

OUTDOOR EDUCATION & LEADERSHIP

Outdoor Education & Leadership

Develop teaching skills for wilderness and adventure education. Hike, mountain bike, raft, rock climb, ski and snowboard in the mountains of Wyoming while becoming a leader in the outdoors.

Take advantage of CWC's world-class facility at the Alpine Science Institute, which adjoins the nation's first national forest and is just a two-hour drive from Jackson Hole, Grand Teton, and Yellowstone National Parks. Learn through hands-on field-based expeditions in and around the Wyoming Rockies.

Non-Discrimination Statement

Consistent with its mission to value diversity and to treat all individuals with dignity and respect, Central Wyoming College does not discriminate on the basis of race, color, religion, sex (including pregnancy, sexual orientations, marital status, or gender identity), national origin, age, disability (mental and/or physical), veteran status, or genetic information in admission, or access to, or treatment, or employment in its educational program services or any other activities. The college makes reasonable accommodations to serve students with special needs and offers services to students who have the ability to benefit. Inquiries concerning:
