Group Picnic Sites

Choose the park and picnic site that work best for you and your event. Most of our picnic sites are close to other park amenities, such as restrooms, playgrounds, athletic fields, water features, and walking paths. Park features are open to the general public and not guaranteed.

Only one reservation per site, per day is permitted. The Permit Holder is approved to use the group picnic site from Sunrise to Sunset.

All activity related to your picnic/event must be contained within the group picnic site area and may not spill into other areas of the park dedicated to first-come, first-served use.
