

Horse Hoof Knife and Cutter

BLACKWOOD KNIFE

The Horse Hoof Knife with Blackwood Handle is a premium farrier tool designed for precision and durability. Featuring a sharp, stainless steel blade, it allows for clean and accurate trimming of the hoof. The ergonomically crafted Blackwood handle provides a comfortable, non-slip grip for enhanced control and safety during use.

BROWNWOOD KNIFE

This Horse Hoof Knife with Brown Wooden Handle is a reliable and essential tool for effective hoof care. Designed with a sharp stainless steel blade, it ensures precise trimming and cleaning of the hoof with minimal effort.

HOOF CUTTER

The Horse Iron Hoof Cutter is a robust and essential farrier tool designed for trimming thick and overgrown hooves with ease and precision. Crafted from high-grade forged iron, this cutter offers exceptional durability and cutting strength.
