ottobock.

Move through life with confidence.

Early mornings. Late nights. Airport rush.
Sidewalk cracks. Trailheads. Escalators.
Dance floors.

Ottobock microprocessor knees are designed
for the way real life moves. Rely on the
intuitive and clinically proven technology to
help you navigate the everyday with more
confidence, stability, and freedom.

From **C-Leg** to **Genium X4** and **Kenevo**, our
MPK family is built to support every journey,
every pace, and every next step.

Surf Season. Ski Season. No Off-Season.

Built with adaptive athletes for every sport, every condition — the FOX® shock absorber delivers smooth, natural energy return, while aeronautical grade aluminum holds up to saltwater, snow, and whatever comes next. Two sport-specific settings. One knee that keeps up.

The water's warm. Let's go.
