FINE JEWELRY

## The Gabriel Collection

Like the presence of a divine guardian, luminous wings sculpted in precious metals glint with diamonds to honor the unseen and intimate guidance

## Diamond River

Mauri Pioppo's Earth line is an homage to the brilliant intelligence of the natural world — grounded and elemental, inviting the wearer into a subtle communion with nature's enduring beauty.

## Love Letters

A Mauri Pioppo original, the Loveletter necklace reflects the initials of the ones you love and can expand to include all of the people you hold near to your heart.

# *a gift of presence*

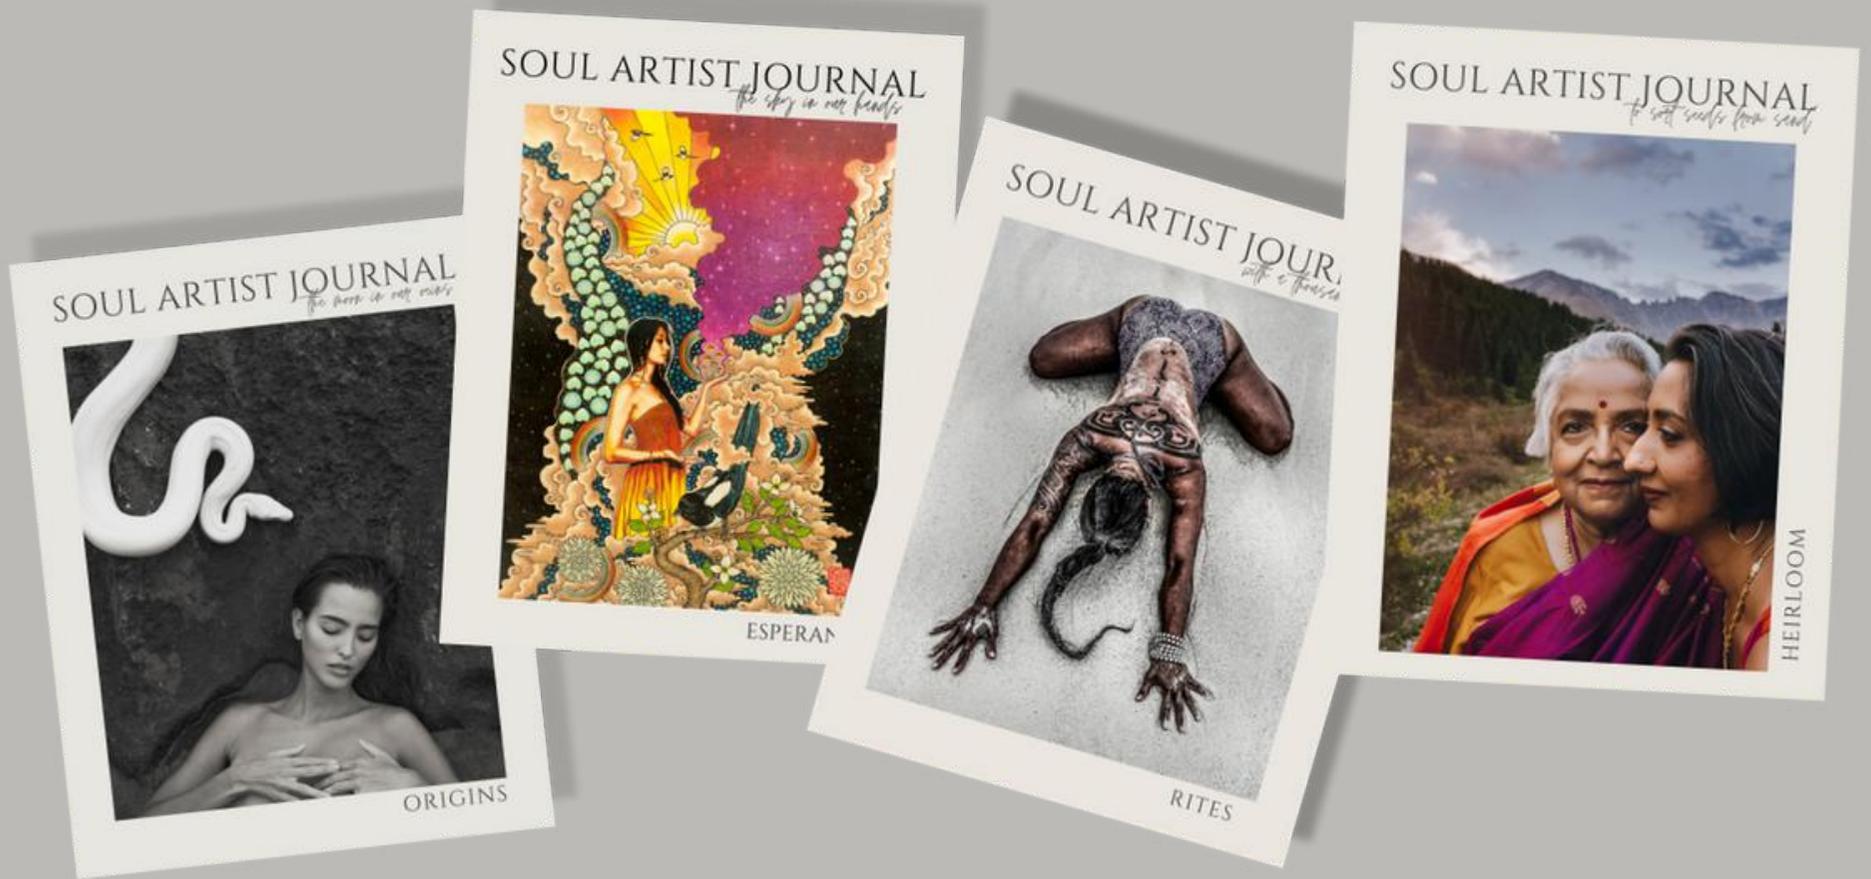

In a season of giving and gathering, the most luminous offering is your attention—breath, stillness and the quiet art of being fully here. now.

Presence is the most enduring treasure we can share.

Return to ritual, reflection and replenishment with Soul Artist Living — a sanctuary for mindful living and soulful inspiration.
