## SCHEDULE YOUR TRIP WITH US

### *Leave it to the Pros*

Our program includes free lessons with certified instructors, and because student safety is our priority, we were one of the first to make helmets mandatory.

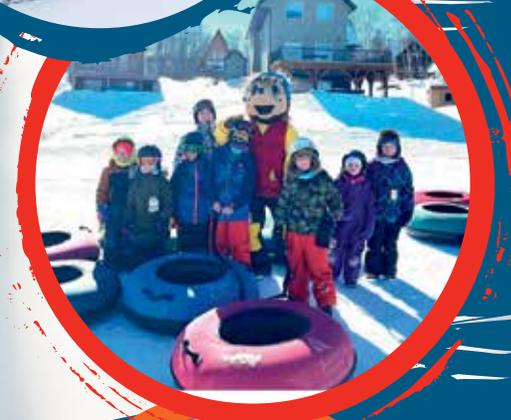

### *Endless Entertainment*

Schools have the option for tubing add-ons adding to a truly unique ski trip. Looking to take a break? Our lodge offers a variety of comfortable seating with a court full of food and drinks to warm up to.

### *A Day to Remember*

We will work with you to make sure the experience is one of the best, not only for students, but for teachers as well. Give us a call today to discuss your next trip!

# Choose the Saskatchewan Science Centre for your field trip this year!

Field trips can enhance and expand upon the materials that you are teaching in class, but there are only so many opportunities to get outside of the classroom during the school year. When you do choose a location for a field trip, you want to make the most of it.

Choosing the Saskatchewan Science Centre for your field trip is one of the best ways to do that. With hands-on exhibits to explore, a large variety of workshops to take part in, and educational IMAX films, it's easy to tie your lesson plan into a fun and productive field trip.

Each of our workshops is designed for a specific grade level to work with the curriculum that you are teaching in your class. Information about inquiry learning activities is provided so that you can plan lessons around the things your students experience at the Science Centre. Plus, the visiting exhibitions and IMAX films are presented with Educator Guides to help take the load off of planning pre and post-field trip activities.

Start the day right! After a quick check-in upon arrival, one of our Science Educators is taking your class to their workshop location. Maybe it's Laser Mazes, where your students will experiment with light, reflection, and refraction to solve puzzles, followed by some exploration time on the exhibit floor!

Promote inquiry learning and use the activity sheets available on our website to help their fun time be productive. This time could also include watching one of our stage show demonstrations on topics including cryogenics, gravity, air pressure, energy, and chemistry!

Enjoy lunch on-site at noon, which, weather permitting, can be eaten out in beautiful Wascana Park. Then, at 1:00, watch an IMAX documentary on our five-story screen with intense 3D images and an immersive 12-channel surround sound system to keep your students glued to their seats. By 1:45, you're back on your way to your bus and back to school with plenty of time to spare.

Of course, that's just one way to experience the Science Centre with your class! Whether you would like a full-day or half-day experience, we can help you plan it. Our full list of workshops, IMAX films, and teacher resources are available on our website.

If you're too far away from Regina to visit us, let our Go! Science or Go! Code Outreach team come to you! A full day of programming can be brought right to your school, with hands-on, grade-appropriate workshops and stage shows that can bring your whole school together for some exciting science demonstrations!

Go beyond the classroom this year and ignite the scientific curiosity of your class at the Saskatchewan Science Centre! Real science. Real fun.

Visit [sasksciencecentre.com](http://sasksciencecentre.com) for more information.

# Real science. Real fun!

Ignite scientific curiosity in your class with interactive learning and engaging opportunities!

## Field Trips

Bring your class to the Saskatchewan Science Centre for a fun-filled, science-packed trip beyond the classroom! Inquiry learning happens at every turn when exploring the exhibit floor, and our teacher resources will help you make the most of your visit.

## Workshops

Enhance what you've taught in the classroom, or introduce a new concept with a curriculum connected workshop! Let your class get wrist-deep in science without the mess for you.

## Go! Code Outreach

Can't make it to us? Let us come to you! Our Go! Code Outreach team provides free, hands-on coding workshops geared toward specific grade levels and tied into curricular outcomes right in your school!

## The Kramer IMAX Theatre

The Kramer IMAX Theatre is the largest movie screen in Saskatchewan! While maintaining our capacity to show incredible IMAX 15/70mm films, we have added a new digital IMAX with Laser system to be better able to provide the content that YOU want. Ask about our Educators only content library!

Sign up for our **Educators Online** newsletter for monthly updates geared toward teachers! You can also apply for funding assistance and find lesson plans and other teaching resources.

# Swift Current Museum

Located just off the Trans-Canada Highway in Swift Current, Saskatchewan, Canada, the Swift Current Museum is operated by the City of Swift Current.

Since at least 1934, the Museum has collected artifacts and produced exhibitions and programming to preserve and promote the history of Swift Current and the surrounding region.

The Museum shares a building with the Swift Current Tourism Visitor Centre and is open year-round. Monday-Friday 9am-5pm Saturday 1-5pm/ The Museum houses a permanent gallery, temporary gallery for traveling and in-house exhibits, hosts many public programs, education programs and special events.

Visitors can search the extensive archives and records upon request for research purposes, as well as visit the Fraser Tims' Gift Shop.

#### **Drop In Programs:**

The Museum offers a number of drop in, free,

hands-on programs that are suitable for all ages. Check Facebook, Instagram, Twitter and our website to find out details.

#### **School Programs:**

Tours and programs are available for elementary, middle and high school classes. Please contact for more information.

#### **Community Programs:**

Tours of the permanent and current temporary exhibitions are available for groups by appointment. Clubs and organizations coming for a tour are welcome to use the museum facilities to host their monthly meeting following the tour. Staff members of the Museum may be booked to give talks or lead programs off-site at your group meeting or event.

#### **Downtown and Cemetery Tours:**

Historical downtown tours and Cemetery tours are offered regularly throughout the summer. For more information on these tours, including when they are offered to the public please contact the Museum.

#### **Stories From Saskatchewan's Great Southwest:**

To watch a series of videos highlighting some important history from the Great Southwest please visit our website or use the direct link [www.swiftcurrent.ca/stories](http://www.swiftcurrent.ca/stories)

#### **Ted Knight Saskatchewan Hockey Hall of Fame:**

The Ted Knight Saskatchewan Hockey Hall of Fame is located in the city of Swift Current at the InnovationPlex. Though the official location of the Hall is Swift Current, the Hall of Fame wants to stress the inclusion of the entire province. An induction dinner is held annually, in a different location across the province, to allow everyone in Saskatchewan the opportunity to be involved in this initiative and the fundraising efforts needed to maintain and promote the Hall. Open 1-5pm Tuesday- Saturday. Hours vary on holidays and Bronco game days. Admission by donation.

## ALLEN SAPP GALLERY THE GONOR COLLECTION

**AWARD WINNING  
PUBLIC GALLERY**

Since 1989 the Allen Sapp Gallery has been the crown jewel of North Battleford. Located in the city's old Carnegie Library, the gallery presents exhibitions from the extensive Gonor Collection and attracts individuals from all over the world. The heart of the gallery is the artwork of renowned Cree artist Allen Sapp. Sapp's paintings masterfully depict First Nations' cultures, the simple elegance of rural life, and the beauty of Treaty 6 Territory in Saskatchewan. We offer educational programming year-round, where we present activities that teach art fundamentals and explore the narratives depicted in the paintings of Allen Sapp.

# Create Memorable Learning Experiences for Your Students!

Food connects us all to agriculture. Exploring our personal connection to food and agriculture provides a unique opportunity for your students to learn concepts in Science, Social Studies, Health, ELA, Careers, and more!

At Agriculture in the Classroom Saskatchewan (AITC-SK), we provide fun, engaging initiatives that inspire students to get curious about where their food comes from and discover agriculture all around them. Our offerings are innovative and educational, with curriculum connections for every classroom from Kindergarten to Grade 12. And did we mention they are FREE?

## Interactive & Experiential Programs

Give your students the opportunity to get their hands dirty and experience the sights, sounds, and smells of agriculture at one of our out-of-school programs. AITC-SK offers a variety of programs that are designed to meet your curricular outcomes and to provide a fun and engaging learning environment for students.

Out-of-school programs are often half or full day events that immerse students in learning as they visit interactive stations on topics related to where our food comes from. AITC-SK's approach to learning is exciting for students and creates a memorable learning experience like no other! Our out-of-school programs are located in urban and rural communities around the province.

**“Fantastic program! My students learned about plants and soils in a way a classroom can't provide. Thanks for the hands on learning!”**

Can't find a location near you or unable to get out of the classroom? Try a free, provincially available in-school program! We provide

classroom garden programs (Little Green Thumbs and Little Green Sprouts) classroom presentations facilitated by AITC-SK on topics ranging from where food comes to world food sustainability, careers, and more!

## Innovative & Curriculum-Linked Resources

Capture your students attention with our hands-on learning resources. AITC-SK offers educational resources for teachers to access at no cost that will help supplement your classroom teachings while reaching curriculum outcomes. Our K-12 resources include lesson plans, learning kits, videos, digital resources, storybooks, and more. French resources are also available.

## Program Registration & Resource Ordering

Our programs fill up fast, don't miss out on these fantastic learning experiences! Sign up for our Educator e-Newsletter to be notified of programs open for registration each month.

Browse and order free resources for your classroom on our website. The AITC Resource Library allows you to filter by grade, subject, and resource type, and view the connected curriculum outcomes for each resource.

# THE CHICAGO CONNECTION

YOU ARE BOOTLEGGERS IN 1929 AND HAVE COME TO BUY BOOZE FROM THE CAPONE ORGANIZATION. IT IS IMPERATIVE TO LEARN THE TRICKS OF THE TRADE AND STAY OUT OF THE WAY OF THE LOCAL POLICE CHIEF WALTER JOHNSON. AFTER STARTING OUT AT MISS FANNY'S CLUB YOU END UP LOST IN A TUNNEL, SOMEWHERE UNDERGROUND. AND THE ONLY ONE WHO KNOWS THE WAY OUT IS GUS, ONE OF CAPONE'S GOONS.

## BUNKER 24

BUNKER 24 TRANSPORTS YOU TO 1958 DURING THE COLD WAR. EAST VS WEST, COMMUNISM VS CAPITALISM. THE NUCLEAR ARMS RACE IS IN FULL SWING AND THE FUTURE WE FOUGHT FOR IS IN GREAT DANGER. WE DROP YOU BACK INTO OUR 1950'S COLD WAR BUNKER. YOU ARE NEW RECRUITS ENTERING YOUR FIRST DAY OF TRAINING. DO YOU HAVE WHAT IT TAKES TO SUCCEED?

## PASSAGE TO FORTUNE

THE PASSAGE TO FORTUNE TELLS THE STORY OF EARLY CHINESE IMMIGRATION TO CANADA. YOU BECOME AN IMMIGRANT AND FOLLOW IN THEIR FOOTSTEPS THROUGH BURROWS AND SONS LAUNDRY, IN DARKENED TUNNELS UNDER THE STREETS AND INTO THE KITCHEN OF MR. WONG'S CAFÉ. YOUR PASSAGE TO FORTUNE IS JUST AROUND THE CORNER.

HISTORY GOES UNDERGROUND

A promotional poster for the film 'Tunnels of Moose Jaw'. It features three men standing in a dark, stone-lined tunnel. The man on the left is wearing a black beanie, glasses, and a dark jacket over a light-colored shirt. The man in the center is wearing a black fedora, a dark suit, and a patterned tie. The man on the right is wearing a military-style uniform with a pilot's wings on his chest. The lighting is dramatic, highlighting the men against the dark background.

# Duck Lake Regional Interpretive Centre

Come and enjoy a guided tour of our centre, featuring our ongoing theme, “Frontier of First Nation, Métis and Pioneer Society from 1870-1905.”

Learn about the lifestyles of the Willow Cree First Nation, Métis and pioneer people, interpreted through artwork, artifact displays and interactive models. Our museum collection includes some impressive historic items, among them a gold watch belonging to Gabriel Dumont. Other items in our collection include costumes, beadwork, religious articles, pioneer tools and equipment from the Hudson Bay Company, the North-West Mounted Police and local residents.

Tours are available in French and English, and interpretive texts are translated in English, French with some Cree and Michif.

The Heritage Christmas Program (November to December) includes cultural crafts and activities with a seasonal flavour. We can help plan

your group's Christmas party with a catered meal, tour and activities.

Hours of operation are 10:00 a.m. to 5:30 p.m., seven days a week from Victoria Day to Labour Day. We are open by appointment during winter, and tours are available during winter months (please call for bookings). Pre-booked catered meals are also available for groups.

A gift shop, viewing tower, picnic area, free parking, art gallery and videos are all part of the Interpretive Centre experience.

Admission rates are as follows:

Adults - \$6.00

Seniors - \$5.00

Students - \$2.50

Family rate - \$13 (two guardians and children under 18).

A discount of 25 per cent is offered to group tours.

*For more information on the Duck Lake Regional Interpretive Centre  
or to book your guided tour, call 1-866-467-2057.*

## **Nutrien Wonderhub is Saskatchewan's children's museum.**

We support intergenerational play and independent discovery, and we foster creativity, curiosity and a lifelong love of learning in children - and their grown-ups!

We are a charitable not-for-profit organization located in Saskatoon's historic Mendel building where children and their grown ups enjoy more than 25,000 square feet of interactive exhibits, programs and opportunities for playful learning. Located adjacent to the beautifully renovated Kinsmen Park, our state of the art facility serves as a community hub for creativity, curiosity and wonder.

The museum is a safe place for children of all backgrounds and abilities to explore, experiment, and interact with the natural and built world. Our vision is to let dreams soar, and we nurture creativity and curiosity by bridging the gap between home and school, combining play with specific learning objectives in a welcoming, informal environment suitable for children of all ages.

Our commitment to the community extends far beyond our walls. In addition to our in-house offerings, our outreach programming brings the museum experience to children of all ages and backgrounds regardless of location.

## All aboard at the Saskatchewan Railway Museum!

The Saskatchewan Railway Museum on the Pike Lake Highway #60 offers a hands-on experience for visitors. They can climb on a train, walk through a vintage railway station, and view railway artifacts that helped build Saskatchewan's railway history.

The museum was established in 1990 and this year celebrates its 33rd anniversary. The museum is operated by the Saskatchewan Railroad Historical Association, who have collected upwards of 50 vintage railcars and 30 historical railway buildings. These items are restored and maintained by a volunteer work crew.

The museum is open Friday to Sunday, from 10 am to 5 pm. Tours on Monday and Thursday. Closed Tuesday and Wednesday. We are open from the May long weekend to the Labour Day weekend.

Group tours are available by contacting the museum at **306-382-9855** or check our website **www.Saskrailmuseum.org** for admission prices and other details on the museum's collection.

Watch for special events throughout the summer and like us on Facebook!

# TABLE MOUNTAIN Regional Park

For more than 50 years; Table Mountain has been offering ski/snowboard programs to schools across Saskatchewan and Alberta. We feel that every child should have the opportunity to experience skiing/snowboarding. Our certified CSIA and CASI instructors have customized programs to accommodate every grade (4-12) and ability level.

With our large chalet there is plenty of space for a quick rest and a bite to eat. Our 2 quad chairs will have you spending less time standing in line and more time for fun on the slopes. With the newly expanded beginners area your kids will be having fun in a safe environment, while practicing their turns.

## Skiing Levels

<b>Red</b>	<ul style="list-style-type: none"><li>• An introduction to skiing, designed for first- or second-time skiers</li><li>• We stay on the Bunny Hill.</li></ul>
<b>Green</b>	<ul style="list-style-type: none"><li>• Ski improvement, for skiers who can turn both ways and stop using a snowplow stance</li><li>• We generally go straight to the top of the chair</li></ul>
<b>Blue</b>	<ul style="list-style-type: none"><li>• This level is for skiers who can parallel ski and are ready for a new challenge</li><li>• We will be going down The Black Diamond Runs</li></ul>

## Snowboards Levels

<b>Yellow</b>	<ul style="list-style-type: none"><li>• An introduction to snowboarding designed for first- or second-time snowboarders</li><li>• We generally stay on the Bunny Hill</li></ul>
<b>Orange</b>	<ul style="list-style-type: none"><li>• Rider improvement for snowboarders who are ready to start turning or still have trouble linking turns</li><li>• We go straight to the top of the hill</li></ul>
<b>Black</b>	<ul style="list-style-type: none"><li>• This level is for confident riders who can carve &amp; link turn on all terrain</li><li>• We will be going down The Black Diamond Runs</li></ul>

## Ukrainian Museum of Canada

### Educational Programs:

The Ukrainian Museum of Canada is pleased to offer customized programming for grades K to 12!

Programming includes:

- Guided tours of exhibitions
- Pysanky/Easter Egg workshops
- Vyshyvanka/Ukrainian Embroidery workshops
- Motanka Doll workshops
- Classroom Visits

School tours, workshops, and activities and are available Tues-Fri. Starting as low as \$3/student.

### Exhibitions:

Our exhibitions explore the Ukrainian settlement story in Saskatchewan; Immigration through the 20th and 21st centuries; War in Ukraine and Ukraine's fight for freedom; Folk art traditions and culture; and more. New exhibitions are installed every 4 months.

**Visit [umcnational.ca](http://umcnational.ca) or call 306-244-3800 to book your school visit today!**

**The Ukrainian Museum of Canada** is thrilled to offer an exciting mix of museum-led and teacher-led visits and workshop options.

In teacher-led visits, you're invited to explore the Ukrainian Museum of Canada with your students, stopping to investigate any of our three exhibition spaces. Museum gallery guides and scavenger hunts are available upon request.

During museum-led visits, our staff will greet your group when you arrive to welcome you, share our history, and guide you and your students through exhibitions and short activities and/or workshops (pysanky-making, motanka-making, Ukrainian embroidery, etc.).

NOTE: Chaperones may be required to help students with some activities.

*School tours available: Monday - Friday | May - June | September - October*

The Saskatchewan Conservation Learning Centre Inc. (CLC) is a producer-driven agricultural research farm located 18 km south of Prince Albert Saskatchewan on Highway #2. The centre is an ag plastic recycling drop off location, has a self-guided nature trail (1.5 km) over rolling hills and around wetlands, and has a long-standing school program.

For school tours, what a better way to learn than a visit to the CLC to see agriculture, nature and conservation in action? The CLC leads Saskatchewan science curriculum based, hands-on, interactive school tours for students in grades 1 to 12 each spring and fall.

Tour stops include spring pond dipping, shelterbelt species garden, SRC weather station, a garden experience, and a fall corn maze. Pack a lunch to eat in our outdoor classroom and wrap up your tour with a show and tell of different soils and grains, animal bones, furs and more!

# WASKESIU LAKE NATIONAL PARK

Prince Albert, SK

## SASKATCHEWAN'S FOUR-SEASON PLAYGROUND

Waskesiu Lake, Saskatchewan's four-season playground is where the beauty of the north is on full display with a wide range of activities and amenities year-round. This is a premier destination where you will find world class venues, catering and a large variety of accommodations for any event whether it's a wedding, conference, corporate retreat or family reunion.

The Parks Canada heritage buildings are excellent venues for groups ranging from 10 to 160. The iconic Community Hall is Waskesiu's most beautiful venue situated near the main beach of the townsite. Rich, rustic architecture and open-air surroundings allow for an effortlessly warm ambiance. Terrace Gardens Hall was recently restored to its 1930's charm and includes hardwood floors and a stage – perfect for hosting dances and small weddings.

Don't wait to make your reservation. Many accommodations are accepting bookings now for spring, summer and fall. You can find all the information you need at [waskesiu.org](http://waskesiu.org) to plan your getaway.

After the hustle and bustle of a wedding, conference or family reunion, you may want to extend your stay for your honeymoon or simply relax, unwind and enjoy some of the most beautiful scenery Waskesiu has to offer. With open views of the night sky, looking for the Milky Way and other constellations or watching for the northern lights, is a great way to spend an evening.

You don't need an event as an excuse to visit Waskesiu. There is enough to do in every season that will leave you wanting to come back for more.

Have your event come to life in a *unique way*

Plan your next wedding, conference, reunion, and more in our many indoor and outdoor event spaces – *effortlessly*.

Plan your next event at: [waskesiu.org](http://waskesiu.org)

# RIDE WITH SOUTHLAND

FIELD TRIPS, CAMPS, DAY PROGRAMS & MORE

## BOOK TODAY

[southland.ca/charters](https://southland.ca/charters)

SOUTHLAND Transportation started in Calgary in 1971 with a single van. Since then, we have expanded our diverse fleet to over 2,200 vehicles, with operations in Alberta, Saskatchewan, Ontario, and Nova Scotia. We take great pride in serving communities across Canada.

Every day, we travel over 150,000 kms and safely transport over 100,000 people to their destinations and then safely home. Yes, a lot of those passengers are indeed schoolchildren, however we want to remind everyone that SOUTHLAND Transportation also offers an excellent charter service that can accommodate any size of group.

Our highway motorcoaches have 56-passenger capacities, while our 72-passenger school bus rental is a great alternative for local day trips. Our 12-passenger Sprinter vans are ideal for smaller groups. Our friendly, reliable service is available throughout Alberta, with 8+ locations across the province. You can easily book your small or large group charters at [southland.ca/charters](https://southland.ca/charters)

We aspire to offer the gold standard in reliability and overall customer service. The knowledge, expertise, and passion of our teams in Calgary and across Canada support our reputation as a leader in the people transportation industry.

At SOUTHLAND Transportation, we genuinely believe that our people are our greatest asset, and we're currently looking to hire more drivers. We're determined to employ talented people who share our company's dedication to safety and service.

If a competitive wage, flexible schedule, and paid training sound good, apply today at [southland.ca/careers](https://southland.ca/careers).
