SAN FRANCISCO SKY BAR

ASTRAEA
GODDESS OF THE STARS

The **Origins** of the Cityscape Artwork

Legend has it that the magnificent panels of the Celestial Sisters **once adorned the walls of the historic San Francisco Fox Theater**, now a memory preserved only in stories.

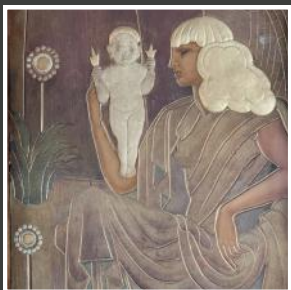

Hidden behind the grand stage, these artworks hung in the spaces where performers and artists would rehearse, prepare, and find inspiration before stepping into the spotlight. Created to inspire those who brought stories to life on stage, these panels now find their home in Cityscape Sky Bar, continuing their legacy of inspiration.

As you gaze upon the Celestial Sisters, let their presence elevate your evening, just as they once elevated the spirits of performers in a bygone era.

The Myth of the Celestial Sisters

THE STORY OF THE GODDESSES OF CITYSCAPE

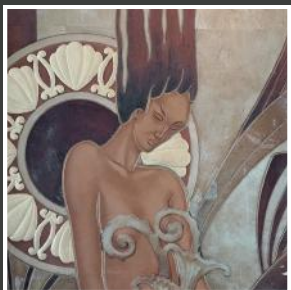

Enter a realm where ancient myths and modern elegance converge. Our towering walls are adorned with panels depicting a series of Goddesses. Collectively known as the Celestial Sisters, they are ethereal beings who govern the night sky and hold dominion over the cosmos.

EOS

GODDESS OF THE DAWN

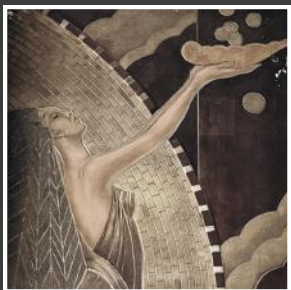

The third sister symbolizes new beginnings by bringing the first light of dawn in shades of pink, gold, and violet. Her presence signifies renewal, instilling hope and optimism.

AURORA

GODDESS OF THE AURORA BOREALIS

The fourth sister is the mistress of the northern lights, captivating observers with her enchanting and wondrous display. She captures the hearts of those who look upon her.

HENNESSY PARADIS IMPERIAL

Embodies the apogee of the art of selection at Hennessy. From any given harvest, the average number of eaux-de-vie with the potential to one day join this blend are a rare few: only 10 out of 10,000.

Identifying and nurturing such finesse requires ultimate expertise and talent.
