Wellness

Yoga & fitness

Daily yoga classes are held on our beachside treetop yoga platform, ranging in style and level and taught by our certified in-house yoga teachers. Private classes and retreats are also available, as are relaxation and meditation. Our warrior gym offers daily fitness classes, TRX and circuit training.

The Sanctuary Spa at Atmosphere Resort in the Philippines is synonymous with wellness. Our core belief is that establishing a balance between a healthy mind, body and spirit is the key to successful healthy living.

Mountain biking

With such beautiful scenery on our doorstep, mountain biking is a wonderful way to experience the landscape surrounding Atmosphere. We run daily mountain biking tours, taking you on one of the many local mountain trails. Each excursion combines exercise with scenic views of nearby islands.
