Hotels by Bisley – helping you provide the perfect stay.

With over 90 years' experience in the furniture industry, our products are designed with your guests in mind. Luxurious, classic, and distinct, our high-quality furniture provides a comfortable yet stylish stay.

People always come first at Bisley.

Whether you're a customer, dealer, architect, or designer, you benefit from a service that's engineered entirely around you. We've refined our expertise over the decades, regularly accommodating bespoke requirements. From having existing Bisley products finished in your brand colours, to resizing storage units to match a specific layout, we design, manufacture, and deliver completely unique products.

During their stay, guests may wish to use the gym or spa facilities and require somewhere safe to store their personal items. Bisley's lockers are sleek, stylish, and secure, with the option to integrate BeSmart lock technology, so guests can relax and revitalise throughout their stay with peace of mind.

Our furniture is designed and created on-site at our South Wales factory, meaning we can create a bespoke, hard-wearing bedroom range that truly encompasses your brand and aesthetic.

We offer both wood and steel options in a whole spectrum of paint colours, giving your guests a relaxing haven that replicates the comfort of home.

If you're looking to provide a home from home, we can create sleek bedsides, stylish wardrobes, and a variety of media units and sideboards to truly complement your hotel's look and feel. These pieces provide ample opportunity for your guests to safely store away their personal items, from small trinkets and accessories to large coats and suitcases. We have the ability to create something unique and innovative, yet purposeful and functional.
