GROUND UP
MOTORS

A proud part of the Ground Up
Motors family of brands

WHY SHOP WITH US?

- **HELP WITH THE PROJECT, NOT JUST THE PART.**

We have thousands of parts available in our inventory, ready to ship. Making it easy for us to help you find the perfect fit and get your project moving.

- **EVERYDAY SUPER SAVINGS!**

We're here to help you save with Free Shipping or 10% Off available all year and exclusive kits and bundles to save you time & money.

- **FAST SHIPPING & SATISFACTION GUARANTEE:**

Most orders are packed, shipped, and delivered within 3 days from Miami to New York and as far West as Colorado and Texas. If you are not satisfied with your purchase you can return it for an exchange or refund.

Ground Up Motors Junior Interior Kits

These kits feature "out of the box" pre-assembled door panels from PUI. This means that they are ready to install with moldings and window felts where applicable. Seat covers are also crafted by PUI and feature all of the correct grains, materials and colors as original. We finish off these kits with complete PUI headliner and side sail kits which feature OEM grains and colors and a brand new ACC carpet which duplicates OEM style carpets.

Pre-Assembled Seats Are A No Fuss Way To Upgrade Your Interior!

IAS-F69S

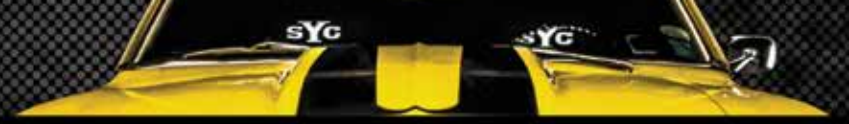

IAS-F67D

PUI Pre-Assembled Deluxe Seats

If you're thinking about having your deluxe bucket seats re-upholstered or converting from standard to deluxe interior, consider these pre-assembled DLX bucket seat assemblies instead! These assemblies are COMPLETE with frames, tracks and side covers. These assemblies cost much less than buying all of the separate components and paying an interior shop to put it all together. Simply take them out of the box and bolt them in and you're ready to go!

RTX-70C-CAM-X

RTX-69C-CAM-X

RTX-67C-CAM-X

Dakota Digital RTX Gauge Kits

Designed after stock Camaro clusters, these all-new packages look like a simple speed/tach combo until you turn the key, then four auxiliary readings appear! Oil pressure, coolant temperature, fuel and volts are comprised of LED bars; invisible to the average observer but front and center for the driver. Each pod has a TFT message center for additional information at your finger tips. Graphic styles vary between 1967 and 1968, the systems will interchange between the years, so choose your preferred or period-correct version! Direct fit into stock or reproduction gauge bezels, sold separately. The RTX series is the latest, focusing on retaining that stock look without sacrificing the late-model features you love. Every effort has been put forth to incorporate OEM design elements regarding the layout, face styling and indicators. A casual glance may dismiss these as original equipment, but once you hit the switch and the LED backlighting comes on in your favorite color scheme, all doubts will be removed. Starting from scratch, CNC machined housings are filled with electronics designed and built in-house, helping Dakota Digital once again raise the bar for aftermarket instrumentation. The high-definition TFT message centers can be fully configured to display just about any piece of information needed or just leave the vintage-looking tumbler odometer on the screen for a totally stock appearance. As you've come to expect from Dakota Digital, the RTX series utilizes a central control box to make installation and setup as easy as possible. Bezel not included, shown for visual/presentation purposes. The RTX system uses an OEM or reproduction style bezel.

HDX-67C-CAM-S

HDX-69C-CAM-K

HDX-70C-CAM-S

Dakota Digital HDX Gauge Kits

Ushering in a new era of muscle machines, Camaros have long been turned into hot rods. Keep the tradition alive and bring yours up to spec with this direct-fit instrument system! It attaches directly to a stock or reproduction bezel (available separately) and supplies you with six analog gauge sweeps and a pair of high visibility TFT message centers. Available with your choice of black or silver alloy gauge-face styling, each HDX system allows the user to select independent illumination colors for the gauge readings and needles, as well as the message centers. Calibration and personal settings are manipulated with the built-in, capacitive-touch buttons or the available Bluetooth App. for Apple and Android devices. Each needle hub is black nickel plated spun-aluminum to match the buttons. All HDX instrument systems feature dead-faced indicators (turn signals, high beam, check engine, cruise control, parking brake, plus two user-definable) and a red, settable warning light for each gauge. With our central control box, installation is greatly simplified with vehicle-harness sourced signals and supplied, solid state sending units connecting cleanly to their respective terminals.

QuietRide AcoustiShield

The QuietRide AcoustiShield kit is a multi-stage automotive and sound dampening system to give your muscle car the quiet riding comfort found in today's new cars.

AcoustiShield kits are designed on current state of the art auto acoustic technology to insulate and control the noise, vibration and heat in the passenger cabin. Kits are pre-cut and come with easy to follow installation instructions: Everything you need to do the job right! The first stage consists of pre-trimmed, self-adhesive sound damper pads which are bonded to strategically located trouble spots to control body panel vibration and noise. These spots are mapped and labeled in the detailed instructions.

Complete Kits include Body, Cowl, Floor, Roof (except convertible) and Trunk Floor Kits.

USA-740CAM69

USA 740AM/FM 300 Watt

The USA-740 offers the same classic look that Custom AutoSound has always been known for with today's latest features. Now, with built-in Bluetooth (microphone included), answer calls and get Bluetooth streaming music from your Bluetooth capable phone or Bluetooth compatible device. A solid 300-watt peak power should be all the juice you need, yet the USA-740 has Hi 4 volt, 4 channel RCA pre-outs and a subwoofer RCA pre-out for additional amplifiers. The USB input allows you to plug in a USB flash drive for playback of MP3/WMA/FLAC/WAV song files. A front 3.5mm mini jack auxiliary audio input and a rear RCA auxiliary audio input provide versatility for options like satellite radio, iPod or any portable player you wish to use. Match the dominant color of your instrument cluster with user selectable multiple LCD color choices with LCD dimmer control. The AM/FM RDS tuner shows station, song and artist on the LCD display. For those of us committed to music collections on compact disc, the USA-740 fully controls the optional Custom AutoSound CD-1 CD player. Classic style with today's sound and performance taking every road and curve with you in your Chevrolet.

CAM-CH92-SBR2

Custom AutoSound Slidebar Radio

The Slidebar Radio provides the best of both worlds, a true working slidebar display and a full-featured digital display in the same stereo. Simply slide the bar in the center of the radio to the right and hide the analog slidebar revealing a full-featured digital display underneath. The slidebar is designed with large OEM style push-buttons to complement the look of your classic car. Its digital display provides seven backlit color options designed to match the color of your dash instrumentation.

CAM-CH92-SBR2	1969-77 All	377.99 kit
---------------	-------------	-------	------------

Custom AutoSound USA-630 AM/FM 240 Watts

The USA-630 is the pinnacle of 30 years of evolution in Custom AutoSound's quest for the perfect classic car radio. This radio has large OEM style push-buttons that give a perfect look in a classic dash. Although it looks classic it has the latest modern features. USB input on the back of the radio. This jack is on an 18" extension which allows you to place it in the glove box or ash tray for easy access (no unsightly wires or plugs hanging out of the front of the radio). The new alpha numeric display (30% larger than previous models) shows the song/artist/album (id3) titles during playback of MP3/WMA files. With the built in CD controller you have complete control (no FM modulation) of CAS's 10 disc CD changer.

With 240 watts the radio should have all the power you may need. If you want more, there are four pre-outs jacks on the back of the radio for optional amplifiers. The back of the radio also has auxiliary audio input for satellite radio or any portable player you may wish to use.

- AM-FM Stereo - USA/Euro Tuner - Power Antenna Lead - Alpha Numeric id3 Display for MP3/WMA files - Electronic Tuning and Volume Control - 4 Way Fader - Left/Right Balance - Digital Clock - 16 Pre-sets (12FM-4AM) - 4 Channel RCA Pre-outs - Separate Bass and Treble - 2 Channel RCA Auxiliary Input for Satellite / iPod etc.

AAR-73CAM

Antique Auto Radios

If you are looking for a radio that sounds great and looks just like your original this Antique Auto Radio is perfect for you! Max power 180 watts RMS, 45W x 4 MOSFET onboard power amplifier. Analog controls look and feel just like your original. AM dial scale in foreground looks original with a FM dial scale in background. All controls easily accessible. Volume, bass, treble, balance, fader and tuning from original looking controls. Digitally tuned AM/FM/Stereo front end provides stable, high quality reception. Shafts are the original size, for quick and accurate mounting just like your original. Also included are additional line outs and output options: 3 RCA jacks for left channel, right channel and sub-woofer, a 6 foot 3.5mm male-to-male auxiliary cable, 3.5 mm phone jack for input from iPod, satellite radio or MP3 player, switch selectable for 1,2,3 or 4 speakers, switch selectable for North America or Europe mode. Doesn't include a remote or a USB for a flash drive or SD card port. All Antique Automobile Radios now feature built-in Bluetooth 3.0 EDR compliance; Place and answer calls or stream your favorite programs while maintaining the original appearance! Includes a built in microphone for HFP (hands free profile calling). HSP, A2DP, AVRCP profiles are also supported.

SECRET-SST

BLUKIT

Secret Audio SST

Secretaudio SST is a hidden audio system that offers great flexibility for mounting in any type of vehicle. The main receiver/ amplifier unit is usually hidden under the seat or behind the dash. A 10ft cord from the Tuner/Amp plugs into an LCD display. The system can be operated from up to 40 feet away with the included RF (radio frequency remote.)

Included with the system is a flush mount bezel for console or dash mounting. The small dimensions of the flush mount system allow you to install the LCD display almost anywhere. The LCD also comes with a bracket mount for easy installation in the glove box, under the dash, in the ashtray, sun visor, console or wherever you choose. Since its only 1" deep, it's especially handy for custom or streetrod applications where there may be wiring or ducting routed behind the panels you wish to utilize for mounting. When your installation is finished you'll be rewarded with a quality professionally installed look.

Features:

- AM/FM Stereo 200 watts 4x50 · Auxiliary Audio Input · USB MP3/WMA Flash Drive Player · iPod® Direct Control Interface (built into tuner/amp unit) iPod Docking Cable Included · Alpha Numeric LCD Display Shows Artist / Song Titles for USB, iPod® and Satellite Radio · Satellite Radio Input (for optional Sirius® satellite radio tuner) · Direct CD Changer Control (CD changer optional)
- 4 Channel 3 Volt RCA Pre-Outs (for optional Amplifiers) · Subwoofer Pre-Out (for optional Subwoofer Amplifier)
- Electronic Volume, Bass, Treble, Balance, Fader · 5 Selectable iEQ Curves – pop/jazz/classic/beat/rock
- Zero Memory Current Draw (will not drain car battery when unit not in use) · 24 Station pre-sets (18FM / 6AM) · Power Antenna 12V Trigger Lead

SECRET-SST 1964-72369.99 ea.

Bluetooth Interface for USA-630, Secretaudio

This adapter plugs into the CD changer port of your radio and gives you the ability to do hands free calling from your Bluetooth capable phone. You can listen to music stored on your A2DP enabled Bluetooth device. You can still use your CD changer with the adapter plugged in.

BLUKIT Bluetooth Interface109.99 ea.

Note: Works with Custom Autosound USA-630 and Secretaudio systems.

KPS-F69-80

KPS-F69-300

Premium Quality Kick Panel Speakers

These Ground Up Motors kick panel speakers offer great sound quality for your Camaro. These kick panels are as true to the originals as possible while offering a modern speaker in a convenient location. No cutting of the body required! Made of ABS textured plastic. They can be painted to match any interior for a clean look. All speakers are 6.5" with either a 80 watt three way or a 300 watt two way speaker driver.

NSW-146

Steel COPO Wheels

This is a brand new factory style steel Camaro wheel which was usually standard equipment on six cylinder cars, Special High Performance Cars and COPO cars. These steel wheels were usually discarded over the years in favor of Rally Wheels or Super Sport Wheels and are tough to find. This wheel is perfect for your bone stock restoration, COPO recreation or sleeper.

ER-7014RL

ER-7014RW

Factory Style Radial Tires

If you're going for an authentic Camaro restoration, be sure that you don't overlook the tires! Previously, this meant sacrificing modern ride quality and handling characteristics for an authentic appearance, but now you can have the best of both worlds with these modern radial tires that have a period correct appearance. This factory style Firestone Wide Oval tire is an almost exact replica of the original, engineered from the ground up to provide excellent ride quality, tread life and safety, while retaining the correct tread pattern and raised white lettering.

 FPB-1003C 1967-69 11"198.99 ea.

FPB-9102

9" Single Slimline Booster

Nice clean looks and performance that won't disappoint. A good choice if you're undecided on which booster to get.

FPB-9102 1967-69 Gold143.99 ea.

EVP01

Electric Vacuum Kit

A minimum of 16 inches of vacuum is critical to ensure that your power disc brakes are functioning and this kit ensures that your vacuum stays above that level so you will never have to worry about losing your brakes when you need them the most. The system automatically activates when the vacuum falls below that critical level and turns off when the engine is producing enough vacuum. This kit includes an efficient electric pump, relay switch, distributor with vacuum switch, wiring, hoses and brackets. This system requires a 12V negative ground system for operation.

EVP01 Vacuum Pump Kit325.99 kit

FBC-799

Clutch Pedal Booster Rod Clip

Correct clutch pedal rod clip for power disc brake cars.

FBC-799 1967-81..... 9.99 ea.

DSE030101

DSE Tubular Upper Control Arm Kit

These DSE tubular upper control arms are a direct replacement for your stock control arms and offer better suspension geometry with more strength, which equals better handling and performance. Everything needed to install these new control arms is included in this COMPLETE kit.

- DSE030101 1967-69 All819.99 kit
- DSE030102 1970-81 All819.99 kit

Installation should be followed by a professional alignment.

Ships Oversized. No Volume Discount.

DSE031201

DSE031204

DSE030201

DSE030401

Delrin Lower Bushings

These Delrin bushings eliminate deflection and greatly improve response. The steel outer housings can be welded to the control arm.

- DSE030201 1967-69 All179.99 kit

Works great for street cars as well as race cars.

Urethane Upper Bushings

These urethane bushings are designed as an upgrade over stock for improved handling.

- DSE030401 1967-69 All72.99 kit

DSE Bounce Bumpers

These urethane bumpers can be used for bounce and rebound control for your stock control arms. The bumper dimensions are 1-9/16" tall and 1-5/8" base diameter.

- DSE030501 1967-6920.99 pr.

DSE090101B

DSE Tubular Adjustment Sleeves

Tubular tie rod adjusters improve the strength and integrity of your steering system over stock. The tubular design is stiffer than the OEM split clamp adjuster and weighs less.

- DSE090101B 1967-69 Black92.99 kit
- DSE090102B 1970-81 Black92.99 kit

No Volume Discount.

DSE031101

DSE Coilover Springs

These springs provide an excellent balance of handling, performance and ride quality. They are designed to work with our DSE front coilover conversion bracketry kit.

- DSE031101 1967-69 SB/LSX283.99 pr.
- DSE031102 1967-69 BB169.99 pr.

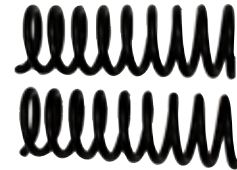

DSE Tubular Lower Control Arm Kit

These DSE tubular lower control arms are a direct replacement for your stock control arms and offer better suspension geometry and more strength which equals better handling and performance. Everything needed to install these new control arms is included in this COMPLETE kit.

Aldan American Coil Over Kits

Aldan Road Comp kits are designed to convert your suspension to coil-overs. Aldan Phantom Series, single adjustable coil-overs deliver superior handling and ride quality for a drastic improvement over stock suspension. Aldan High tensile, high travel coil-springs provide greater consistency over stock springs. Aldan's rear bolt-on shock absorber kit includes 2 TrueLine Series shocks, 2 brackets, 2 T-Bars and hardware. Uses OEM shock mounting locations. TrueLine adjustable shock absorbers are designed to work with factory and aftermarket springs to add a more consistent, smoother ride.

UMI-266501-B

UMI Corner Max Kit, Race & Street Handling

UMI's Corner Max front end kits for 1970-1981 Camaro are a comprehensive system with our best corner carving parts under one easy to find part number. The Corner Max system combines geometry corrected a-arms with tall ball joints, higher rate springs, UMI rebound adjustable monotube shocks, heavy duty sway bar and a bump steer kit. The foundation of the kit includes our coilover-only lower a-arms featuring caster improvement, tall ball joints and the ability to remove the spring and shock without taking the spindle apart. The upper a-arm features rod ends for smooth operation and the ability to adjust without shims. The 1-5/16th inch sway bar upgrade complete with UMI's fabricated end links reduces body roll and helps speed transitions. Racing coilover springs are paired with UMI's rebound adjustable coilover monotube shocks. Fine-tuning is accomplished with a UMI bump steer kit. The Corner Max kit is built to make the stock GM clip work as well as it possibly can with a true bolt-on kit.

UMI-2102

UMI Tie Rod Adjusters

These Camaro tie rod adjusters from UMI Performance are designed to eliminate the factory clamp style design making adjustments easy and hassle free while adding enhanced steering. CNC machined from solid mild steel hex and feature left and right hand threads for easy on-car adjustments then finished in a durable black powder coat. These tie rod adjusters work with the factory tie rod ends with no modifications.

UMI Upper & Lower Tubular A-Arms

Improve the street and track performance of your F-body and achieve that precise Pro-Touring feel by adding a set of fabricated tubular A-Arms. The stock geometry lower a-arms, which work with most popular springs and coilovers, feature tough tubular construction with greaseable polyurethane bushings for precise handling and smooth suspension motion. Optional Delrin® bushings offer additional precision and decreased friction. The ball joint mount is angled slightly from stock to permit usage with lowered vehicles and the design offers additional wheel clearance. The tubular upper a-arms feature Delrin® bushings as well as billet chromoly cross shafts. The relocated ball joint mounting pad increases caster, steering feel and stability without excessive shims and can be loaded with 1/2" taller upper ball joints to improve camber performance. The ultra tough red or black powder coat finish guarantees your performance parts stay beautiful on your street car, drag car, auto crosser or Pro-Touring machine. For the best handling and tire life from UMI designed a-arms, included with each kit are recommended alignment specs along with detailed installation instructions.

UMI Solid Sway Bars

UMI Performance solid sway bars are designed to reduce body roll, understeer and increase cornering capabilities resulting in a more balanced suspension. UMI Performance sway bars are manufactured from 4140 chrome moly steel and formed as one piece to ensure maximum strength and performance. The rear sway bar is heat treated to maintain longer memory than a cold bent sway bar. The front sway bar is CNC bent for a precision fit. Kit is available powdercoated bright red or gloss black for a durable long lasting finish. Insert color choice in __ R = Red B = Black

UMI-2004-R

UMI Subframe Connectors

Subframe connectors improve your car's handling ability while reducing t-top squeaks, dash rattles and quarter panel flexing, designed for auto-cross, road race as well as drag race set-ups. By connecting the front and rear subframes together this allows better weight transfer for improved traction and straighter launches.

UMI Front Crossmember

The UMI Performance tubular K-Member instantly removes up to 25 lbs. from the front of your vehicle while still maintaining strength for streetability and daily use. This item has been designed to handle everything from drag racing, daily driving and even autocross. Our dual tube center section adds increased strength over the competitors' design, making this item far more superior and able to handle every day stress and abuse. Additional front end adjustment can also be achieved with this item, the lower A-Arm slots feature a 1/2 inch adjustment built in and will work with the stock and any aftermarket A-Arm set-up. The front and rear A-Arm slots also feature additional bracing to withstand hard side loads and extreme pressure. This tubular K-Member also features integrated motor mounts eliminating the stock cast iron mounts and for maximum weight savings. Combine this with a set of our lower control arms and expect a weight reduction of up to 33 lbs. Insert color choice in __ R = Red B = Black

UMI LSX Swap Engine Mounts

UMI's LSX adapter plates bolt directly to the frame and allow the installation of any LSX engine. UMI-2406 fits factory LS engine mounts and also works with UMI-2323 solid aluminum motor mounts. UMI's LS mounts place the LS engine in the factory location with the ability to move the engine rear-ward up to 1 in. LS mounts are CNC laser cut from 3/16 in thick steel with MIG welded 1/4 in thick stand offs, high grade mounting hardware included.

UMI Transmission Crossmembers

These transmission crossmembers are designed to bolt a TH350 or TH400 automatic transmission into a 1993-2002 Camaro. This crossmember is 100% bolt in and requires no drilling, no cutting and no welding. It bolts in place of the factory transmission crossmember using the existing holes. Insert color choice in __ R = Red B = Black

UMI-2500-R

UMI Driveshaft Tunnel Brace

The UMI heavy duty tunnel brace reinforces the tunnel area and reduces chassis flex by replacing the weak factory stamped steel brace. Reinforcement of this area is critical because of the drive shaft carrier bearing location. The UMI tunnel brace is fabricated from CNC machined 3/16" thick mounting plates, rectangular tubing and MIG welded. The tunnel brace is a 100% bolt in application and uses existing factory mounting holes. Installation requires basic hand tools and can be completed in less than a half hour.

UMI Strut Tower Brace

The UMI Performance shock tower brace positively connects the front right and left shock towers together for firm handling and improved steering response. The shock tower brace is constructed of DOM mild steel tubing 1.250 inch OD x 0.095 inch wall using CNC machined 0.250 inch thick mounting plates.

*These shocks are designed to work with aftermarket tubular control arms only. No Volume Discount.

Koni Shocks & Kits

Koni "Yellow" sport struts and shocks are widely considered to be the best standard mount bolt-on shock for corner carving. This Koni SPORT kit is a direct replacement for the worn factory shocks on your Camaro. Koni Yellows feature excellent handling combined with a sport oriented, corner carver worthy feeling. Yellow shocks and struts are on car adjustable unless otherwise noted. Koni "Orange" STR-T shocks are considered to be a great choice for handling on a budget mount bolt-on shock for corner carving. This Koni STR-T shock kit is a direct replacement for the worn factory shocks on your Camaro. Koni Orange shocks feature excellent handling combined with a smooth ride on the street. Orange shocks are non-adjustable.

UMI-2015-B

UMI-2017-R

UMI Rear Control Arms

UMI's heavy duty control arms are direct replacements of the weak, factory stamped rear lower control arms. UMI's control arms are constructed of mild steel tubing with CNC machined ends. These direct bolt-on replacements are designed to minimize wheel hop and improve cornering, while lowering track ETs and helping track consistency. Control arms come complete with bushings, grease fittings when applicable, zinc-plated steel sleeves and finished in a gloss powder coat. Insert color choice in __ R = Red B = Black

UMI-2521-B

UMI-2523-R

UMI Rear Toe Rods

The rear toe rods control the camber alignment of the rear end preventing the tire from moving inward or outward during suspension load. The factory toe rods are made from flimsy stamped steel and feature soft rubber bushings causing deflection which leads to erratic handling, poor traction and possible rear tire wear. Replacing the factory arms with heavy duty toe rods makes for a more stable suspension, improved traction and better braking. Insert color choice in __ R = Red B = Black

UMI-2226-B

UMI Torque Arm Relocations Kits

Installing a TH350 or TH400 Automatic transmission into your 1993-1997 Camaro just got easier. This crossmember with integrated torque arm mount features the correct provisions for mounting the transmission while still allowing the use of a factory style torque arm. The built in torque arm mount will work with virtually any stock style aftermarket torque arm as well as the factory torque arm and features instant center adjustment by moving the front of the torque arm up or down. Insert color choice in __ R = Red B = Black

UMI-2032-B

UMI Driveshaft Safety Loop

This NHRA legal driveshaft safety loop is a bolt-in application for the 1993-2002 Camaro. This item bolts to existing floor pan holes to replace of the factory tunnel brace and requires no welding. This is a must for tracks that require a safety loop for cars running faster than 13.99 in the quarter mile. The loop is constructed of 0.250 inch thick mild steel with CNC machined mounting points for a superb fit. Driveshaft safety loop includes new hardware and installs in 30 minutes using basic hand tools. Driveshaft loop will not work with UMI tunnel mounted torque arms or similar tunnel mounted torque arms. It will clear with the stock torque arm, UMI transmission mounted torque arms and most aftermarket torque arms bolting into the factory location. Insert color choice in __ R = Red B = Black

BPC-7000	1967-81 Mounting Bolts 16pc	6.95 kit

Hooker Blackheart LS Swap Transmission Crossmembers

- Designed using CAD modeling/FEA analysis for optimal fitment, strength, weight, safety and appearance
- High-strength low-alloy steel construction
- Engineered 3 to 3.5 degree engine/transmission inclination
- Designed in conjunction with Hooker LS engine swap brackets - Will install with either a stock rubber or Energy 3-1108 poly mount - Provides the highest clearance available for up to 3" exhaust system routing

HKR-12625HKR	67-69 4I60E* 4L65/70/75	301.46 ea.
HKR-12626HKR	67-69 T56, T56 Magnum	301.46 ea.

HURST-67510012

HURST-67510015

HURST-67510014

Hurst Transmission Swap Crossmembers

These ultra-trick Hurst transmission cross-members have painstakingly been designed and fabricated from thick steel plate and heavy gauge steel tubing for a perfect fit and finish that has no equal. These bolt-in units are much stronger than the factory stock cross-members and help maintain the correct transmission and driveshaft angle. Precision cut and fully mig-welded, then given a durable black powder coating finish to last a lifetime and give you peace of mind knowing you're buying the best parts available for your Tremec TKO 5-Speed or Magnum 6-Speed conversions. You can surely trust the company that originally started out making conversion mounts back in 1958, Hurst Performance.

HURST-67510014	67-69 Magnum 6 Speed LS w/ Small Block Engine Mounts	399.99 ea.

Modulator Valve

Replacement modulator valve for automatic transmission.

FTM-12903	PG, TH350, TH400	39.95 ea.
-----------	------------------------	-----------

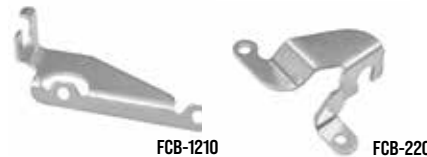

Note: Smaller than original but functions the same.

Kickdown Cable & Bracket

Correct kickdown cable and bracket for cars with a TH350 transmission.

S530KIT	All TH350 Cable/Bracket	41.38 kit
S530	All TH350 Cable	22.99 ea.
S531	All TH350 Bracket	17.96 ea.

Cable Mounting Bracket

Correct bracket for mounting cable to transmission.

FCB-1210	1968-72 TH350	16.99 ea.
FCB-220	1968-72 TH400	21.99 ea.
FCB-193	1973-74 TH400	35.99 ea.

Shifter Cable Lever Brackets

Correct cable lever brackets which mount to transmission.

FCB-322	1968-69 1st Design	19.99 ea.
FCB-222	1970-72 2nd Design	24.99 ea.

Shifter Cable Stud

Correct cable stud which mounts to bracket.

FTH-050	Mounting Stud (to bracket)	11.99 ea.
---------	----------------------------------	-----------

Shifter Cables

Original GM or high quality reproduction shifter cables for floor mounted TH shifter.

FTH-973R	1968-72	32.99 ea.
FTH-773	1973-81	39.99 ea.

Shifter Cable Clip

Correct clip for mounting cable.

EBC-22	Mounting Clip	3.99 ea.
--------	---------------------	----------

Shifter Cable Clip

Correct push on clip which mounts to shifter.

FTH-049	Push on Clip (to shifter)	7.99 ea.
---------	---------------------------------	----------

Clutch Pedal Booster Rod & Clip

For use with power disc brakes.

FBC-799	Booster Rod Clip	9.99 ea.
FBC-606	Booster Rod Fork	14.95 ea.

Column Shift Transmission Bracket

Correct column shift transmission bracket which mounts on all column shift GM cars from 1969-1979.

FTB-13433	1969-79	16.99 ea.
-----------	---------------	-----------

Back Drive Components

Correct bracket, spring, nylon bushing and mounting bolts that mount to the driver's side frame rail. Provides a pivot point for the automatic on the column shift linkage.

NT-391A	1969-72 Complete Kit	29.99 kit
NT-2833	1969-72 Bracket Only	16.99 ea.
NT-69BU	1969-72 Bushing Only	6.99 ea.
FB-69SP	1969-72 Back Drive Spring	5.95 ea.

Column Shift Linkage & Lockout Swivel Assembly

Correct swivel assembly for automatic column shift linkage and lockout.

FSA-ZRLOS	1967-81	26.99 ea.

Transmission Speedometer Gears

These are the correct speedometer driven gears which go inside the transmission case. Please compare the gear you have to what you are ordering as the color or tooth count may vary from original. We do not have an application chart for these, so if changing axle ratios or tire size, please consult various online resources.

HOL-319-575

LS Clutch And Flywheel Kit

This Kit includes all the hardware and components needed for a complete clutch install on a 6-bolt crank LS engine using a T-56 transmission. A 12-inch organic disc with 6 spring helix sprung hub provides superior grip needed for the strip, while the matched diaphragm style pressure plate provides a pedal feel comfortable enough for the street. This provides 30 percent more clamping pressure and transmits that through a billet steel flywheel.

HOL-19-100

1967-81 Sniper Fuel Injection Fuel Tanks

Converting the carbureted fuel system on your car or truck over to EFI can be a daunting task. We have made this conversion easy with our complete tank and fuel system kits! When converting to EFI, it is crucial that you do not contaminate your new parts with dirt, rust, and sludge from an old fuel tank. Sniper fuel tanks are designed to meet or exceed the quality of your factory fuel tank. Sniper tanks are made from steel with a galvanized finish that are manufactured to the OEM specifications. Narrow corner tanks offer more room for large tire combos.

COLD-18A

COLD-545AFK

COLD-547AFK

1967-81 Cold Case Radiators

These COLD-CASE radiators are TIG welded 100% aluminum. These radiators have dual oversize 1-1/4" cooling rows making them more efficient than four 1/2" rows seen on 4 row models. Cold Case aluminum radiators cool 20% better than OEM copper radiators and are more than 50% lighter. They are original in appearance with OEM style stamped tanks for strength and that OEM original look. Once painted, they look like originals to all but the concourse fanatic. Each radiator is pressure tested, direct fit and carries a Lifetime Warranty!

Frostbite Performance Cooling

High-Horsepower street cars and race cars can be a challenge to keep cool. A proper cooling system starts with Frostbite.

When it comes to keeping your ride cool, Make it Frostbite!

Aluminum Radiators

Our line of Performance Aluminum Radiators are available in 2, 3 and 4-row sizes as well as specific LS-Swap applications.

- 100% TIG welded (brazed) seams
- Aircraft quality aluminum core, fittings and tanks (up to 30% weight savings)
- Billet Aluminum Filler Neck and OEM style Brass Petcock
- Custom Frostbite High Performance 16lb radiator cap
- Polished top and tanks for custom show appearance
- 2-Row Radiators supporting applications with 300-500 horsepower • Transmission cooler provisions

HOL-0-1850SA

Holley Carburetors

Holley is one of the most trusted carburetors of all time! Its 600 CFM of airflow, vacuum secondaries, single fuel inlet and mechanical or electric choke makes it amazingly universal. The 4160 carbs are constructed from aluminum which compared to its zinc counterpart equates to a weight savings of 40%! Being aluminum also means it will hold its shine and can be hand polished for a custom look! Don't trust your performance to just anyone. Holley is the only modular carburetor company that has been in business for over 100 years and has powered every NASCAR champion since the 60's.

Tuff Stuff Performance Thermostats
These thermostats flow up to 56 gallons per minute, to maintain stated temperature. The 50 percent increased coolant flow reduces the delay in engine warm-up times, allowing trapped air in the cooling system to escape and stabilize the pressure of the cooling system. The stainless steel construction with an extra-large center port assures increased coolant flow and bridge design increases strength, stability & reliability and incorporates a bypass valve that allows a small amount of coolant to circulate before fully opening, assuring a fast warm-up. Ideal for high performance muscle cars, street rods and customs.

TUF-900160	160 Degree	13.99 ea.

Accel Replacement HEI Distributor

Using all new components, these distributors feature: High performance ACCEL Electronics. All new components-housing castings, ce. Direct plug in replacement with factory type connector. Fits standard deck height small and big block engines. Coil Not Included!

ACCEL-59107	All w/ HEI	179.99 ea.
-------------	------------------	------------

No Volume Discount.

MSD-8360

MSD Pro Billet Distributor

The Pro-Billet Ready-to-Run distributor is the perfect upgrade for outdated points distributors or bulky HEIs. Simply install the distributor in the engine, connect three wires, the coil and fire it up!

MSD-8360	Chevy V8*	469.99 ea.
MSD-85551	Chevy V8**	369.99 ea.

*Does not have nor can accept a vacuum advance canister. **Must be used with a MSD 6,7, or 8 Ignition box. Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No Volume Discount.

MSD-8362

MSD HEI Distributor

For value conscious enthusiasts, the Street Fire HEI is a great choice! We know the importance of a centrifugal advance in a distributor so our engineers made sure that the Street Fire received an advance assembly with coated weights and welded weight pins (not just pressed in like other models). Another area that you cannot afford to scrim on is with a distributor gear. The Street Fire is fit with the same gear that is used on our Pro-Billet models. The metallurgy of this gear has been refined for years to perform through the harshest conditions.

MSD-8362	All, Red Cap 4 Pin*	229.99 ea.
MSD-8365	All Billet, Red Cap 4 Pin*	579.99 ea.

Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. *Refers to the amount of terminals on the ignition module. No Volume Discount.

MAL-3748201

Mallory Unilite Distributor

A legend returns - the tried and true Mallory Unilite Distributor line is back! The easy three wire hookup of the Unilite makes running a stock coil, a Mallory performance coil and even a Mallory HyFire CD ignition a snap. Supplied with a quality cap and rotor, the Mallory Unilite also provides a fully adjustable mechanical advance to dial in the perfect timing curve for a multitude of engine combinations. The Unilite features a compact housing that lends itself well to applications where space is a premium due to tight firewall clearance or blower applications.

MAL-3748201	All SBC, BBC*	409.99 ea.
-------------	---------------------	------------

*Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No Volume Discount.

GCS-S9366	Coil Bracket.....	8.99 ea.
-----------	-------------------	----------

MSD-6201

MSD Ignition

An MSD Ignition will improve the overall performance of your engine thanks to its high output capacitive discharge sparks. Below 3,000 rpm the ignition delivers multiple sparks that will clean up the idle, improve starting and throttle response. If you're looking to improve the performance of your modified mill, we have the answer. Whether you've done a cam swap, or bolted on a carb, intake and headers the 6A is a surefire way to harness all the ponies under your hood. Step up to the 6AL to have an engine saving rev limiter.

MSD-6201	Red All 6A	299.99 ea.
MSD-6425	Red All 6AL.....	349.99 ea.
MSD-64253	Black All 6AL.....	349.99 ea.

*Works on any HEI or MSD style cap with male terminals. No Volume Discount.

ALL-70BB3Q

"Dated" Spark Plug Wire Set

New OE style reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angled boots. Please give your sales rep your desired date. For points style, non-HEI cars only.

Here's how to order:

ALL-(year)(block)(quarter)	99.99 set
----------------------------------	-----------

Note: For example, a 1970 Camaro SS396 built on or before Jan. 15, 1970, you would order ALL-70BB3Q wires will have 3-Q-69 stamped on them. If built after Jan. 15, 1970, you would order ALL-70BB1Q.

AHC-1508

Spark Plug Wire Sets

Pre-cut factory replacements.

AHC-1508	1967-73 SB non-HEI.....	39.95 set
AHC-2508	1967-72 BB non-HEI.....	32.99 set
AHC-3508	1974-81 w/ HEI	54.99 set

APX-6584

AC Delco Spark Plugs

This is a brand new set of 8 spark plugs for your Camaro. These high quality reproduction AC Delco spark plugs feature the correct green AC and markings as original.

AC43	1964-70 #43	62.99 set
AC44	1964-70 #44	62.99 set
AC45	1964-70 #45	62.99 set

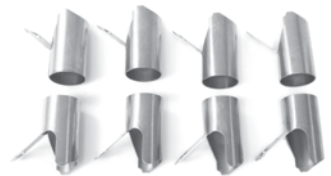

Note: The number on the plug refers to its operating temperature. The lower number is a cooler running plug which is typically found on the SHP high performance engines. A hotter, higher numbered plug would be used in engines where plug fouling may be or is a problem.

Spark Plug Heat Shield Kit BB

Correct stamped shields for various Chevrolet cars with BB engines.

APX-6584	1967-72 BB 8pc.....	39.99 kit
----------	---------------------	-----------

AT-3030

OEM Style Spark Plug Heat Shield Kit BB

Holley

HOL-302-2

Holley LS Swap Oil Pan

GM's popular LS engines are finding their way into a large variety of vehicles. They make great power, plus they're very durable and reliable. Unfortunately, the factory LS pans don't always fit or they hang too low for today's hot rods. Holley's new LS Retro-fit Engine Oil Pan is designed to help! It provides maximum clearance to the chassis and ground, plus provides an OEM fitment for durability and proper sealing.

- Provides OEM fitment- OEM oil filter mounting, OEM oil cooler port provision, OEM engine NVH suppression, OEM flange gasket and sealing, proper structural rigidity and OEM bell-housing attachments.
- Traditional high-quality cast aluminum appearance with clean exterior styling.
- Provides maximum clearance to chassis
- Cast and machined aluminum
- Complete kit including sump baffle, pick-up tube, sump plug, oil filter stud & oil passage cover.
- Fits GM rear wheel drive applications that were originally equipped with a Small Block or Big Block Chevy engine and traditional rear sump oil pan*

HOL-302-2	1967-81 All	404.96 ea.
-----------	-------------------	------------

*Maximum crankshaft stroke = 4.25" *Engine location may need to be adjusted (up / down or fore / aft) for cross member or steering linkage clearance depending on the vehicle, steering configuration and chassis type.*

Tuff Stuff Gear Reduction Starters

These gear reduction starters will allow you to easily crank over your high performance engine. They use less draw than traditional replacement starters and gear reduction allows them to crank over engines with higher compression. These starters will work on both Small Block Chevy and Big Block Chevy Engines using 153 or 168 tooth flywheels. Please be sure to check your flywheel tooth count before ordering.

QF-30-350QFT

Quick Fuel Technology Fuel Pumps

For the street cruiser, it's tough to beat the simplicity and reliability of a mechanical fuel pump. Quick Fuel Technology's mechanical pumps flow 110 gallons per hour and utilize lightweight aluminum housings. They feature integrated shutoff valves that are preset at 6.5- to 8 psi, eliminating the need for a separate pressure regulator. For added installation flexibility, the pump casting can be rotated to accommodate various plumbing configurations. 3/8" NPT threads. Gasoline only.

QF-30-350QFT	Small Block	116.96 ea.
QF-30-454QFT	Big Block	134.96 ea.

No Volume Discount.

Quick Fuel Technology Electric Fuel Pumps

QFT's electric fuel pumps are perfect for combinations that are neither stock nor all out race cars. These pumps flow more than enough fuel to support between 400-750 hp. Mounting hardware and brackets are included.

- 125 GPH Flow Rate
- 14 PSI Maximum Pressure
- Features 3/8" NPT Inlets and Outlets
- Draws 4 Amps or Less at Full Load
- For Carbureted Gasoline Applications Only

QF-30-125-1QFT

Holley

HOL-12-803BP

HOL-12-426

HOL-12834

Holley Chrome Fuel Pumps

Mechanical pumps designed to work with stock or mildly modified engines. Free-flow output of 80 GPH (SB) or 80-130 GPH (BB). Body castings can be rotated 360-degrees to ease mounting in difficult places. Heavy duty construction can withstand long periods at high RPM. 1/4" (SB) 3/8" (BB) pipe thread inlet and outlet ports.

HOL-12834	Small Block	107.96 ea.
HOL-12835	Big Block	107.96 ea.

Note: Not compatible with methanol or alcohol. Cannot be used with fuel injection systems.

Holley Electric Fuel Pumps

Holley is proud to introduce the all new Holley Mighty Mite™ electric fuel pumps! They're big on performance, but small in size! They're quiet, easy to install and work with gas, diesel, blended alcohol and E85!

12 volt operation . 25 gal/hr flow . Good for up to 300HP naturally aspirated. Simple 2 wire hookup. Self-priming and regulating. Quiet operation - 65db. Hose barbs Fit 5/16" Fuel Hose . Made in the USA

HOL-12-426	All 25 GPH 1.5-4 PSI	59.36 ea.
HOL-12-427	All 32 GPH 4-7 PSI	59.36 ea.

No Volume Discount.

Holley Fuel Pressure Regulator

Holley fuel pressure regulators are designed to precisely control the fuel pressure from the fuel pump to the carburetor. Too much fuel pressure for a given needle and seat assembly will overload and may cause flooding or drivability problems. Each Holley fuel pressure regulator is fully adjustable so regulating the fuel pressure to your engines needs is simple.

12 volt operation. Preset to 7psi. 3/8" NPT ports (1 in, 1 out, 1 bypass or return). Used in systems with a return line back to the fuel tank

HOL-12-803BP	All Carbureted	107.96 ea.

Vintage Air SureFit Kits

Vintage Air SureFit kits are the most complete, bolt-in climate control systems available for your Camaro. SureFit kits install easily and utilizes most of the factory sheet metal and body features and are engineered as "vehicle specific" complete systems. Our SureFit kits are designed to place the evaporator case and air duct hoses behind the dash for a factory-clean look. In most cases, the SureFit system will be controlled by your stock dash controls using our exclusive patented "Cable Converters." In some applications, a new "factory" look control panel is included with the kit. All SureFit systems provide full OEM-style operations including air conditioning, floor or vent exit heating and a powerful dehumidified defroster. To retain a true factory look, the AC air exits through the factory dash louvers, if originally equipped in your car's dash. SureFit kits also offer the most complete and straightforward installations available anywhere. Our award-winning instruction booklets and carefully engineered system packages should make your SureFit installation job simple, fun and very cool! The Gen IV is Vintage Air's most powerful and intelligent climate control system available for your Camaro. The Gen IV uses an exclusive fully electronic microprocessor control system that eliminates cables or vacuum connections. Separate high-capacity copper parallel-flow heat coil and aluminum plate-and fin-cooling coils provide outstanding performance and instant temperature adjustments. Complete kits include the evaporator unit and mounting brackets, louvers (where required), duct hose, wiring harness, patented Electronic Cable Converters, compressor, engine brackets, condenser with brackets, preformed refrigerant lines, drier, fittings, hardware and installation instructions.

Features Include:

- Fly-By-Wire fully electronic servo motor controls with no cables or capillary tube to route
- Infinite just-right-temperature air blending
- Infinite blower fan speed adjustment (3-speed on factory air models)
- High-volume dehumidified defrost mode
- Separate high-capacity aluminum plate & fin cooling coil
- Copper/brass CuproBraz™ parallel-flow heater coil
- Mounts behind the dash
- Uses your factory system controls with our patented Electronic Cable Converters
- Flat steel firewall cover panel
- Replacement molded glove box (reduced capacity)

DSE011801

Detroit Speed Fender Brace Kit

This new DSE Camaro fender brace kit is another way to beautify your engine compartment. The fender braces are 100 percent CNC machined Clevis' from 304 stainless steel. The kit includes fabricated mounting brackets and comes with button head stainless steel mounting bolts. The fender braces triangulate the radiator core support to the fender and are fully adjustable (a benefit not available with your stock fender braces). All mounting brackets come powdercoated satin black.

Firewall Cover

A quick and easy way to cover up your rough firewall! Constructed of 16 gauge anodized aluminum which is easy to clean and can be painted to match your car. You only need to remove your hood, wiper motor, wire gutter and any accessories you've attached to your firewall and this panel will simply slide right in place. There is no need to remove your engine or even distributor!

AFC-67F	1967-69 Blank	149.99 ea.
AFC-67FW	1967 Wiper Hole	149.99 ea.

- RQS-F74L 1974-81 LH 109.95 ea.
- RQS-F74R 1974-81 RH 109.95 ea.

Side marker holes will have to be cut out for 1968 models. Ships Truck Freight to a commercial address.

4020-603-68L

80% Quarter Panels

These 80% quarter panels are very similar to our full quarter panels but lack the full door jamb section and roof sail panel area. These panels feature turn downs for rear window felts and extend into the trunk weatherstrip area. The rear curves back inward for easy installation of tail pan.

- 4020-603-67L 1967 AII LH 199.99 ea.

RSF-69F

RSF-69F Detail

1967-69 OEM Style Sub Frame

OEM style subframe which is an OE style replacement for your rusty, dented or bent original. There is no longer any need to waste money trying to repair your damaged original subframe. This subframe features factory style welds for an OEM appearance, extra bracing in the lower crossmember to add strength while jacking the car (but completely invisible on the outside) and holes and brackets as original. This subframe is very hard to tell from OEM due to all of these correct details.

RSF-67F	1967	1499.99 ea.
RSF-68F	1968	1499.99 ea.
RSF-69F	1969	1499.99 ea.

Power Window Retrofit Kits

Ground Up Motors exclusive power window kits are the best available on the market today! They bolt into the original mounting holes making for a hassle free installation. Using 1018 cold-roll steel, bronze oilite thrust bearings at all the pivot points and heat treated metal for all gears results in a quality smooth operating regulator that will last for many years. The motors are all brand new and have been thoroughly tested for quality and feature a strong dependable motor. Kits include: new regulators, new ACI window motors, a new completed wiring harness, your choice of switches and the conduit from the a-pillar to the door. Our kits feature detailed instructions with helpful diagrams and photos. (F/R = Front and Rear Kit)

Detail

Dash Harness Classic Auto Fuse Series

Classic Auto Fuse Series dash harnesses allow you to maintain the easy plug and play function of original factory type harnesses, while converting the entire fuse block to an Auto Fuse Series (ATO Type) fuse block. This gives you the flexibility to add additional power circuits without the installation headaches normally associated with this type of fuse box conversion. There is no cutting or modifying of any sort. Just plug it in and turn it on. It is completely compatible with the other original harnesses in your car.

39383

Spare Fuse Power Wiring Extension

Used to add the functionality of the three extra spare fuses if desired.

39383	1968-69	69.99 ea.
-------	---------------	-----------

39384

Accessory Terminal & Connector Kit

Used to access the front of the ATO fuse block accessory ports, while maintaining the indexing capability of the cavities on the fuse block.

39384	1968-69	25.99 ea.
-------	---------------	-----------

39385

Glass Fuse Series Accessory Adapter Kit

Converts old accessory style indexed connectors to new ATO style connectors so you can plug your old accessories into your ATO fusebox with no modifications to connectors.

39385	1968-69	60.99 ea.
-------	---------------	-----------

39464

Fuse & Flasher Kit

Includes (2) flashers, (1) complete set of ATO fuses, plus (1) spare of each amperage.

39464	1968	30.99 ea.
39466	1969	30.99 ea.

GHB-4412

Power Window Harness Boot

Manufactured from rubber as original these reproduction boots are designed to fit factory type power window harnesses.

GHB-4412	1967-69	64.99 pr.
----------	---------------	-----------

1967-73 Camaro Classic Update Series Kits

NEW compact ATO-Style fuse panel. Original switch connector bodies, Steering column connectors, Instrument cluster wiring, Rear body harness assembly plug, New floor dimmer switch, GM bulkhead connectors, Engine wiring, Front lighting, Original style light sockets!

500661	1967-68	755.99 ea.
500686	1969	799.99 ea.
510034	1970-73	746.99 ea.

Note: Does not support ammeters. Use 510121 voltmeter replacement for 1968 with original ammeter.

510121

1968-69 Console Voltmeter Gauge

Voltmeter gauges are engineered as a direct replacement to install in place of the factory Ammeter gauge that was used in the original saw tooth console gauge packages installed in many 1968-1969 Camaros. This gauge is a must when using American Autowire Classic Update or any other updated wiring harness, because those kits will not support the use of an Ammeter.

510121	1968-69.....	124.99 ea.
--------	--------------	------------

GRA-214

Air Conditioner Relay

OE correct blower motor relay for cars with air conditioning

GRA-214	1973-77 w/AC	28.99 ea.
---------	--------------------	-----------

No volume discount.

35125

Ash Tray Lamp

Includes wire and socket. Does not include ash tray socket retainer. Original bracket and shield assembly must be reused.

35125	1967 All	20.99 kit

ALL-70BB3Q

"Dated" Spark Plug Wire Set

New OE style reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angled boots. Please give your sales rep your desired date. For points style, non-HEI cars only.

Here's how to order:

ALL-(year)(block)(quarter) 99.99 set

*For example, a 1970 Camaro SS396 built on or before Jan. 15, 1970, you would order ALL-70BB3Q wires will have 3-Q-69 stamped on them. If built after Jan. 15, 1970, you would order ALL-70BB1Q.

AC43

AC Delco Spark Plugs

This is a brand new set of 8 spark plugs. These high quality reproduction AC Delco spark plugs feature the correct green AC and markings as original.

AC43	1964-70 #43	62.99 set
AC44	1964-70 #44	62.99 set
AC45	1964-70 #45	62.99 set

Note: The number on the plug refers to it's operating temperature. The lower number is a cooler running plug which is typically found on the SHP high performance engines. A hotter, higher numbered plug would be used in engines where plug fouling may be or is a problem.

ACI-3685

Cowl Induction Electric Solenoid

Correct electric solenoid with part number stamped on.

ACI-3685	1967-69 w/ GM Stamp	41.99 ea.
----------	---------------------------	-----------

AD-007

LHT-7PB-HI

FACTORY T3

HI-INTENSITY T3

LHT-7T-HI Detail

LHT-7PB-HI Detail

T-3 Headlamps

Upgrade your weak old original T3 and Power Beam headlights with a pair of high performance headlights from Ground Up Motors! These headlights utilize modern bulb filaments with a much brighter high/low beam, which are considerably brighter than the original factory and Power Beam units. These fit and function exactly as original which makes installing these a breeze. They feature a T3 or Power Beam logo and look just like the originals! We tested these on our own 1969 Camaro in our warehouse and you can really see the difference!

OER Interior Paint

OER's revolutionary formula provides 40% more coverage than standard dyes and lacquers and actually penetrates and molecularly bonds to the surface to permanently seal in the color. Dries to the touch in 45 seconds, forms a complete bond in just 10 minutes. UV stable and color fast, it will not crack, flake or peel. For use on vinyl, leather, ABS plastic, polycarbonate, polypropylene, polyurethane, acrylic, lexan, fiberglass and recycled plastics.

Company Policies

Hassle Free Returns

Products may be returned for a full refund, credit, or exchange within 30 days of receipt, provided that the product is in its original shipping condition and has not been modified, altered, painted, installed, or damaged. Products returned after 30 days can only be returned for exchange, store credit, or refund check. All returns after 30 days are subject to a 25% restocking fee. Ground Up Motors - SS396.com will not accept returned goods without prior authorization, any returns without prior authorization will be subject to a 25% restocking fee. The customer is responsible for shipping charges on returned merchandise unless otherwise indicated by Ground Up Motors - SS396.com.

Ground Up Motors - SS396.com always recommends professional installation for all the products we sell. Any item that has been altered, painted, installed, or deemed non-resalable by Ground Up Motors - SS396.com will be returned to the customer at the customer's expense. If the customer does not want to pay for return shipping, the item will be field destroyed. Ground Up Motors - SS396.com is not responsible or liable for any labor fees associated with the installation, removal, modification, or repair of any product purchased, regardless of the circumstances. Additionally, Ground Up Motors - SS396.com is not responsible for any damage or discoloration incurred in relation to chemical products, including cleaners, waxes, polishes, paints, and/or similar items.

Product Availability & Pricing

The availability of all items on SS396.com and in our print catalogs is subject to change without prior notice. Ground Up Motors - SS396.com reserves the right to discontinue products, services, accessories, and substitute products of a similar nature (i.e., different manufacturers/brands) without notice. While Ground Up Motors - SS396.com strives to maintain accurate pricing, please note that prices are subject to change due to factors such as increased costs in manufacturing and materials. For the most up-to-date pricing information, please visit our website 24/7 or contact a Ground Up Motors - SS396.com customer service representative by phone or email.

Backorders

Ground Up Motors - SS396.com will try to notify you in the event backorders are present on your order. While back orders are often beyond the control of Ground Up Motors - SS396.com, most out of stock items are shipped within two (2) to six (6) weeks. We generally ship back ordered items as soon as they arrive at our warehouse, without notification. If one of your items has been out of stock for more than 90 days, we will try to contact you before shipping. If you wish to cancel a back order, please contact us as soon as possible to avoid return shipping charges and restocking fees.

Ground Up Motors - SS396.com will keep track of all backorders on products that are "out-of-stock" or unavailable at the time the order is placed. The pricing on a back-ordered product is not guaranteed due to labor, manufacturing, materials, shipping costs, and other unforeseeable issues that may arise requiring a price adjustment. We will maintain the price on any backorder product for 60 days after the order is placed. After 60 days, the product may be subject to a price adjustment. If a price adjustment is necessary on a particular product, we will do our best to inform the customer before the product is shipped.

Kit Products

Our Parts and Accessories catalogs, as well as SS396.com, offer kits that include a variety of products to provide you with the best value. Please note that most of these kit items are exclusive to Ground Up Motors - ss396.com and are not eligible for further discounting or price matching against our competitor's kits.

Occasionally, we may run out of a specific item that is included in a kit. In such cases, we will generally ship the items that are in stock and backorder the ones that are currently unavailable. You can contact our sales department by phone to verify which items are out of stock at the time of placing your order. As our customer, you have the option to accept a partial kit delivery or choose to have the entire kit backordered until it is ready to ship in its entirety, be sure this is either verbally communicated over the phone or specified when placing an order online. Please note that additional freight fees may apply for multiple shipments, if applicable.

Color Matches

Please note that due to multiple manufacturers of products provided by Ground Up Motors - ss396.com, color variations may occur. Slight color variations, especially among interior products, are common and do not constitute a defect. These products are not eligible for return shipping solely based on color variations.

Additionally, there are products noted online and, in our catalog, as non-returnable. This primarily includes colored products such as interior items, as well as special order or built-to-order products like date-coded glass and custom gauge clusters. If you are unsure whether a product is non-returnable, please contact a us via phone or email for clarification. Please be aware that colors displayed on computer monitors and, in our print, catalogs may differ slightly from the actual color of the product. If precise color matching on interior items is a concern, we recommend ordering black and color matching using interior paint or dyes. Returns of colored, special order, or non-returnable items are not permitted and will be subject to 25% restocking fee.

Sales Tax Information

If you live in a state that requires sales tax, Ground Up Motors - SS396.com will collect the appropriate sales tax for your shipping location. Most states currently require sales tax and Ground Up Motors - SS396.com is compliant with all the latest laws associated with state sales tax. Due to regular variations in state sales tax, rates are subject to change without notice based on state and zip code. State sales tax is applied to products as well as shipping fees, handling fees, etc

For more policies and information on discounts/eligibility please see ss396.com for more information.

Ordering Lefts and Rights

Items in this catalog are presented as right hand (RH) or left hand (LH). RH and LH sides are determined by sitting in the vehicle. RH = passenger and LH = driver.

Trademark and Copyright

The content of Ground Up Motors - SS396.com, including the Ground Up Motors - SS396.com Parts and Accessories catalog is copyright 2024, all rights are reserved. No part of this publication including text, photos or illustrations may be reproduced without the prior written permission of Ground Up Motors - SS396.com.

International Orders

Ground Up Motors - SS396.com is happy to ship parts to international customers via International Economy shipping. Shipping can also be arranged per the customer and the packages will be boxed at our dock. Please call our sales department or send an email to logistics@ss396.com to get a shipping quote for the parts that you wish to order.

Oversize Items

We offer shipping for items that are considered Oversize. These items can be shipped via UPS Ground at an Oversize rate, which entails a minimum dimensional weight fee of 30 lbs. for Oversize or 70 lbs. for Oversize 2.

It's important to note that Ground Up Motors - SS396.com reserves the right to charge an Oversize fee on any item that is deemed Oversize, even if it is not explicitly indicated as such. This ensures that the shipping costs associated with handling and transporting these larger items are adequately covered. If a shipping adjustment is necessary on a particular product, we will do our best to inform the customer before the product is shipped.

Truck Freight

Ground Up Motors - SS396.com recognizes that certain products are too large or heavy to be shipped via Ground freight and must be shipped using truck freight. Efforts are made to clearly indicate these items in the print catalogs and website, but there may be instances where an item not specifically marked for truck freight may still require or benefit from this shipping method.

To ensure we are providing our customers with the best possible shipping rate all orders are subject to review by our Truck Department for adequate freight quoting. When placing an order online or over the phone you will not be charged any shipping, and a quote will be provided for your approval which is valid for 10 days from the date it was provided. Orders will remain as a quote until the order has been approved by the customer. Note that products are not reserved until the quote has been approved. Due to the quoting process PayPal payment is not accepted for truck orders. It is crucial to provide us with accurate information regarding the delivery destination. Any fees or charges resulting from the provision of false information or failure to comply with Ground Up Motors - SS396.com's policies are the sole responsibility of the customer and may be applied without notice.

Expedited Shipping

Ground Up Motors - SS396.com provides various expedited shipping options for customers' convenience. To ensure timely delivery, orders must be placed by 2:00 pm from Monday to Thursday, and by 12:00 pm on Fridays. Please note that weekends and holidays are not considered shipping days. It is important to mention that we recommend contacting our sales department to obtain the expedited shipping rates for your order. They will be able to provide you with accurate pricing information based on your specific requirements to ensure you are receiving your expedited order in a timely manner.

AP0/FPO Shipping

Please note that for AP0 or FPO addresses, USPS is the only available shipping method. If you are military personnel with an AP0 or FPO address, it is important to contact Ground Up Motors - SS396.com prior to placing your order. This will allow them to verify that the desired parts do not exceed the size limit and ensure a smooth shipping process for you. You can reach out to our customer service team by writing, calling, or emailing, be sure to also ask about our Military discounts which we are honored to offer to both active and retired military personnel.

Product Damages & Shortages

We understand that errors and issues can sometimes occur during the fulfillment, shipping, or manufacturing process. If you receive a product that is damaged, missing, or incorrectly shipped, it is important to notify us within three (3) business days of receiving the order. You can do so by contacting us via phone or email. If you are present at the time of delivery and notice any carrier damage it is recommended that you refuse the shipment with the reason of carrier damage. If this is the case notify our customer service team so we can rectify this issue in a timely manner and ensure you are not charged any additional fees.

To ensure a prompt resolution on a damaged or missing claim, we may request additional information, such as images or details about the damaged, missing, or incorrectly shipped product. In most cases, we will provide you with a pre-paid shipping label to return the damaged or incorrectly sent product. Once we receive and inspect the returned item, we will issue a refund or send a replacement, depending on your preference.

Please note that if you report damage, missing items, or incorrect shipments after the 3-day window, you may still be able to make a claim, but will not be eligible for a pre-paid shipping label.

Refusals

In the event of a refused delivery, please note that a restocking fee of 25% will be applied, along with applicable return shipping charges, unless the refusal was due to damage that occurred during shipping (refer to our Damage Claim policy).
