

Prestige

Complete and
balanced food for
dogs and cats.

Premium

Food colorants free

VB Alimentos has been operating for more than two decades in the pet food market, producing complete and balanced nutrition products for **dogs and cats, and cat litter**. During the production process, **science and technology** are combined to guarantee the quality and high performance for your pet.

Located in **Jaciara, Mato Grosso**, one of the greatest raw materials production areas in Brazil, **VB Alimentos** has fully automated production lines, adapted to fulfill the market needs and requirements. All products undergo **rigorous laboratory analysis** certifying the quality of the ingredients used in each product formula. All this to **ensure the best quality food for your pet**.

Prestige

The **Prestige** line has all the necessary nutrients for a **100% complete and balanced diet**. It provides natural protection, **without colorants**, and all the necessary **energy** for your dog and cat to live **happily and healthy**.
