SAFETY FIRST

WE GROW TOGETHER

WHITE is a complete collection of beds and furniture for the child's rooms.

The WHITE collection grows with the kids, as their needs are changing. The collection includes a wide range of beds, mid-high and semi-high beds, high beds, bunk beds and accessories.

On the mid-high bed a slide can be added, which will turn the child's room into a playground.

The name WHITE symbolises the white colour on all the beds and products. Add a colourful detail to the beds by adding a coloured safety rail.

Straight lines and a timeless Scandinavian design is the essence of the WHITE collection, which makes it possible to fit into the decoration of every children's room.

Made from high quality MDF and solid birchwood legs in natural or white.

Safety rail available in white, light blue and light rose.

A safety tested bed system,
designed to grow with your child.
