From our Directors:

Class Act Dance Troupe is about more than dance... It's about our kids. It is about providing opportunities for young dancers to develop artistry, commitment, and self-confidence. We want to congratulate this season's dancers on a year filled with talent, spirit, integrity, and passion. Whether it is through early morning rehearsals or countless hours of practice, your dedication is inspiring. You are truly a Class Act, and we are honored to have shared this journey with you.

Miss Kristina and Miss Tammy

Class Act Dance Troupe would like to thank our audience members and sponsors for your support of our performance today. The net proceeds from today's performance provide scholarships for the dancers. Today would not be possible without you!
