**WALT DISNEY**

Mickey, o mais antigo personagem da Galeria Disney, fez sua estréia no primeiro desenho animado sonoro da história, no Cine Colony no dia 29 de outubro de 1928, em Nova York. Das telas para a história em quadrinhos foi um passo.

Para acompanhar Mickey nas suas aventuras, Disney criou Minnie, Horácio, Clarabela, Pluto, João Bafo-de-Onça, Pato Donald, Mancha Negra e todos os personagens que você vai encontrar na Galeria Disney.

Selecionamos nesta edição duzentos e cinquenta e seis personagens do mundo maravilhoso de Disney. Duzentos e cinquenta e seis amigos que conhecemos através do cinema, televisão, livros, histórias em quadrinhos, brinquedos.

Este Livro Ilustrado é uma homenagem ao gênio criador de Walt Disney. É o nosso aplauso a esta maravilhosa Galeria Disney que vem, durante anos, transmitindo a todos nós uma mensagem de aventura, alegria e otimismo.
