ABOUT US

What began in 1956 as a story rooted in passion, craftsmanship, and design has evolved into the legacy of Franco Ferri Italia, now proudly led by its third generation.

Projecting itself towards new and exciting future goals, the brand has always remained faithful to its philosophy: to use and develop precious craftsmanship techniques, high manual skill, combined with new technologies and materials of absolute value, to respond to the demands of modernity and innovation.

DESIGNER PICK:

Elisa Sofa

A sculptural statement in comfort and form, Elisa's sinuous silhouette invites relaxation with a single glance. Its seamless curve and continuous cushioning create a fluid dialogue between seat and backrest. Wrapped in plush upholstery and grounded by its organic, low-profile shape, Elisa transforms any space into a sanctuary of soft sophistication.
