

A photograph of cherry blossoms in full bloom. The image shows dark, woody branches of a tree against a clear, bright blue sky. Several clusters of light pink flowers are visible, some in sharp focus in the foreground and others blurred in the background, creating a sense of depth. The petals are delicate and layered, with some showing darker pink centers. The overall scene is bright and cheerful, typical of a spring day.

Printemps

Été

A close-up photograph of a rose bush in autumn. The background is a dense, out-of-focus layer of leaves in shades of orange, yellow, and red. In the foreground, several dark brown, thorny rose stems are visible. Some stems have small, bright red rose hips (hips) clustered together. A few green leaves are still attached to the stems, some showing signs of aging or damage. The overall scene captures the essence of the autumn season.

Automne

A photograph of a winter forest. The ground is covered in a thick layer of snow. Numerous bare trees with dark trunks and branches are scattered throughout the scene. The branches are thin and intricate, creating a complex web against the pale sky. The overall atmosphere is quiet and cold.
