# Be part of the *story*

Marylebone has a rich and varied history stretching back to the Middle Ages. It has become known for its high-end shops along the quaint Marylebone High Street, nearby Regents Park, and the establishment of notable landmarks like Madame Tussauds and the Sherlock Holmes Museum.

Much of Marylebone's charm lies in its well-preserved Georgian architecture. St Mary's sits at its heart with its Greek Revival style, ornamented by a semicircular stone portico surmounted by its pepper-pot tower.

*"It exceeded all expectations. From start  
to finish, the wedding was flazeless."*

# Burning Questions

## **Can we bring our own caterer?**

We recommend you choose from our wonderful catering partners. They cater for a wide range of menus and budgets, and they know the venue well. The kitchen fee for non-partner caterers is £350.

## **Are we able to go over the 10:30pm cutoff?**

We're afraid not. St Mary's is in a residential area so the party must end at this time so we can keep our wonderful neighbours happy.

## **Can we provide our own alcohol?**

If you wish to serve alcohol free of charge to your guests then there is no licence required. For a cash bar we will refer you to our licensed bar partner who will be happy to provide. St Mary's does not charge a corkage fee.

## **Is there parking at the venue?**

St Mary's is in Zone 1 so whilst we don't have dedicated parking, there are a number of on-street options as well as paid car parks in the local area.

## **Can we deliver to the venue ahead of time?**

All deliveries and collections need to be arranged within the hire period. A loading bay is located at the side entrance.

## **How many guests can we invite?**

Our commercial kitchen caters for up to 300 guests for seated dining. St Mary's is also suitable for smaller gatherings from 100, and for standing receptions up to 500.

## **Can you recommend any hotels?**

While we do not have any partner hotels, there are plenty of hotels in the Marylebone area, of all sizes and budgets.

## **Can we celebrate outside?**

Unfortunately not. St Mary's has no outside space and is located on a residential square with noise restrictions in place.

A full-page photograph of a wedding couple standing in a courtyard. The groom, on the left, is wearing a brown suit and brown shoes. The bride, on the right, is wearing a white wedding dress with a long veil and white shoes. They are holding hands and looking at each other. The courtyard is paved with large grey stones and has several potted plants and a black metal fence. In the background, there are two buildings: a white one on the left and a brick one on the right. The ground is covered with fallen yellow leaves.

*"Beautiful wedding venue in a fantastic location.  
We had a wonderful day at St Mary's, it was a  
perfect fit for our special day."*
