SOLUTIONS TO CARRY, PROTECT
& CONNECT YOUR TECHNOLOGY

Targus is the leading global provider of accessories to carry, protect and connect your tech

Your trusted advisor...

Award-Winning Innovation

Consistently delivering first-to-world solutions across tech-accessory categories.
Number of Patents: **67 patents**/
44 patents pending

Compatibility Promise

Our brand promise empowers a seamless life. Your tech-accessories will work with your devices today and your devices of tomorrow to give you peace of mind.

Brand Quality

With products sold in 100+ countries we are your global tech-accessory expert.
Distribution Points: **100 Countries**
Product Portfolio: **1000+**
Number of Bags Sold: **300M+**
Number of Accessories Sold: **100M+**

Global Alliances

We have a leading edge to support new technology with long term alliances with the world's largest OEMs including HP, Lenovo and Dell, plus partnerships with Samsung and Microsoft.

Tablet Cases ▶

Connectivity

Connect without complexity and create productive workspaces

Over half of all companies (53%) **use more than one type of operating system** as standard, creating complexity for decision makers around tech compatibility.
95% of decision makers **state it is important** for their organisations to have **tech accessories that work for all types of computer models.**
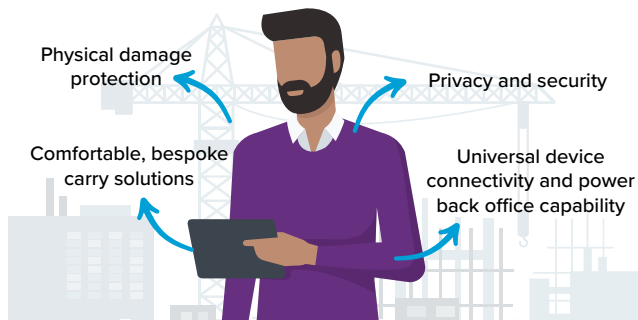

Work well anywhere

Flexible Workers

Privacy and security

Universal device connectivity and power

Physical damage protection

Those going to the office for only a few hours or days a week, most companies are adopting a hot-desking approach.

Home Workers

Collaboration tools

Work well solutions

Physical damage protection

Facilitate remote work and deliver comfort, productivity and colleague collaboration as standard.

Non-deskbound

Physical damage protection

Privacy and security

Comfortable, bespoke carry solutions

Universal device connectivity and power back office capability

Technology is increasingly demanded in sectors such as emergency first-response, retail, manufacturing and construction.

Frequent Travellers

Privacy and security

Protect company image and confidentiality

Productivity, ease of work, connectivity

Professional, comfortable carry solutions

Physical damage protection

Staying comfortable, productive and professional whilst on the move is critical for the individual and reflects positively for the client.

SETTING UP YOUR WORKSPACE

Look **STRAIGHT AHEAD**: have your monitor at eye level or just below and an arm's length away. If using multiple monitors, angle them inwards to reduce neck rotation.

Give your **EYES** a break. Every 20 minutes, look 20 feet away for 20 seconds. 20-20-20.

ELBOWS and **FOREARMS** level with the desk surface, with shoulders down and relaxed. Adjust chair height or prop yourself up with additional cushions.

FEET planted on the floor. A footrest is ideal; alternatively, use a box.

Source: Chartered Institute of Ergonomics & Human Factors (CIEHF).
– Home working and staying healthy

Keyboard and mouse positioned close to the edge of the desk to avoid unnecessary stretching. Don't shrug **SHOULDERS** when typing and mousing; lower the work surface or adjust your chair height to avoid this.

Sit **BACK** taking full backrest support. Adjustable chairs are ideal. For more lumbar support, place a cushion or rolled up towel behind you.

Keep **THIGHS** parallel to the floor, knees slightly lower than the hips.

Regular **MOVEMENT** is key. Get up from your chair 2-3 times an hour for 30-60 seconds or 5-10 minutes every hour. Add dynamic stretches to daily routines as well as walking.
CONNECT WITHOUT COMPLEXITY

Introducing MiraLogic by Targus, a revolutionary, IoT-connected Workspace Intelligence System to optimise and control workspaces.

Enterprise-grade hardware blended with proprietary, cloud-based software.

Workspace insights at your fingertips to optimise employee productivity and workspace efficiency.

Real-time and historical data captured at the desk level, (in the office or remotely) to provide actionable insights into occupancy, performance, and efficiency.

All of this fully backed up by mission critical security (DoD) independently assessed by Praetorian Cybersecurity.

Power

Keep your laptop and smart devices topped up: an ideal companion for the modern mobile worker

Charge quickly and protect your battery

Targus power products uses the latest technologies to preserve battery health and meet the strictest quality control.

USB-C AC Power Adapter
Available in various power outputs

45W

65W

100W

● 45W – APA106AU   65W – APA107AU   100W – APA108AU

Universal Legacy Power Adapter
With interchangeable connector tips

65W

90W

- Compatible with major laptop brands
- Built-in power supply protection: Ensure safer use with protection from over-voltage, over-current, and over-temperature

● 65W – APA047AU   90W – APA30AU

Quick Tip

We know that sometimes it is difficult to remember how much power or wattage the AC power adapter supplies to your laptop or smart device. Here's a rule of thumb:

- 5-20W – smartphones and tablets
- 45W – most 11.6 - 14 inch laptops
- 65W – most 14 - 15.6 inch laptops
- 90-100W – most 15.6+ inch laptops

Powering a new way of life

3 in 5 people (61%) carry a charger for their laptop, phone, or tablet every day

Targus PowerElite™ Chargers are safer, cooler and more efficient compared to conventional chargers. By using Gallium Nitride (GaN) and the latest USB-C protocol, Targus is able to enable smart, reliable power delivery universally across all your devices and in 140 countries.

Smart

Targus PowerElite™ Chargers provide super fast charging with up to 100W power for single device. Most modern smart devices have clever power management to control recharge speeds, which also aids battery longevity of the devices. Targus PowerElite™ Chargers leverage PPS (Programable Power Supply) which dynamically meets power requirements of your device real-time, helping to maintain your device battery health.

Universal

Targus PowerElite™ Chargers integrates both USB-C and USB-A charging ports, which means you can charge practically anything from smart watches or headphones to smart devices to laptops. In addition, travel friendly adapters are included so the charger is able to work in over 140 countries.

Reliable

Safety is synonymous with Targus power products for decades. Carefully designed circuitry ensures complete compliance with the strictest of certifications across the globe, keeping you and your devices safe. Utilising latest USB-C PD (Power Delivery) and PPS (Programable Power Supply) charging protocol, our PowerElite™ Chargers can synchronise with your devices to alter power delivered real time, protecting against over-voltage, over-current and over heating.

Power

Keep your laptop and smart devices topped up with next generation AC power adapters

100W GaN Wall Charger
With interchangeable global plugs

100W

- Multiple device charging from laptops to phones

of decision makers say better tech and accessories have a **positive impact on job satisfaction**

82%

of workers say they would be **negatively impacted** if they didn't have tech accessories

# Protection is in our DNA...

A New Standard in Clean

Work well anywhere with accessories featuring integrated **DefenseGuard™ antimicrobial protection** for a cleaner workspace. Proven to protect bags, cases, keyboards and mice against germs, it won't wear off or wash off and will remain effective for the lifetime of the product.

Independent laboratory testing to standards including JIS Z 2801 and ISO 22196:2011 demonstrated a **99.9% reduction** of Staphylococcus Aureus (Staph Infection) and Escherichia Coli (E. coli).

BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard™ products to provide all-round protection, continuously neutralising bacterial threats to provide a durable, cleaner surface.
*Antimicrobial product protection is limited to the case or device itself.

# Conferencing Accessories

Make conferencing easy

Ideal for small and mid-sized meeting spaces, the Targus All-in-One 4K Video Conference System makes conferencing easy by ensuring clear video capture, crisp sound delivery and intelligent voice pick up, all wrapped within an ultra-compact frame. Featuring 4K ultra HD camera, stereo wide-band speakers, noise canceling 6 microphone array and plug and play compatibility, it's all you need for simple, easy to use conferencing.

All-in-One 4K Video Conference System

Properly Positioned

- Made to integrate in to nearly any room setup, the soundbar can be easily wall mounted (mounting bracket included), sit firmly on any surface thanks to its anti-slip rubber base, or can be seamlessly placed on a display. Once positioned, tilt the base or camera to score the perfect angle.
On display mount   Mounting bracket

Visual

- 4K 30p UHD Webcam (resolution up to 3840 x 2160 @ 30 fps) with high quality glass lens
- Bright f/2.2 lens combines with large 1 / 2.8 type low illumination SONY® CMOS sensor provides clear, crisp video even in meeting rooms with poor lighting
- Backlight Compensation ensures

participants faces are not blacked out when located near windows

- Ideal for equipping modern small – mid-sized meeting room with conferencing capability, thanks to 120 degrees field of view (horizontal) wide angle camera
- Fine tune framing with 5x digital zoom, 16° pan and 10° tilt function

Microphone

- Crisp audio pickup up to 6 m, thanks to 180° 6-mic array with Auto Gain Control, great for meeting rooms up to 8 people. Stay focused on the meeting with environmental noise suppression

Speaker

- Tuned for speech, dual 4 cm wide band 3 W speaker with 200 – 16 kHz frequency ensures quality sound delivery during conference calls

Convenience

- Remote Control (included) for easy camera and audio controls
- Convenient LED ring status light for camera/microphone when active or muted
- Multi-positional and wall-mountable with an anti-slip base for proper placement
- Wall mount bracket included with tool-less thumb screws
- Rear 3.5mm aux audio output port
- Easy USB plug and play functionality (2 m cable included) for Windows® and MacOS®. compatible with major conferencing software

Empowering Security Anywhere

Privacy filters and security locks

Prevention is the best policy

Workforces are becoming hybrid, with workers at home, at the office and on the move. Employee expectations and behaviors are changing, and businesses must prepare themselves to protect their security and privacy.

Stay compliant

With the introduction of General Data Protection Regulation (GDPR) in the EU, workers must act responsibly when dealing with data protection and privacy. Whether you are responsible for data protection and privacy, Targus locks and privacy screens are very effective against visual hacking and device theft.

DID YOU KNOW?

A laptop computer has a **1-in-10 chance of being stolen*** and **98%** of stolen laptops are never recovered**.

Whether you are working, gaming or web-surfing on your laptop, don't forget locks are the simplest form of theft prevention.

95%

of respondents from a recent survey say **working privately is important to them*****.

Source: * Kensington. **FBI. ***Ipsos and Steelcase

Lock Solutions

Find the right security solution for you:

Universal locks

- Dynamic and interchangeable head mechanisms
- Keep it simple for your people to secure a wide variety of IT equipment

Key or Combination Locks

- No codes to recall and IT has ultimate control with a physical master key
- Combination Locks have no physical keys and unlock code can be easily stored digitally so it is never lost
Serialised locks

- Supplied with a unique serial number and 4-digit comination code
- Unlock the Targus DEFCON Cloud portal, where IT can easily recall lost or forgotten codes

Targus DEFCON Cloud Portal

Each lock with its unique serial number and combination code can be registered to the Portal, offering simple, controlled access to combination codes. Combinations can be retrieved from anywhere in the world: perfect for the modern, dispersed business.
Tablet with no lock slot?

Lock Slot Adapter

- Easily and securely attaches to the device's flat surface with the included 3M® adhesive strip

# The Ulimate Universal Lock

Introducing the DEFCON® ASP9 Series

The **DEFCON® ASP9 Series** removes the need to have different lock heads. The unique Targus patented design allows the user to simply adapt the lock to the right size to fit the device slot at a twist of a dial, offering truely universal compatibility.

Connects to any device

Legacy T-Lock Slot

Wedge Shaped Lock Slot

Compact Nano Lock Slot

The ASP9 series is available in keyed or serialised combination format, fitting the needs of personal, SMB or enterprise users.

Engineered for peace of mind

Targus cable locks are all **tested to destruction** and can withstand at least 90Kg of direct pull force and 162Kg of shear force.

TENSION   SHEAR

The ASP9 Series Adaptive Lock Head

Simply insert the jaws into the device lock slot and rotate the dial opening up the jaws until the adaptive lock head is engaged.

DEFCON® Ultimate Universal Combination Cable Lock

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads
- 360° rotating head for easy and versatile fitting

- Pre-set 4 wheel combination lock with a potential 10,000 possible settings to deter theft
- Tough, cut-proof 2m (6.5ft) galvanised steel cable

Custom Logo Program

Protect your tech and promote your brand

CARRY

Targus has been designing bags for the working professional for over 35 years and we've never stopped innovating. Our diverse range of laptop bags available for custom logo enhancement ranges from sustainably sourced backpacks to contemporary convertible briefcases.

PROTECT

With workspaces rapidly becoming more flexible, the ability to safeguard your technology from the hazards of everyday life has never been more important. Equip your mobile working employees with precision engineered Targus protection, while keeping them on brand with your company logo.

CONNECT

In a world gone digital, the Targus logo programme gives you the opportunity to maximise your physical impact. Incorporate your company logo into your employees travel essentials, allowing you to connect with your workforce, and your workforce to **connect with your customers**.

YOUR LOGO HERE

YOUR LOGO HERE

YOUR LOGO HERE

OR HERE
HOW IT WORKS

Contact your Targus sales representative indicating which product(s) you are interested in. Submit the Custom Logo Program Form online

(https://au.targus.com/pages/custom-logo-program-form) along with artwork file (vector format)

ONE PO, ONE SUPPLIER, ONE DELIVERY, ONE INVOICE. SIMPLE.

*Logo boxes indicate areas on product which are suitable for printing. Typically there must be at least a 6 cm gap between the logo and edge of the panel being printed on. Logos with small fonts or intricate details may need to have a background ensure sufficient surface area for bonding to material. Pricing is based on one logo per bag.

Protecting Your Technology...

Every case features Military Standard drop protection

The MIL 810G 1.2m/4ft drop protection is a test standard set by the US Department of Defence and is generally accepted as the benchmark for ruggedised protection of mobile computers and equipment.

Tests include:

- 4ft/1.2m drop protection testing, 25 drops on concrete – no device damage
- Dust and water splash tests

STILL THE ORIGINAL AND BEST ROTATING TABLET CASE...

Patented rotating landscape/portrait view

Patented rotational viewing which allows users to easily rotate for landscape or portrait viewing angles, while the deep foam grooves provide angles for comfortable viewing and typing.
