- * Excellent customer support

INTRODUCTION

Need creative, educational arts and crafts projects for your classroom or after-school program? **EconoCrafts is here to help!** We specialize in awesome, high-quality craft kits that make planning easy and spark creativity.

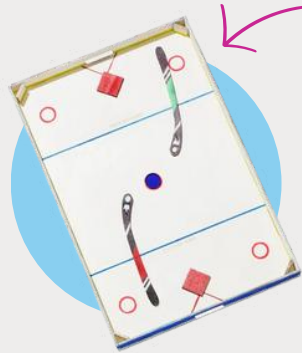

Our crafts help build children's self-esteem, aid in the development of essential motor skills, and improve cognitive and social skills while having fun.

We know that providing your students with arts and crafts activities takes a lot of planning and organization. Finding trendy, exciting, and high-quality crafts can be time-consuming, complicated, and sometimes out of your budget.

EconoCrafts has got you covered! Our crafts are loads of fun to make and will keep your kids engaged and entertained. **We've been helping schools and after-school programs like yours run successful art programs since 1956.** We realize that not everyone is a good fit for each other, which is why we invite you to explore the following pages to learn how EconoCrafts can help make your program a success.

Nicole Seeger, Art Director / Teacher
Crestwood Country Day School & Camp, Customer since 1997

EconoCrafts is the best place to get all my arts and crafts supplies. They have amazing products and wonderful customer service. They handle any size order, fast and on point. We love working with them!

”

HOW CAN ECONOCRAFTS HELP YOU

EconoCrafts wants to help you take your program to the next level.

When you use EconoCrafts, you get:

- Unique, high-quality crafts appropriate for all ages and skill levels
- Crafts kids actually enjoy
- Fast and reliable order fulfillment
- Clear communication every step of the way
- Friendly, expert guidance from our knowledgeable staff
- Fully customized crafts tailored to your program
- Affordable pricing to fit your budget

Promoting child development - You want to encourage creativity and learning through your program. **EconoCrafts can help you** accomplish this. Arts and crafts have a positive impact on children's academic performance and overall emotional and mental well-being. Our crafts help children:

- Boost creativity
- Improve fine motor skills
- Enhance problem-solving skills
- Build self-esteem
- Promote socialization

CUSTOM CRAFTS & PROMO ITEMS

EconoCrafts manufactures unique, high-quality crafts and supplies you won't find anywhere else. If you want something truly special, we can create promotional items or custom crafts tailored to your program and theme.

Want to promote your event, program, or organization but don't know where to start? Our skilled design team can add your logo to any of our existing crafts, or create something completely from scratch—customized just for you. Let EconoCrafts make promoting your program memorable and straightforward.

Let's get started on your custom craft!

Hadassah Weinberg Director
Shevach Day Camp, Customer since 2012

I'd like to share my experiences as a satisfied customer of EconoCrafts. **Working with them is an absolute pleasure. They offer amazing service.** Yoni comes down to my house to create custom-made crafts to cater to my camp's needs. Their prices are attractive and their quick shipping service made it a pleasure to work with them! **I highly recommend working with EconoCrafts. I'm sure that you'll have a positive experience!**

CUSTOMER SUPPORT & QUALITY GUARANTEE

With EconoCrafts, you never have to worry about unreliable service or suppliers who don't follow through. We pride ourselves on **exceptional customer support** and are committed to providing your school or program with the materials you need, exactly when you need them.

EconoCrafts is dedicated to supplying crafts that are safe, student-friendly, and made with high-quality materials. Our products are created from wood, fabric, plastic, cardboard, and paper, with smooth, laser-cut pieces that won't splinter and are easy for students to handle. Most items can be assembled without glue or with minimal guidance, making them perfect for a variety of grade levels and skill abilities.

Every craft we offer meets our high standards for safety, accessibility, and enjoyment. We want your students to have a positive, meaningful, and frustration-free creative experience with EconoCrafts.

Elizabeth Jenkins, Senior Team
Directions for Our Youth Inc., Customer Since 2011

We've been purchasing our arts and crafts products and supplies for years from EconoCrafts for our after-school programs and summer camps. The participants really enjoy their unique crafts. **Thank you EconoCrafts, for being our number one vendor for all of our program's needs.**

Cathy Lee Pepper-Gregory
Kidder Elementary / Hiram House Camp, Customer since 2011

I'm a teacher at Kidder Elementary in Brunswick. **We order from EconoCrafts every year because of the amazing products** that they have for our students.

”

ORDERING & LOGISTICS

Whether you manage a school or an after-school program, we make ordering simple, dependable, and completely hassle-free.

Placing your order is simple:

- Visit our website: EconoCrafts.com
- Select the items you'd like to purchase
- We can set up your online account to be **tax-exempt**, accept **purchase orders**, and provide other helpful benefits
- You can also place orders via **email, fax, or phone** – whichever is easiest for your activity office

Scheduling and Delivery:

- EconoCrafts prides itself on offering **the best customer support** in the industry
- We take extra care to **package your orders securely**, ensuring materials arrive clean, organized, and ready to use
- We make sure you **receive your products quickly and on time**
- Most orders ship the **same day** they are received
- Expedited shipping is available, so you never have to worry about running out of supplies before an activity session

Darlene Wolfe, Art Director
Traveling Art Shack, Customer since 2011

I have been ordering my art supplies from EconoCrafts for over 12 years! They truly have been so consistent with getting my orders sent on time each year. They've helped me keep within my art budget due to having great deals on some standard art supplies that I buy in bulk for my program. If for some reason I had an issue with a product, their customer service team was gracious to quickly rectify the situation! **Thank you EconoCrafts for making it such a pleasure!**

THANK YOU FOR READING!

Whether you manage a school or an after-school program, **EconoCrafts** makes it **easy** to provide creative, skill-building projects your students truly enjoy.

We're here to help you deliver fun, engaging, and simple-to-run crafts that keep students focused, inspired, and excited to learn.

Supercharge your school! Visit [EconoCrafts.com](https://www.econocrafts.com) to browse our kits, or click below to schedule a call.

Let's make your next program your best one yet!
