Large cooktop with durable cast iron pan supports

Stainless steel five burners gas top. Heavy and durable cast iron and wok supports are included.

Charming finishing touches

Gently curved stainless steel back guards softly rounded paneling on the oven fronts are complemented by retro brushed steel control knobs and matching handrails.

Refined details

The vintage style is also in the design details, such as the comfortable electronic programmer. In addition, the bright chrome handle is available on all Elba Vintage cookers, as a replica of the handle found on the original Elba stoves, giving the kitchen a traditional trait.
