COLLABORATIVE COMMUNICATION

Ready to increase your employee's communication style?

Then this is your call!

A young woman with brown hair, wearing a white collared shirt and a black headset, is smiling warmly. She is in a call center environment, with other people blurred in the background. A large, intricate golden mandala is overlaid on the right side of the image, partially covering her face and the background. The text is overlaid on the left side of the image.

THE SINGLE BIGGEST PROBLEM IN COMMUNICATION IS THE
ILLUSION THAT IT HAS TAKEN PLACE."

GEORGE BERNARD SHAW

Effective communication is the cornerstone of success. Your workforce's ability to communicate and collaborate seamlessly directly impacts productivity, innovation, and ultimately, your organization's bottom line. To thrive in this dynamic environment, businesses must elevate their communication skills to foster a culture of collaboration and ensure their teams are equipped to face any challenge.

That's where our Collaborative Communication Training for businesses comes in. This program is meticulously crafted to address the unique communication needs of your organization, providing your employees with the essential skills they need to excel in various aspects of their professional journey.

Our Collaborative Communication Training is not a one-size-fits-all solution. We understand that every company has its unique communication challenges, objectives, and organizational culture. That's why our training program is tailored specifically for businesses. It addresses the specific communication intricacies, dynamics, and challenges that your employees encounter in their day-to-day work.

In this comprehensive training, your employees will gain the skills required for success in the modern business landscape. Here's a glimpse of what they'll achieve:

- **Team Dynamics:** Learn to work cohesively with colleagues, understanding the nuances of effective teamwork and achieving common goals.
- **Conflict Resolution:** Develop strategies and techniques to handle conflicts efficiently, reducing disruption and enhancing workplace harmony.
- **Productive Communication:** Discover the art of clear, concise, and impactful communication, promoting understanding and driving your business forward.

INVEST IN YOUR TEAM'S SUCCESS

By enrolling your employees in our Collaborative Communication Training, you're not just investing in their professional development; you're investing in your team's success and, consequently, your organization's success. Effective communication leads to improved decision-making, better customer interactions, and an overall more positive work environment.

WHO SHOULD ATTEND?

This course is ideal for employees at all levels, from team members to managers and executives. Improve teamwork, leadership, and communication skills across your organization.

DURATION

The course consists of six modules, each lasting one week, allowing employees to complete the program in six weeks.

COURSE SCHEDULE

Classes are conducted online, allowing you to participate from anywhere at any time

PETRA STORMEN – FOUNDER MYSKILLSLAB

With over two decades of experience in the corporate world, Petra Stormen is not your typical leader. Her extensive background as a consultant for a wide range of organizations has equipped her with a deep understanding of industry standards and the power of a growth mindset. Petra holds certifications from renowned institutions, including Marshall Goldsmith and Global Coach Group, and is also certified to assess the GLA360.

But what truly sets Petra apart is her holistic and transformative leadership approach. She seamlessly weaves ancient wisdom into her leadership philosophy, believing that the purest sources of truth are the foundations for lasting personal and professional growth. Her approach to everything is anything but superficial – she delves deep into the core of each individual's needs, fostering profound transformations.

What makes Petra exceptional is the combination of her diverse knowledge base. She's not just a leader, coach or mentor to many; she's a Mindfulness-Based Cognitive Therapy (MBCT) practitioner and has spent more than a decade studying evolutionary psychology. This unique blend of skills allows her to seamlessly shift into therapeutic work when needed, ensuring a comprehensive approach to anything she does.

MySkillsLab isn't just a service; it's a journey of self-discovery, empowerment, and lasting change. With a genuine interest in each individual she works with, Petra is dedicated to guiding her clients towards their fullest potential.

I am passionate about working with our clients. I see them grow, change mindset, evolve, and take those crucial steps in their transformation roadmaps. I believe that each person, team, department and organization possesses a unique blueprint, in this design is where the best answers can be found. So sometimes, we need to go back to that original plan to understand where we can make corrections today, ultimately growing into our fullest potential.
