"Design is about more than
just form and materials."

Povl B. Eskildsen, a distinguished Danish designer, perceives design as a way of understanding how people live and interact with furniture in their daily lives. His architectural background and his family's teak furniture legacy is beautifully reflected in the *Lynn* collection, where he masterfully merges timeless Scandinavian craftsmanship with contemporary design. His furniture embodies minimalist elegance, crafted with meticulous precision to elevate outdoor living spaces with sophisticated, adaptable pieces.

"With Lynn, we've created a collection that's as luxurious as it is eco-conscious."
