs and ultimately Provincial Winners. Casey Cowell participated in all three leagues. As many as 300 girls from all around the country participate in these leagues. The selections for the U18 National Team started in these leagues and then got finalized after an Inter-Provincial Tournament.

Casey Cowell, who was the Gauteng Captain, led her team to victory for the second year in a row!

This tournament was also the place for the selectors to see the players' abilities, skill levels and commitment to their team and to the game. Casey Cowell was one of the players who was spotted in the IPT and this resulted in her selection to the National Indoor Team.

BOYS HOCKEY

The Boys Hockey Season of 2011 was enjoyed by all with the highlight being the tour to Kearsney College.

The Kearsney College Hockey Camp was a great experience for the boys. Highlights of the 2011 tour were:

- Playing matches at the famous Kearsney College (on their Astro turf), and staying in the Finningley Hostel, which was named after the Headboy of Kearsney in 1939, who was killed during World War 2.
- Playing matches and having training sessions at their indoor facility.
- Training at their world class gym at the school, which can put Virgin Active to shame.
- The Tuesday morning outing to Gateway Shopping Centre in Durban, where some of the boys braved the wave pool for some surfing.
- The wonderful food the boys received at the hostel. They definitely did not go hungry.

There were so many other highlights on this fantastic tour, and all that remains is to thank the parents of Bryanston Boys Hockey as well as the staff members, Mr C Louw, Craig Wiid, Ms Cheketri, Mr Harris and Mrs Steenkamp, who made this tour possible. We will be going to the Stellenbosch Hockey Camp, in April of 2012.

On our return from the tour our First Team had high hopes for the season as a lot of bonding had been done and our fitness was at a peak. Our 1stTeam had an up and down season. We were unfortunately relegated from the A-Section of the Aitken Cup, but I am sure we will regain our A-Section status in 2012.

The First Team showed guts and determination during the whole season, with some excellent performances by our Matrics, namely Chad Haefele, Stuart Robertson, Shawn Langa, Michael Louw and Alex Price. Chad was also rewarded with a call-up to the U 18 provincial team.

The U 14 Team is full of players who have tremendous talent. Mitchell Austin, Robin Gast, Daniel Laing and Mark Van der Burgh all had good seasons. They have a lot of potential and it is our belief that they will grow into a more cohesive unit next year.

Pierre Marais of the U16 team, stole the top goal scorer trophy away from Justin Baxter, by scoring 4 goals in the last 2 matches. The U 16 team will form the basis of the First team in 2012, and we wish them all the best as they compete for positions in the team next year.

The Second Team also had a good season. They were rewarded with the team of the year trophy at the end of the season. They were a team of 'characters' who really enjoyed their hockey this year.

I would like to thank all the coaches and players for their hard work this season, and I wish them all the best for 2012. I would also like to say a special thank you to Mr Farnell, Ms Cheketri as well as Alex Sfarnas and Craig Wiid, for all their hard work and dedication this season.

MIC:	Mr C Louw	
Coaches:	Mr C Wiid	1st Team
	Mr J Farnell	2nd Team
	Mr A Sfarnas	U16 Team
	Ms J Cheketri	U14 Team

Awards:

1st Team	Player of the year	Most Improved Player	Coaches Award
2nd Team	Chad Haefele	William Letwaba	Michael Wrathall

U 14 Team	Pierre Marais	WaseemTambay	Alex Dafel
	Daniel Laing	Mitchell Austin	Robin Gast

BOYS HOCKEY

Junior Player of the Year:
Lulama Zondi, Keagan Du Toit
Craig Wiid Commitment to Boys Hockey Trophy:
Steven Donzella
Top Goal Scorer of the Year Award (All Teams):
Pierre Marais
Mark Dabbs 'Skills' Trophy:
Shawn Langa
Ricky West Team of the Year:
2nd Team

Players:

1st Team:

Stuart Robertson (Captain), Chad Haefele (Vice-Captain), Justin Baxter, Komani Dhlamini, Michael Louw, Neo Moleko, Alex Price, Shawn Langa, William Letwaba, Peter Butcher, Steven Donzella, Jason Lance, Mzamo Mnguni, Michael Wrathall and Lulama Zondi

2nd Team:

Joshua Seethal and Kwanda Nkwanjana (Captains), Sebastian Keganeditswe, Carltone Mndinsa-Ndlovu, Sihle Sigagayi, Jeremy Watson, Joey Sasso, Jason Di Bon, Tshepo Mokoena, Khaya Simelane, Lwandiso Nyoka, Kgosi Koapeng, Herold Mtambeka, Reuben Mogoerane, Tony Sibiya

U 16 Team:

Valdo Dos Santos (Captain), Keolyn Naicker, Jonathan Biggs, Adam Roodt, Pierre Marais, Keagan Du Toit, Alex Dafel, Jack Mamabolo, Takudswa Mwerenga, Waseem Tambay, Buang Barei, Nivek Ranjith, Wesley Redman

U 14 Team:

Mitchell Austin (Captain), Shayur Arijune, Robin Gast, Luke Hynes, Gerald Isaac, Peter Johnstone, Daniel Laing, Nikheel Meghraj, Chanda Musondo, Chris Price, Keraton Raghunanan, Luke Roodt, PJ Sasso, Liam Stone, Mark Van der Burgh, Luyanda Vundla.

Mr C. Louw
Master-in-charge

The first team has been through a very difficult season this year. The team was very young and lacked experienced players which most of our opponents had. Even though our season did not go well in terms of winning, there is a lot which can be learned and improved on.

The first team this year was made up of only four players playing their second year of first team rugby and the rest of the team was made up of Grade 11s and even some grade 10s with no experience of first team level rugby.

Our results were not what we wanted them to be, but I feel that regardless of the outcome, most of the boys gave their best in every minute of every game. That is what counts. There are in fact many positives that can be taken from this season and this season has been a learning curve for each of us.

There is a quote I found by a famous American writer named Richard Bach and it goes as follow: "learning is, after all; not whether we lose the game, but how we lose and how we have changed because of it and what we take away from it that we never had before, to apply to other games. Losing, in a curious way, is winning."

Not every year can be a great year and unfortunately this year was not one of the great ones. I do, however, believe that with what has been learnt this year, the players will go on to be very successful next year and I wish the juniors in the team the best of luck with the season to come.

I would like to thank my fellow matric players with whom I played side-by-side for many years and the Grade 11s and 10s for their support and effort on the rugby field and for the new friendships I developed with them off the field.

I would like to end with a poem written by a boy named David Pepper who is a 13 year old who is passionate about rugby.

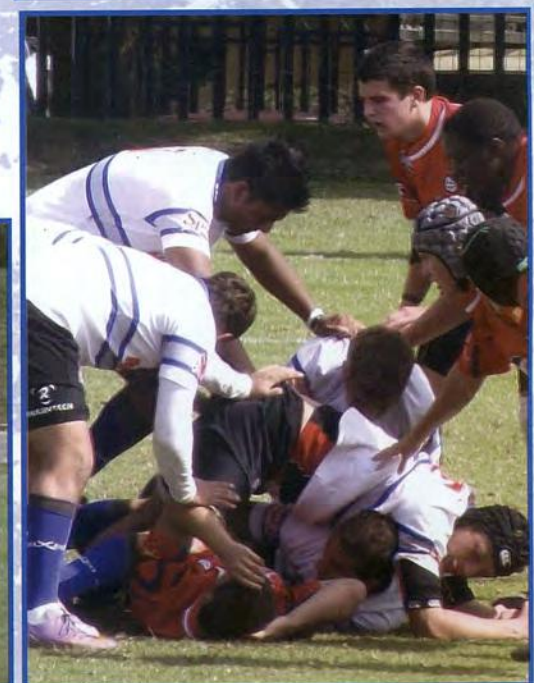

*I'm out there on the field of play,
No matter what the weather,
I love being part of the team,
When we all play together.*

*The score doesn't matter.
It's how you play the game,
Enjoying everything that you do,
Not seeking any fame.*

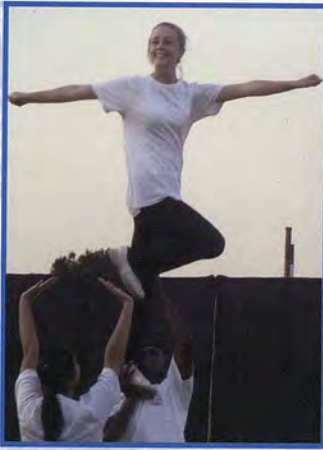

*I might be running to score a try,
I might be in the scrum,
Just so long as I have the ball,
Makes the whole game lots of fun.*

*I know we play with a funny shaped ball,
And people may laugh out loud,
But I love rugby very much,
And playing the game makes me proud.
By David Pepper*

Matthew Marsden
Captain First Team Rugby

CHEERLEADING

Six years in a row, that is what the First Co-ed Cheerleading team have achieved, National champs 6 years in a row. A record that will take some beating! The season started off well and continued well. We had a number of boys who played First team rugby as well as doing cheerleading and they would often come off the rugby field, get onto the bus and go to a cheerleading competition, well done guys we could not have done it without you. Our All Girl cheerleading section is strengthening and won Silver at National Champs. Our controlling body officially incorporated cheerleading into its name this year and is now known as "South African Majorette and Cheerleading Association "or SAMCA. We say goodbye to a large group of Matric students, some of whom started out as very small Grade 8s 5 years ago. To Phillip, Michael, Jeremy, Camilla, Lara J, Lara-Lee, Kerry, Shanelle - thank you for your 5 years of hard work and energy. To Matthew, Tony, Brandon, Travis, Mohamed (Kojak) and Daniel - who joined us late and realised what he had missed out on all these years - thank you for your "blood, sweat and tears". We wish you well in the future.

This year saw the first South African Cheerleading team compete in the world championships held in April. In the team were 7 ex-Bryanston cheerleaders - Carryn Davidson, Megan Davidson, Francois Du Plooy, Cassandra Wingrove, Bryan Durant, Gillian Johnson and Jade Nash who still marches for Bryanston.

A big thank you to our coaches for the season Candia Nash and Carryn Davidson without you the teams would not have achieved what they did.

Full Colours: Camilla Allen, Justin Baxter, Lorna Davidson, Lara Janse van Rensburg, Ntsiki Khuzwayo, Mohamed Kojak, Michael Louw, Kerry Macfie, Tony Mack, Matthew Marsden, Sashmeera Ramdhav, Phillip Selwana, Jeremy Watson.
Junior Full Colours - Christopher Dobie

Half Colours: Avani Beerbul, Luronne Cachia, Jennifer De Groot, Bronwyn De Groot, Kendall Grealey, Kelly Lipner, Xihlovo Mabunda, Brandon Morton, Shevelle Naiker, Lara-Lee Stanton, Roxanne Szeili, Praksha Tewary, Merrick Wooley.

Certificates for Participation: Carle Santa, Robyn Phillips, Dylan Wingrove, Dominic Brennan, Emma Berry, Danielle Visser, Kiara de Saldanha, Zandi Mnguni, Liso Yanta, Momentious Mthethwa, Fazel Monyamane, Emmanuella Mohibedi, Kelley-Anne Westley, Shanelle Gordon, Clarissa Burrows, Taheera Bradley, Travis Damstra, Daniel Da Silva Ferreira, KaraboTsoetsi, Parveen Bradley, Amy Padmore, Abigayle Stevenson, Jade Bartley, Jessica Cousins, Tai-Li De Bruyn, Daniela Gasser, Blaire Jorgensen, Nicolin Kriek, Gaelle Lonji, Jordan Nobrega, Jenna Wrathall, Favian Gasser, Shauni Muller, Skhulile Ncgobo, Suehela Scallan, Blessing Letsoalo, Storm Cartwright, Tyler Cartwright.

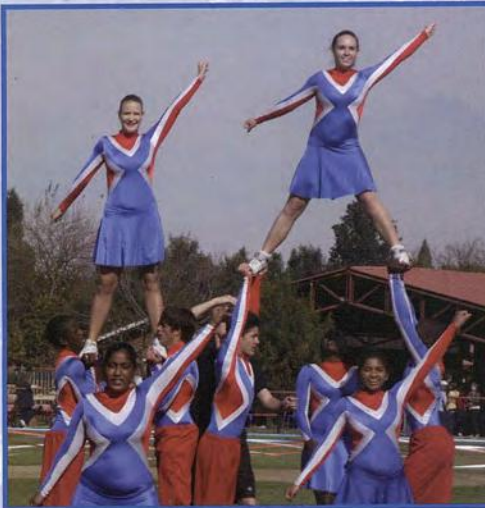

Selected for 2012 Provincial Cheerleading Team: Matthew Marsden, Tony Mack, Christopher Dobie, Ntsiki Khuzwayo, Xihlovo Mabunda, Roxanne Szeili. Congratulations to "Coach Carryn" who received her Provincial Colours for Training. We are very proud of all of you.

*Mrs Shorts Davidson
 Coach of Cheerleading*

CHEERLEADING

BRYANSON HIGH AND DR KNACK PRIMARY OF ALEXANDRA DOMINATE LYDIARD CHALLENGE

Gusting winds and a chilly morning did little to dampen the enthusiasm of approximately 70 learners who participated in the Lydiard Challenge School relays on 1 October. Hosted by the Lydiard Athletics Club at the Wits Education Campus, the event is the brainchild of leading Sandton middle distance athlete and Wits Education student, Marko Bucarizza. The Challenge is designed to promote athletics in local high and primary schools. It comprises a relay of 4 times 1.4km relay legs.

KES, Bryanston High and Dr Knak Primary and other schools from Alexandra were represented. Honours in the high schools boys section went to a strong team from Bryanston High under the leadership of teacher in charge of athletics, Jerome Laurence, comprising Mzamo Mnguni, Brendon Schlebusch, Michael Melis and Shaun Langa in a winning time of 18:15. Second was Bryanston "B" in 19:33.

The girls high school section went to a composite team made up of various Alexandra High Schools in 27:45. In the primary schools section, Dr Knak Primary from Alexandra was dominant, winning both the boys and girls section, in winning times of 22:06 and 23:39 respectively. Their hardworking teachers, Mamiki Moseithi and Moses Maloka, are achieving wonderful results with their learners.

The boys athlete of the day was Mzamo Mnguni of Bryanston High who ran the fastest leg of the day in 4:16, while girls athlete of the day was Charity Moreroa from Dr Knak Primary, who was fastest of the girls in 6:09.

South African athletics stars, 2010 800 metres national champion, Mapaseka Makhanya, and New York Marathon winner, Hendrick Ramaala were on hand to award trophies and to give motivational talks to the young athletes.

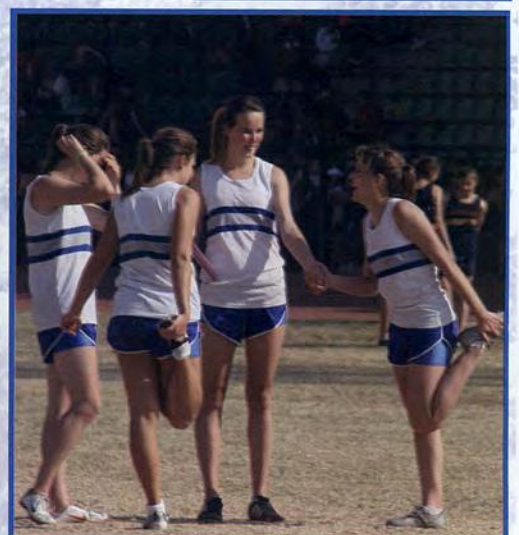

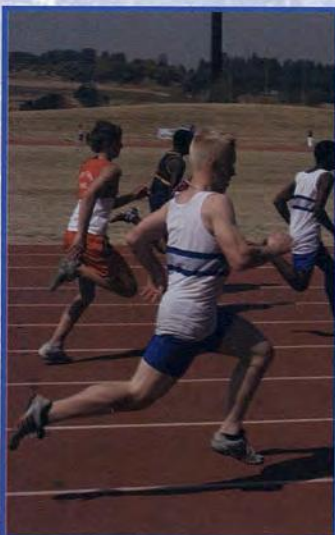

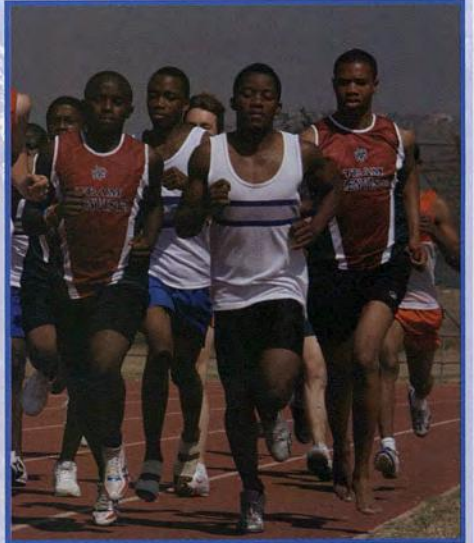

Picture

In picture, New York Marathon winner, Hendrick Ramaala, together with the Bryanston High winning Boys team of Mzamo Mnguni, Shaun Langa, Brendan Schlebusch and Michael Melis (kneeling).

Athletics

ATHLETICS SEASON

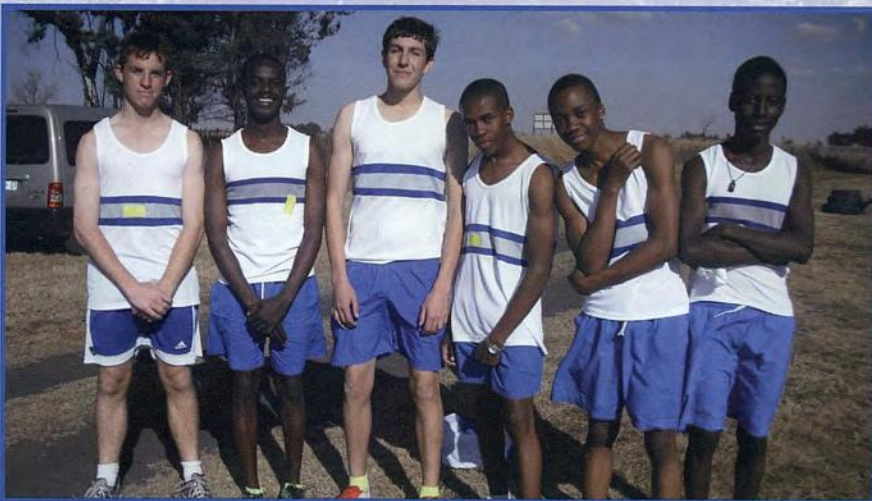

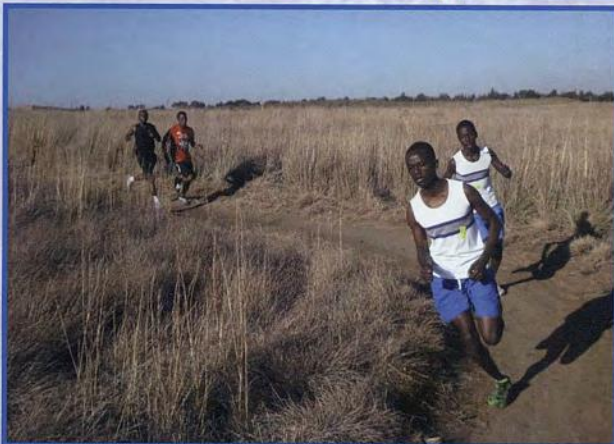

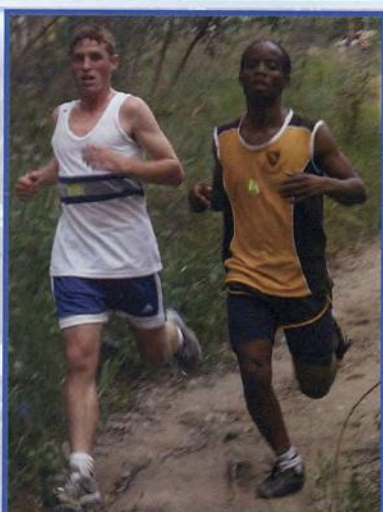

The athletics season was very successful. Under the motivational leadership of Mr J Lawrence Bryanston won the 'B' league. In 2012 we look forward to the intense rivalries of the 'A' League.

Our individual athletes showed great dedication and talent as they went on to win 14 medals at Prestige.

Well done Team Bryanston.

CROSS COUNTRY

EQUESTRIAN

NICOLE & STORMI

The Equestrian Team of this year has been a very successful one, with 5 out of 7 riders qualifying to represent Central Gauteng at the finals and 2 out of 3 qualified to represent Gauteng Schools at national level. All riders shared much enthusiasm.

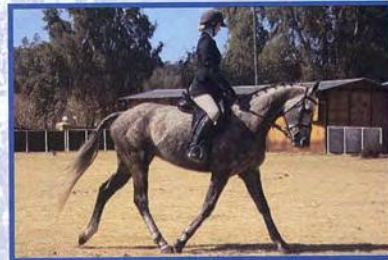

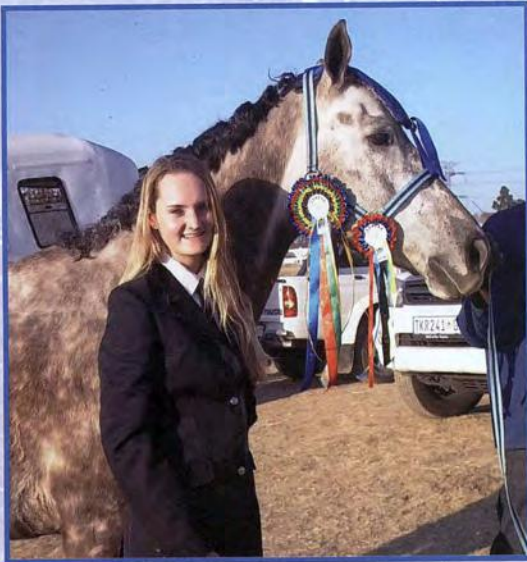

The Equestrian Team consists of Victor Pike (Captain), Thyla McGuiness (Vice Captain), Jenna Seale, Megan Byrne, Nicole Kennet and Christie-Li Pike. To qualify for finals, the rider has to compete in a minimum of 3 out of 4 legs throughout the year.

The riders who qualified to represent Central Gauteng at finals were: Victor Pike for B Team Show Jumping - but he could unfortunately not compete; Jessica Sterk for A Team Dressage and B Team Show Jumping - unfortunately could also not compete. Thyla McGuiness for B Team Performance Riding, Christie-Li Pike for A and B Team Show Jumping and Nicole Kennet for B Team Show Jumping.

Two of these riders who qualified to represent Gauteng Schools at national level were Thyla McGuiness who qualified for C Team and Nicole Kennet for B Team.

A special thanks to Mrs Caron, who was the Chef d'Equip this year, and did an amazing job at keeping the team organised and motivated throughout the year.

Victor Pike (Captain)
Thyla Macguiness (Vice Captain)

REACH FOR THE SKY

JAMES FOURIE

James left South Africa to compete in the cycle events that were to be staged in Europe from June until October. During this time he made an impressive impact on the World Junior Cycling.

Just a few achievements from this year:

South African National Time Trial Gold medalist
South African National Road Race Silver medalist

Overall Winner of the SA Junior tour

3rd Overall in the international Junior Tour of Ireland
National Selection for UCI Nations Cup Karlsberg (Germany)
and General Pattern (Luxembourg)

Selected for Common Wealth Games in the Isle of Mann.
Road Race 17th
Time Trial 13th

CONGRATULATIONS JAMES

The Junior Indoor Hockey Season is an all year event. There are three leagues which individually result in league play-offs and ultimately Provincial Winners. Casey participated in all three leagues. As many as 300 girls from all round the country participate in these leagues. The selections for the U18 National Team started in these leagues and then got finalized after an Inter-Provincial Tournament.

Casey, who was the Gauteng Captain, led her team to victory for the second year in a row!

This tournament was also the place for the Selectors to see the players abilities, skill levels and commitment to their team and to the game. Casey was one of the players that were spotted in the IPT and this resulted in her selection to the National Indoor Team.

The power of Music

NOUSHIN KHOSHAB lifted our spirits with beautiful oriental music

GENIVIEVE IWORTH

Pule (slowly) Pule (slowly)

These words rang in my ears as I struggled to breathe. The guides say Pule Pule to encourage the Kilimanjaro adventurers as they trudge up the mountain. During the first four days we leave the lush savannah and climb upwards eventually reaching the desolate and cold rocky terrain at 4000m.

On the morning of the final day we got up at 3 am and climbed towards the summit over the still frozen ice fields. When we reach the crater rim the view is magnificent.

I stood at the Roof of Africa with tears streaming down my face. Slowly, slowly, I had conquered the mountain and overcome the physical hardships. Emotionally I realised that anything was possible with faith and the support of my family.

KERRY MACFIE

Speech and drama has been Kerry's passion since she was three years old undeterred by the unavailability of Speech and Drama as a subject Kerry followed her dream. She honed her skills and completed exams set by Trinity Guildhall College in London and attained a Professional Certificate in Communication Skills.

From Grade 1 to Grade 12 she participated and achieved with distinction. In Grade 12 she achieved distinctions at the National Eisteddfod. At the Speech and Drama college public speaking festival she awarded an A+ symbol.

BRANDON SCHLEBUSH

Riding for Charity
Brandon is riding this unicycle in the 94.7 cycle race. What a feat!!! Brandon hopes to complete the race in 9 hours

What makes this Herculean Effort more remarkable is that he hopes to raise money for Kaya Sands Milk Formula Drive. Brandon is sponsored by the school student body, the public, his congregation and the Complete Cyclist.

A Fairy Tale... of Sorts by Andre Basson

"It's over!" "We're done!!" "FINISHED!!!" were some of the comments after the final performance of our very own 'home-grown' musical! There were lots of tears, lots of hugs and kisses.....we had been together for more than 12 hours a week, for almost 5 months! We grew to love the good, the bad AND the "ugly" in each other because when you are in a smallish team like ours you can't hide anything!!! Kahlil Gibran in "The Prophet" says "Work is love made visible", and that's exactly what this show was.

We are very sad to be losing our Matrics.....from Stella's five wonderful shows to Keegan's highly successful one and only. We let you all go with reluctance and our very, very best wishes. God bless you all!

STELLA: whose talent previously landed her in character roles which she played as well as she did the beautiful Belle of the village this time.

MICHAEL: who has learnt to dance on those disjointed limbs—and grown hugely as an actor and singer, with a very clever comedic side!

LINDIWE: What a wicked woman our tender dep. turned into every night! With a voice to die for!

CAITLIN: From acting to photography, still a brilliant job and we didn't even have to forgo the crunchies!

AMY: Brilliantly cast as our slightly hippie flower-girl. Always ready with every prop anyone needed!

HAROLD: The coolest bad guy! What excellent acting and singing this year! The part of Percy was totally made for him! Well done, Sir Precious!

It was a joy to welcome ERICA back into the fold after a year's absence- only to have to part again.

BIANCA: It is such a pity we have only enjoyed one year of her acting idiosyncrasies---and the non-acting ones!

KEEGAN: Last but not at all least! As with Bianca, it is so sad that we have not been able to enjoy your company for longer! You didn't know what a good singer and actor you were did you?

For those not in matric we look forward to next time! GET READY!!!

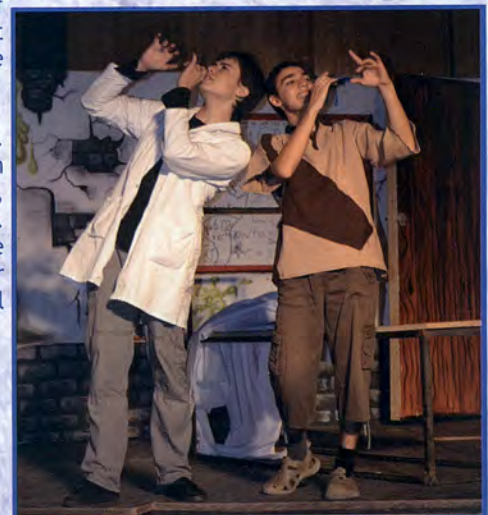

As always we have a long list of "thank yous". Besides co-officials who work so hard. Ms Hein, Mrs Hughes and Mrs Lategan, there are many other staff members who support us all the time, every year. Mrs Steenkamp, Mr Oosthuys, Mrs Cook and Mrs van der Merwe are our stalwarts once we start performing and this year we had ex-leading man Chris Tregurtha as our "gofer"!

Our "behind-the-scenes" crew started last year and stunned us all with their quiet efficiency and, thank heavens we had them again. In my report last year I wrote that they were so good....and it wasn't just a flash in the pan!! They are so reliable and hard-working it is a delight to have them there. Then there are the "souper moms" who keep us warm with delicious soup on performance nights, to say nothing of rehearsal food like crunchies, naartjies, doughnuts- we cannot claim that we are not looked after! Then to all the parents who fetched and carried at all odd hours, we appreciate it so much and truly could not do it without you.

Finally I get to talk about the creator of our show- and I use that word purposefully. Not only did he write it (Draft one), but added to it (Draft two) and then again (Draft three) and yet again! He meantime designed and built the whole village, painted almost all of it AND designed, co-ordinated and produced the programme. I hope, Bryanstonians, that you all appreciate the unique talent you are fortunate enough to have right here. (Kahlil Gibran again: "You give little when you give of your possessions. It is when you give of yourself that you truly give!") Thank you! Well done! And congratulations, Mr Andre Basson!!

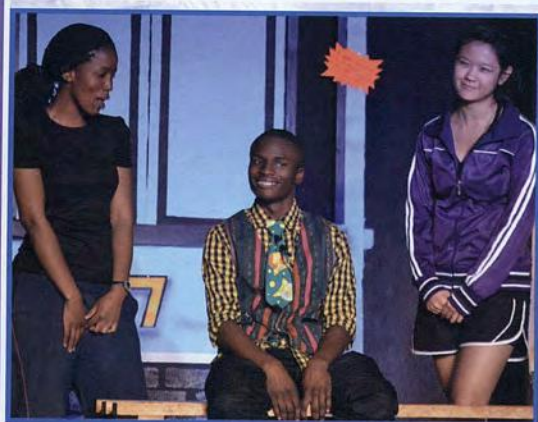

SO..... IT'S OVER!!till next time!
LOVE YOU ALL!

Mrs P Turvey

MAJOR PRODUCTION

CULTURE

CHESS

2011 has been a building year for the players. Many younger players are showing an interest in the “nerdy” sport of Chess. There are many promising players in the Grade 8 and 9 group and it is hoped they will derive great benefit from their participation in chess and that the team will benefit in the future as they grow in strength.

During the 1st Term we entered two teams (A + B) in the Gauteng South Chess Association 5-a-side tournament (North) - battling schools such as Beaulieu, Dainfern, St Davids Marist, St Stithians, Midrand High, Sagewood, Crawford -Lonehill and Crawford-Sandton .

The A team are to be congratulated on coming 4th out of 9 A teams while the B team for being placed 3rd out of 5 B Teams. A truly great achievement for such a young group.

The Gauteng South Chess Association League matches commenced in the 2nd Term. Our top 8 players from the two 5-a-side teams combined to form a committed team playing against Sandringham High, Parktown Boys’ High, Waverley Girls High A/B, Barnato Park.

We have very many dedicated players who attend practices regularly and eagerly attempt to better themselves.
Captain: Ntando Sibiya
Vice-Captain: Michael Ryan

Colour Awards:
Full: Michael Ryan, Kyle Sellar, Andrew Halstead
Half: Peter Qui, Nancy Liang
Jnr Full: Fei-Fei Wang

*Mrs M. Schumann
 Teacher-In-Charge*

RHETORIC SOCIETY

The Rhetoric Society has continued to go from strength to strength this year.

PUBLIC SPEAKING

We entered a number of teams into the Public Speaking Competition at the beginning of the year and they all did well and received promising adjudications.

Our Guild Trophy Team : Stella Sfnarnas, Daniel da Silva Ferreira and Lusando Miya were up against some very stiff competition and achieved a B+ symbol. The Individual Guild Trophy Speaker, Kerry Macfie, was outstanding and achieved an A+ symbol.

We have continued to have internal public speaking competitions and these are growing in popularity. The winners from Term 2’s competition are Nokulunga Luthuli, Jocelyn Lawrence and Nomvuselelo Ngubane.

DEBATING

JUNIOR TEAM:

Momentious Mthethwa, Chenai Marware, Tamsin Pillay

SENIOR TEAM:

Jocelyn Lawrence, Mohau Makgobi, Vyasna Mahadevey

These speakers took part in the SACCE LEAGUE with 20 other schools in Term 1. Our speakers performed extremely well and won a number of the debates. Out of 60 individual senior speakers Vyasna Mahadevey was placed 23rd and Jocelyn Lawrence was placed 19th. Also, out of 20 schools Bryanston came 5th in the Senior Floor debates.

A number of students attended the Adjudicators’ course. Mohau Makgobi and Frances Wressell adjudicated in the Junior League debates.

Our debaters have been active during the year with regular internal debates. Some of the topics include “This House Would Support the Protection of the Information Act”, “This

House Believes That South African Trade Unions Have Too Much Power”, “This House Would Support Parents Monitoring Their Children’s Cyber Social Networks”.

There have also been Parachute Debates and winners of these include Maite Moekoa and Nomvuselelo Ngubane.

Mention also needs to be made of our very strong Grade 10 speakers: Rosina Kaseke, Kagiso Siphuma, Winnie Jura and Rethabile Headbush.

Thank you to our Chairpersons, Jocelyn Lawrence and Mohau Makgobi, for being the motivational force behind the Rhetoric Society this year.

STAFF MEMBERS:

Mrs A Hughes, Mrs K Naicker, Mrs S Rawood

PLAYS FESTIVAL

Each year more and more people are writing their own scripts for this competition and this is most encouraging.

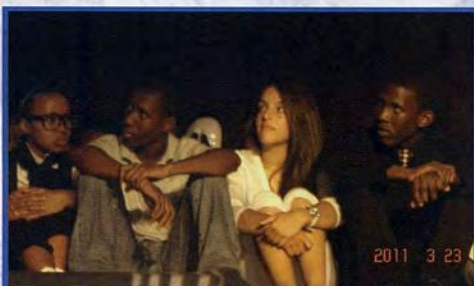

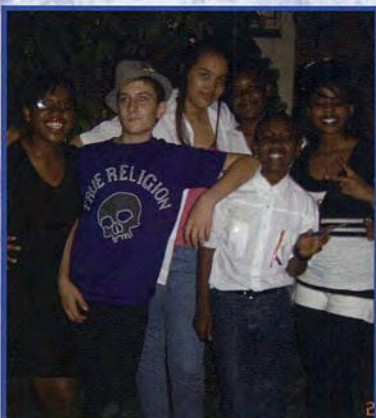

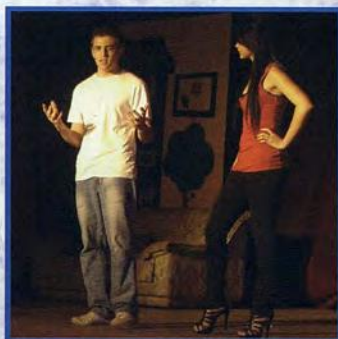

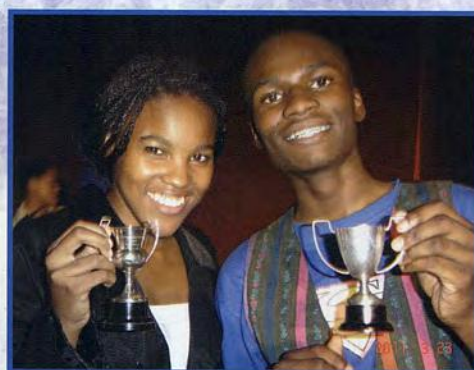

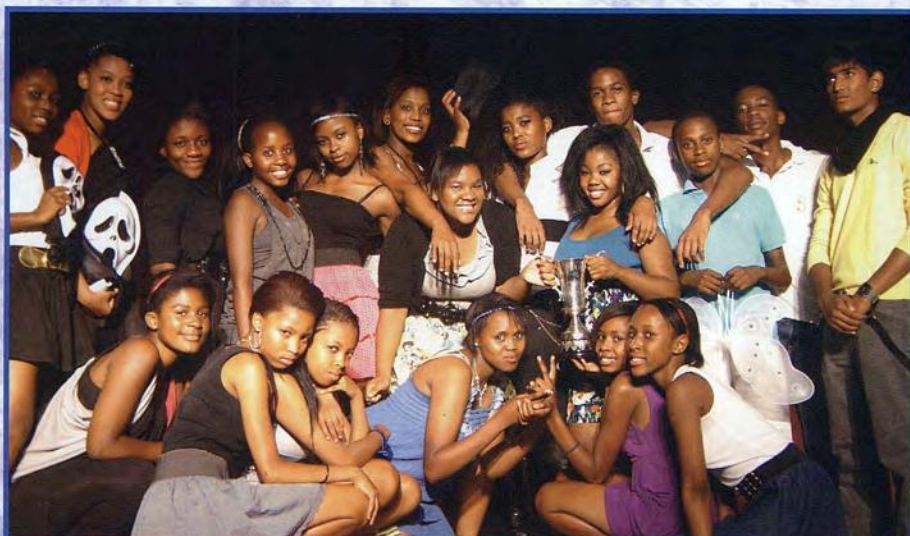

The plays included "Who's it gonna be?" directed by Tanya Swartz, Jennifer Okoye and Claire Sekgobela ; "Ruby Baby" directed by Amy Degenhardt; "Engrish words Mixed Up" directed by Lindiwe Mpata and Nontoko Zondo; "Julius is President" directed by Mohau Makgobi , Puseletso Lekgau and Tshepo Lekgoe; "Heaven and Hell" directed by Mmatshupo Mamohe and Rose Madela.

The adjudicators were all past pupils of Bryanston High and who were very involved in drama. They made the following awards:

- | | |
|-----------------------------------|------------------------------|
| Nominees for Best Actor: | Clyde Halefose, Tony Sibiya, |
| Nominees for Best Actress: | Bianca May, Silindile Gwala |
| Director with the most potential: | Amy Degenhardt |
| Best Junior Actor: | Tumelo Mphirima |
| Best Junior Actress: | Immanuela Mohibidu |
| Best Actor: | Lutho Gadu |
| Best Actress: | Kagiso Siphuma |
| Winning Play: | "Heaven and Hell". |

It was a most enjoyable evening. Thank you to Mr Basson's sound and lighting crew (Andrew Halstead and Reuben Watney), Mrs Turvey and Miss Hein.

Mrs A Hughes
(Teacher-in-charge)

DEBS FUNDRAISERS

Mothers and Daughters Breakfast and Entrepreneurial Day

Fundraising in today's climate is a very difficult process. The Debs and Squires programme sets target to qualify for the dance and a lot of effort goes into raising the money

This year we have had four entrepreneurial days. The wide range of goods is interesting and scrumptious. The food is usually sold out long before the break is completed. All the Debs and Squires then rush back to the committee room to count their booty.

Another way to raise money has been the traditional mothers and daughters breakfast. This year it was packaged as "The French Provincial Breakfast". Wonderful stalls were set outside in the school car park. The heady aroma of coffee filtered through the air. A wonderful exciting morning was enjoyed by all.

We look forward to the continued fundraising efforts that are scheduled for 2012 culminating in the beautiful ball.

DEBS FUNDRAISERS

Moms and Daughters Breakfast

LIA Spring Ball

As the sun set on Saturday, 10th September, 2011, Bryanston High School was transformed, as 240 young ladies and gentlemen arrived to enjoy "A Starry Night in Paris".

The elegantly dressed crowd entered the stylishly decorated hall for a wonderful evening filled with friends, food and fun.

The DJ from Pulse DJ's (073 601 8384) outdid himself as he entertained the excited bunch of teens from the moment they arrived to the moment they left, with the latest music and the special lighting effects.

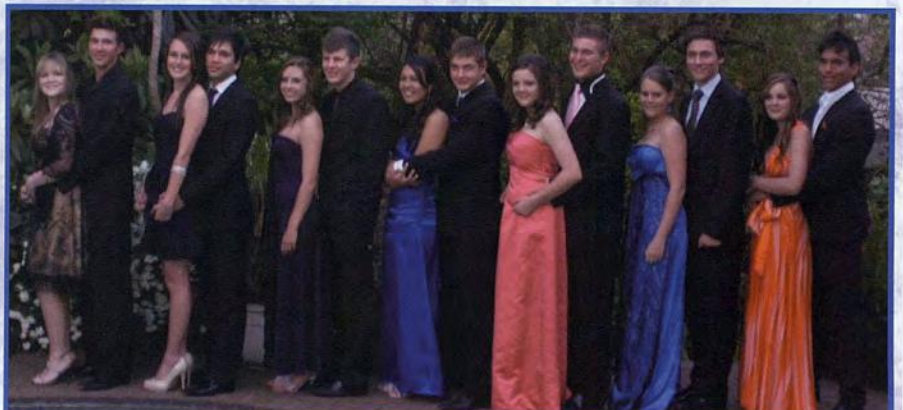

240 bellies were fed by Mrs Teresa Cook and Mrs Shorts Davidson, who slaved away in the kitchen preparing the scrumptious food. A huge thank you to you both as this event could not have been possible without your help.

As the Grade 10 and 11 learners danced the night away, a wonderful group of Grade 9 learners offered their skills as waiters for the evening. They proved to be delightful waiters and waitresses and did an excellent job. Thank you for all your assistance - you are superstars.

There is no doubt that as the clock struck eleven and the princes and princesses went home to rest, many happy memories were made on this magical night in "Paris".

A big thank you to everyone who helped set up, clean up and supported this fabulous event.

Tamsyn Hein
Teacher-in-Charge

LIA Golf Day - 2011

The L.I.A (Leadership in Action) group of 2011 had their Annual Charity Golf Day on 14 September 2011 at Kyalami Country Club. Twenty-five LIA members joined Mrs K, Mrs Davidson and Mrs Fulcher at Kyalami for the day.

The day was a huge success with several fun holes which golfers could get refreshments and could purchase tickets for several raffles.

The day started with registration of the golfers at 10.30am and by 12.00 noon all our golfers were on the course.

Our evening function (prize giving dinner) was fantastic, with Mrs Hughes, Mr Robinson and our Master of Ceremonies, Mr Lawrence. Mr Lawrence provided our golfers with some golfing "tips" and had his audience in stitches with laughter. We had

great prizes that we could give our golfers (all sponsored) as well as our famous barrel of booze and holiday (Swaziland) raffles.

We also invited Werner Cronje (Sharks rugby player) to be our guest speaker and he left us with such a lovely message - basically, never give up, always keep on trying.

We like to thank the following teachers for making this fundraiser possible: Mrs K, Mrs Davidson and Mrs Fulcher and for being such a wonderful Master of Ceremonies, Mr Lawrence.

We would also like to thank ALL our sponsors for without them, none of this would ever have been possible.

L.I.A - 2011

Mr Bryanston - 2011

After months of intense planning, sleepless nights and enormous amounts of stress, the Mr Bryanston L.I.A. group of 2011 hosted an outstanding event. The night was filled with laughter, screaming girls and of course our handsome Bryanston boys! After watching a panda strut his stuff and boys showing us their moves we realised that the long weeks of preparation were completely worth it.

Thanks go to the hard-working girls who made this memorable evening happen.

Kerryn Davidson, Roxanne Rauch, Taheera Bradley

LIA Valentines Day - 2011

L.I.A. Dinner - 2011

Fun, laughter and memories! The LIA dinner was held on Tuesday the 18th of October in the Pavilion. Everyone dressed up according to the first letter of their name.

It was gratifying to see that so many people went to so much trouble, but we were able to identify winners. They were Allison Radebe as Amy Whitehouse, Jessica Smith as a stunning Jack in the Box, Stephen De Beer and Shannon Kennedy as the new Smurf couple.

Reuben ensured that the dance floor was never empty and, had people had their way, they would have danced all night.

It was a fitting end to a fabulous year!

Mrs G. Fulcher and Mrs A. Hughes

GRADE 11 LEADERSHIP CAMP

Grade 11 Girls Leadership Camp

On the 1st of September the Red Eladrins, Green Elves, Silver Fairies, Blue Mermaids, Purple Sirens, White Smurfettes, GoldGenies, Orange Harpies and Pink Pixies, headed off to the beautiful Thaba Marula camp.

From cold showers, early mornings, sleepless nights and challenging obstacle courses the camp turned out to be truly amazing.

The camp would not have been successful without the help and support of all the teachers. Thank you to Mrs Cook, Mrs McLeod, Mrs Hughes, Mrs Fulcher, Ms Rayne and Mr Robinson for their inspiring talks and motivation. Thank you to Mrs Weir for organising an amazing project runaway and Mrs Tolstrup for proving that white girls can dance. Thank you to Mrs Webb, Mrs van Tonder, Mrs van der Merwe, Ms Standl and Ms Winson for travelling all the way to spend the weekend with us.

And lastly to Mrs Toerien - the weekend would not have been the same without you.

Thank you for simply being who you are and always believing in the girls because the grade would not be WHO WE ARE without you.

Avani Beerful and Vyasna Mahadevey

Grade 11 Boys Leadership Camp

As the bus pulled onto the pavement the excited hordes of Grade 11's found their seats. Uppermost in their minds was the excitement and fear of the camp. Was the food edible. Did TANGO; ECHO; FOXTROT ; mean dancing or a strange language .

Let the fun begin - Bryanston had arrived. Each teacher had an inventive take on the process of stretching each team. Remembering the aim of the camp was to create an environment to allow leadership and cooperation to grow.

Every boy showed true Bryanston Spirit in the burning heat of the Bushveld . Some hiked well at night others got lost. The obstacle course was challenging and the boat building created that sinking feeling.

A big thank you to Mr Martin and Mr van der Merwe as well as all the staff who made this trip a "Once in a lifetime experience " .

PHYSICAL SCIENCE

A "Science talent show" was held this year to highlight that science can also be FUN. Amongst the entertaining acts was a rock band led by our head boy Daniel. Other memorable events were the periodic table cakes which were delicious and a variety of very funny poems and plays. The show was a most enjoyable event and revealed that our normally serious and solemn scientist had hidden some "interesting" and "creative" talents.

Forty-two brave and keen science students participated in the 47th National Science Olympiad in March. The questions were tough and gruelling but our budding scientists gave it their very best effort. Special congratulations goes to Michael Gaynor who came 33rd overall and was invited to attend an all-expense-paid National Science Youth week which included many international guest speakers and an interactive visit to a gold mine. Michael was a fitting representative for our school as he reflects the high standard achieved in our science department. Bryanston High is very proud of him.

M. Standl
Hod - Physical Science

In celebration of 2011 being the International year of Chemistry, some of the senior science students undertook two major charity outreach projects. The first was to collect all new and used stationary, which was then donated to an under-privileged school. The hope is that this stationary will inspire future budding scientists to excel in science. The second project was a very successful toy drive for a baby shelter in which soft toys and baby products were collected. This raised the social consciences of our scientists and clearly shows that there is a very generous and caring side to the "science nerds" A huge thank you for the extremely generous donations. These young scientists have touched many lives this year.

English Olympiad

This year was a most interesting one in terms of the English Olympiad. Fifty-two curious and questioning minds entered this Olympiad and embarked on a journey into Literature. Our network was entitled "Truth and Consequence", offered much scope for discussion and entertainment.

The brave young people completed a two and half hour examination in March and the results were most satisfactory. I would like to thank these courageous individuals for their interest and dedication to this Olympiad.

The Challenge

The theme for this year proved challenging and most enriching. All entrants had to read and make sense of various texts ranging from Biblical extracts to Tiger Woods confessing his sins. We explored and analysed these extracts and discussed morality in a modern day society and whether it had changed much since Biblical times.

For some this was a new experience and so they felt nervous and excited, but for others it was their third attempt and they were sad to know it was their last.

Wednesday became Olympiad minefields with opinions flowing and ideas shared. We realized how varied opinions could be and how inspirational writing is.

The exam itself was thought-provoking and varied with so many options that it became difficult to choose what to answer. We had to consider character's backgrounds and their possible responses to situations and this offered a sense of creativity. Well done to all candidates who attempted the exam and came out with wonderful results. See some of your next year!

Afrikaans Olympiad

ESTLEEN - TOP 100 AFRIKAANS OLYMPIAD

World Knowledge Olympiad

This is a nationally written Olympiad with many thousands of entrants from all 9 provinces. There were 45 entrants from Bryanston High in this multiple choice test of knowledge ranging across sports, films, literature, geography, science, politics, current affairs and even S.A. Idols! This year there were a number of new Grade 8 "brave" entrants in addition to the normal grade 9 - 12 group.

On Thursday 19th May during the 7th and 8th periods these entrants armed with erasers and HB pencils were ready for their battle of wits. Although being multiple choice the test appears to be simple - some of the answers were very possibly right - but there can be only ONE perfectly right answer.

Results are given both provincially and nationally. Congratulations go to Timothy Denton who carried the torch for Bryanston High being placed 3rd in the Gauteng Grade 10 level. Well done for this tremendous effort.

It is hoped that many more learners will participate in this interesting challenge disproving the generally accepted concept that the youth are lacking in general knowledge!

Teacher Involved*

TIM DENTON - 3RD IN WORLD KNOWLEDGE OLYMPIAD

Maths Olympiad

The Maths Olympiad is structured to test mathematical understanding. Unfortunately the initial entries are required very early in February. This creates a problem with grade 8 learners who often miss this deadline.

This year we achieved excellent results in Grade 9. Congratulations to Alex Dafel who achieved a wonderful result in the Grade 9 second round of the Olympiad.

Grade 10 learners are expected to write the senior exam. This is a challenge and I know that the participants will be able to compete more effectively in their Grade 11 year.

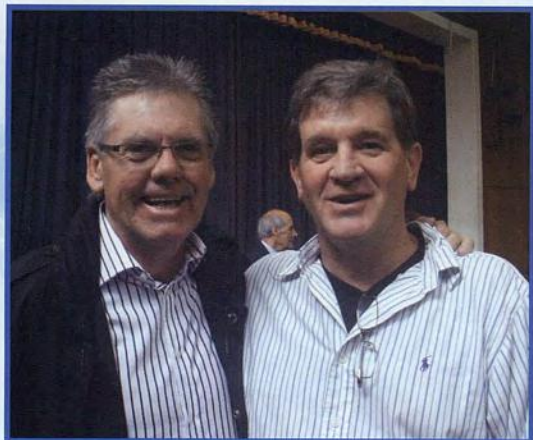

Congratulations to the grade 11 year. Their enthusiasm and diligence has produced pleasing results. Martinique Koster and Xin Rui Cui produced excellent results, well done.

OLD BRYANSTONIAN REUNION

April 2011 saw the culmination of a dream come true when hundreds of old Bryanstonians gathered at their Alma Mater for a reunion that was to bring together old friends, classmates and colleagues from different parts of South Africa and the world.

The reunion committee under Greg Marshbank and Alison Utting together with a hard working team, planned for almost two years to make this dream a reality.

There was a cocktail party on the Friday evening where only

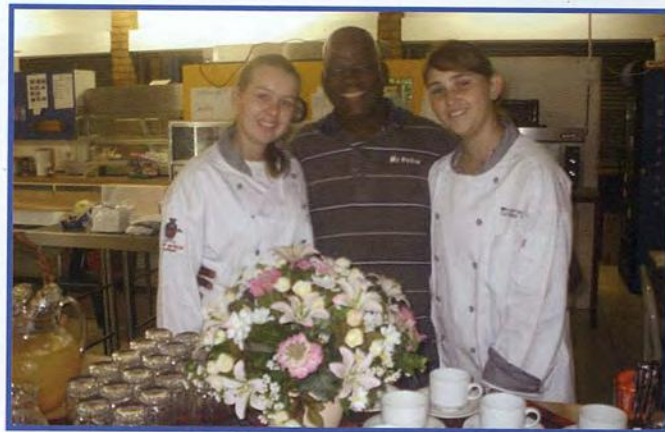

the 1972, 1973 and 1974 past pupils and their teachers were invited.

Saturday morning was an all sports day where the old Bryanstonians from many years gathered and it culminated in a dinner dance in the evening which took place in the school hall which was beautifully decorated in a sixties theme. The evening was highlighted by the fun, laughter and reuniting of friends, many of whom had lost touch with each other over the past 40 years.

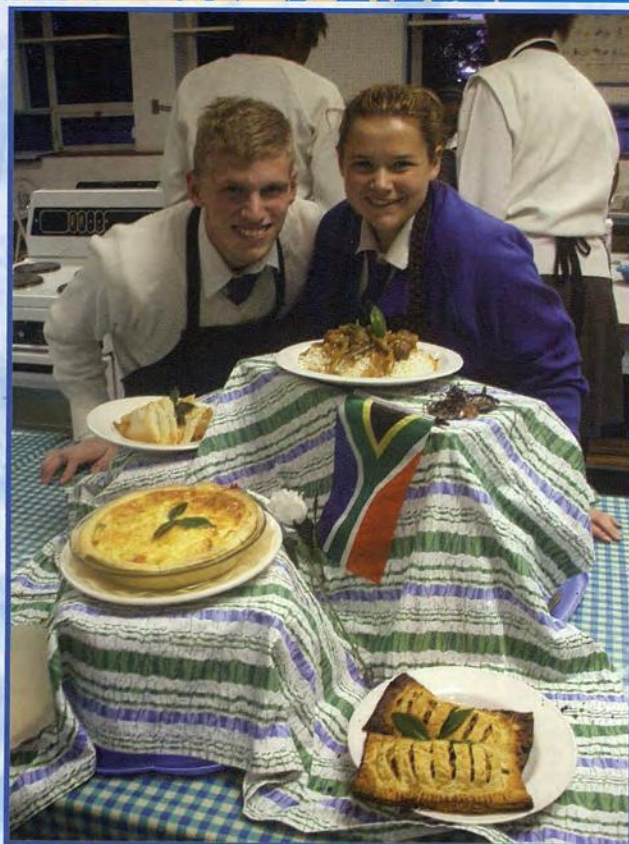

Sunday lunch saw perhaps the pinnacle of the event when Mr Joel Alswang addressed a full hall of past pupils and teachers at a semi-formal assembly. This was moving and emotional and brought back many memories of the years gone by.

Mrs Bev Weir

CATERING

CONSUMER STUDIES

This year has seen innovative changes in the consumer studies department with the opening of the new flag-ship Pic n Pay within walking distance of our school. They have come on board and opened their teaching kitchen up to wonderful opportunities for our consumer learners, all of whom have shared in the experience of an outing to this world class facility.

More learners are embracing the opportunity to expose themselves to the new culture of consumerism; cookery and nutrition, marketing, production, housing and interior issues, budgeting, needlework and clothing all fill this relevant and vibrant curricula leaving learners with life skills that offer them career opportunities, entrepreneurial skills and lessons for life.

THE MAGIC OF BOOKS

"Aah! It's chasing me!" little Sarah yelled from her room. I rolled my eyes and put my book down on my bed as I got up and then headed across the hall towards the frightened five year old.

I turned Sarah's light on and studied my sister, who was sitting up as straight as a rod in her bed with large, frightened eyes. When I asked her what the matter was, she told me that Harry was trapped with the giant spiders, and the Basilisk was chasing her through the Forbidden Forest.

Admittedly, I should have organized my bookshelf so that my "scary" books were out of Sarah's reach, or I should have refused when she asked me to read "Harry Potter and the Chamber of Secrets" to her.

Thankfully, I'm not the only thing to blame, as Sarah's imagination is almost as overactive as mine. At least Sarah cannot "see" the story happening right before her eyes in the living room, or she would never touch another book!

I was intrigued by it, the way the words turned into flowing images before me. My Grade 2 classroom was made far more interesting once Aslan, the lion, was pacing around it.

When remembering pieces of a book, I will never see the page with words on it, but rather, I will see the characters moving across my mind in the same way as when I recall a memory; vivid and real.

The library is a treasure trove, a great store of adventures. What do you want to do today? Where would you like to go? Those books go everywhere.

In my life I have seen and done many things. In Alaska, I danced under the Aurora, enchanted by the swaying, moving colours. In Egypt, I was part of a great band of thieves; the greatest of all thieves, for there was never a soul who could steal such riches as those within the pyramids of Giza. In England, I learned to wield a sword, and I served under King Arthur.

How strange that I could have done all of this without ever having left South Africa before.

I have no fear of heights. None whatsoever, and I once found it impossible to believe that anyone else could, either. However, I learned what it feels like to fear heights when I rose thousands of metres into the air, buffeted by the wind and supported only by a fragile balloon.

In a novel of one girl's life, I learned how earth-shattering her pain and loss could be, and also how happy she truly could be.

Books and stories are a blessing to all who read them, and all those who can read but choose to watch television instead should be warned somehow about what they are missing. Reading is a gift, and yet many people who can do it refuse to, even though there are so many less privileged souls who long to read, but cannot.

Life Fourways Hospital
HEALTH CARE

When you need emergency medical assistance, it'll be too late to wonder what number to call...

Life Fourways Hospital offers our community:

- A medical response vehicle with paramedics trained in advanced life support and state of the art medical equipment, dispatched to you free of charge, day or night.
- A 24 hour trauma and emergency unit equipped to handle any medical emergency where medical aid members no longer have to pay cash upfront for consultations.
- World class hospital facilities with an experienced team of multi-disciplinary specialists and nursing staff to offer you a comprehensive medical service.

For free medical emergency paramedic response service
