

CUYAHOGA FALLS CITY SCHOOL DISTRICT

Campus Naming Opportunities Package

6-12 CAMPUS

MISSION

Every student,
Every day,
Every opportunity!

VISION

Cuyahoga Falls City School District,
the hub of our community,
is committed to a culture of caring!
We innovate. We create.
We personalize education for all!

Dr. Andrea Celico
Superintendent

Welcome

In 2019, Cuyahoga Falls and Silver Lake taxpayers came together to pass a bond issue that set the foundation for a transformative vision: the creation of a new 6-12 campus, complete with a state-of-the-art stadium and performing arts center. This initiative represents our shared commitment to providing modern, cutting-edge facilities for our students and the greater community.

We are thrilled to share that this project is well on its way to completion. We will take ownership of the stadium in August 2025, followed by the campus in November 2025. Students will begin the second semester at the new campus in January 2026.

This new facility marks a significant milestone for our district, as it replaces our current high school building, which has proudly served our students for over a century, as well as replaces both middle schools. The new campus will offer a modern learning environment, ensuring that future generations have the tools and spaces they need to succeed.

We invite you to explore the unique naming rights opportunities that are available with this extraordinary project. Your partnership will leave a lasting impact while directly shaping the future of education for the children of Cuyahoga Falls and Silver Lake.

Thank you for considering this opportunity to be part of something truly amazing.

Sincerely,

Andrea Celico, Ph.D.,
Superintendent
