## Welcome from NMAA Executive Director

**Sally Marquez**  
**NMAA**  
**Executive Director**

I was recently watching a news story entitled, “It is the way the game is supposed to be played so, why is it such a big deal?” The story took place in June of 2016 at the Indiana State Baseball Championships, during which a player from the winning team went onto the mound to console the losing pitcher, who was laying on the ground visibly upset, rather than embarking in a celebration with his teammates.

At the end of the story, the newscaster made a point to say, “The actions of the player reflected on the coaches and the parents of the kid. Somebody is doing something very right.” Adults in the player’s life, leading by example.

When the newscast finished, I pondered about why the story made the news. I was happy that the actions of the boys made national headlines, but saddened that acts of sportsmanship are not the norm. The realization that stories like this are highlighted because they are seen as something special and extraordinary was disheartening to me.

Throughout this year, the NMAA and our member schools are focusing on the importance of sportsmanship by coaches, players and spectators. When you attend a game as a spectator, remember that you too are setting an example for the kids on the court or field and for the individuals around you. Remember that it takes just one person to make a difference and the way you act can set an example for your community.

Be mindful of the example you set in whichever role you play in interscholastic athletics – as a coach, a parent, a player or a spectator. Be POSITIVE and support your team, without being negative towards opponents or contest officials. We need to all be a part of changing the culture of interscholastic athletics so that doing what is right is no longer newsworthy. Competing with Class should be the rule, not the exception.

Let us all band together and lead by example. Show the youth of today that sportsmanship matters. Show our student-athletes the proper way to win and lose. Show our “leaders of tomorrow” that their character far outweighs their performance. In New Mexico, our news story should always read, “It is the way the game is supposed to be played so, why is it such a big deal?” In New Mexico, let good sportsmanship and positive behavior always be the norm.

Sincerely,

Sally Marquez  
NMAA Executive Director

## Legend of the Diamond Mitch Garver

**"I FEEL LIKE MY WHOLE LIFE I HAVE SOMETHING TO PROVE."**

The New Mexico Activities Association is pleased to recognize Mitch Garver as this year's Legend of the Diamond. The former La Cueva High School standout was a two-sport star who earned his way to the majors and is currently a catcher with the Minnesota Twins.

Garver grew up in Albuquerque and remembers playing baseball at an early age. "I remember my grandfather giving me my first catcher's mask," Garver recalled. "He was a catcher, so I guess I was sort of destined to become one. I liked the catcher's gear. I didn't mind carrying it around and stuff." Little did he know that would be the first step to becoming a major leaguer.

In high school, Garver lettered in both soccer and baseball. He won state championships in both sports in 2008. Garver was named first team all-state, first team all-district and first team all-metro from 2008-2009. He earned honorable mention All-American honors in 2009 and was named the La Cueva High School and Albuquerque Public Schools Male Athlete of the Year in 2009.

Garver went on to play baseball at the University of New Mexico and become one of the most successful Lobos in the program's history. In his final two years at UNM, Garver was named the Mountain West Co-Player of the Year and one of three finalists for the Johnny Bench Award, given to the best collegiate catcher in the

country. Garver became UNM's Iron Man by starting 181 straight games during his career. His senior season, he led the team in hits (96) and had a 26-game hitting streak (6th longest in school history). Garver finished his stretch at UNM tied for fifth in career doubles (66) and earned Academic All-Mountain West honors all four years, becoming one of only three players in the program history to accomplish that.

In 2013, the Minnesota Twins drafted Garver in the 9th round of the Major League Baseball draft. He made his major league debut on August 19th, 2017. Garver never considered himself a four-star recruit or top prospect, but was determined to work his way to the highest level of professional baseball. "Not many people expected me to make it," said Garver. "I use that as motivation."

Here is more of our conversation with Mitch Garver.

***You were a two-sport start in high school. You don't hear of too many dual-sport athletes who play soccer and baseball. What did you like about soccer?***

My brother played soccer so I got into it. It was a great way to stay in shape. I loved playing defense. We were stacked the year we won state, that was a really good team. We beat Mayfield in the final 7-1 that year.

***How did you decide on playing baseball at UNM?***

I liked UNM. Ray Birmingham and I have a great relationship. UNM was really my only option. I wasn't a top prospect in high school. I was a walk-on at UNM and given an opportunity to prove myself. I didn't receive a scholarship until my senior year.

***What do you remember about the day you were drafted?***

The first day was like two rounds. Then, on the second day, my family and I were sitting by the computer, it got to about round 8, and I got a call from the Minnesota Twins saying they were going to draft me. Sure enough, they picked me in the 9th round. My parents threw a little party for friends and family and before you knew it, I was off to Rookie Ball.

***What was it like when you were first called up to the majors?***

I was in Triple A (with the Rochester Red Wings) and got a call from my agent saying, 'I wish I was there to shake your hand because you're going to be a major leaguer.' They had me on a plane to Minneapolis and I suited up against the Diamondbacks in my first game. They put me in as a pinch hitter and I struck out swinging in the seventh.

***When did you hit your first major league home run?***

It was early in the year last season in 2018. We were playing Seattle. It was the bottom of the seventh and the game was tied 2-2. I hit my first home run and what made it even better is we ended up winning the game, 4-2.

***Did you have a 'welcome to the majors' moment or were you ever star-struck?***

There was one time I was behind the dish in Toronto and Josh Donaldson came up to the plate. This was not too long after he won the MVP award and I thought to myself, 'That's Josh Donaldson and I'm catching in front of 50 thousand people at an afternoon game in Toronto. This is pretty cool!'

***What is your goal now as a professional baseball player?***

I want to become an All-Star at some point and be known as one of the top catchers in the game. I'd love to play this game for as long as a can.

***Here's what University of New Mexico Baseball Coach Ray Birmingham had to say about Mitch Garver:***

"He's a blue-collar kind of kid. He never was selfish, he was always a team player, just always working. He's a byproduct of two great parents. Mitch wanted be a chiropractor and didn't see himself playing professional baseball, but I thought he could."

***Was there a game or moment that stands out when you think of Mitch?***

"Mitch didn't play much his freshman year and didn't complain. He just went to work. His sophomore year, catcher Raphael Neda had left and Mitch was learning on the fly to play at a very high level. The group that year beat TCU in the conference championship and Mitch was a big part of it. He caught for Austin House, another local kid. It was cool to watch two kids call their own signals and work their way through it. It sparked Mitch. I think he realized he can compete with some of the best players in the country. That game with TCU was when he came of age."

"He's really grounded, that's why he made it. He by-passed so many athletes and he did it because he would go to work every day and shoot for the next step. Mitch is the poster child for New Mexico kids who can make it. They are given the opportunity to mix it up with the elite in the country and Mitch realized he could."

# 2018 State Championship Recap

## MORA WINS A/2A STATE BASEBALL CHAMPIONSHIP

The 2018 edition of the Mora Rangers won the school's first state baseball championship. Mora (19-4) beat Mesilla Valley in a mercy-rule title game, 12-2.

Mora came into the tournament as a 2-seed and met up with the top ranked SonBlazers at Isotopes Park. After a scoreless first inning, the Rangers jumped out to an early lead after plating four in the second inning. Kenneth Martinez and Javier Branch each knocked in a run with back-to-back singles, giving the Rangers their 4-0 lead. Mesilla Valley (16-4) would cut the lead in half after scoring two runs in the bottom of the second on three consecutive hits.

Mora distanced themselves from Mesilla Valley in the next frame as they put together an eight-run third inning. The Rangers sent 14 batters to the plate in the third. Gene Hern started the rally with an RBI to left to make it 5-2 and the rout was on. Pitching problems didn't help Mesilla Valley's cause. SonBlazer pitchers hit three batters, recorded five walks and threw a pair of wild pitches.

Branch, one of just two seniors on the roster, went 2-3 at the plate with three RBIs and two runs scored. Alonzo Aragon, the only other senior, was 2-4 with a pair of doubles and four RBIs. Devondre Cordova finished the game 1-2 with two runs and two RBIs.

## TEXICO EARNS THIRD STRAIGHT BLUE TROPHY IN BASEBALL

Texico, Texico, Texico. That's what it looks like on the list of New Mexico State Baseball Champions for Class 3A in 2016, 2017 and 2018.

The Texico Wolverines (27-2) beat Estancia 5-0 in the championship game of the 3A bracket. Most of their scoring came in the first inning. The Wolverines touched up Estancia (25-3) starter Zach Abeita. Texico junior Dalton Thatcher got on base with a double. Then, his teammate Cole Rohrbach knocked in Thatcher with a triple of his own. Rohrbach would later score on a throwing error by the Bears. In that same inning, senior Nathan Phipps added another run with a deep solo homer giving Texico a 3-0 lead. The Wolverines would add another run in both the fifth and sixth innings to close out the scoring.

Thatcher was on the mound the entire game, only giving up five hits over seven innings and striking out six batters.

"Dalton pitched a heck of a game, hats off to that man," said Phipps. "He competed the whole time and we just stayed resilient through the whole game."

The victory was a redemption of sorts for the Wolverines, who came up short as a number one seed at the state basketball tournament just months earlier.

"We didn't come up with a state championship in basketball, but it's a whole different game," explained Thatcher. "You hit the ball, you field the ball, you pitch the ball and that's how you win."

"This group's been building and growing for 3-4 years now," said Coach Ty Thatcher following the win. "They played a lot of baseball and learned from the other sports as well and it's fun to see them come through and play the game the right way."

# 2018 State Championship Recap

## HOPE CHRISTIAN CLAIMS 4A BASEBALL CHAMPIONSHIP

The Hope Huskies (25-6) took home the blue trophy with a 3-0 win over Bernalillo (21-10) in the 2018 Furr's Buffet 4A State Baseball Championship at Isotopes Park. It was Hope's second consecutive trip to the title game after falling to Portales in the championship the previous season.

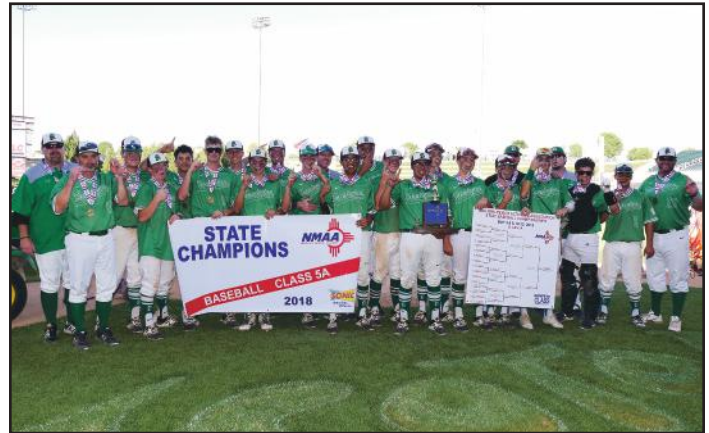

The Spartans threatened early, loading the bases in the first. But Hope pitcher Tristan Copeland got out of the jam and struck out the next three batters in the second.

Hope got on the board in the second inning. The Huskies loaded the bases and Noah Chavez scored the first run on a balk by Bernalillo pitcher Isaiah Chavez. Braden Rue would cross home on a wild pitch to make it 2-nothing Huskies. Hope's only hit in the second inning was off the bat of Coy Karler. His bloop single scored Nikko Ruiz to give Hope a 3-0 lead and that is all they would need.

Reliever Aidan McNichol came in relief to get the final two outs. Hope scored their three runs on just three hits by Evan Torres, Karler and McNichol. The Huskies started the tournament as the number one seed and finished the playoffs on top. It was their first state championship since 2013.

"It's fantastic," said junior Kole Simmons following the win. "After last year, the burning inside us after the loss to Portales, we put so much hard work into this season, I've never felt anything better than to win a championship with my brothers."

## FARMINGTON WINS 5A STATE TITLE

It was 1-versus-2 and in the end #2 finished #1.

The Class 5A championship at Isotopes Park had defending state champ Goddard (24-5) going up against Farmington (24-5) for the blue trophy. The #1 Rockets were playing in the title game for the fifth straight year. For the Scorpions, it was their first trip back to the championship since 2008.

The game started slowly with a scoreless first inning. In the second, both teams got on the board. Goddard's Ty Villareal singled to right, scoring Drew Price, giving the Rockets a 1-nothing lead. The Scorpions tied it up in the bottom half of the frame when sophomore Emilio Pardo scored on a wild pitch.

In the third inning, Farmington took the lead when Josh Spellbring singled up the middle, scoring Gavin Martin. Farmington would not trail the rest of the day.

Goddard tied it up at 2-2 in the fifth, but in the bottom of the inning the Scorpions regained the lead with a pair of runs. Emilio Pardo knocked in Spellbring to make it 3-2 and a dropped pop up scored Joseph Mihelich to make it 4-2. Goddard could've avoided the miscues all day. The Rockets finished the game with four errors.

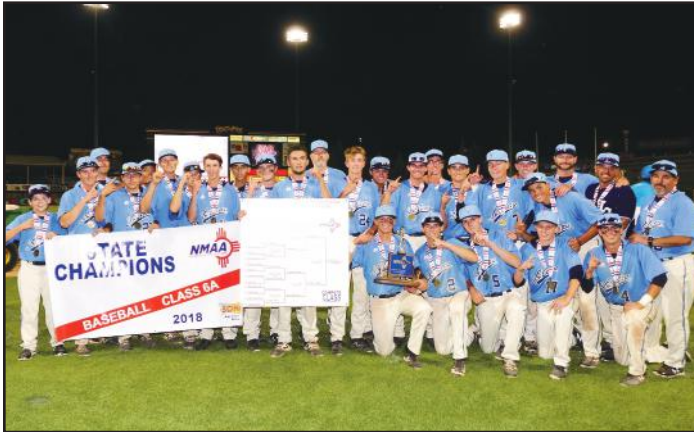

The Scorpions added another run in the sixth to make it a 5-2 game. The Rockets made it interesting in the final frame as they would score and run and load the bases with two outs. Reliever Danny Carpenter came in to pick up the save with the final ground-out to end it 5-3.

Spellbring finished 3-3 at the plate with an RBI, Pardo also went 3-3 on the game, including a double and a pair of runs.

# 2018 State Championship Recap

## LA CUEVA WINS 2018 6A BASEBALL CHAMPIONSHIP

Second verse, same as the first. It was a repeat performance for the La Cueva baseball team as the Bears won back-to-back state titles. Their run to the blue trophy in 2018 was almost identical to their previous season. In 2017, the Bears lost their first game of the season and then went on to win 28 straight games capped off with a state title. In 2018, La Cueva lost their first two games of the year and then went on to win 27 of their next 28 games including, another championship.

La Cueva (27-3) met up with Piedra Vista (23-8) in the championship game. After a scoreless first inning, the Bears found their bats. Junior Ben Schoneman got the rally started with a shot to right center, knocking in the first run of the game and the offensive snowball started to grow. La Cueva put up six runs in the top of the second, an inning where La Cueva sent 10 batters to the plate.

La Cueva senior Chad Kerschen got the starting nod and held off the Panthers for the first two innings. In the third, Piedra Vista got on the board with a pair of runs, cutting the Bears lead to four. But that would be as close as the Panthers would get.

In the fourth inning, La Cueva put another six runs up on the board. Designated hitter Phoenix Autrey knocked in a pair of runs on his own during the rally.

La Cueva didn't need the full seven innings to end this one. The Bears tacked on two more runs in the fifth to take a 14-2 lead. Piedra Vista added one of their own, but did not cross home plate, as the game ended 14-3 in five innings.

Hunter Straub had three hits and 3 RBIs on the game, senior Ryan Ramos was 2-2 with two RBIs. Senior Jack Pineda had two hits (including a double) and a pair of RBIs. Junior Ben Schoneman drove in two runs.

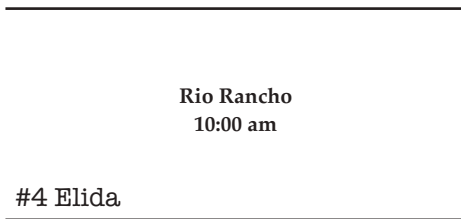

It was La Cueva's 10th state title since 2003.
