Today the journey leads south to Český Krumlov, one of the most picturesque towns in the Czech Republic and one of Bohemia's true treasures. Its castle rising above the river, winding lanes and beautifully preserved medieval centre create a setting that feels almost unreal in its harmony. Yet Český Krumlov is more than a pretty destination; it is a place where history, landscape and human scale come together naturally. As you walk through its streets and take in its atmosphere, the town offers a different dimension of the Czech experience – quieter, more romantic and deeply rooted in place.

Local Restaurants

Taste the region

Meals are an important part of the journey, offering not only comfort but also a deeper connection to local life. Carefully selected restaurants bring together authentic flavours, welcoming settings and a more personal experience of each destination. From traditional dishes to regional specialities, dining becomes another memorable part of the trip.

Today offers two very different but equally memorable ways to experience Bohemia, depending on your interests and travel style. Kutná Hora reveals the region's Gothic and medieval heritage through powerful historic sites, spiritual atmosphere and architectural detail. Karlovy Vary, by contrast, offers elegance, spa tradition and the refined charm of colonnades, facades and relaxed promenades. Each destination tells a different story about the Czech lands – one more dramatic and historic, the other more graceful and restorative. Whichever route you choose, the day adds another rich layer to your journey beyond Prague.

5TH DAY KUTNÁ HORA OR KARLOVY VARY

MAKE YOUR CHOICE

Two Bohemias

Bohemia is not defined by a single mood. In Kutná Hora, it feels dramatic, historic and deeply rooted in the medieval world. This choice allows the journey to reflect your interests while showing how varied and richly textured the Czech landscape can be.

Morning

Departure from Prague for your chosen Bohemian day trip

Afternoon

Explore either Kutná Hora's Gothic heritage or Karlovy Vary's spa elegance and historic center
